NEWS OF OUR MEN AND WOMEN IN UNIFORM

Mrs. Nina Marsh received the following letter from her son Harry (Bill) who is somewhere in Italy, which gives an interesting description of a rest camp.

Dearest Mom:

In one of my later letters to you I mentioned that I was soon to be sent to our rest camp and I said that I would tell you something about my stay at the 'camp.' I wrote that letter some six weeks ago. Sunday, February 27th, I left my bivouac area and arrived here (rest camp) early the same afternoon. The first thing, we were issued all new clothing and then enjoyed a nice hot shower. Later, we were issued slips that entitled us to buy practically anything we wanted at our P.X., and at a very reasonable price. Everything went perfectly.

I wish that you could see the place where we have our Red Cross. It's a huge castle; how old it is I wouldn't dare guess. Enormous paintings cover the walls and ceilings. Beautiful statutes—endless steps. When I first went into the main room it slightly reminded me of the Cincinnati Station. So huge is everything that one kind of feels out of place in it.

I sit and write letters where Royalty used to live. It sort of gives one a queer feeling. Who would ever have thought that I, Bill Marsh, would be sitting in a comfortable chair in a castle?

What a day at our rest camp is composed of:

Since breakfast is served at 7:30 to 8:30 hours, I usually get up around eight o'clock, thereby escaping the seemingly endless chow line. I am usually good for about seven or eight hot cakes but yesterday morning I had difficulty consuming four. After enjoying a big breakfast, I usually go back to my room and rest for a short period. Then I get a shave, which costs only five cents, wash up a bit or take a shower. Next I either go up town for a while or else to the Red Cross or else to our Recreation Building (where I am now at) and start writing letters or engage in some sort of sports.

The hours fly by all too swiftly and before I know it, it is 11:30 and time for lunch so I hurry back to my quarters grab my mess gear and get in line for another feast. Coming out of the mess hall, much more slowly than when I started in as I am now stuffed, I make my way up the stairs to my room once more. I lay on my bed and plan my afternoon. After about a half hour of thinking (and it always comes to just this) I decide to take in the afternoon show. We have three showing of pictures every day; twice showing of the same picture in the evening. Yesterday I spent six hours, of the afternoon and evening, seeing a two hour "Yard Bird Revue" stage show and two movies. The stage show, first formed in the last World War, was very good. There was one guy who imitated the President and he sure was good! Last night I saw Red Skelton in "Whistling in Brooklyn" a comedy mystery. Now to get back on the days program. In the afternoons, shows are from two to four but one has to go at least a half hour early in order to get a reasonably fair seat. So I take along a Life magazine and read until the picture starts. Getting out of the show at 4 o'clock I horse around for an half hour until 4:30—supper time. After supper, I feebly crawl out of the mess hall and make my more than weary legs take me back to my room.

Usually, I eat too much for supper so I have to lie down for a short time. But there isn't much time for resting as there is another show at 6 o'clock and I can't miss that. Tough in pain from a heavy stomach I manage my way to our post theatre about an half hour ahead of the show. I find that I have gotten there in time for a good seat so I am happy. Picture shown here are usually the newer ones. I have yet to see one picture that I have seen before and I've seen a lot of them. It's now eight o'clock, the show is over, and I am sort of feeling a little hungry. So I go about twenty yards from the theatre and walk into our Rec Building where the Red Cross girls are waiting to serve us coffee and doughnuts or sandwiches. After devouring six doughnuts or five or six sandwiches and a couple cups of coffee I usually call it a day. However, sometimes I try to get a few letters written by 10 o'clock when it's 'lights out.' I usually retire anywhere between nine and eleven o'clock, never later than eleven. I get in bed, pull four blankets over me and enjoy a peaceful night's sleep, getting up at the usual time and starting the whole thing over again. This may seem pretty dull to some people but it's no less than heaven to us guys who know the meanings of the words rough and tough.

When a person is sent to a rest camp he is entitled to a five day rest period. This is already my fourth day. I intend to buy something for you so I guess I'd better do it today.

We were paid for January on the day I left for rest camp. However, I'll have to wait until the end of March to be paid for February as I was at the rest camp here at the time that the other guys signed the pay roll.

A few days ago I learned that I was made Private first class, some time around the middle of January thereby, drawing $49.39 instead of $47.15. Maybe in another year or two or three I'll make corporal. Who knows?

Since I don't drink and because I live a fairly clean life I don't have much to do with the money that I get, as practically every thing here is free so that means that I shall be able to send some money home.

I receive the Products paper and the Herald very regularly. Sometimes I get as many as three copies of the Herald at once. Dot wrote and asked me if there was any thing I wanted and I told her "yes," send me a large box of chocolates." Though I don't actually expect to get chocolates, I hope she can find some sort of candy to send other than "Lifesavers." Lifesavers to a soldier are like a nightmare to a young child.

The crowd is starting to thin out which means it is time for lunch so I will have to bring this letter to a close. If you hear from Ray, please write and tell me.

Be good and God bless you.

As ever, your loving son,
Bill.

P. S. After writing this letter I went up to my room and when I got there I found our paymaster there waiting to pay me for the month of February, so the rumor, of not being paid until the end of March, is false. I drew $51.95 clear not bad.

This afternoon I saw the picture entitled "Jack London", a swell show. I leave this rest camp some time tomorrow.

All my love,
Bill.

Dear Editor:

I wish to express my appreciation to you and the members of the American Legion of Tecumseh, for sending me The Tecumseh Herald.

It has been coming very regular since January first and is just like reading a great big letter from home stating where all your friends are stationed, and what they are doing.

During the past year it has been my privilege to visit several Red Cross clubs set up for onyone in service overseas. They are doing a remarkable job towards keeping up the morale of us serving over here, I find the clubs a very enjoyable place to go and relax with your friends.

Everyone over here for the most part has a very high morale and is doing his bit to try to bring home, our Victory over the Axis so soon as possible.

Sincerely yours,
Pvt. Delmar E. Bruder.

Dear Friends:

I am writing this letter to thank you for your thoughtfulness in sending me such a welcome Christmas gift. Nothing could have been received with more gratefulness.

I wish that I might be there to thank you in person, but as you know that is quite impossible.

Thanking you again, I remain,
Carroll Dale Carpenter.

Dear Editor:

Have enjoyed reading your paper very much. It sure helps a fellow out to have some thing to read when he is overseas.

My new address

Camp White, Oregon.

Dear Mr. Wickwire:

Seems to be a slight mixup in my address—to set you right. It should be—Ens. Wm. A. Wright, U.S.S. LST 3. Please discontinue all previous addresses

Needless to say I enjoy the Herald very much. Almost as good as a personal letter from home.

Being on an L.S.T. has afforded me a great opportunity to see this country. Actually one look is all one needs to appreciate the fine and better things our own country has to offer. Just ask any sailor or soldier, he'll tell you the same thing.

I am enjoying a great deal your column donated to the men and women in uniform. Gives one a personal contact with a lot of old friends. If you're not careful, the Herald will have to be enlarged to take care of all the contributions.

Please convey my thanks to the Tecumseh Legion Auxiliary for their thoughtful Christmas gift.

At present, we're not allowed to divulge our whereabouts but I can say that I have been in North Africa, Sicily, Italy and Corsica and hope darned soon to make my next stop the good old U. S. A.

Sincerely,
Ens. Wm. A. Wright.

A TIP TO COOKS

Fresh vegetables should be cooked quickly and only until tender, according to the Michigan Department of Health. Vitamins and minerals wash out in cooking so it's wise to cook vegetables in as little water as possible and use the vitamin-rich water in gravies, sauces and soups.

Franklin Shea Gets War Medal

TELLS OF GERMANS BLASTING HIS KITCHEN; WAS THIRD TO BE BLOWN UP

A glimpse at how General Clark's Fifth Army in Italy is getting along is given by Staff Sgt. Franklin Shea of Tecumseh, in a letter to his parents here, Mr. and Mrs. Harry Shea of West Logan street. Sgt. Shea has just received the Nation's Bronze Star for doing a good job of supplying the men in his company but he hurries to tell his parents that "medals are all right but I'd be willing to trade jobs back home with anybody in town."

Sgt. Shea tells about having three kitchens blown up by the enemy and of scarcely reaching his fox hole before the Nazi bombs landed. His letter is one of the most interesting yet received from a local boy. He says in part:

"I try to write to everybody but I just can't seem to sit down and do it, and my nerves are just about shot. It has been a long and tiresome job feeding all these men and trying to please everybody. I try to bake for them as much as possible but can't get out all I want to for a lot of times I don't have either flour or shortening or something else is lacking. Today I went out in a corn field and picked enough corn to feed the company and sometimes I go and get tomatoes and potatoes but most of that stuff is out of season now.

"A bunch of us boys were decorated the other day with another medal. I got what they call the Bronze Star for doing a good job of supplying the troops with food, water and ammunition while we are on the front lines. That is my job when we are up there. Medals are a nice thing to get but I would rather this would just get over with and I could come home. A lot of people back home think that probably I have got an easy job by being in the kitchen but I would gladly trade for any of the jobs back there. I have had three complete kitchens blown up now and I hope it never happens again. The last time it was quite comical. I was roasting chickens and they started shelling us and we had to run for our fox holes. We had just made it there when there was a direct hit on the kitchen dugout and it blew chickens, stoves and all right out of the hole. We always have to dig them in about four feet and then sandbag them on top."

Franklin has been overseas for about a year and a half and last Christmas he had the honor of cooking Gen. Clark's dinner. He first served in North Africa, then went to Sicily and later to Italy. A few weeks ago he received a three day pass, the first since he landed in Italy, and he visited Naples. He also was at Vatican City where he heard the Pope deliver an address.

"I sure wish the war would hurry up and end," Franklin's sister, Mary, commented today as she read the note from her brother. "I'd like to see him again, and I hope that he soon can come home to us. He sure has seen a lot of service."

AIR SCHOOL GRAD

Warren A. Jahn, son of Mr. and Mrs. A. W. Jahn, Tecumseh, was recently graduated from the Naval Air Technical Training Center located at Norman, Oklahoma. While at the Norman school he studied the aviation specialty field for which his recruit training aptitude tests showed he was best suited.

The newly graduated man is now awaiting active duty orders either to sea or to a naval base, where after further experience in his new trade the Bluejacket will be eligible for a higher promotion.

WELCOME CLASS

Miss Jennie Gillespie was hostess Saturday afternoon to the Welcome Class of the Presbyterian Sunday school honoring the birthday of Mrs. C. A. Slayton which occurred Sunday. Twenty-four were present including Mrs. John Richard of Adrian, sister of Mrs. Slayton. Refreshments were served at the conclusion of a social afternoon.

NOTICE

Youth, 14, Of Onsted, Injured In Accident

William Eaton, 14, of Onsted was brought to Tecumseh hospital Sunday afternoon for injuries suffered when he fell between two cars on M-50 near the Onsted road intersection. One car was being towed by another and Eaton stepped between the two to remove the crank from the towed car. He slipped and fell on his face, and although the car did not pass over his body, it is believed he was injured by the rear axle housing. He suffered a skull fracture, broken collar bone, and severe lacerations on one ear, his face, arms and shoulders.

The two cars were driven by Esther Ankney and Lorentus Ross of Onsted.

Brazees Hear From Officer

SEARCHING CREWS HAVE BEEN UNABLE TO LOCATE SHIP MISSING IN FLIGHT

Rev. and Mrs. Alvin Brazee whose son, Sgt. Edward Brazee of a medical detachment in India, was reported missing in flight, June 14, have received a letter from their son's commanding officer giving details of the tragedy.

According to the letter, received last Monday, Sgt. Brazee had been granted a furlough to visit a city in another part of India and was traveling in a transport plane. The flight was over friendly territory but some of it was mountainous and some jungle. Search planes have been unable to find any wreckage and neither have they been able to locate any of the men. However, the search is continuing, hoping that they may be found. The commander, could offer very little encouragement.

"Through The Herald we would like to say thanks to our many friends who have cheered and comforted us with their visits, letters and prayers," the Rev. Mr. Brazee said. "We will always treasure their kindly ministry. Since June 23, when we received the notice, Deut. 33:27, 'The eternal God is thy refuge and underneath are the everlasting arms' has been an experience of deep significance," he concluded.

Ernest M. Coller, 74, Buried In Brookside

Ernest M. Coller, aged 74 years, a resident of Tecumseh nearly all his life, died Sunday night at the home of his brother L. C. Coller in Coldwater where he had spent the past 18 months. Mr. Coller operated a music store here for many years.

The brother is the only survivor. Mrs. Coller died about 24 years ago.

The body was brought to the Belding Funeral Home here where funeral services were held Tuesday afternoon. Rev. N. MacNaughton officiated and burial was in Brookside cemetery.

Bearers were Durward Shoemacher of Saline, A. E. Miller of Adrian, Fred C. Coller of Coldwater and Lester Coller of Tecumseh.

NOW MACHINE GUNNER

Marine Pvt. Wilfred K. Frolich, son of Mrs. Dorothy Frolich, has graduated from the Training Command Machine Gun school at Camp Pendleton, Oceanside, California. During the eight weeks course he was especially trained in jungle warfare, amphibious training, chemical warfare and combat concealment and is now attached to his unit as a machine gunner.

Private Frolich, who was born November 1, 1925 at Bridgewater, graduated from Clinton high school in 1943, where he played softball, won a letter in football and was a member of the track team. He was employed as stockroom clerk at Tecumseh Products Co., before enlisting in the Marine Corps in March 1944.

KILLED IN ACTION

Miss Arlene Sherman has received word that a friend, Sgt. Frederick Templar, formerly of Shelby, Mich., was killed in action July 4 on the battlefields in France. Sgt. Templar was a frequent visitor in the Luther Wood home and spent his last furlough here in February.

VILLAGE TAXES

I will be at the United Savings Bank every Tuesday afternoon, Saturday afternoon and Saturday evening during July and August for the collection of Tecumseh Village Taxes or mail check to 414 W. Kilbuck St., Tecumseh, and I will return receipt.

Soo is Air Defense Center of 17 Mid-Western States

NORTH MICHIGAN CITY IS PROOF THAT ISOLATION FROM EUROPE IS GONE FOREVER

By Gene Alleman
(Special To The Herald)

SAULT STE. MARIE—Here at one of the oldest and most famous points of North America, Sault Ste. Marie presents today—anno domini 1944—a convincing and powerful argument that the day of American military isolationism from Europe is forever gone.

The new meets the old amid dramatic surroundings.

Here at the first permanent settlement begun by Europeans in Michigan, 200 years before Fort Dearborn was built among the wild onions that the Indians called "Chicago," is located the war department's headquarters for the air defense of 17 Mid-West states.

And only because the German luftwaffe has been beaten from the skies of Europe and the filthy Nazis are once more on the run in Normandy and Italy and on the Russian front, citizens of Sault Ste. Marie no longer view anti-aircraft balloons day after day and 10,000 volunteer airplane watchers no longer scan the northern skies, in shifts round the clock, from northern Michigan to Labrador.

Returning to Sault Ste Marie after a year's absence, this reporter was newly impressed with the strategic importance of this town of 13,000 souls along the St. Mary's river between Canada and the United States.

The war department released a news item at Washington a few days ago, telling how more than 10,000 American airplanes had been sent to Russia under Lendlease. Highly significant was this fact: Approximately 5,000, of these planes were flown to Russia over the northern circle route by way of Alaska! Delivery of Yank aircraft is being made in 1944 in this manner—over the Bering sea between Alaska and Russia—routes hereto considered by the public as barred to air transportation because of natural hazards.

Modern air power has annhilated space.

Sault Ste. Marie, hub of the only international military zone on our North American continent, is proof of this truth.

It was our privilege, one year ago, to inspect the army air defense headquarters here at the Soo. Then the peril of German raids across the northern circle from Europe was a military reality. Throughout the Upper Peninsula and in many northern counties of Michigan, as well as hundreds of distant outposts in Canada's vast wilderness, volunteer airplane watchers were on the job, each hour of the day, ready to dispatch information by telephone to the Soo headquarters any minute an enemy plane was sighted.

Col. Norman M. Nelson, commanding officer, led us into the control room where uniformed Wacs were on duty to receive telephone messages and to place signal flags upon a large flat regional map.

On his desk was a small globe. Colonel Nelson picked it up. He pointed to Sault Ste. Marie.

"Here is the most direct route from Europe to the United States," he said. "If an enemy wanted to attack us, the St. Mary's canal locks at the Soo would offer a vital target. Munition plants in the Mid-West — Detroit, Chicago, and elsewhere—would be next. Yes, the Soo is our front line defense."

Remembering the city's ring of military airports, the concrete strips of which are wide as superboulevards; we nodded in understanding.

It was Jacques Marquette, the Catholic explorer-priest, who established the first settlement of Europeans in Michigan at Sault Ste. Marie.

Thus you have the ever-astonishing fact that this northern city antedates all but two cities on the North American continent and the entirety of Michigan.

Father Marquette founded a church for 2,000 Indians who lived along the loud rapids of the river here. He had left France in 1666 at the age of 29. Marquette's arrival had been preceded by Etienne Bruce, the first man to reach the northern lakes, who visited the rapids in 1612.

When the Jesuit priests first gazed upon this spot, they are said to have exclaimed "Sault" (falls) and later "Sainte Mary," believing that only the Blessed Virgin could possibly approach anything so beautiful.

To the north lies the Canadian Laurentians, for the most part a vast wilderness known to Canadians as the "bush."

The abundance of the whitefish in St. Mary's river, together with the availability of maple sugar at Sugar Island, had provided a paradise for the Chippewas. To the west was Gitche Gumee, Lake Superior, the greatest body of fresh water in the world with a depth of 1,300 feet, 600 feet below sea level! This was the land of Hiawatha, made famous by Longfellow and first recorded by Henry Rowe Schoolcraft in his "Algic Researches."

The story of Sault Ste. Marie is the tale of an American northern frontier which saw in 1844, just a century ago, the sinking of the first shaft for copper at Copper Harbor in the Keweenaw peninsula.

The copper boom led to building of the Soo canal which was finished in 1855. Before the canal's completion, 15 large boats totaling 3,000 tons had been hauled over the portage (now Portage street). Soo merchants opposed the canal because of the portage revenues, and so did the military at Fort Brady for selfish reasons. Henry Clay denounced the venture in Congress as "a work beyond the remotest settlement in the United States, if not in the moon."

Captain Eber Ward, largest owner of lake steamships in the 1850's, said the canal locks were "entirely too large" to be financed successfully.

In this summer of 1944 a ceaseless fleet of lake boats traverses through the St. Mary's locks, carrying iron ore from the Mesabi, Gogebic and Marquette iron ranges and copper from the Keweenaw trap range at Houghton.

The armored might of American armies in France and Italy has been dependent, for the most part, on production of tanks and cannons and other mechanized equipment and munitions made out of steel and copper.

Here at Sault Ste Marie is the vital artery through which go ore-carrying boats linking the mines to "arsenals of democracy."

Look at the globe, and you'll see for yourself why the United States must henceforth protect the Mid-West, as well as the strategic locks, from possible enemy air attack by maintaining strong defenses at the Michigan Soo.

This fact alone, indisputable in its logic, should add an attractive "lure" to Michigan's postwar tourist trade. The Soo locks thus become a symbol of American vigilance for security and peace.

TAX COLLECTION IS EXTENDED TO SEPT. 15

Payment of taxes without penalty in the Village of Tecumseh was extended to September 15, by the council, in regular session, Monday evening. The previous date was August 15.

The council approved the audit of the books of Tecumseh hospital, by the R. G. Fuller Co., Detroit, and named the United Savings Bank as the depository for all village funds. Reports of officers and committee chairmen were received and placed on file. LeRoy Gregg was given a permit to park a trailer on the Schneider garage lot for a period of six weeks.

REPORT FOR SERVICE

William Aebersold, Richard Eggleston, Keith DesErmia and Max Brandt of Tecumseh, Jerry Ivan of Britton, Mason McWilliams of Holloway, Paul Langmeyer of Onsted, Harold Black of Adrian, Rt. 3, and Milton Sackett of Clinton are among the group of 49 Lenawee county men who will report in Detroit today for final examination and induction into military service. Sackett and Aebersold were volunteers.

TO WED AUGUST 12

Miss Dorothy Gilbert of Onsted and Sgt. Richard Braun of Cherry Point, N. C., will be married Saturday, August 12, at the Presbyterian church in Adrian. Sgt. Braun is the son of Mr. and Mrs. Edward Braun of Adrian, formerly of Tecumseh. Another son Edward Jr., is with the armed forces in Italy.

NO MAIL DELIVERY

P. A. Bowen, postmaster, announced today that because the west side mail carrier, Jack Puffer, will be away on a week's vacation, and no substitute can be found, there will be no mail delivery in that section from August 14 through August 19. Patrons are asked to call at the postoffice for their mail during that period.

Garden Club Plans Canning Demonstration

Tecumseh Garden Club will hold an open meeting, Friday afternoon, August 18 at St. Peter's parish house, when Miss Beatrice Franquist, county home demonstration agent, will give a demonstration of "Pressure Canning." The program topic is "Preserving Our Victory Gardens."

The hostesses are Mrs. Arthur Eaton, Mrs. E. G. Palmer, Mrs. Roy Cudnus and Mrs. D. F. Wright. Flower arrangements are in charge of Mrs. Addie Lindbert, Miss Mary McWilliams and Mrs. Lewis Lent.

This meeting is open to the public and anyone interested in pressure canning is especially invited to attend.

Clinton Child Is Lake Victim

JERRY LEE ACKLEY, AGED TWO YEARS, DROWNS AT EVANS LAKE ON THURSDAY

Jerry Lee Ackley, two year old son of Mr. and Mrs. Lee Ackley of Clinton, drowned last Thursday afternoon in Evans Lake where the Ackleys were spending the week with her parents, Mr. and Mrs. Fay VanNest also of Clinton. Jerry had been playing in the water and his mother had taken him into the cottage and dressed him. She supposed he was still in the cottage when a boy brought him in after finding him with his head under water. Artificial respiration was applied and the inhalator from the Clinton fire department was used but all efforts failed.

Survivors are the parents, a sister Susan, his grandparents, Mr. and Mrs. VanNest of Clinton; Mr. and Mrs. Elza Ackley of Adrian and two great grandmothers, Mrs. Dena Lincoln of Adrian and Mrs. Sarah Zeluff of Monroe.

Funeral services were held Monday afternoon at the Hause Funeral Home in Clinton with burial in Riverside cemetery.

Warn Against Removal Of Tonsils During Polio

A warning against removing tonsils during the polio season was sent to all health officers in the state early in August by Dr. William DeKleine, State Commissioner of Health. This message stated, "The presence of polio-myelitis (infantile paralysis) cases in Michigan raises the question of the danger of the removal of tonsils during the polio season. There is very suggestive evidence to indicate that the removal of tonsils may predispose children to an attack of poliomyelitis. This evidence furthermore suggests that the type of poliomyelitis most commonly observed in tonsillectomized children is of a severe type."

Eighty-two cases of poliomyelitis occurred in Michigan during July, compared with eleven cases in July 1943. Ordinarily poliomyelitis increases during the summer months reaching its peak in September.

Only once in the past ten years have there been this many cases of polio so early in the season, according to Dr. DeKleine. In 1939, a total of 82 cases were reported in July and 385 in August. Polio caused 40 deaths during the 1939 epidemic.

INJURED IN FALL

David Younglove of Tipton was brought to Tecumseh hospital Saturday for treatment of bruises and cuts, received when he fell into an open cellarway which was being repaired. Several stitches were necessary to close a cut in his back. He returned home Sunday.

BAND MEETING

A special meeting of the Band Parents Club will be held Friday evening, August 11, at 8 o'clock, at the home of Mrs. and Mrs. Luther Wood, 315 West Logan street. All members are requested to be present as there is important business to transact.

Michener Sees Big Fight Ahead

SAYS PREDICTION ON END OF WAR IN JAPAN STILL STANDS FOR YEAR 1945

That big and decisive battle in the European war theatre still lies ahead and may be expected at anytime within the next seven or eight weeks, Congressman Earl C. Michener told members of the Tecumseh Rotary Club, when he addressed that organization's dinner meeting, Tuesday evening at Brees House. Congressman Michener is home from the Capital City while the House is in recess. He expects to return about September 1.

"When the war will end and when the decisive battle with Germany will be fought is just my opinion, and your opinion is as good as mine," Mr. Michener said. "However," he continued, "my prediction of a year ago as to the end of the war with Japan still stands at 1945."

The Congressman spoke principally about the post-war planning in Congress and declared that the return of the nation to peace time pursuits is now the major business in both the Senate and the House. The country, he declared, faces a tremendous task when the war is ended, some eleven million men and women in service must be returned to their jobs, to say nothing of the more than 50 millions of men and women now employed in war effort. Instead of a shortage of labor, employers will find today's problem in reverse, he said. A program to return these men and women to their jobs in an orderly fashion is the task that Congress is attempting to work out. Mr. Michener foresees the return of men from overseas battle fronts at the rate of about 500,000 every 60 days and he pointed out that it would take many months before all were back home. Men now in camps in the United States, generally speaking, he said, will see overseas service, permitting veterans to be released.

The congressman is of the opinion that compulsory military training for the young men of the nation will continue after the war is ended, and that rationing and price control also will be necessary during the reconversion program.

Benjamin Higgins, 75, Clinton Resident, Dies

Benjamin Higgins, aged 76 years, died Friday at his home in Clinton where he had lived for 30 years coming from New York state to this vicinity.

He leaves the widow Lily, three sons Claud, Lee and Clifford, nine grandchildren and one brother Leonard Higgins of Cement City.

Funeral services were held Tuesday afternoon at Hause Funeral Home, in Clinton. Rev. O. E. Priest officiated and burial was in Riverside cemetery.

SPECIAL MEETING

A special meeting of the Tecumseh Hospital Auxiliary will be held Friday afternoon at the home of Mrs. Jennie Satterlee. The time will be spent in making lapel dolls, which work was started when the auxiliary met Tuesday evening with Mrs. B. L. Warren.

GUILD PICNIC

Overseas Xmas Gifts Go Soon

POSTOFFICE ASKS THAT MAILING BE DONE BETWEEN SEPTEMBER 15, OCTOBER 15

The mailing of gifts to armed forces overseas should begin on September 15 and end on October 15, the Postoffice Department pointed today. The Department also urged that all mail be carefully and plainly addressed, and securely wrapped and tied.

"Now is the time to shop," the postoffice bulletin says, "because of the scarcity of gift merchandise and also, now is the time to start to save boxes and packing materials which are difficult to obtain."

Transportation and communication systems are important necessities in any emergency. The present emergency is no different, in fact its magnitude has severely burdened these systems.

Despite the loss of experienced help the Post Office Department has only shouldered this additional burden but also encouraged the sending of frequent morale building gifts and messages to the armed forces, both in the United States and overseas.

Ways and means have been and still are sought to simplify mail handling, in an effort to avoid delay of this added burden. Many have been suggested and adopted, others have proven to be of no benefit. Many require the cooperation of the mailing public in preparation, presentation and addressing of mail.

The greatest boon to prompt mail handling has been the Postal Unit Numbering System, which was inaugurated in 122 large cities about 15 months ago to offset the loss of experienced mail clerks to the armed services. Addressing mail to these cities with the zone number after the name of the city, identifying the unit effecting delivery, has most successfully provided an opportunity to use inexperienced help on a part time basis. Currently a good share of available help is school youngsters, working only a few hours each day or every other day, in order that school work may also be kept up.

There are six cities in Michigan to which mail matter should be so addressed, namely Detroit, Flint, Grand Rapids, Kalamazoo, Lansing and Pontiac. If your friends reside in these cities, ask them for their delivery zone number, jot it down and always use it when addressing mail to them. Postmaster Percy Bowen of Tecumseh will be glad to tell you the name of the other cities in the United States to which mail should be so addressed. Persons having lists of addresses in these cities should submit them to the Postmasters concerned to be keyed to show zone numbers.

Waste Paper Drive Aug. 19

Another Waste Paper Drive and matinee, sponsored by The Strand Theatre, the proceeds of the campaign to be given to the Tecumseh Community Chest and the Opekasit Youth Club, was announced today for Saturday, August 19. The paper will be shipped immediately to a Monroe war plant.

The drive this time will be conducted along lines similar to the one a few weeks ago when more than 21 tons of paper were collected. There will be a $25 War Bond for the boy collecting the most paper and another $25 bond for the girl who collects the most. There will be second, third and fourth prizes of $10, $5 and $3 to the boy or girl in those classes. In addition there will be ten sets of theatre tickets to boy and girl runnerups. After prizes and expenses have been deducted the balance of the proceeds from the sale of the paper will be shared by the two above named organizations.

The waste paper collection will begin next week Saturday morning at 11 o'clock and all paper (which should be tied or boxed) is to be brought to the front of the Witherall building (back of Kerby's restaurant) where it will be weighed and stacked by members of the Opekasit club. The matinee, to which all who bring 25 pounds or more of paper, will be admitted free, will begin at the Strand Theatre about 1:30 p. m.

It is expected that 10 to 15 tons of paper or even more will be collected during the drive. Several members of the Opekasit club already have started a house-to-house solicitation, and plan to haul the paper with trucks to the downtown section on the nineteenth.

NOTICE

The American Legion Club will entertain all club members and all service men home on furlough at a dinner in the club rooms Thursday evening, August 17, at 9:30.

ANOTHER PROPHECY

In 1924, Woodrow Wilson said: "The great tragedy of the last six years is the fact that American failure to accept world responsibility means that the job will have to be done over again within twenty years and at ten times the cost."

There is no way to dispute the accuracy of the forecast made by the great War President. The American people, misled by Isolationists and peace fanatics, exercised every ingenuity and stratagem to escape becoming involved in war. The present participation of this country should establish the fact that the United States exists in the world and is a part of the world.

The prime question before the people of this country today is whether, upon the conclusion of the present conflict, they will again reject world responsibility and make it possible for somebody to prophesy correctly that they will have to do the job again within the next twenty years and at ten times the cost of the present struggle.

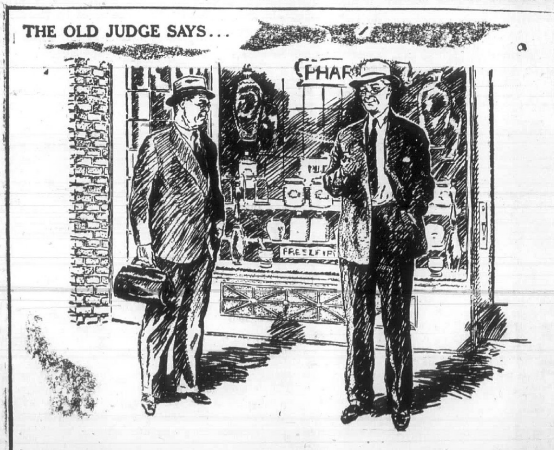
THE OLD JUDGE SAYS...



"Good morning, Doc. Your good wife tells me you're working night and day now that so many of the younger doctors are in the army."

"That's right, Judge, and I'm glad I'm still able to do it. Had a long letter from Harry... that bright young fellow I was breakin' in to take over my practice. He said the boys in the service are getting the best medical care of any armed force in our history. They really should with all those brilliant doctors and plenty of supplies to work with."

"Speaking of supplies, Doc, not many people realize that a large part of the alcohol required to make the medical supplies that are being used right this minute to alleviate pain, combat infection and save human lives, is produced by the beverage distilling industry. For nearly two years this entire industry has been working night and day producing nothing but alcohol for the government's program."

"Nobody knows better than I, Judge, what an important contribution to our war effort that has been."

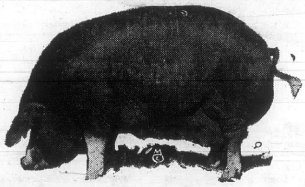
HAYDEN PORK MAKER

Hayden Flour Mills Tecumseh, Mich. August 10, 1944

Get the Worms Before They Get the Profits



MAKE YOUR FEED GO INTO PORK NOT INTO PARASITES.

Time was when producing pork was a man's own business. But now it's every farmer's job to use his feed efficiently—to see that none of it is consumed by parasites. So it's both patriotic and profitable to worm your hogs.

For three years, Purina Research has been at work developing Chek-R-Pigtabs—a highly efficient, safe treatment for ridding large roundworms and nodular worms. We can say this much about Chek-R-Pigtabs:

1st—They're safe.
Research and field results show Chek-R-Pigtabs to be harmless to pigs when used as directed.

2nd—THEY'RE EFFECTIVE!
Laboratory research and feedlot experience prove that Chek-R-Pigtabs really remove the worms. Guaranteed 90 to 100% efficient on large roundworms and nodular worm removal.

DON'T WAIT FOR PIGS TO BE UNTHRIFTY. Don't take chances with pork parasites—make it a regular practice to worm every pig with Chek-R-Pigtabs. For best results treat pigs between the ages of 10 and 12 weeks, or at 35 to 65 pounds.

Fight Poultry House Germs The New Way

MIX ONE OUNCE PER GALLON WATER.

Kill pullorum, typhoid, and other deadly germs that may be in your poultry house by using Chek-R-Fect, the new, popular, soap type disinfectant! First clean, scrape and scour the floors, walls, nests, and roosts. Then spray or paint with a solution made of 1 oz. Chek-R-Fect with 1 gal. water. Chek-R-Fect mixes quickly with water, stays in solution, covers evenly, and does a thorough job of disinfecting.

IS A POWERFUL GERM KILLER.

Chek-R-Fect is 7¼ times as powerful as carbolic acid. It packs a real germ-killing punch!

HAS A PLEASANT ODOR.

One whiff of Chek-R-Fect and you'll never want to use a "smelly" type disinfectant again! Chek-R-Fect has a clean—fresh—mild, soapy odor that helps keep down unpleasant poultry house smells. You'll like it.

IS NON-IRRITATING.

Chek-R-Fect is as gentle as it is powerful. It will not irritate normal skin. This means less danger from spray burns and blisters. Chek-R-Fect is harmless to birds, too, when used as directed.

WILL NOT STAIN.

Chek-R-Fect spray solution will not stain overalls, paint, or woodwork. It doesn't leave dark brown spots that are hard to wash out or wipe off. Chek-R-Fect itself forms a clear, bluish-green spray solution.

COSTS ONLY 2 1-8 CENTS TO MAKE ONE GALLON.

Ask us for full details as to this new disinfectant. We believe its use will make you money.

YOUR CAR IS A VITAL PART

Of Our National Transportation System

Take Good Care of Your Car

Make It Fit to Drive Many More Miles

Essential driving is the only kind patriotic Americans are doing these days. So the cars that are on the road deserve the best of care. How about yours? Is it in ship-shape? Or are parts deteriorating; is it's lubrication the wrong weight; are it's spark plugs clean? Now is the time to find out by bringing it to our ultra-modern repair shop where **OUR EXPERTS** can tell you **QUICKLY** and **HONESTLY** just what is wrong with your automobile. Our **TRAINED MECHANICS** are capable of working on any make automobile or truck with complete understanding.

EFFECTIVE AUGUST 15

A BRAND NEW SERVICE---

To Car Owners in the Tecumseh Area

Factory-Trained Mechanics---

We have three factory-trained mechanics in our shop to assure you the best possible service. Mr. Andrew Bessie of Detroit, formerly with the Buick and Nash companies, is our shop superintendent. He is capable in every way of working on any make car or truck. He will analyze your motor for you and refer it to one of our other trained mechanics. This gives you a "factory analysis" of your trouble.

Complete New Equipment---

The equipment which will be used to service your car or truck is **COMPLETELY NEW** and factory approved. This is mighty important in the automobile repair business. It means that your repair bill will be **MUCH SMALLER** than usual because proper tools, proper machines mean shorter work for the trained mechanic.

No Long Waiting For Your Car---

We will operate our shop largely on the "appointment system" and eliminate the much-talked-about long waiting periods for service. By this we mean th at you should bring your car to us for an inspection. We'll tell you what is wrong and make an appointment for the work to be done. This system will save you days and hours of waiting.

Courteous Service Always---

You'll like the courteous, careful attention you will receive when you come to our shop. Mr. Bessie's time is YOUR TIME. He will be glad to explain to you just what your car needs; you won't be shoved around, from one mechanic to another. We believe that the average motorist will appreciate this service.

Large Prizes Offered in Paper Drive

TWO $25 BONDS TOP PRIZES AT STRAND'S FREE MATINEE PARTY, SATURDAY

Two $25 War Bonds top the prize list in next Saturday's Waste Paper Matinee at the Strand Theatre, it was announced today, to say nothing of runner-up prizes which consist of $10, $5 and $3 books of War Savings Stamps and 20 sets of free theatre tickets.

"We are really looking for waste paper this time," was the way that Walter Nichols, manager of the Strand, put it today in announcing the details of the paper party. "Our prizes this time are nearly double those of a few weeks ago when we succeeded in collecting nearly 22 tons of old paper. We hope this time to equal or exceed the previous amount." Waste paper, he pointed out, is critically needed in the nation's war effort.

The waste paper party this time will follow along lines similar to the one of a few weeks ago, except that the paper will be brought to the rear of the Witherell building, instead of the parking lot, at the rear of The Heardl office. The paper will be weighed in by members of the Opekasit Youth Club and any person, man, woman, boy or girl, who brings in 25 pounds or more will be given a free ticket to the Strand's matinee. Weighing in of paper will begin at 11 a. m., Saturday, and the matinee will start at 1:30.

Already, it is understood, several boys and girls in Tecumseh have started a campaign for paper. In the last drive, some children succeeded in hauling several tons, and this drive, it was said, will see the same youngsters active again. Everyone will participate in the grand prizes.

The grand prizes consist of a $25 War Bond to the boy bringing in the most paper, and another $25 bond to the girl who brings in the most. A prize of $10 in War Stamps will go to the boy or girl who is next high, a $5 book of War Stamps to the third high and a $3 book to the fourth high, either boy or girl. In addition, runners-up will receive 20 sets of free movie tickest, 10 sets to the boys and 10 sets to the girls.

The paper collected on Saturday, will be shipped immediately to a Monroe war plant. Proceeds of the sale will be shared by the Opekasit Club and the Community Chest, after prizes and expenses are paid.

Wade L. Jones, village clerk, and who is taking an active interest in the drive, pointed out today that there will be but little expense in the campaign, other than prizes. He praised Mr. Nichols and the Strand for their fine cooperation, and declared that the theatre is giving the use of its equipment in the drive entirely free. "The Strand management is paying entirely for the cost of the film," Mr. Jones said.

"We also want it understood that this campaign is open not only to residents of Tecumseh but the trading area as well. Any boy or girl in this vicinity is welcome to bring his or her paper here, and to see the show and participate in the prizes."

AT GREAT LAKES

Jack William Bater, 18, son of Mr. and Mrs. Lawrence M. Bater, 412 East Logan Street, Tecumseh, is receiving his initial Naval indoctrination at the U.S. Naval Training Center, Great Lakes, Ill.

His recruit training consists of instruction in seamanship, military drill, and general Naval procedure. During this period a series of aptitude tests will be taken by the recruit to determine whether he will be assigned to a Naval Service School or to immediate duty at sea.

When his recruit training is completed, the seaman will receive a period of leave.

Britton Man Fatally Hurt

WM. D. SPRINGER FATALLY INJURED WHEN TRACTOR OVERTURNS IN A DITCH

William D. Springer, aged 49 years, a resident of Ridgeway the past eight years, suffered fatal injuries last Wednesday night when his tractor overturned in a ditch east of Britton. Mr. Springer had been working for Jennings Frayer on the Dewey Sturtevant farm southeast of Britton and was on his way home when the accident occurred. His neck, left shoulder, jaw and several ribs were broken. He had not been feeling well during the day and it is believed he might have had a heart attack while driving home. Coroner E. M. Braun of Adrian decided no inquest was necessary. Mr. Springer had been employed by Mr. Sturtevant and Mr. Frayer since moving to Ridgeway.

He leaves the widow Cora, and one daughter Arlene both of Ridgeway; his father Bert Springer of Pittsford; two step sons Donald McKenzie of the Merchant Marines and Leonard McKenzie of Vandalia, O.; two brothers Guy of Pittsford and Montell of Adrian; four sisters Mrs. Della Fisk, Mrs. Mary Lloyd and Mrs. Mina Doyd of Dearborn and Mrs. Luella Tripp of Adrian; and his grandmother Mrs. Emma Springer of Pittsford.

Funeral services were held Saturday afternoon at the Niblack Funeral Home in Britton. Rev. A. B. Johns officiated and burial was in Onsted cemetery.

Miss Erma Day, Adrian, Weds Geo. Underwood

Miss Erma L. Day, daughter of Mr. and Mrs. Price E. Day of Adrian, and George V. Underwood Y 3/c, son of Mr. and Mrs. George V. Underwood of Tecumseh, were married last Wednesday afternoon, August 9, at the Day home in Adrian. The marriage service was read by Dr. H. K. Fox of Adrian College, the couple standing before the fireplace which was banked with vari-colored gladioluses with lighted tapers on the mantle. The bride was given in marriage by her father and the attendants were Miss Ruth Baker and John Underwood. Only the immediate families were present.

Refreshments were served at the close of the ceremony and later Yeoman and Mrs. Underwood left on a short trip.

The bride is a graduate of Adrian high school and later attended Adrian College where she was affiliated with the Kappa Gamma sorority. The bridegroom graduated from Tecumseh high scrool and immediately entered naval service. He recently returned from overseas duty where he took part in the invasion. They will make their home in Philadelphia until he returns to sea duty.

MACCABEE PICNIC

Maccabees of Lenawee, Jackson and Washtenaw counties, will hold their 14th annual picnic Sunday, August 20, at Island Park on the Huron River at Ann Arbor. All Maccabees, their families and friends are invited. Potluck dinner will be served at noon. Supreme and Great Camp officers are expected and a short and peppy program has been planned, with special prizes for Maccabees only.

BUYS TREASURE ISLAND

Mr. and Mrs. R. M. Lighthouse of Jackson have purchased Treasure Island in Evans Lake. The island was turned into a vacation spot by Mrs. Byron House of South Bend, Ind., but a fire a few years ago destroyed most of the improvements. Mr. Lighthouse, who is a representative of Lee & Cady Co., plans to improve it as a recreation spot for his family.

FUNERAL SERVICES HELD

Funeral services for Mrs. Onleah Waring, 38, whose death occurred August 8 at her home in Detroit, were held last Wednesday at the Muelig Funeral Chapel in Ann Arbor.

Survivors are the husband Archie Waring, a son James and two sisters. Mrs. Mertie Waring of Tecumseh attended the funeral.

Plan to Check Tooth Decay

TESTS BY DENTISTS TO SHOW IF IT CAN BE CORRECTED WITH AID OF DIET

By September 1 local denists will have available a free diagnostic test of saliva which will greatly aid them in reducing the amount of dental decay. Announcement of this diagnostic service which the Michigan department of health will offer free to all dentists is made by Dr. William DeKleine, state commissioner of health.

Scientists have found that there are certain bacteria, lactobacilli, present in large numbers in the mouth when teeth decay. By testson who has a high lactobacilli ing the saliva they can find a percount, and know that within six months or a year he will have new cavities in his teeth.

Research has also shown that lactobacilli cannot live without sugar and other carbohydrates. So by keeping all sugar out of a person's mouth for four weeks, it is possible to reduce the bacteria count. After the number of bacteria has been reduced for six weeks, most persons can return to a normal diet, eating sweets in moderation.

For patients who have a high bacteria count, a special diet has been worked out. Copies of this will be furnished all dentists. For two weeks the patient eats no sugar, potatoes or bread. At the end of two weeks another saliva specimen is sent to the laboratories and potatoes and bread are returned to the diet—but not sugar. Following two weeks on this diet a third saliva specimen is examined and if the lactobacillus count has not increased the patient may add a moderate amount of sugar to his meals.

These diets have been worked out by nutrition experts to provide adequate nourishment.

Although scientists have searched for years for a way to prevent tooth decay this is the first method which has proved successful. It was worked out and tested at the University of Michigan dental school Dentistry which has offered the diagnostic test to dentists for several years. The state health department hopes that making this test free will greatly increase its use both for children and adults according to Dr. DeKleine.

Fire Department Busy As Grass Fires Spread

The fire department was called out Monday afternoon to check a blaze at the village dump which was spreading rapidly.

On Saturday evening the department was called to Macon to extinguish a grass fire on the L. W. Coller farm which burned over a large area. Macon, Ridgeway and Saline departments also responded and kept the blaze from spreading to buildings on the Coller farm.

The department was called Friday evening to a field near the Products Co., where a grass fire was out of control. The fire was extinguished without damage.

STORY OF S.P.E.B.S.Q.S.A.

The Saturday Evening Post, in the current issue of August, carries a story "You Take the High Note," which gives the history of an amazing organization, The Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America, Inc.

This society, whose name completely, if somewhat lengthily, discloses the purpose of its experience, now has chapters in more than half the states and Canada. Tecumseh has a thriving chapter of which Wesley Costigan, is president.

The T. P. Broadcast quartet, composed of men from this city, competed in the Championship Quartet Contest at Detroit recently.

BERRYS WED 25 YEARS

Mr. and Mrs. E. E. Berry observed their 25th wedding anniversary Friday and in the evening a group of 50 friends from Tecumseh celebrated the occasion with a party at the Berry cottage at Wamplers Lake. A picnic supper was served buffet style on the lawn and the evening was spent with various lake sports. Judge G. A. Rathbun, with an appropriate talk, presented Mr. and Mrs. Berry with a crystal vase filled with silver dollars and red roses.

Social Security Law Explained By Speaker

Basil Morrison, director of the Jackson offices of the Social Security Board, was the guest speaker at the regular dinner meeting of the Tecumseh Rotary Club, Tuesday evening at Brees House. Mr. Morrison discussed the problems of the board and explained the security law.

Social Security, the speaker said, should be looked upon by every employee as a form of insurance, and paid with the same understanding. An inquiry to the Jackson office, he said, will bring complete information to any employee as to the amount that has been paid in to his credit. Maximum payments, under the law, at age 65, amount to about $85 monthly, and minimum payments about $10. Widows and children also benefit under the law.

More than 70 million persons in the United States are protected under Social Security, he said, and congress is now considering an amendment to include small business men, and professional men. The millionth claim has just been paid by the board and annual benefits are being paid at the rate of more than two million dollars.

Killed in Air

Mr. and Mrs. David Taylor of Ridgeway received word that their son, Cadet Courtney Gale Taylor of Gardner Field, Calif., was killed in an air accident Tuesday. Galp graduated from Tecumseh high school in 1943 and had been in service about a year.

Besides his parents he leaves a sister Joyce.

No other particulars of the accident were learned.

Miss Margaret Craig Weds Capt. John Devall

The wedding of Miss Margaret Craig, daughter of Mrs. Wilson Craig of Britton and Capt. John Devall of the U. S. Marine Corps, son of Mrs. J. D. Devall of Baton Rouge, La., was held Saturday afternoon, August 5 at the Methodist church in Edenton, N. C., where the groom is stationed as a flight instructor. The double ring service was read by Geo. H. Wheeler, U. S. Marine chaplain. The bride who was given in marriage by her brother Thos. F. Craig, was attended by Mrs. Craig as matron of honor, and Miss Betty Gregg of Britton as bridesmaid. Capt. James Depew attended the groom as best man and ushers were Captains John Curd and Charles Vohlezer.

Captain and Mrs. Devall left after the ceremony on a trip to Washington, D. C., and New York City and on their return will make their home in Edenton.

Mrs. Devall is a graduate of Britton high school and Michigan State Normal College and for two years has taught in the Petersburg and Belleville schools. Captain Devall is a graduate of Baton Rouge high school and the Louisiana State University.

Forgotten Fort Drummond to Lure Post-War Tourists

NORTHERN ISLAND ONCE HELD BY BRITISH LIKELY TO BECOME NEW ATTRACTION

By Gene Alleman
(Special To The Herald)

DRUMMOND ISLAND—On rocky Drummond Island, forgotten apparently by both federal and state governments and unmarked by even a simple historical tablet, are the crumbling ruins of old Fort Drummond, once garrisoned by 350 to 400 red-coated British troops for 13 years after the War of 1812.

This historic fort, on picturesque Whitney Bay at the southwestern promontory of Drummond Island, could readily become one of the Upper Peninsula's varied tourist attractions. At Copper Harbor, out near the end of Keweenaw peninsula, is Fort Wilkins, built just a century ago—May 28, 1844—as protection against the Indians. Sault Ste. Marie has its Fort Brady, established in 1822.

At the north end of Potagannissing Bay, just east of Drummond Island, is St. Joseph Island with its carefully marked and preserved ruins of old Fort St. Joseph. The ruins there are marked by the Canadian historical sites and monuments commission.

To the south and east, only 50 miles away, is the famous Fort Mackinac, the object of solicitious care by the Mackinac Island Park Commission. Even old Fort Michilimackinac, at the City of Mackinaw, has been reconstructed accurately by the state for education of young and old.

Because Drummond Island is off the beaten path, accessible to travelers only by ferry from the village of De Tour, the British fort has been permitted through public indifference to become private property of summer resorters. When you visit the old ruins, you do so at their consent.

Drummond Island, next door to Canada, is where the St. Mary's river empties into the blue waters of Lake Huron.

Here is the "Straits country," much of it wild and rough.

For years we had hoped to be able to visit Drummond, but it was not until this August that we had the opportunity to do so. The state conservation department was sending a patrol boat into Potagannissing Bay. A Cheboygan fisherman was reported to be netting fish illegally. And since the bay has been closed to nets, the vigilant conservation department was interested in the violation.

The patrol boat's crew consisted of Alex MacLean, assistant district supervisor, and Frank Brenza, fire warden for Drummond Island. Among the traveling guests were C. A. Paquin of the Lansing office and Webb McCall, a newspaper publisher from Mt. Pleasant.

The day's trip had begun most auspiciously. The sky was deep blue and almost cloudless, while the temperature was in the lower 70's.

Ivan Maynard Awarded DFC

21-YEAR-OLD TECUMSEH SERGEANT, NOW IN ITALY, HONORED BY GOVERNMENT

15TH AAF IN ITALY—Staff Sergeant Ivan Maynard, 21, son of Mr. and Mrs. Leon M. Maynard, 205 N. Ottawa St., Tecumseh, Mich., has been awarded the Distinguished Flying Cross at the base where he is stationed. He is the ball turret gunner on "Nancy Jane," a B-24 Liberator heavy bomber.

The Tecumseh man, with his combat group, has engaged in many outstanding recent attacks on Axis installations at such bastions of Hitler's tottering empire as Munich, Bucharest, Vienna, Budapest, Toulon, and Trieste. Eight times they rained destruction on the refineries at Ploesti, the oil capital of the Balkans.

The presentation of the decoration was "for extraordinary achievement in aerial action against the enemy as member of a crew of a B-24 Liberator. On June 26, 1944 while leading a flight on a mission to highly strategic objectives in Austria, they encountered intense, accurate anti-aircraft fire immediately before, during and after the target."

"Realizing the importance of their lead position, in spite of the fact that gas lines were severed, instruments shot out, fires in both nose and tail turrets, one gunner mortally wounded, another gunner seriously hurt, and the ship riddled in innumerable places, they continued through to complete a highly successful bombing run."

Maynard attended Tecumseh high school and was employed by the Hayden Flour Mills, before joining the AAF December 9, 1942. He trained at Seymour Johnson Field, N. C., and Fort Myers, Fla., where he received his wings August 28, 1943. He flew overseas in April, 1944.

County Line Farmer Dies From Gas Burns

Walter Papenhagen, a farmer on the Lenawee-Monroe county line road, suffered fatal burns last Wednesday in a gasoline explosion while repairing a truck. The explosion resulted when his son stepped on the starter. Mr. Papenhagen was badly burned on both legs from the hips to the feet, also both arms and his face and neck. The explosion started a fire in the barn which was extinguished before serious damage was done.

Mr. Papenhagen was removed to Toledo hospital after treatment by a physician and died on Sunday.

He leaves the widow, Elsie; three daughters, Mrs. Raymond Seagert of Briont, Mrs. Albra Clark of Palmyra, and Mrs. Arthur Brenke of Blissfield three sons, Clifford, Clyde and Donald at home; three brothers and three sisters.

Funeral services were held Wednesday afternoon in the home and later in the Lutheran church at Ottawa Lake. Burial was in the Riga cemetery.

CHEAPER HOME CONSTRUCTION

Estimating that the average home-builder spends about sixty-five per cent. of his money in putting the pieces of his house together, the War Production Board is assisting a research project which aims to reduce sharply the cost of home-building.

Grosvenor Atterbury, Director of Research for the Yale Department of Architecture, is perfecting a process to facilitate the mass production of large standardized building units and hopes that it will cut home costs fifty per cent without destroying beauty and individuality.

It should be easily possible to effect some progress along this line. The lost motion involved in constructing a single housing unit could be largely eliminated by chain production methods. It is also probable that ready-cut material will be superseded by factory production of larger units.

ALCOHOLIC EDUCATION

The State of South Carolina has created the Office of Supervisor of Alcoholic Education. The duties of the official will be to teach the harmful effects of drniking alcoholic beverages to the pupils of the schools of the State, both white and Negro.

The material used will include charts and data, text books, pamphlets, reports, etc., furnished by the anti-alcohol organizations, government reports and state information services, as well as by liquor maufacturers who realize the importance of protecting the youth of the land from the menace of their product.

It is entirely proper that the school children of a state be advised in their youth as to the dangers of strong drink. If the program is effective it will accomplish much more in our opinion, than the hysterical effort to promote prohibition by law.

Are You Saving Part of Your Earnings?

Have you stopped to consider the importance of a savings account? There are folk, we believe, who have never asked themselves that question, seriously.

A savings account has been defined as "a friend in need"—a fund to which you may go at any time when unforeseen emergencies arise.

How do you start a savings account? It is very simple. Deposit a few dollars to your credit in this bank and then add to it regularly. You'll be surprised how rapidly it will grow, how much satisfaction there is in having such an account.

Stop in the next time you're downtown and let us tell you more about it.

FORTIFY YOUR HOME Against NEXT WINTER

Insulation Protects You From Heat and Cold!

How many times this summer have you wished that your home was insulated; that you had some protection from the intense summer heat?

Surely, you've made that wish, but what have you done about it? Simply wishing will not put insulation in your attic—insulation that will protect you from the summer sun's rays, and next winter will save you dollars and dollars in fuel.

Right now, while we have the materials, is the time for you to insulate. We have several types of insulation to offer you, and the installation is but a detail.

And, contrary to some opinions, insulation is not expensive. The average home attic can be insulated for about $50 or $75. You'll save that amount in a few years in reduced fuel bills, to say nothing of the comfort you enjoy.

JUNIOR H. LOGAN, Manager

Forgotten Fort

Continued from Page One

After a morning inspection cruise, we stopped at the village of Drummond—the only incorporated place on the island's 87,000 acres of land—for a luncheon at the Potagannissing Inn, operated by Miss Leiah Seaman. Miss Seaman is a spinster lady of about 65 and a descendant of the earliest settler, a Mormon minister who came to the island about the time the Mormons were driven from Beaver Island in 1857.

Here at the village is an old abandoned quarry where stones were obtained for the first canal locks at Sault Ste. Marie in the late 1870's.

Nearby are some 40 islands, both large and small. About half of them are inhabited by summer resorters. One island, 200 acres in size, was purchased in 1943 by an ex-Grand Rapids bootlegger for $800.

The owner knifed a hunter in a tavern brawl last fall, and was said to be in jail at the Soo awaiting trial.

The patrol boat chanced to cruise near St. Joseph island in Canada, and we prevailed upon the crew to stop a minute for an inspection of the ruins of Fort St. Joseph.

Running the boat up close to the shore, we all waded ashore, carrying shoes and socks, and proceeded to look over the stone wall's and masonry that once marked the most westerly British for on the North American continent. Raspberries and gooseberries were ripe —reminders of the once busy settlement from 1796 to 1812.

It was from this spot that Captain Charles Roberts organized the British expedition that took Fort Mackinac by surprise on July 17, 1812.

Fort St. Joseph was established by the British following the Revolutionary War. In July, 1796, they withdrew from Detroit. In August they evacuated Fort Mackinac. After the war of 1812 broke out, Americans raided the fort and burned it. And so, when the Treaty of Ghent had officially terminated the War of 1812, the British selected Whitney bay on Drummond island as being more accessible for the Indians. They made a poor guess, as Drummond Island, named in honor of Sir Gordon Drummond, the Canadian lieutenant governor, became American territory, while St. Joseph island was included in Canada.

One of the interesting ruins of old Fort Drummond is its British military cemetery. Nailed to a tree is a plain wood board, upon which a resorter has painted the words, "British cemetery."

The burying ground was once fenced in by hand-hewn cedar posts, placed about four inches apart. A ditch was dug on all four sides, 100 by 150 feet in size.

Today there stands only six of the original cedar posts. The others, decaying, have been stacked in piles.

Grave stones have fallen, and of the original wood markers, only one is left.

A summer resort owner has used the great chimney of a British officer's quarter as the chimney for his log cabin. Once the military settlement had its own park. Cabin lots were 50 by 150 feet. Eighteen buildings comprised the garrison itself which once housed from 350 to 400 men exclusive of Indians.

Nearby are the artillery road and the parade grounds.

The quiet waters of Whitney Bay were once alive with Indian canoes, for 4,500 Indians and their families would gather at Drummond island each spring to receive gifts of the British and to swap their furs for rum and other products.

Since 1828, when the British troops sailed for Penetanguishene on Georgian Bay, old Fort Drummond has been left to crumble in decay.

It awaits the enterprise of the state conservation department or some other interested agency to preserve it as a monument or a state park, a permanent shrine of the last British fort in Michigan and another milestone in our American history of the winning of the west. This opportunity has been neglected long enough.

LIEUT. EDW. KASNIA WAITS NEW ASSIGNMENT

MIAMI BEACH, FLA., August 17 —1st Lt. Edward M. Kasnia, Tecumseh, Mich., returned from service outside the continental United States, now is being processed through the Army Air Forces Redistribution Station No. 2 in Miami Beach, where his next assignment will be determined.

This is one of the Redistribution Stations within the AAF Personnel Distribution Command. At an AAF Redistribution Station, AAF returnees from theaters of operation are examined by specially selected medical and classification officers whose joint findings are used in recommending new assignments. Theme of the AAF Redistribution program is designation of each man to duty for which he is best fitted. Returnees live at a Redistribution Station under conditions that encourage natural response to processing, the greater part of their two-week stay being devoted to rest and recreation.

AAF personnel, enlisted men and officers alike, are assigned to a Redistribution Station upon their return to the United States, but do not report to the station until completing a furlough or leave of three weeks.

Lieutenant Kasnia, 24, B-24 pilot, flew 30 missions in eight months in England ad was awarded the DFC and Air Medal with clusters. He is the son of Anna Tanana of Tecumseh and his wife Gizella resides in Britton, Mich.

ALTAR SOCIETY MEETS

St. Elizabeths Altar Society met last Wednesday evening at the home of Mrs. N. J. Geehan on Mill street, with Mrs. James Tressler as the assisting hostes. Plan were completed for installing a lavoratory in the church. Boxes for overseas service men will be packed at the next meeting and members and friends are to leave contributions with Mrs. Ted Golat. Refreshments were served in conclusion.

The next meeting will be held September 13 at the home of Mrs. Raymond Pask on East Pottawatamie street.

BAPTIST SPEAKER

Rev. Harold C. Etter, general superintendent of the Leper Mission of India and Free China, will be the guest preacher at the Baptist church, Sunday morning. Rev. Etter will be remembered by some as speaking at the Friends church several months ago.

GETS PROMMOTION

Frederick Dickinson has been promoted from ensign to lieutenant, junior grade and is attending an amphibious school in Coronado, Calif., for two months. Mrs. Dickinson is with him.

ENTERTAIN AT DINNER

The American Legion Club will entertain at dinner this evening in the club rooms with all service men home on furlough as guests of honor.

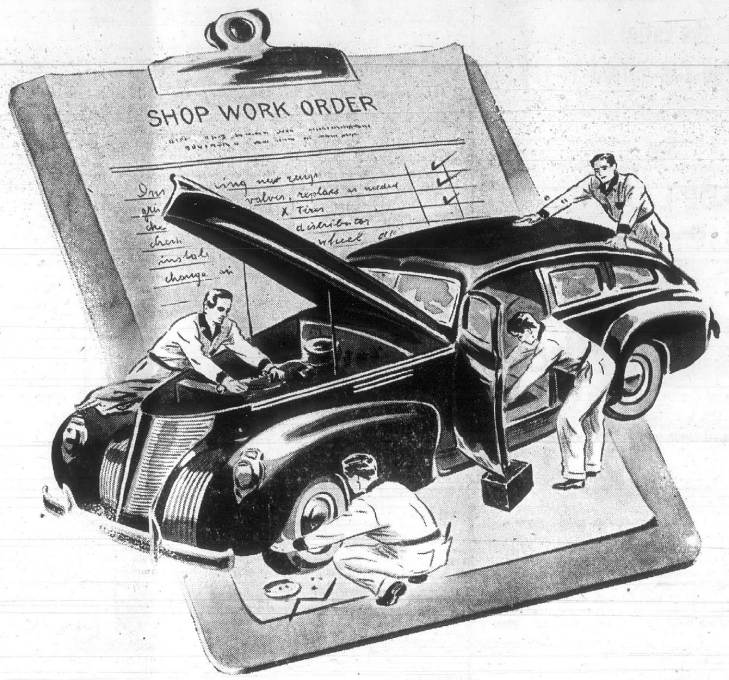
CAMPBELL'S
CLEANING SHOP

To Collins Auto Sales---



Motorists say 'Thank You'

For Our New REPAIR SERVICE

It's Just Exactly What's Been Needed!

BRAND NEW EQUIPMENT—

We opened our BRAND NEW automobile and truck repair shop on Tuesday and we've been happy to hear how much it's appreciated by Tecumseh motorists. Brand new equipment all the way through the shop including a Sun Master Tester, takes all the guess work out of repairing. It shortens the work period too, and cuts down the repair bills.

FACTORY-TRAINED MECHANICS—

And folk also tell us that they like the fact that we've employed factory-trained mechanics. Mr. Andrew Bessey of Detroit, formerly with Buick and Nash, is our superintendent. He KNOWS CARS AND TRUCKS and there's no fooling. He'll tell you what's wrong and see that the repair job is done right. Glenn Bessey and Danny Lapp, also of Detroit, are our other trained mechanics.

NO LONG DELAYS IN REPAIR—

And because we have all this modern equipment to work with we are able to do your job faster and better than before. That's something, customers tell us, that is really appreciated. No more long waits. We suggest, however, that you use our "appointment system." Bring your car in, let Mr. Bessey diagnose the trouble and give you a "date." Then your car will be out right on time.

ALL MAKES CARS, TRUCKS SERVICED—

We do not confine our work to any particular make of car or truck. Our mechanics know ALL MAKES and are capable of working on them. That's BRAND NEW SERVICE in this area, and customers tell us they appreciate it.

COURTEOUS SERVICE, ALWAYS—

Courtesy is one of the cardinal rules in our shop. No snapping, no "cooling your shins" when you come in to see us. We want you to come, that's why we've spent thousands of dollars in equipping our shop. And when you do come you're going to get service, PROMPTLY and COURTEOUSLY.

REPAIR FOR LONGER CAR SERVICE

Your motor is the heart of your car and frequent check-ups are necessary to keep it running trouble-free. Our expert, trained mechanics are qualified to keep it tuned and to make body and fender repairs that will keep your car on the road safer—and longer.

HAVE YOUR CAR CHECKED FOR SUMMER DRIVING

It's your duty to keep you car in the best condition. Our expert mechanics will thoroughly check and overhaul your car to lessen the wear and tear of summer driving. Motors tuned, oil changed, upholstery, body and fenders repaired.

AN ACCIDENT NEEDN'T BE A TRAGEDY!

No matter how badly your car has been banged up, our trained mechanics can get it back into running order, and in good looking form! Damaged body and fenders will be replaced and repaired, grills and bumpers straightened and wheels aligned at an economy price.

ESTIMATES GIVEN FOR BODY AND FENDER REPAIRS

We invite you to compare our low, car repair prices with any like service in the city! You know, that when having your car repaired by our reliable, trained mechanics it will not only look good but will give you safe, superior performance for a long time to come.

INCREASE THE LIFE-SPAN OF YOUR CAR . . .

The time to have small repairs made is while they are still minor! A damaged fender or car body will be quickly repaired to look like new in our shop, by expert mechanics. All manner of body and auto repairs quickly done at a dollar saving price.

GET PULLETS READY
FOR EGG PRODUCTION!

Don't let large roundworms keep your pullets from developing into heavy egg producers!

Feed Purina Chek-R-Ton to Pep up your Pullets!

1—KILLS LARGE ROUNDWORMS.
Large roundworms waste feed, slow down growth, and cut egg production. By actual test, Chek-R-Ton is 93.6% efficient in removing these costly destructive parasites.

2—STIMULATES APPETITE.
Birds that don't eat don't lay. Chek-R-Ton stimulates unthrifty, weak, sluggish birds to eat the feed they need to get back into condition. It helps keep good birds in condition, too.

3—REDUCES INTESTINAL INFLAMATION.
Chek-R-Ton helps to reduce intestinal inflamation that accompanies certain diseases. It helps return bowel action to normal.

HERE'S THE WAY TO USE IT.
Mix 3 pounds (12 cupfuls) of Chek-R-Ton in 50 pounds of mash and feed with an equal amount of grain. Feed for 7 days. 50 pounds of mash with the same amount of grain is enough for 50 to 60 birds.

Get the Worms Before They
Get the Profits

MAKE YOUR FEED GO INTO PORK
NOT INTO PARASITES.

Time was when producing pork was a man's own business. But now it's every farmer's job to use his feed efficiently—to see that none of it is consumed by parasites. So it's both patriotic and profitable to worm your hogs.

For three years, Purina Research has been at work developing Chek-R-Pigtabs—a highly efficient, safe treatment for ridding large roundworms and nodular worms. We can say this much about Chek-R-Pigtabs:

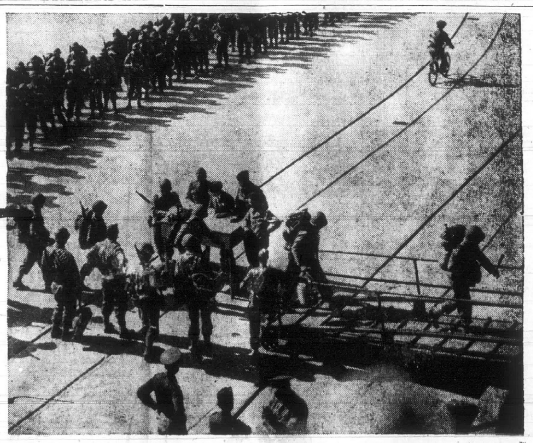
1st—They're safe.
Research and field results show Chek-R-Pigtabs to be harmless to pigs when used as directed.

2nd—THEY'RE EFFECTIVE!
Laboratory research and feedlot experience prove that Chek-R-Pigtabs really remove the worms. Guaranteed 90 to 100% efficient on large roundworms and nodular worm removal.

DON'T WAIT FOR PIGS TO BE UNTHRIFTY. Don't take chances with pork parasites—make it a regular practice to worm every pig with Chek-R-Pigtabs. For best results treat pigs between the ages of 10 and 12 weeks, or at 35 to 65 pounds.

HASTEN TO HAYDENS!

You can help make history—



Militarily, this is the most important . . . most urgent phase of the whole war.

The moment is at hand for American soldiers to give everything they've got in a supreme effort.

Depend on them. They will write history . . . write it with their blood.

Financially, too, this is the most important, most urgent phase of the war for America.

This is the moment our soldiers depend on *us* to make *our* supreme effort in this war! *We've* got to make history too!

Don't fail America now. Buy Bonds. Buy Bonds and *keep on* buying Bonds even though it begins to pinch.

And if you think *that's* a sacrifice, just look at the casualty list in this newspaper . . . *then go out and buy some more!*

ONSTED

Polio Death

Robert Green, 12 year old son of Mr. and Mrs. C. H. Green of Rome Center, died Thursday night at University hospital in Ann Arbor where he was taken Wednesday ill of infantile paralysis. This was the second death from the disease in Lenawee county.

Private funeral services were held Sunday at the Dunn Funeral Home here. Rev. F. D. Hague officiated and burial was in North Rome cemetery.

Drake Barn Burns

A large barn on the Lavern Drake farm near Cambridge Junction burned Friday afternoon, the fire starting in some straw back of the barn gathered there from threshing. Onsted and Brooklyn fire departments were called and saved the granery and other buildings. The barn was filled with hay, and a number of farm tools and some machinery were also destroyed. The loss is partially covered by insurance. Harold Drake lives on the farm.

School Faculty Named

The Onsted school will open Sept. 5 with the following teaching staff: E. A. Stutesman, superintendent; Theodore VanOrden, principal and social studies; Elwood Little, agriculture; Onola Vallad, commercial; Valeria Owsiany, home economics; Louis Gilson, English; Lelah Linger, seventh and eighth grades; Lucille Feller, later elementary; Ethel Wooden, later elementary; Mildred Russell, early elementary; Grace Keiser, primary; Maxine Lennon, kindergarten.

Whelan-Billington Reunion Held Sunday

The 25th annual reunion of the Whelan-Billington families was held Sunday, August 13, at the State Park at Wamplers Lake. Fifty-one were present for the pot-luck dinner and others joined the meeting later, members coming from Hobart, Ind., Pontiac, Fenton, Brooklyn, Adrian, Tipton and Tecumseh.

Because of the absence of the president, LaVern Livingston, who is in army service, the vice-president Donald Whelan, conducted the business meeting. A letter from Carl Wisner of Chicago, was read, in which he suggested a prize for the member of the family with the most grandchildren; Lilly Stocking reported 12 grand children. A resolution was offered by Vera Allen and Alton Whelan for Mrs. Julia Wisher, who has left the community.

Three marriages and six births were reported and it was stated that nine members are serving with the armed forces, four of them overseas.

New officers elected for the ensuing year are: Floyd Billington, president; Clifford Hardy, vice-president, and Wilma Allen, secretary. The officers will choose the meeting place for next year, the group being undecided between Vineyard Lake and Wamplers Lake state parks.

o

COLLINS REUNION

The 30th annual reunion of the Collins family was held Sunday, August 13, at the home of Mr. and Mrs. Richard Collins north of Macon. Potluck dinner was served to 55 after which a business session was held and the following officers were elected: John Ladd, president; Will Swick, vice president; Katherine Bauer, secretary and treasurer. The afternoon was spent socially and in conclusion ice cream and cake were served.

o

MACCABEES MEET

The Maccabees will hold a regular meeting, Monday evening, August 21, at the home of Mrs. Guy Belding. Potluck supper will be served at 6 o'clock preceding the meeting. Members are to bring table service and a dish to pass.

o

A CORRECTION

The family gathering honoring the birthdays of Mr. and Mrs. Robert Welch on Sunday, August 6, was held at the Welch home on West Logan street instead of at the Albert Tonneberger home as stated last week. The party was a surprise given by their children.

o

BLOOD UNIT AT DUNDEE

The Detroit Mobile Unit of the Blood Donors Service will be in Dundee, Monday, August 28 from 12:15 to 4:30 p. m., to conduct a Blood Clinic at the Dundee high school. Donors 21 to 60 years of age in good health may register now by calling 10-J or writing Mrs. Ella Roads, chairman of the committee of Women's Relief Corps at Dundee, who are sponsoring the clinic.

CARD OF THANKS

We wish to thank our friends for their kindness and sympathy during the loss of our loved one. Also Rev. Johns, Mr. Niblack, the American Legion and the ladies of the church for their kind deeds.

Mrs. W. D. Springer and family.

We wish to thank all those who assisted in any way to make the hard days easier for us and for Mrs. Springer and family. We appreciate the many kind things done for Mrs. Springer.

Mr. and Mrs. D. V. Sturtevant, Mr. and Mrs. Jennings Frayer.

We wish to express our heartfelt thanks to the neighbors and friends for their many acts of kindness during our beareavement in our loss of Betty Lou, also for the beautiful floral tributes.

Mr. and Mrs. Bert Bruder and family.

I wish to thank the men of Macon and vicinity for the prompt response to fight our fire and for saving our buildings. Also Mrs. Preston for her untiring services at the telephone.

2 Barns Razed by Heavy Wind

THIRD ONE DAMAGED IN FRANKLIN TWP; TREES AND WIRES SNAPPED IN TECUMSEH

Two large farm barns in Franklin township were collapsed and a third one was twisted on its foundation by the heavy wind storm of last week Thursday afternoon. In Tecumseh, several trees were blown down and telephone and electric light wires were snapped by the heavy gale.

The storm, which ended a 15-day heat wave with temperatures in the high 90's and for three or four days ovre the 100 mark, hit this area about 1:45 p. m., and lasted for nearly 90 minutes. There was no reported damage from lightning. In this village, there were times when the wind carried the heavy rainfall with such force that it was impossible to see across Chicago boulevard and in the down-town section storm sewers failed to carry off the water which ran far over the sidewalks.

On the Harry Moore farm in Franklin township, a large barn was collapsed, killing a calf. Leonard Furgason works the farm.

On the Clarence Fisher farm in Franklin, a barn 36 x 105 feet was flattened by the wind. One hog was killed and there was some damage to tools and the hay and straw in the barn. On the Bernard Poucher farm, about one-half mile east of the Fisher farm, another barn was twisted on its foundation. There was some loss to smaller buildings in the same area.

Reports from farmers in Franklin say that there was considerable damage to the corn crop in that section. The storm there also was accompanied by hail.

Tecumseh escaped the most severe storm, it seems, but there was considerable damage to trees and wires in the village. A large tree was blown down near the intersection of Union and Bidwell streets, and telephone wires were snapped. There was another tree down at S. Pearl and Kilbuck streets, and a third on East Pottawatamie street, near the Carl Nystrom home.

Temperatures at noon on Thursday registered near the 100 mark and after the storm fell to the 60's. The storm, the weather bureau said, broke one of the most prolonged heat waves in Michigan's history.

PLANT WHEAT AFTER SEP. 21 SAYS AGENT

The Lenawee county farmers planning to sow wheat this year are advised by county agricultural agent to sow after September 21 to avoid damage from Hessian flies.

This date, which varies throughout the state, is based on the observations of entomologists that in each locality after a certain date each year, there is still time before winter to establish a stand of wheat but not time for the adult Hessian flies to lay eggs between the leaves of wheat plants. These dates are based on latitude, altitude, and nearness to the Great Lakes.

The Hessian fly does its damage to young wheat stands while in the larvae or maggot stage. The larvae obtain food by scraping the plant tissue, thus weakening the stem and interfering with the supply of nutrients to the head of the plant. Injured plants lodge and show withered heads. In severe infestations, complete loss of the crop may result either from the fall or from the spring attack.

Owing to the necessity of getting wheat established before cold weather, county farmers are urged to plant as soon after the fly-free date as possible.

RUSSELL WAGNER DIES

Mrs. William Spreeman was notified Monday of the death of Russell Wagner, which occurred Saturday at his home in Philadelphia. Besides the widow he leaves a son and a granddaughter. The body was taken to Cleveland for funeral and burial. Mrs. Wagner was formerly Addie Henderson of Britton, a cousin of Mrs. Spreeman.

NOTICE

The Tecumseh Public School office will be open for business on Tuesday and Friday of each week for the weeks extending from July 24 through August 19. The office will again be open daily beginning the 23 of August.

W. L. Berkhof, Superintendent.

NOTICE

Effective at once my office hours are from 1 to 5 p. m., daily except Thursday, and 7 to 9 p. m., Monday, Wednesday and Friday, and by appointment.

Local Sergeant Thinks War's End Is In Sight

Sgt. George Lavern French, who has been overseas 28 months, is now with Gen. Patch's Seventh Army in southern France, and took part in the invasion of Normandy.

He writes of spending a few hours leave in Rome and says "it is by far the most modern city I have seen since leaving the states. It seemed strange to see a place untouched by the war. Everything seems to be going fine and we are all confident that this year will see the end in this theatre. Have started my 28th month overseas and it seems a lot longer. However, its a great feeling to see the end in sight."

Child Killed by Playmate

JIMMY GRAY, AGED 4 YEARS, FATALLY SHOT WHILE PLAYING COPS-AND-ROBBER

Mr. and Mrs. Frank Gray were called to Toledo Tuesday by the death of their nephew, Jimmy DuBois, four-year-old son of Mr. and Mrs. Vance DuBois, who was shot and killed by a playmate while playing cops-and-robbers. The .22 calibre rifle was accidently discharged and the bullet struck Jimmy in the back, passed through his body and came out just below the heart.

Bruce Brown, 10, the playmate, carried the boy downstairs and placed him on the floor, where his sisters, 14 and 12, poured water on the wound. He was found later by his sister, Alberta, 15, who carried him to their home a block away. Mr. DuBois took him to Robinhood hospital where he died 10 hours later.

The Brown boy's parents were at work when the shooting occurred. Two rifles and a shot gun were found in the home.

The Du Bois family formerly resided in Tecumseh and Britton. Two brothers, three sisters and his parents survive.

The funeral and burial will be held this afternoon in Toledo.

Village Seeks To Buy New Garbage Truck

The village council has asked the Office of Defense Transportation for permission to purchase a truck to be used in the collection of garbage in Tecumseh, and when such collection will begin depends upon the federal action, Wade L. Jones, village clerk, said today, following Monday's meeting of the council. Mr. Jones said that it might take several weeks to obtain the priority.

Richard J. Williams of Adrian, asked the council for permission to establish a tarlcah tlap in Tecumseh, and the council recommended such approval to the Office of Defense Transportation.

The council asked the State Highway Department for permission to install a new water pipe on W. Chicago boulevard, under the M-50 pavement, and reached agreement with the New York Central Railroad Company for permission to lay two 12-inch heavy tile under the railroad tracks at Brown street.

Wade L. Jones was named to represent the village on the board of directors of the Lenawee County Patriotic League, and Lyman Curtis was named to represent the Tecumseh Products Company Union.

Current bills were audited and ordered paid, and reports of department and committee heads were read and placed on file.

ROTARY CLUB MEETS

The regular meeting of the Tecumseh Rotary Club was held on Tuesday evening at Brees House. The usual program time was given over to a discussion of club business. Emil Ahrens of Clinton was a guest.

A CORRECTION

In the A. & P. advertisement on page three of this issue, the price of potatoes should read 60c for 10 pounds, instead of 57c. Grapes were advertised in error and instead, fresh green cabbage should have been offered at 9 cents for two pounds.

FLOWER SHOP closed August 27 to September 5 inclusive. No funeral orders taken in that period. —adv

Faulkner Sees Kernels Field

AUTHOR OF "PLOWMAN'S FOLLY" VISITS TECUMSEH; TALKS TO SALINE ROTARIANS

Edward H. Faulkner, author of the much publicized "Plowman's Folly," and farm program director of the National Broadcasting Company's Cleveland station, WTAM, visited the 333 acre field August 17th being fitted this week by Henry Ford for Perry and Elizabeth Hayden's fifth crop of Tithing Dynamic Kernels.

Mr. Faulkner was accompanied to Tecumseh by Rev. Clifton Robinson, pastor of the West Park Friends Church of Cleveland. Mr. Robison preached in the Tecumseh Friends Church Sunday, Sept. 22, 1940 on the text, "Verily, verily, except a corn of wheat fall into the ground and die, it abideth alone, but if it die it bringeth fourth much fruit (John 12:24)." It was this sermon that inspired the planting of the cubic inch of Bald Rock Wheat September 26, 1940 that today after four harvests and four tithes, will require over half a section of land for the fifth crop, and may require upwards of 4,000 acres for the sixth and final crop.

Mr. Faulkner came to Tecumseh at the invitation of Perry Hayden, and addressed the Saline Rotary Club at noon. Following the address in Saline, an the showing of some movies of the harvesting of the fourth crop of Dynamic Kernels, Mr. Faulkner, accompanied by several carloads of soil experts and interested farmers and business men, journeyed to the community of Macon, near Tecumseh. There in the Martha-Mary Chapel the group were entertained by Mrs. George Parson, organist. A discussion of the merits of discing land as opposed to plowing, then ensued.

Mr. Faulkner, contrary to what one might believe from reading his tyrade against the plow is a quiet friendly individual in his late fifties.

"I am not so much an enemy of the plow," he began his remarks, "as I am a proponent of more matter in the soil."

Another fact with which Mr. Faulkner startled his audience was that "America leads the world in production per man, but trails the world in yield per acre."

"If we follow through on a discing program from year to year," said Mr. Faulkner, "the weed problem will be relieved, and soils that are often too wet to work can be prepared more easily."

Dr. C. E. Millar, chief of the soils department of Michigan State College, at East Lansing, who was among the group of soils specialists present, said, "Faulkner's program of adding organic matter to the soil is commendable. We have really misused the plow, and I think Faulkner's book "Plowman's Folly" has called our attention to a fault."

Among the group from out of town were C. L. Bolander, of Lapeer, deputy commissioner of agriculture, Frank Trull, U. S. D. A. soil conservation specialist for the eight nearby counties of Michigan; Don Curry, assistant county agent, from Jackson; Paul Rood, extension specialist in soils, from East Lansing; and others from Ann Arbor, Milan, and nearby towns.

Among the group from Tecumseh who attended the Rotary meeting at Saline were George Parsons, Perry and Elizabeth Hayden, Edgar Clark, Ralph Comfort, Leslie Becker, Keith Bottorff, Fay Whelan, John R. Thompson, Guy Belding Melburn Partridge, Dr. Wm. Britton and D. L. Burleson. John R. Keeney from Tipton, Mr. and Mrs. C. D. Finkbelner from Clinton were also present.

Following the discussion in the Martha-Mary Chapel, and an old fashioned hymn sing the group then visited the field where workers on the Ford Farms then demonstrated the actual discing operations taking place in fitting the 333 acres for the Dynamic Kernels.

Perry Hayden announced that the "official" date for the planting of the fifth crop would be Thursday, September 21, but that more details would be announced later.

GRANGE WILL SEE BLOCKING DEMONSTRATION

Tecumseh Grange will hold a regular meeting this evening when a sheep blocking demonstration will be given by Donald Murphy and Junior Pilbeam. Ice cream will be served by the Grange and members are to furnish either cookies or crackers. Mr. and Mrs. N. C. McConnell, Mr. and Mrs. P. G. Ash and Mr. and Mrs. Eldene Clement are the refreshment committee.

The annual picnic of the Grange was held yesterday at Ives Grove at Wamplers Lake.

Tecumseh Laundry Sold To Clayton Greenwald

Clayton Greenwald of Bay City, announced this week that he had purchased the Tecumseh Laundry from Lester C. Rogers and that he would take possession of the business, September 1.

Mr. Greenwald is well known in Tecumseh and vicinity. For many years he resided near Tipton and has graduated from Tecumseh High School. For 10 years he has been in Bay City where he operated a laundry. He is a member of the Kiwanis club in that city, and a Boy Scout committeeman.

Mr. Greenwald's wife and three children will come to Tecumseh with him. He also announced that he plans to bring a part of his staff from Bay City.

Mr. Rogers, who has operated the laundry here for many years, has not announced his plans for the future.

Victory Garden Production Cut

INTENSE HEAT OF AUGUST HAS REDUCED CROP BY 25 PER CENT, AT LEAST

"Despite sporadic rains, parched Victory Gardens have been burned up under the intense rays of the sun and a crop loss of 25 per cent below early season estimates may be expected, according to Paul R. Krone, chief of the Victory Garden Section of the Michigan Office of Civilian Defense.

The lack of rain has been so severe that even a good break in the weather would fail to fully revive thirsty garden plants.

"The dry spell throughout central and southern Michigan will undoubtedly reduce vegetable production in Victory Gardens by at least one-fourth," Krone said. "Unfortunately, the later crops are the ones that are suffering most. Late sown carrots, beets, beans and similar fall crops have not germinated at all satisfactorily, and the seed that did germinate is making very slow growth. Earlier planted corn suffered very badly. Cucumbers, potatoes and melons are in many instances virtually gone.

"The extreme drouth also has brought on a great deal of blossom rot in tomatoes and the wilting plants as a whole are ripening poorly.

"Despite these discouraging conditions, Victory Gardeners are urged to continue their efforts and try to harvest as much as possible, especially so because the dry spell has similarly affected crops grown for the market and there will be that much less that one can buy."

Last year 20,000,000 bushels of food were produced in Michigan Victory Gardens and a 25 per cent increase was the goal set for this year. Early in the season it appeared that the goal would be reached, but the best that can now be hoped for is a production equal to that of 1943, and even this is highly doubtful, Krone said.

Mrs. Mattie Craig Dies At Home In Britton

Mrs. Mattie Craig, 69, wife of Hugh Craig, died Saturday at her home in Britton where she had made her home for several years. She was born in Washtenaw county and was a member of the Saline Baptist church.

Besides her husband she leaves one daughter Mrs. Helen Downing, of Macon, three sons Donald of Macon, Roscoe of Clinton and Walter of Saline, one sister Mrs. Edna Craig of Chelsea and 10 grandchildren.

The funeral was held Monday afternoon at the Niblack Funeral Home in Britton. R. J. Beasley officiated and burial was in Macon cemetery.

GUEST PREACHER

The Rev. Archie M. Wilson of Chicago, of Scottish birth and for many years a missionary to the Indians in the West, will be the guest speaker at the Presbyterian church here, Sunday morning. He is a friend of the Rev. J. C. Murdoch, pastor of the church, who will introduce him. The Rev. Mr. Wilson is an honorary chieftain in the Black Foot tribe, the honor having been bestowed because of his missionary work.

LANNING REUNION

The annual reunion of the Lanning school will be held Sunday, August 27, at the school house, with a potluck dinner at 1 o'clock. Those attending are to bring table service and sugar, and a cold drink if desired. Coffee will be furnished.

TO MEET SEPT. 2

The annual reunion of the Lenawee-Florida society will be held Saturday, September 2, at the Presbyterian church in Holloway.

Michigan Farm Land in Demand

MORE FARMS HAVE CHANGED HANDS THIS YEAR THAN IN ANY PREVIOUS YEAR, REPORT SAYS

"More farm land changed hands in Michigan in 1943 than in any previous year on record," the Michigan Planning commission has been informed in a report presented by Dean R. L. Anthony, Michigan State College; P. T. Hoffmaster, director, Michigan state department of conservation, and Howard Nugent, speaker of the Michigan house of representatives, members of the commission's agricultural committee.

The agricultural committee recommended appointment of a special advisory committee to make a further study of farm land prices and to recommend possible legislative controls.

"About half of the land was purchased by buyers," the report added. "Farm land prices are rising more rapidly now than at any time during World War I. Many farms are now being sold at prices higher than their long-time earning power justifies."

In the opinion of the agricultural committee Michigan needed "effective measures to control land speculation and prevent further inflation of land values."

Present farm prices are only 13 per cent less than the peak established in 1920, the committee warned. One of the reasons for the land boom is the present high level of farm commodities prices, 50 per cent higher than the 1919-39 average, while net farm income in the United States last year was two and one-half times the 1910-39 average. The high income of city workers also has increased the demand for land.

Other recommendations of the committee dealt with disposal by the federal government of surplus war property including tractors, bulldozers, jeeps and other equipment useable in clearing land and drainage, and also the payment by the federal government of revenues to local governmental units to offset loss of tax revenues from forest and rural lands acquired by federal agencies.

Henry M. Kempf, 76, Dies At His Home Here

Henry M. Kempf, aged 76 years, well known local contractor, died Sunday afternoon at his home on East Kilbuck street after a long illness. Mr. Kempf had lived all his life in this community.

He leaves the widow Phoebe, five sons A. G. Kempf of Detroit, Winfred, Norman and Raymond of Tecumseh and Pvt. Henry F. Kempf, with the armed forces in England, one daughter Myrtle, at home, two brothers Theodore Kempf of Milan and Fred Kempf of Los Angeles, Calif., and three grandchildren.

Funeral services were held Wednesday afternoon at the Belding Funeral Home. Rev. Alvin Brazee officiated and burial was in Brookside cemetery.

DR. WINIFRED DeWOLF BURIED IN BROOKSIDE

Burial services were held Friday afternoon at Brookside cemetery for Dr. Winifred DeWolf, whose death occurred at her home in Detroit August 16 after a long illness. Rev. B. O. Bashore officiated.

Dr. DeWolf was born in Tecumseh and attended the local schools. She also graduated from Osteopathic College in Kirksville, Mo., and practiced in Detroit until her health failed.

Surviving are a sister Mrs. Alfred W. James and a nephew Donald James of Detroit and a niece Mrs. A. A. Rendigs of Cincinnati.

TEMPLE IN HOSPITAL

James F. Temple, son of Mr. and Mrs. Herbert Temple of Farmington, formerly of Tecumseh, who has been with the Red Cross in New Guinea for some time has been brought to the Army Hospital in San Francisco, Calif., for treatment. Priticulars of his condition were not learned.

DeROUSIE—HARVEY

George J. DeRousie, Y 3/c, son of Stuart DeRousie formerly of Ridgeway, and Miss Jane Harvey of Croswell, Mich., were married August 10 in Napoleon, O. They left Wednesday for Ocracoke, N. C., where Yeoman DeRousie is stationed.

PASTRY SHOP MOVING

Van's Pastry Shop is moving to its new location in the former Nyland building on the opposite side of the street, which the proprietor A. L. Van Winkle has purchased and remodeled. The bakery will open September 1.

Canning Demonstration Held Here On Friday

Miss Beatrice Franquist, county home demonstration agent, gave an interesting and instructive demonstration of pressure canning at a meeting of Tecumseh Garden Club, held Friday afternoon at St. Peter's parish house. Miss Franquist showed two types of cookers and explained their use and care, she also showed different types of cans and demonstrated their use in the cooker.

Miss Franquist announced that she will check pressure cooker gauges it brought to her office in the court house before September 12.

The next meeting of the club will be held at the home of Mrs. R. W. Herrick.

Brother of Mrs. Wm. Wehr Dies In Vet's Hospital

Leslie H. Hudson, brother of Mrs. W. H. Wehr, died Friday morning at the Veterans Administration hospital in Dearborn where he had been a patient for one week. Previously he had been a patient at Foote Hospial in Jackson for nine years. Mr. Hudson was a World War I veteran and served overseas for 17 months with Co. B, 26th Engineers. He was a member of the Disabled American Veterans and of the Presbyterian church. Mr. Hudson had been an invalid since the war.

His mother, Mrs. L. M. Hudson of Jackson, his sister, Mrs. Wehr and a niece, Mrs. Arthur Sargeant, are his survivors.

The body was brought to the Collins Funeral Home here and on Monday was taken to Paulding, O., where military funeral services were in charge of the George Morris Post of the American Legion. Pall bearers and firing squad were members of Mr. Hudson's graduating class of 1912 of the Paulding high school. Burial was in the family plot in Live Oak cemetery.

RURAL SCHOOLS TO OPEN SEPTEMBER 5

Lenawee County rural schools will open September 5, and a pre-school meeting will be held at the court house in Adrian Saturday morning, September 2, at 10 o'clock when all teachers are expected to be present.

Mrs. E. T. Armstrong, county school commissioner states that although it has been customary to open a number of schools the last week in August, it is not approved or this year because of the prevalence of infantile paralysis.

WOUNDED IN ACTION

Mr. and Mrs. Oscar Snyder have been notified by the War Department that their son Pfc. Paul C. Snyder was seriously wounded in action in France August 2 and is in a hospital in England.

Paul landed with the first convoy that went to North Africa, and also was in Sicily. On December 1, 1943 he arrived in England to prepare for the invasion which he took part in with the 9th Division that cut off Cherbourg. He enlisted on his 18th birthday, October 15, 1940 and has been overseas nearly two years.

14 Tons Paper Collected Here

WASTE PAPER DRIVE LAST SATURDAY DECLARED SUCCESSFUL BY THEATRE MANAGER

"A very successful campaign, and again I'd like to say thank you to the youth of Tecumseh for their cooperation in salvaging waste paper for the war effort," was the way Walter Nichols, manager of The Strand Theatre, summed up last Saturday's waste paper drive in Tecumseh that netted approximately 14 tons. The paper was shipped immediately to a Monroe war plant for processing.

The drive was sponsored by The Strand, and a free matinee was the attraction. In addition, $50 in War Bonds were given away, $18 in War Savings Stamps, and 40 theatre tickets.

A $25 War Bond was offered to the boy bringing in the most paper and this was won by Franklin Rumler, who had 3,529 pounds. A similar bond was offered to the girl bringing in the most paper and this was won by Joan Buehrer who had 3,175 pounds. Runners-up, both boys and girls, in the War Savings Stamp contest were: Cynthia Spafford, $10 with 2,737 pounds; Eldon Service, $5, with 2,660 pounds, and Douglas Mayes, $3, with 2,017 pounds.

Ticket winners, whose weights were not announced are: Dale Tingley, Chas. Des Ermia, Jay Tressler, Robert Hall, Lowell Perrin, Ralph Swain, Tommy Hamilton, Eldon Walker, Donald Partridge, Dick Beasley, Melvin Sanch, Calvin Pask, Margaret Daisy, Barbara Jean Frost, Helen Ferguson, Delores Deshler, Virginia Snyder, Phyllis Butler, Ardith Cole and Pauline Dartt.

Every youth that brought 25 pounds or more paper to the collection center was admitted to the theatre matinee without charge. Several hundred youngsters attended, but more boys than girls were active in the drive.

The campaign was not quite as successful as the one staged about three months ago when more than 23 tons of paper were collected.

Jack Brown and the Revs. Scarlett and Bashore were at the collection station and assisted greatly in making the campaign a success.

The cost of the theatre matinee was borne entirely by the theatre. Cost of prizes will be deducted from the sale of the paper and the proceeds will be shared by the Opekasit Youth Club and the Community Chest.

Our Biggest Post-War Job— CLEANING UP OUR OWN BACK YARD

By Ruth Taylor
(Special To The Herald)

"The wisest thing, we suppose, that a man can do for his land is the work that lies under his nose with the tools that lie under his hand." We may not be a king as he of whom Kipling wrote. We may be only "little" people without influence or power. But the slogan applies to us—wherever we live, whatever we do.

A few of you will remember how Edward Bok started out to beautify America a lifetime ago. He didn't urge extravagant plans, to accomplish the end at the beginning. It wasn't a great campaign. But as a result of his work, roses began to grow where there were weeds and our little towns became garden spots. All he did was to get people to beautify their own back yards.

We all know how one rundown house will depreciate the property value of an entire street. And how fixing up one place is contagious—making all property on the street more valuable.

What has this to do with us today? Well, maybe I am wandering around Robin Hood's barn—but I am getting right back to the post-war period—and to personal responsibility.

How your town handles the situation of jobs for returning veterans, post-war unemployment, conversion of factories to peace time production—will have a lot to do with the way the nation and the world handles the same problems.

If you keep friendliness alight, if you keep up the habit of working together; if you, like the pioneers who founded America, solve your problems in a neighborly, cooperative spirit, there is a lot better chance for the nation—and for the world.

This is the duty of the little people in the little towns—of you and me and our friends and neighbors. We must beautify our own back yards and make our community a living proof of what conscientious, co-operative planning can do. We must prove that we are just as intelligent in time of peace as in time of war; that we care just as much about our neighbors as we do about our Allies; that poverty, destitution, want, persecution at home move us to action as much as these same things stir us when they are thousands of miles away.

Unless we can retain war time unity, unless with our advantages we can demonstrate the four freedoms in America, they can not be made secure any place in the world.

We don't have to do the whole job at once. All we have to do is our part of it—all we have to do is to clean up our own back yard.

STEEL REPLACING WOOD

Lumber and paper used in packing have become such critical items in connection with war use that the Army Ordnance Department will ship loaded artillery shells abroad in steel tubes.

The quantity of steel that will be used to provide these tubes is enormous. It is estimated, in some quarters, that about seven million tons of steel will be required. This is more than the automobile industry used in 1941.

The farmers of this section who have been urged to provide pulpwood, will readily see from this announcement that there is a great need for their continued exertion along this line. The pulpwood campaign is not based upon imaginary needs or to provide newsprint. It is a vital raw material of warfare and every farmer who makes it his business to provide pulpwood contributes to relieving a serious shortage.

CONFEDERATE FLAG FLIES

A Confederate flag, flying over one of the Solomons islands saved a garrison from a Japanese air attack, according to Lieutenant Joseph Bryan, of Doylestown, Pa.

While the officer does not explain why or how the Confederate flag happened to be flying there, he says that the Japanese were mystified by the strange flag and refrained from attacking until they could check with the "home office."

Will Your Home Be Warm Next Winter?

Are you considering next Winter's comfort for your home and your family? There is a definite shortage of fuel you know—coal has gone to war! You can buy only 90% of the coal you bought last winter.

Right now, while you still have time, is the time to consider next Winter's heating problem. There is time now to INSULATE your home and have the job done long before the coal burning season. Storm doors and storm sash, too, are mighty important in Winter.

We can supply you with several types of insulation that will make your house cozy and warm this coming winter and the money you save in fuel will more than pay for the cost in two or three winters. That is to say nothing about the added comfort you will enjoy in summer because insulation works for you 12 months out of every year.

Old Joe *said to* Young Joe . . .

". . . when you get over there in the thick of it, son, you won't have time to think about the fancy ideals you're supposed to be fighting for. You'll be interested mostly in shooting straight, and shooting first.

"But some night when you're lying out under the stars, you'll probably figure the whole thing out—and it will be very simple.

"You'll realize that you're fighting to protect the kind of decency and freedom you were raised in—and will want to raise *your* kids in, too.

"You'll be fighting to protect the opportunity that *all* Americans have of starting at the bottom and getting to the top—*and that's typically American.*

"You're fighting to protect your right to live your own life in your own way without being pushed around by some bright young bureaucrat who wants to do all your planning for you.

"That's about all there is to it, son. But it's mighty worth while—this business of keeping our freedom—of sticking to the things that have made America great.

"I've often thought that our own family was a pretty good example of what can happen in this country—and nowhere else. I started as a chore boy on this very farm, when I was ten years old. Made up my mind I'd own it some day. Nothing in the world to stop me—if I *really wanted it.*

"We didn't have good roads in those days. No cars or trucks or tractors. No radios. No airplanes. No telephones, movies, or electric lights.

"I didn't have much education—didn't have the time or money to get it. But I made up my mind that my own children would have some of the things I didn't have.

"You've had a good education. You went to agricultural college. You've traveled around the country in your car. You've seen how the other fellow lives and runs his farm. You keep up to date through your radio, your reading—and your various farm associations.

"And, son, it's hard to believe that most of the inventions, advantages and improvements that have made you more efficient and more comfortable, have happened in my lifetime.

"But that's the very thing I'm talking about. That's the power of America. We've got push in this country—and ingenuity—the determination to keep on getting stronger and better all the time. And all of us have got to see that nothing stops that kind of progress—neither enemies from the outside, *nor from the inside.*

"You're a chip off the old block, son. You think about the way I do. You work hard—very hard. But you've had more advantages than I had. And you're a better man in every way. You'll go farther.

"You're the new type of American farmer. You're running a business when you farm today. It's a mighty important business too—and you've got to know your stuff.

"Just remember this, my boy—you're a free agent. Your future is under your hat. You have seen what our American way of doing things has meant to you and me and millions of others, in opportunity, progress and happiness. That's what you're really fighting for, son. You put the heat on, over there—and I'll put it on over here."

A Back-to-School Announcement About YOUR LAUNDRY!

Yes, school's about to open and Johnnie's shirt and Mary's dress will need added laundry care but—this announcement should relieve much of your worry.

We have purchased The Tecumseh Laundry from Mr. Lester Rogers, the sale to become effective on September 1.

After that date we expect to give Tecumseh a new laundry service—NO RESTRICTIONS OR RESERVATIONS. We have been in the laundry business for more than 10 years in Bay City. We know what it's all about, we believe in modern production methods.

Watch for our announcement next week. We'll have a story to tell Tecumseh about laundry service that we believe will fill a long-time desire.

Fight Poultry House Germs The New Way

MIX ONE OUNCE PER GALLON WATER.
Kill pullorum, typhoid, and other deadly germs that may be in your poultry house by using Chek-R-Fect, the new, popular, soap type disinfectant! First clean, scrape and scour the floors, walls, nests, and roosts. Then spray or paint with a solution made of 1 oz. Chek-R-Fect with 1 gal. water. Chek-R-Fect mixes quickly with water, stays in solution, covers evenly, and does a thorough job of disinfecting.

IS A POWERFUL GERM KILLER.
Chek-R-Fect is 7½ times as powerful as carbolic acid. It packs a real germ-killing punch!

HAS A PLEASANT ODOR.
One whiff of Chek-R-Fect and you'll never want to use a "s'melly" type disinfectant again! Chek-R-Fect has a clean—fresh—mild, soapy odor that helps keep down unpleasant poultry house smells. You'll like it.

IS NON-IRRITATING.
Chek-R-Fect is as gentle as it is powerful. It will not irritate normal skin. This means less danger from spray burns and blisters. Chek-R-Fect is harmless to birds, too, when used as directed.

WILL NOT STAIN.
Chek-R-Fect spray solution will not stain overalls, paint, or woodwork. It doesn't leave dark brown spots that are hard to wash out or wipe off. Chek-R-Fect itself forms a clear, Bluish-green spray solution.

COSTS ONLY 2 1-8 CENTS TO MAKE ONE GALLON.
Ask us for full details as to this new disinfectant. We believe its use will make you money.

Gamble Store

Don Goddard, Owner.

Being on the job 24 hours every day, ***ready at a snap of a switch*** to furnish light and power in thousands of homes, offices and factories, is not an easy wartime assignment. And with 513 members of our Consumers family now fighting for Uncle Sam, it is more than ever like running an obstacle race to try and keep on supplying you with the kind of service you have grown accustomed to. Our men and women are working harder and longer. They are finding it more difficult to get equipment and materials necessary to repair your appliances and to keep the power flowing uninterrupted to homes and vital war plants. ***But they are doing it.***

You don't hear much about these people, I know. Little, if anything, is ever said about the grand job they are doing in order to meet today's greatly increased demands for electric power, power that helps to turn out our country's guns, ships, planes and tanks. No, there isn't even an Army-Navy E award to spur them on.

I take my hat off to these home-front soldiers because without their help I couldn't keep all our vital war factories humming for victory.

NEWS OF OUR MEN AND WOMEN IN UNIFORM

American Legion Auxiliary
Tecumseh, Michigan
Dear Friends

This is a letter of thanks for the lovely set of stationery that you sent me. I received your package a couple of days ago and was quite surprised but very pleased to get it.

A great deal of things have happened since I left the states. Experiences that would fill a large book. Have had some pretty close calls since I've been in Italy but, so far, have not been injured. Have never been sick since I joined the army which was one year and two days ago.

I've had a lot of fun in these African and Italian towns but nothing like the good times that I used to have back at the States.

This form seems to be running short so will have to close. Please keep up your good work! You're doing a lot to build up your soldier's morale. Thankfully,

Pvt. Harry Marsh

Tecumseh Herald,
Tecumseh, Michigan

Guess maybe it is about time I dropped you a few lines to thank you all very much for sending me the paper. I enjoy reading it very much, keeps me in touch with all the people I used to know, what they are doing. I have been here in Iran now for eleven months, cannot say that I like it here, altho it could be a lot worse. We have nice modern barracks to live in, they are made of mud and brick, most of them equipped with electric fans as a relief from the intense heat. It gets very warm in the summer, too hot for comfort, the temperature really jumps up to a high degree, typical of the desert lands, it is amazing how white man can stand it, 135 degrees F.

Its population consists manily of Persians, Arabs, Chaldrons, Hindus, Russians, Armenians and British. Vegetation is nil, no irrigation. Trees are unheard of. Have not experienced any winter to speak of, it was quite cool for a few weeks, one nice feature is that during the night late it is very comfortable and cool. Our mission here is to send supplies into Russia to help win the war, which we hope will not be too long. The mail comes in once a week, building up our morale somewhat. As yet have not come in contact with any one from my home town.

There is a buddy of mine here from Deerfield that I ran into a short time back, used to work at the Products with him. Most every State in the union is represented here, some of them have been here a long, long time, having forgotten they ever had a home. They are getting pretty homesick. Have run out of spaces, so will close now, will see you soon I hope.

Yours truly,
Marion E. French.

Mr. Wickwire:

I have been receiving your paper since the middle of January but have been so busy with my details that I haven't written to thank you for it.

It sure seems good to read the news from the greatest little town on earth. Sure helps the morale a heck of a lot. It was about two weeks before I knew who was sending the paper.

I see by the paper that good old Tecumseh is keeping right behind the boys at the front by buying War Bonds.

I will send you my new address at the end of this letter. Well I guess this is about all the time I have right now as it is time to eat lunch.

Yours truly,
Pfc. Edward C. Hooten

To the Legion Auxiliary:

My sincerest apologies for not writing sooner to thank you for The Herald.

I have been receiving the Herald ever since I entered the service and I thought all the time I was still receiving it from my family. I just learned today that it was not coming from them but from the Legion Auxiliary.

I certainly appreciate your sending it to me and I certainly do enjoy it. It keeps me posted on every thing that is happening back home.

Thank you a lot.

A sailorette,
Jean M. Collins, SK-2-c.

Schools Open September 18

CALL IS DELAYED ONE WEEK AT STATE'S REQUEST, DUE TO INFANTILE PARALYSIS

Tecumseh schools will open Monday morning, September 18, at nine o'clock, after the summer recess. The opening date originally scheduled for September 6 was postponed because of the prevalence of infantile paralysis in the county, the request having been made by the State Health Department.

The opening session will be devoted, largely, to enrollment and classification procedures with regular classes scheduled for the remainder of the week. Parents are urged to enroll their children promptly int order to avoid delays which often prove costly to the child.

Following the opening session the time schedule given below will be observed. The morning session for all children attending the Central building will begin at 8:15. The elementary grades in this building will be dismissed at 11:30 for the noon recess and the junior and senior high school classes will be dismissed at 11:45. The afternoon session for the same groups will begin at 1 o'clock and the dismissal time will be 3:30 for the elementary grades and 4 o'clock for the junior and senior high school classes. The school day for the children at the branch buildings will, with slight variations in dismissal time, extend from 8:45 in the morning to 3:30 in the afternoon, with the period from 11:30 to 1 o'clock for the noon recess. The kindergarten class will again be divided into two sections with half day attendance for each section.

The West Branch building will again house the kindergarten with Mrs. Dorothy Updyke as teacher, a section of the first grade with Mrs. Mary Wolf as teacher, and a section of the second grade with Miss Bertha LaPointe in charge. Parents living west of Evans Street are requested to enroll their children for those grades at the West Branch building. Parents who are planning to enroll children in the kindergarten art advised that, due to an anticipated large enrollment of beginners, it will be necessary for school authorities to adhere strictly to the regulation that children must be five years of age before the first day of January to be eligible for enrollment.

According to present plans two rooms of the East Branch building will again be used for children in grades one and two living East of Evans Street and for all third grade pupils. Mrs. Iva Van Valkenburg will be in charge of the first and second grade combination room while the third grade will be under the direction of Miss Margaret Roberts. The announcement regarding these classes must, however, be considered tentative in view of the fact that an anticipated heavy early elementary enrollment may make necessary the organization of another early elementary class which would in all likelihood be made up of second and third grade pupils and would be housed in the Central building.

Children in grades four, five and six must enroll at the Central building. Teachers in charge will be Miss Elizabeth Cole, fourth grade; Mrs. Ina Baily, fifth grade; Miss Marian Martin, combination fifth and sixth grade; and Miss Bernice Parker, sixth grade.

Junior and senior high school students will meet in the high school auditorium to receive initial instructions regarding enrollment procedures and the classes will then be broken into groups under the direction of counsellors who will assist the students in their enrollment and program problems. Rural pupils who desire to enroll in the high school before the opening day of school will be able to do so in the high school office on Wednesday through Friday, September 13 through September 15. Such advance enrollment is not, however, necessary.

Two new teachers have been employed for the coming school year to replace Mrs. Cora Pfaus and Miss Rita Fender who will not return because of resignations. The new teachers are: Miss Agnes Hansen of Ludington, Michigan, who has taked her training at the Michigan State Normal College and will handle the girls physical educational assignment in the local schools; and, Miss Marian Martin of Battle Creek who attended the Western Michigan College of Education and has taught the later elementary grades in Britton during the past two years.

The recent resignation of Miss Jane Elliott, who has been employed by the Ferndale public school system as director of the speech correction department, will make necessary the employment of one more teacher to complete the local staff. This appointment

Manchester Gunner Is Home on Furlough

St. Sgt. Lewis J. Jackowski has arrived home after several months in Italy and is spending a 21-day furlough with Mr. and Mrs. Harry Knickerbocker of Manchester. A waist gunner, he has completed 50 missions and has been awarded the Purple Heart and Silver Star and the Air Medal with five clusters. He was with the 15th AAF.

Sgt. Jackowski and Mr. Knickerbocker were guests of Clinton Rotary Club Thursday evening.

State's Polio In Mild Form

LESS PARALYSIS THAN USUAL FOLLOWING THE DISEASE, STATE DEPARTMENT SAYS

Michigan seems to have in general a mild form of polio this year with less paralysis than usual following the disease according to Dr. William DeKleine, state commissioner of health. Check on the 31 cases reported in July revealed that only 46 of the persons had any paralysis during the acute ttages of the disease, and most of these were in mild form, Dr. DeKleine said. It may be expected that the majority of these persons will recover without any permanent crippling.

Through August 25 there were 307 cases of polio reported in Michigan for the year. Ten deaths have been reported, six of which were in Detroit.

The National Foundation for Infantile Paralysis states that in the first 31 weeks of the year, the United States has had more cases of polio than at any comparable time in 28 years. Through August 5 a total of 3,972 cases had been reported. The largest number of cases were from New York, North Carolina, Kentucky, Pennsylvania and Virginia.

Mrs. Charles Paige, 52, Former Resident, Dies

Relatives here were notified last week of the death of Mrs. Charles Paige, which occurred August 19 at her home in Jackson after several years of ill health. Mrs. Paige, who was 52 years of age, was formerly Esther D. Heim of Manchester and she and her husband were former residents of Tecumseh.

Besides her husband she leaves two daughters, Mrs. Frank Rosenbrock of Vaidercook Lake and Mrs. William Quigley of Jackson; one sister Mrs. Sam Islam of Battle Creek; two brothers Clarence Heim of Manchester and Paul Heim of Detroit and one grandson Charles Quigley.

The funeral was held at Manausa Funeral Home in Jackson with burial at Maxon.

MISSIONARY MEETING

The Presbyterian Missionary Circle met Friday evening at the church parlors for a co-operative supper at 6:30 followed a short program which included two readings by Mrs. Bert Kopka, a guest. Several contests were enjoyed. The occasion was in honor of six members whose birthdays occur during August and September.

The September meeting will be held at the home of Miss Mary Whitelock.

HONORS SON

Mrs. George Elliott entertained a group of eight children Thursday afternoon in honor of the fourth birthday of her son, Gary. The children played with toys and received favors. Refreshments were served. Gary received a variety of gifts.

P. E. O. PICNIC

Members of Chapter A. J., P.E.O. and their husbands enjoyed a picnic Friday evening at the home of Mr. and Mrs. J. W. Spafford. During the evening a shower of gifts was held for the infant daughter of Mr. and Mrs. R. F. Roe.

REBUILDING ROAD

Work has begun on the rebuilding of M-50 from Billington's Corners to Tipton. The road in that area is closed to traffic.

Detours will be made in the near future and the name of the teacher announced in an early issue of The Herald.

Other teachers who will again serve in the Tecumseh schools are; Mrs. Hazel Dickinson, Mrs. Sylvia Laidlaw, Mrs. Dorothy McColl, Mrs. Lois Service, Alvin Brazee, Clare Camburn, Delmar Crisp, David Dick, Aden Mead, George Parsons, Fred Raizk, and C. R. Dustin, the latter as high school principal. Mrs. Mabel Hanna will have charge of the high school library and Mrs. Helen Sager will serve as secretary to the superintendent, W. L. Berkhof.

Check For $224 From Old Paper

LOCAL DRIVE OF 10 DAYS AGO WAS COMPLETE SUCCESS, WADE JONES SAYS

A check for $224.50, representing the proceeds of the sale of waste paper collected in a campaign here on August 19, sponsored by The Strand Theatre, was received this week from a Monroe war plant by Wade L. Jones, village treasurer. Mr. Jones said that expenses of the campaign would first be deducted—expenses amounted to about $70, including prize money for War Bonds and Stamps and theatre tickets—and the balance will be divided between the Opekasit Youth Club and the Community Chest.

The waste drive, which netted about 14 tons, was the second sponsored by The Strand. The management of the theatre offered a free matinee to all children bringing 25 pounds or more of old paper. In addition, prizes of two $25 War Bonds and $18 in War Stamps were offered to high winners, as well as some 40 theatre tickets for a later date. The Strand bore all of the expense of the matinee.

Renewed appeals for increased effort in salvage of waste paper have been issued by the State Salvage Committee of the Michigan Office of Civilian Defense following a decline in waste paper receipts at Michigan mills of 25 per cent under receipts a month ago.

With Michigan paperboard mills providing nearly one-third of all paperboard manufactured in the United States, production is being seriously affected by the slowdown in collections. While attributed largely to hot weather and the fact that school children are not currently active in collections, the State Salvage Committee nevertheless asserted that unless more paper is salvaged the war effort may be seriously affected.

In tthe week ending August 12, Michigan mills received 12,191 tons of waste paper. This compares with 14,579 for the week of July 22. Receipts have declined steadily every week since then.

With the war moving at an increased pace in Europe, need for shipping material continually in order not to delay infantry advances is emphasized. Materials must be shipped packaged, with the largest bulk moving in waterproof V-containers, made from paperboard, which in turn is largely made from waste paper.

TWO COUPLES WED BY JUSTICE BARBER

Roger B. Bryan and Betty Jane Beevers both of Tecumseh, were married Saturday evening by Justice of the Peace, Clyde A. Barber.

Kills Wife

LENNIE GITTUS, 38, RIDGEWAY, HELD AT COUNTY JAIL; MAKES CONFESSION

Lennie Gittus, 38, Ridgeway, is held at the county jail, Adrian, on a murder investigation charge, in connection with the fatal shooting of his wife, Imogene, at their home in Ridgeway, shortly after 6 o'clock, last night.

According to State Police at Clinton, Gittus signed a confession that he shot and killed his wife, after a quarrel. The killing, which occurred in the kitchen of their home, was witnessed by their daughter, Dorothy Jean, 16.

Police say that after the shooting, Gittus ran to the Earl Pennington home next door, as did the daughter. He then went to the Ernest Wright home and surrendered, asking that Mr. Wright accompany him to his home. Wright is a constable.

Gittus, State Police say, made a complete confession to the Lenawee prosecutor, and then was taken to the county jail, pending a further investigation.

Gift Mailing Is Explained

CHRISTMAS PACKAGES FOR OVERSEAS MEN MUST CONFORM TO GOVERNMENT

The Post Office department has issued the following general rules for the public's guidance in buying, wrapping and mailing Christmas gifts to men overseas.

1. All parcels and all cards must be mailed between September 15 and October 15, the earlier the better.

2. Included in the term Armed Forces overseas are: Personnel of the Army, Navy, Marine Corps, Merchant Marine, and civilians working under the jurisdiction of the above.

3. Christmas cards shall be sent only as first class mail and shall bear the return address of the sender, including zone number.

4. No requests from the addresses are required in connection with Christmas parcels mailed to Army personnel during this period ONLY.

5. Each parcel should be addressed: "Christmas Parcel."

6. Christmas parcels shall not exceed the present limits of five pounds in weight or 15 inches in length or 36 inches in length and girth combined.

7. Not more than one Christmas parcel or package shall be accepted for mailing in any one week when sent by or on behalf of the same person or concern to or for the same address.

8. Postal Money Orders should be used to transmit gifts of money to members of the armed forces outside the continental United States. This service is not available to members of the Merchant Marine.

9. No matter addressed to members of the Army or other persons receiving mail through A. P. O.'s overseas shall be accepted as insured or C.O.D. mail. Letters or packages containing money or articles of value shall be refused registration, but letters containing valuable or important papers may be registered.

10. Mail for personnel of the Navy, Marine Corps, or Coast Guard may be accepted for registration or insurance if it conforms to existing requirements as to weight, size, and so forth.

11. Armed personnel are amply provided with food and clothing and the public urged not to include such matter in gift parcels.

12. Perishable matter will not be accepted, and the sending of any fragile article, even though well wrapped, is discouraged. Soft candies do not carry well and should not be sent.

13. Intoxicants, inflamable materials (including all types of matches and lighter fluid) and poisons, or compositions which kill or injure another, or damage the mails, are unmailable.

14. Great care must be used in the preparation and wrapping of all overseas parcels. Owing to the great distance this mail must be transported and the handling involved, it is absolutely necessary that all articles be packed in boxes of metal, wood, solid fiberboard, or strong doublefaced corrugated fiberboard reinforced with strong gummed-paper tape and tied with strong twine.

a. Each parcel is subject to censorship, and delay in handling may be minimized by securing the covering of the parcel so as to permit ready inspection of contents.

15. Addresses must be complete—and should be on both an inside and the outside-wrapper. They should always be either typed or written in ink. Parcels addressed to overseas Army personnel should show, in addition, to the name and address of the sender, the name, rank, Army serial number, branch of Service, organization, A.P.O. number of the addressee and the Post Office through which the parcels are to be routed.

16. Parcels for the naval personnel, including the Marine Corps and Coast Guard, should show, in addition to teh name and address of the sender, the name, rank, or rating of the addressee and the naval unit to which he is assigned with the Navy number assigned thereto, or name of the ship and F.P.O. through which the parcels are to be routed.

17. Mail for the Coast Guard is addressed the same as for Naval personnel except the words "U.S. Coast Guard" shall replace "U.S. Navy."

18. Mail for the Merchant Marine should also be mailed between September 15th and October 15th.

19. Postage: Postage must be fully prepaid, the rate on parcels of 4th class matter (that is, parcels exceeding 8 ounces) being the zone rate applicable from the post office where mailed to the post office in care of which the parcels are addressed. E. G.: A two pound package mailed from Los Angeles in care of an A.P.O., N.Y., N.Y., would require postage for the same rate applicable between Los Angeles and New York for any two pound package.

Miss Alline Lerch Is Bride of Jack Osburn

Jack Osburn Ph. m. 3/C, son of Mrs. Purnell Osburn of Tecumseh and Miss Alline Lerch, daughter of Mr. and Mrs. Raymond Lerch of Adrian, were married August 26 by the chaplain at Ft. Pierct, Fla., where Mr. Osburn is stationed. Both young people are graduates of Tecumseh high school, the bride in 1942 and the groom in 1943.

They arrived here Tuesday evening to spend the week with his mother and family. At the end of his furlough Mrs. Osburn will return to her duties at Erie Proving Ground in Ohio.

R.G. LeTourneau To Visit County

WILL SPEAK AT ADRIAN, BLISSFIELD AND TECUMSEH, SEPTEMBER 9 AND 10

R. G. LeTourneau, one of the world's outstanding Christian laymen and industrialists, with plants in Stockton, Calif., Peoria, Ill., Tocoa, Ga., Vicksburg, Miss., and Sydney, Australia, will visit Lenawee county September 9 and 10, coming under the auspices of the Gideons, of which he is a past national president.

Mr. LeTourneau is referred to by many as an American phenomenon. A self-taught mechanical senius, he pioneered the mammouth earth moving machines seen biting off hills and filling up valleys for dams, airports, army cantonments, and express highways. His five plants now produce half the earth moving machinery in the world.

But LeTourneau has another interest, even deeper, more driving; his role as "God's businessman." Of the millions of dollars that have come to him, he has kept only a tiny fraction. In 1935 he contributed more than 98 per cent of his worldly possessions to the LeTourneau Foundation, the world's largest exclusively religious foundation. "Not how much of my money do I give to God, but how much of God's money do I keep for myself" a motto hanging on his office wall, epitomizes his financial credo.

LeTourneau will address guests at a banquet to be held in Adrian, Saturday, September 9 at 6:30 p. mm., at the Methodist church. Tickets may be secured from Perry Hayden. Sunday morning he will speak in the Blissfield high school at 11 at a joint community service. A mass meeting will be his third meeting at the Methodist church, Adrian, Sunday afternoon at 3. He will speak at the Tecumseh Presbyterian church, Sunday evening September 10 at 8 p. m. An organ prelude at 7:45 will precede the service. Rev. James Cameron Murdoch, John R. Thompson, and Perry Hayden constitute the local committee in charge of the Tecumseh service. Mr. LeTourneau together with Dr. and Mrs. Harold Strathearn, of the LeTourneau Foundation, will be guests of Perry and Elizabeth Hayden while in the county.

MRS. NELLIE PARKER BURIED AT CLINTON

Mrs. Nellie Parker, aged 83 years, a life long resident of Macon and Clinton townships, died Sunday at tht home of her son, Roscoe Parker, after a week's illness.

She leaves two sons, Roscoe of Clinton and Howard of Dearborn with whom she had divided her time since the death of her husband 10 years ago.

Funeral services were held Tuesday afternoon at the Hause Funeral Home in Clinton. Rev. O. E. Priest officiated and burial was in Riverside cemetery.

County Normal Opens Sept. 6

FOURTEEN APPLICATIONS RECEIVED FOR TWO-COUNTY INSTITUTION AT BLISSFIELD

Lenawee County Normal at Blissfield is scheduled to open Wednesday, September 6. The school this year will include both Lenawee and Hillsdale counties, and 14 applications have already been received from Lenawee county. It is hoped the reopening of the school will relieve the shortage of certified teachers.

There are 40 rural schools in the county not operating, eight more being added this year. Many rural teachers are in war jobs, and in the scarcity of teachers 31 war emergency teaching certificates have been issued this year in addition to the 27 issued last year. Teachers have been obtained for practically all rural schools.

A pre-school meeting of rural teachers will be held Saturday, September 2, at the court house in Adrian, in preparation for the tentative opening of 48 rural schools on Tuesday, September 5.

Mrs. Susie Spohr, Dies, Is Buried In Ridgeway

Mrs. Susie Spohr, aged 74 years, widow of the late Charles Spohr, died last Wednesday at the home of her daughter, Mrs. Margaret Liddster in Britton, after a long period of failing health. Mrs. Spohr who was formerly Susie Cowan was born May 20, 1870 and spent her life in the Britton community. She was a member of the Christian church and also of Deerfield chapter, Order of the Eastern Star.

She leaves five daughters Mrs. Liddster and Mrs. Theo. Willis of Britton, Mrs. Edna Miller of Dundee, Mrs. Luella Lockwood of Morenci and Mrs. Agnes Rickard of Blissfield, four sons Archie, Alfred, Willis and Edwin, all of Britton, a brother John Cowan of Ridgeway, 36 grandchildren and nine great grandchildren. Five grandsons are in the army. Her husband and a daughter Mrs. John Jasper preceded her in death.

Funeral services were held Friday afternoon at the Niblack Funeral Home in Britton. Rev. C. R. Gould officiated and burial was in Ridgeway cemetery.

Mrs. Mary E. Lindsley Is Buried At Clinton

Mrs. Mary Ellen Lindsley, aged 80 years, widow of the late Herbert E. Lindsley, died last Wednesday at her home in Clinton after a short illness. Mrs. Lindsley had spent all her life in the vicinity and taught for a number of years in the rural schools. She was a member of St. John's Episcopal church and Woman's Guild, the Order of the Eastern Star and Clinton Woman's Club.

Survivors are a son Lyan at home, four nieces Mrs. C. W. Allen of Tecumseh, Mrs. James Tucker of Clinton, Sister Mary Jerome of Adrian and Mrs. Mary Bryne of Lincoln Park, and a nephew Albert Dorr of Clinton.

Funeral services were held Saturday afternoon at the Hause Funeral Home in Clinton. Rev. John R. Scarlett of St. Peter's Episcopal church officiated and burial was made in Riverside cemetery.

TO PREACH IN DETROIT

GRATEFUL SPIRIT

In this era of getting what one can from the Government of the United States, it is encouraging to hear about Mrs. Corrine St. Jacques, of New York, who, in her will, left her real property to the United States Government "in gratitude for the privilege extended me to live in this great country."

The estate, we gather from press notices, is not large but the spirit of appreciation expressed by this woman cannot be measured in money.

INTRODUCING

Two New Laundry Services in Tecumseh!

Effective next week, our laundry will offer to the residents of Tecumseh two types of laundry service.

THE ALL-FINISHED FAMILY BUNDLE

will include everything that you send carefully washed and neatly ironed and ready for your immediate use.

THE ECONOMY SERVICE BUNDLE

will include the careful washing of everything that you send; all flat work carefully ironed, and the balance of your bundle returned damp, ready to iron.

EVERY DAY WILL BE WASH DAY

We will give you service every day of the week.

STRICTLY CASH AND CARRY

Because of the shortage of labor and the rationing of tires and fuel, we will do only a cash and carry business.

The SUN MASTER Motor Tester

Takes the Guess-Work Out of Repairing!

When we check your car for trouble with the Sun Master Motor Tester we can tell you in a jiffy whether the ignition, compression and carbueration are functioning properly. It enables us to put our finger on the trouble with your motor without long hours of hunting.

In these days of high labor costs and shortage of manpower, you can appreciate what such a Tester means when you bring your car to us for repairing. You can understand, easily, how, with this "master mind" we are able to reduce your repair costs. Why? Because it takes less time to find your trouble, and remedy it.

Here's What THE MASTER TESTER Will Do

IN TESTING COMPRESSION: The Master Tester shows whether or not the piston rings have "blow by" or are loose and need replacing. Also, whether or not the valves are seating properly.

IN TESTING IGNITION: the Master Tester shows whether your coil has the right capacity from starting to full speed. Whether your condenser is operating properly; the condition and spacing of the points, and the degrees of timing advance in the full speed range.

IN TESTING CARBUERATION: the Master Tester shows whether or not you have correct cylinder vacuum, and determines whether or not you are getting the correct fuel mixture from idle to top speed. This is very, very important in these times of gasoline rationing. Such a test may add many, many miles to every gallon of gas you burn.

If you are interested in increasing your gasoline mileage, if you want to make your car run smoother, eliminate wear and tear to a minimum, we invite you to bring it to us for service.

Our factory-trained mechanics are thoroughly familiar with all makes of cars and trucks, and our garage is open from 8 a. m. to 6 p. m., daily, for your convenience.

May we suggest that you use "the appointment system" for the repair of your car. Bring it to Mr. Andrew Bessey, our superintendent, for inspection. He'll tell you what is wrong and give you an appointment for the work to be done. This will save delay and keep you from being without a car for a minimum of time.

Late Hatched Pullets Have Gone Through a Critical Stage

The extreme hot weather of this summer has been a set-back for many growing pullets.

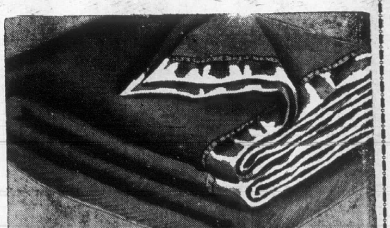
Even now it is essential that
1—You provide plenty of shade.
2—Also plenty of clean, fresh water.
3—Also plenty of growing mash, always.
(It takes more than shade and ozone to build a bird!)

AND HERE'S A GOOD TIP (at no extra charge!)

Give your pullets a good flush and clean out with Chek-R-Ton.

This will increase the feed consumption, and build up the general health and appearance.

Be sure your pullets are eating plenty of HAYDEN'S GROWING MASH along with their grain. A poorly developed pullet will not put profitable eggs in the basket.



We have bought a wonderful stock of high grade nationally known Blankets for fall and will lay away any selection you may make for small down payment.

After Victory Has Been Won

We Want To Help Build a Bigger Tecumseh

You hear a lot and read a lot about how the post-war world is going to be a kind of wonderland. . .

A wonderland of tear-drop automobiles, helicopters, clothing made from coal, and houses from glass. Homes and stores completely air-conditioned, remote controlled robots to do your bidding, food concentrates in capsules and prize fights by televisin.

It's all quite possible. All quite probable.

But that is wonderland on an international scale. The scientists' giant-like strides during the war will enable peace-time industry to produce materials and fulfill the wishes of a worshiper of Aladdin.

We expect to play an important part in helping to build this "international wonderland." Our scietists, our engineers are busy, too.

The post-war plans that we are making today would have been fantastic 10 years ago.

Nearly three-quarters of a million dollars for new buildings. Hundreds of thousands of dollars for new machinery. A stream-lined modern plant that in peace-time production will make us the largest independent manufacturers of electrical refrigeration in the entire world. We held that distinction in pre-war years; we intend to hold it in post-war

On our books today are orders for more than thirty millions of dollars worth of peace-time prduction. We must have some two thousand five hundred employees on our payroll within three years after the end of the war.

What, then, does all of this post-war planning mean to Tecumseh? About what should Tecumseh be thinking on next Moday's Labor Day?

Labor, first of all, should be thinking of reconversion—the swing from war-time to peace-time production. We do not anticipate any prolonged delay in the change-over; almost immediately we expect to begin hiring more employees after the end of the war. This policy should, in a large measure, relieve Tecumseh's labor market of it's post-war unemployment worries. The fact that we intend to double our pay-roll should give new assurance to our former employees, now in service, that their jobs will be good when the fight is over. We have made such a pledge to "our boys in service."

The Village Council should be on the alert with its post-war plans. We know that such plans are now in the making, that engineering surveys have been completed. We urge that the Council keep constantly in mind these post-war plans because Tecumseh must grow after the war to a population of between 6,000 and 8,000. How else are we to house our employees, and the employees of other shops, if Tecumseh does not expand?

The Board of Education should press further its plan for the expansion of our schools. Good schools are essential to a forward-marching community. We must not neglect our schools, we must offer the best that we can afford in education remembering, always, that the youth of today is the adult of tomorrow.

The Business Man should be thinking in post-war terms. He should be "getting his house in order" for peace-time expansion. How else is he to satisfy his customers, how else will he be prepard to supply the needs of a local buying public with millions of dollars in it's pockets annually? We say millions of dollars, because our payroll in Tecumseh should exceed $8,000,000 annually within two years after the end of the war.

These are some of the things that Tecumseh—all of Tecumseh—should be thinking about on this Labor Day in 1944. Tecumseh, as a community, should be "ready to go" when peace comes. Our company cannot go alone, it must be co-operative effort.

Our message, then, is one of unity. The enemy is on the run. The end of the war is in sight. In peace as in war we must stand together, united. Our boys on the battle front are doing a marvelous job. When they return they will expect to see a forward-striding community. Ours is a debt of gratitude. Let's co-ordinate our efforts. Let's prepare for a bigger Tecumseh.

These things we must do if we are to take our rightful place in "international wonderland."

ORDER OF PUBLICATION
Determination of Heirs
STATE OF MICHIGAN,
THE PROBATE COURT FOR THE COUNTY OF LENAWEE.

At a session of said Court, held at the Probate Office, in the City of Adrian, in said County, on the 29th day of August A. D. 1944.

Present, HONORABLE MAURICE E. TRIPP, Judge of Probate.

In the Matter of the Estate of SARAH A. NORRIS (or Sarah Ann Norris), deceased.

Walter E. Norris, son and heir at law of said deceased, having filed in said Court his petition praying that said Court adjudicate and determine who were at the time of her death the legal heirs of said deceased and entitled to inherit the real estate of which said deceased died seized,

It Is Ordered, that the 18th day of September A. D. 1944, at ten o'clock in the forenoon, Eastern War Time, at said Probate Office, be and is hereby appointed for hearing said petition;

It Is Further Ordered, that public notice thereof be given by publication of a copy of this order, for three consecutive weeks previous to said day of hearing, in the Tecumseh Herald, a newspaper printed and circulated in said County.

MAURICE E. TRIPP,
Judge of Probate.

Ayes: Van Vleet, TurnBull, Kerby, Smith. Nays: None.

Motion carried.

Motion made by Kerby, supported by Van Vleet that necessary amount of vitrified sewer pipe be purchased for Union, Brown, and South Wyandotte Street sewer extensions.

Ayes: Van Vleet, TurnBull, Kerby, Smith. Nays: None.

Motion carried.

Motion made by TurnBull supported by Van Vleet that request of Richard J. Williams for permission to establish Taxi Cab line in Tecumseh be granted, and office of Defense Transportation be requested to grant application of Richard J. Williams. Motion carried.

The following resolution was offered by Smith, supported by TurnBull:

WHEREAS, the Village of Tecumseh in the County of Lenawee, Michigan, desires to make a public improvement, namely, to construct a water service which requires certain operations within and upon the right of way of State Trunk Line Highway M-50, which is under the jurisdiction of the Michigan State Highway Department; and

WHEREAS, the Michigan State Highway Dpeartment is willing to issue a permit therefor, provided the said Department is assured of indemnity and protection against all liability arising by reason of Section 4422 of the Compiled Laws of 1929;

NOW THEREFORE, be it resolved by the Common Council Board of the Village of Tecumseh, Lenawee County, Michigan that in consideration of the Michigan State Highway Department granting a permit to the Village of Tecumseh upon proper application therefor, to construct water service along and upon the right of way of State Trunkline Highway M-50, the Village of Tecumseh shall save harmless and indemnify the State of Michigan, the Michigan State Highway Department, Murray D. Van Wagoner as State Highway Commissioner and his successors against all liability which arises or which might arise either during preparation for the construction of the water service along State Trunk Line Highway M-50 or during actual construction of the said project.

I hereby certify that the above is a true and correct copy of a resolution passed by the Common Council of the Village of Tecumseh, Lenawee County, Michigan, at a meeting held on the 21st day of August, A. D. 1944.

WADE L. JONES,
Village Clerk.

The following resolution was offered by Trustee Van Vleet, supported by Trustee Smith.

Whereas, the Village of Tecumseh desires to install, maintain and use two (2) twelve inch extra heavy cast iron sewer pipes under the track of the New York Central Railroad Company in West Brown street on the Jackson branch at Tecumseh, Michigan; and

Whereas, said New York Central Railroad Company have submitted an agreement, dated the 7th. day of August 1944, to the Village, setting forth the terms and conditions under which the use of their land and/or right-of-way will be granted; and

Whereas, it appearing that it is for the best interests of the Village of Tecumseh that said agreement be accepted:

Now, Therefore, Be It Resolved, That the agreement dated the 7th. day of August, 1944, between the New York Central Railroad Company and the Village of Tecumseh be accepted on the part of the Village of Tecumseh.

And Be It Further Resolved That the Village Clerk be authorized to sign said agreement on behalf of the Village of Tecumseh.

WADE L. JONES
Village Clerk.

Moved and supported that above resolution be adopted. Motion carried.

President Elliott appointed Wade L. Jones to represent Village of Tecumseh and Lyman Curtiss to represent Tecumseh Products Union as Directors of Lenawee County Patriotic League for ensuing year.

Moved and supported that appointments be confirmed. Motion carried.

Motion made and supported that Village Clerk be authorized to negotiated for purchase of new truck of Butler Motor Sales and arrange for priority for same. Motion carried.

On motion, Council adjourned.

WADE L. JONES
Village Clerk.

Shaking Hands With a Bank Account--

* * *

Yes, shaking hands with a bank account is like clasping the hand of present-day opportunities.

Right now, while wages are high, while employment is steady, is the time to lay aside money for that "rainy day" that may be around the corner.

Be prepared by opening a savings account in this bank, and by depositing a portion of your earnings regularly each week or month.

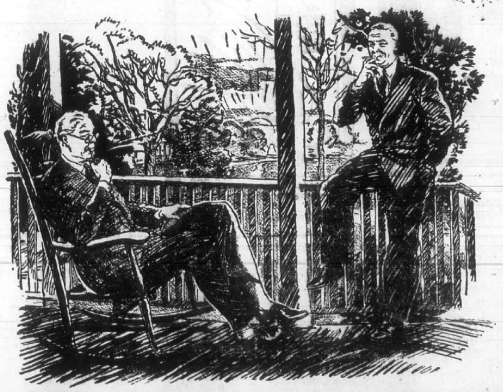
THE OLD JUDGE SAYS...



"The more I read about it, Judge, the more I realize the tactics and requirements of this war are as different from the one I fought in 25 years ago as night is from day."

"Yes, and I can give you an example of how true that is, Fred. In World War I the chief uses of alcohol produced for war purposes were found in smokeless powder, medical supplies and chemical warfare materials. In this war the need for this product is far more vital because it is also used as a fuel to propel torpedoes, to make shatterproof glass for airplane windshields and instrument covers, to make lacquers used in camouflaging equipment and as a base for synthetic rubber needed for tires, gas masks, paratroop equipment and dozens of other things.

"Every time I think of it, Fred, I realize how fortunate we were in having a beverage distilling industry in existence when war broke out... ready and eager to convert 100% to the production of this critically needed war product. I'm mighty sure bootleggers wouldn't have been of much help."

OBITUARY

Henry M. Kempf

Henry M. Kempf, son of Elizabeth and George Kempf, was born in Macon township, Lenawee county, Michigan, January 26, 1868 and departed this life Sunday afternoon, August 20, 1944. He was 76 years, 6 months, and 25 days.

September 28, 1902, he was married to Pheba K. Hoffman of Ida, Monroe county, Michigan, and spent his entire life in this vicinity, being well known as a carpenter.

He was the father of six children, who survive with the widow, August G. of Detroit, Winfred G., Norman H., and Raymond C. of Tecumseh, Pvt. Henry F. with the armed forces in England and Myrtle L. of Tecumseh. Besides these survivors he leaves three granddaughters, Judith Ann, Joan Marie and Ann Marie of Tecumseh, two brothers, Theodore of Milan and Fred of Los Angeles, California, also several nieces and nephews.

He was a kind, thoughtful, and loving husband and father, who will be greatly missed by his family and host of friends. His main interests in life were his carpentry and welfare of his family.

There is the empty chair
Cherished by all
Who once saw him there
Do not weep, Listen! He is only asleep.
So peacefully he rests
And over his grave,
The angels of heaven
Will ever a sacred watch keep.

Funeral services were held at the Belding Funeral Home, Wednesday afternoon, August 23 at 2:30 p. m. with Rev. A. C. Brazee officiating. Mr. Kempf's favorite hymn, "The Old Rugged Cross" was sung by Mrs. Robert H. Moore, also "God Be With You." The bearers were Perry Satterthwaite, F. C. Hanna, Ned Baldwin, Lillard Brown, Robert McCoy and S. Henry Smith and burial was made in Brookside cemetery.

Relatives and friends from away who attended were, A. G. Kempf of Detroit, Mrs. Henry F. Kempf of Brooklyn, Mr. and Mrs. Theo. Kempf, Mrs. Leslie Auten and son, Mrs. Lizzie McCaughy of Milan, Mrs. Minnie Kempf, and Mr. and Mrs. Walter Kempf of Ypsilanti, Mr. and Mrs. Henry Kempf and daughter of Stoney Creek, Mr. and Mrs. Fred Kempf of Adrian, Mrs. Margaret Spohr and Mrs. Lillian Kniffen of Britton, Mr. and Mrs. William Kempf of Wamplers Lake, Mr. and Mrs. Roy Lowry of Manchester, Walter Hoffman of Trenton, Mr. and Mrs. Will Hoffman of Monroe, Mr. and Mrs. Walker Kelley and Kenneth Kistler of Hudson, Indiana, and Mr. and Mrs. Fred Whelan of Brooklyn, and many others from Tecumseh and vicinity.

CARD OF THANKS

We wish to express our heartfelt thanks to the friends, neighbors and relatives for their kindness during the illness and death of our husband and father, also to the Rev. A. C. Brazee for his comforting words and to the Tecumseh Hospital and Tecumseh Products Company.

Mrs. Henry Kempf
and family.

CARD OF THANKS

We wish to thank our many friends and neighbors for their expressions of sympathy; Rev. and Mrs. Escolme for their comforting words; the Friend's church and Sunday school and the American Legion and Auxiliary for their kindness during our bereavement; and also for the beautiful floral tributes in memory of our son Jack.

Mr. and Mrs. Percy Slater

ALL MOTORISTS MUST REGISTER AT SCHOOL SEPT. 13-14; SCHOOL OPENS SEPT. 18

New basic "A" gasoline ration books will be issued for car owners in the Tecumseh area at the Tecumseh high school on Wednesday and Thursday, September 13 and 14, between the hours of 1 and 9 p. m. All car owners must make application for the new books on these dates as failure to do so will mean that applications following these dates will have to be made in Adrian where "A" books will not be issued previous to September 25. Car owners residing in School Districts No. 5 and 9 fr. are advised to apply for the new book at the Tecumseh issuing center.

Car owners must observe the following regulations in making application for the new gasoline ration book:

1. Applicants must present their present "A" ration books at the time of the application. If the books contain any stamps they will be returned to the applicant. If not, the covers will be retained by the registrar.

2. Applicants who do not have an "A" ration book must present their certificates of registration as a basis for claiming the right to make application for a new "A" ration book.

3. Applicants must present their tire inspection form to the registrar. These will be collected as they will no longer be used.

4. Applicants must fill in present speedometer reading on the application and also give the present vehicle license number.

5. Authorized agents may make application for the basic "A" mileage ration for registered owners.

6. No ration books will be issued to owners who have recently acquired cars and who do not, therefore, hold registration certificates in their own names.

7. No "D" books for motorcycles will be issued on the dates listed above. These will be issued on the 11th of November.

As has been previously announced, Mr. Berkhof said, the public schools here will open on Monday, September 18, in all grades. The opening was delayed two weeks at the request of the state, due to the sudden increase in the number of cases of infantile paralysis in Southern Michigan.

The Tecumseh staff will participate in a two day pre-school conference which is being planned for Monday and Tuesday, September 11 ad 12. Policies for the coming school year and organizational matters will be discussed, briefly, and the major portion of the period will then be devoted to the cooperative planning of the special emphasis upon health education which will be carried out throughout the grades during the coming school year.

Mrs. Helen La Bounty of Ann Arbor has been appointed to fill the vacancy caused by the resignation of Miss Jane Elliott. Mrs. La Bounty received her degree from Michigan State Normal College of Ypsilanti, and has had previous experience in the Muskegon public school system.

Five Star Vet Rotary Speaker

COXSWAIN "BILL" BROWN, 21 MONTHS OVERSEAS, TELLS OF EXPERIENCES

Coxswain "Bill" Brown, home on a 30-day furlough after 21 months in active overseas service, told members of the Tecumseh Rotary Club, Tuesday evening, that he had heard that the Japs were good fighters but, he said, he didn't think too much of their marksmanship. Coxswain Brown wears five stars on his service ribbon, denoting that he took part in the defense of Guadalcanal, Rendova, in the New Georgia islands, Bougainville, New Ireland and Guam. He came through all of these encounters without injury.

"I came close only once," Brown said. He pilots a landing boat taking equipment ashore when beachheads are made. "The Japs cut loose with heavy mortar fire and one hit our 26,000-pound steel craft midship. When I finally realized what had happened I was in the water, about 300 yards from shore. Our boat sank and we lost one man."

Brown declared that the Jap bombing pilots are poor marksmen. It was common talk, he said, that a fellow was safer standing on the target than off it. The Japs seldom hit their targets from the air. He said that he had been in a half dozen submarine alerts, had seen the Jap's torpedoes pass under his boat, but thus far had been fortunate in avoiding a hit.

The youthful Tecumseh sailor has visited most of the islands in the Pacific theatre. On most islands, he said, the natives are friendly. In one instance, he didn't say just where, the American sailors went ashore armed with salt water soap. All of the natives are anxious to get the soap, and one chap presented the chief of the tribe with 24 bars. In return, Brown said, the chief presented the big-hearted sailor with a hut, a canoe, and two of his daughters.

The weather in some of the Pacific islands is extremely warm, the speaker said, day temperatures of 114 degrees being normal and nights are considered "cool" when the mercury falls to 85. "You don't need many clothes," Brown said, "just a pair of shorts."

Brown spoke to the Rotarians following their dinner meeting at Brees House. He expects to leave here about the 19th for San Francisco to join his boat, which is now in dry dock for repairs.

Gilbert Lee Allen Is Commissioned An Ensign

Gilbert Lee Allen formerly of Brooklyn, was commissioned Ensign in the U. S. Naval Corps Reserve, at exercises held August 30 at the **Naval Air Station in Corpus** Christi, Texas. Rites Held for Murder Victim

MRS. LENNIE GITTUS BURIED AT RIDGEWAY; HUSBAND STILL AT COUNTY JAIL

While Lennie Gittus, 38-year-old Ridgeway painter, sat in his cell at the Lenawee jail in Adrian, Saturday afternoon, private funeral services for his 37-year-old wife, Imogene, whom he shot in the back, last week Wednesday evening, "because he could not stand it to see her run around with another man," were held from the Niblack Funeral Home in Britton at 2 p. m. The Rev. A. B. Johns of the Methodist church officiated, and burial was in the Ridgeway cemetery. Bearers were William and Thomas Gittus of Adrian, Harold and Claude Becker of Adrian, John Gittus of Britton and Leslie Becker of Tecumseh.

Gittus, held on a first degree murder warrant, made no request to attend the services. He has waived examination in justice court and has been bound over to the circuit court for trial.

Gittus, who until recently was employed at the Tecumseh Products Company, and who has resided in Ridgeway township for about eight years, a part of that time as a farmer, told state police from the Clinton post that "I shot my wife because I just couldn't stand to see her running around with that other fellow.." The slayer explained that "that fellow" was also a worker at the Products plant. "He had been enticing her and she had been running around with him for three months," Gittus declared. "My wife and I had been having arguments for the last three weeks, but we got along swell up until then. She quit Tecumseh Products two weeks ago, but recently she was not satisfied and wanted to go back to work."

"She went to the show in Tecumseh with him, both he and she told me so. He tried to take her away. One night they went to a beer garden in Milan, he told me so, and she would ride her bicycle around the block Sunday afternoons and meet him and they would go away in his car and wouldn't come back until five or six o'clock," Gittus told the prosecutor.

Gittus told officers that one night last week she pulled a butcher knife on him and declared that had he not ducked he would have gotten it in the face. Later, he said, she made a second attack.

The slayer said that when he arose last week Wednesday morning he did not feel well, that he had been "a total wreck" for three weeks. He said that he went to look over a proposed painting job and shortly before six o'clock he stopped in at a Britton beer garden, where he had two glasses of beer.

Upon his arrival home, Gittus said, supper was not quite ready and his wife came into the living room where he was sitting and attempted to start an argument. He said that she called him all kinds of names and asked him why he didn't get ready for supper.

Gittus said that he got his gun, loaded it, held it by his side and fired. The charge hit her in the back and she fell to the floor. "I begged her not to leave me, I don't know why I did what I did," he concluded. The shooting was witnessed by a daughter, Dorothy Jean, 16.

Gittus surrendered to Ernest Wright, constable, who notified state police. Ed Braun, coroner, of Adrian, ordered an auttopsy, which showed that a portion of Mrs. Gittus' spine and ribs were shot away by the charge fired from the 16-gauge gun.

LeTourneau To Visit Tecumseh

"GOD'S BUSINESS MAN" TO ADDRESS UNION SERVICE AT PRESBYTERIAN CHURCH

R. G. LeTourneau, manufacturer of over half the earth moving machinery being sold today, and one of America's outstanding Christian laymen, will speak at a Union Service at the First Presbyterian church, Tecumseh, Sunday, September 10 at 8 p. m. The meeting which has been arranged by a local committee, in conjunction with the Gideons of Lenawee county, will conclude Mr. LeTourneau's visit to the county over the week-end.

Not only will this be a union service in which the Tecumseh churches participating, but people from Tipton, Clinton, Macon, Ridgeway, Britton, Holloway, Adrian, and other points will be present, so that the ushers will be ready at 7:30 to help seat the crowd.

Following a piano prelude by Mrs. Geo. Parsons from 7:45 to 8 o'clock, the Rev. James Cameron Murdoch, minister of the Presbyterian church, will introduce Dr. Norman Mac Naughton, pastor Methodist church who will pronounce the invocation. Sid Bearda, a prominent Gideon from Grand Rapids will lead the congregation in singing of old time gospel songs, followed by the reading of the scripture by the Rev. John Scarlett, rector of St. Peters Episcopal church. Dr. Harold Strathearn, director of LeTourneau Evangelistic Center will speak briefly, and then Mrs. Strathearn will sing. Perry Hayden, county chairman of the LeTourneau-Gideon meetings, will introduce Mr. LeTourneau. The Rev. Edward Escolme, pastor of Friends church will take charge of the offering, which will be given to the Gideons and to Victory Service Centers, while Mrs. Strathearn again sings. Rev. Blair Bashore, pastor Tecumseh Baptist church will pronounce the benediction.

Mr. LeTourneau is an American phenomenon. A self-taught mechanical genius, he pioneered the mammoth earth moving machines seen biting off hills and filling up valleys for dams, airfields, aircatonments and express highways. His four bustling U. S. plants, together with one in Sydney, Australia, now build half of all the earth-moving machinery produced in the world.

LeTourneau, however, has another interest, even more driving, his role as "God's Business Man." Of the millions of dollars that have come to him, he has kept only a tiny fraction. In 1933 he contributed more than 98 percent of his worldly possessions to the LeTourneau Foundation, the world's largest exclusively religious foundation. A motto, hanging on his office wall sums up his financial policy: "Not how much of my money do I give to God—but How Much of God's Money do I keep for Myself."

Worth about $13,000,000, the LeTourneau Foundation has assisted hundreds of young persons to prepare for missionary work. It supports ten evangelists, conducts religious training camps in Indiana, Georgia, and New York, and owns radio stations in Tocoa, Georgia, and Portsmouth, New Hampshire. Last year it spent $200,000 on Gospel tracts alone, distributing 35 million copies in English, Spanish, Portuguese, and Russian.

During the past year LeTourneau has spoken 500 times in churches, over the radio and at public gatherings. He has three airplanes, and even in wartime, shuttles back and forth all over the country to keep his appointments, usually flying 20,000 miles a month. His pilot will land Mr. LeTourneau in the municipal airport, Toledo, at 6 o'clock Saturday afternoon, and Waldo Yeager, president of the Cortland Produce Co. in Toledo will bring Mr. LeTourneau and his party to the Gideon Banquet at Adrian. Following the meeting in Tecumseh Saturday night, Mr. LeTourneau will be driven to Toledo, and will take off in his plane for another week of 16 hour working days. He has kept up that schedule for years.

PEACE IN HANDS OF AMERICA

With the end of the war in sight, people are beginning to think of the day when readjustment to peace can be made. Part of that readjustment must include a new conception of the United States in relation to the rest of the world. Hereafter, the problems of the world are our problems. If there is another war, we will be in it.

It is our responsibility to help lay the foundation of enduring peace by seeking to re-establish equal trading opportunity and free markets. Admittedly, this may take time, but failure means another world depression and another world war, in the opinion of J. B. Condliffe, Professor of Economics in the University of California, who declares that: "The whole case for expanding international trade is that there is gain, not loss, to the national economies participating in such trade. In the circumstances of the immediate postwar period it does not require much reflection to realize that not loss but disaster, is threatened if the channels of trade cannot be reopened promptly. There is little chance of a relatively smooth conversion from war to peace economy unless this conversion can be carried out in an expanding system of international collaboration.

"In the successive emergencies of recent years so much stress has necessarily been laid upon the regulation of all sorts of prices—that the more important necessity of maintaining active and healthy markets has come to be forgotten. The foundation of prosperity is abundant production and free interchange, not nicely regulated equity.

"It is as unrealistic to consider national economic activity apart from its international repercussions as it is to draw a distinction today between the home front and the battle lines. The connection between domestic and international economic policy is so intimate that for many practical purposes they constitue a single enitity."

The future is in the hands of the American people. If they will but inform themselves and act wisely upon the strength of their information, lasting peace is within reach. No other people have ever been blessed with such an opportunity—or obligation.

A Checking Account Protects Your Funds

* * *

When you open a checking account in this bank you are doing three things:

1. You are protecting your funds by making it unnecessary to carry cash in your pockets.

2. You are enabling yourself to operate on a budget system. Your check stubs tell you where every dollar was spent.

3. Your cancelled checks are a receipt—whether you paid the bill by mail or in person.

If you do not now enjoy these conveniences, we invite you to open an account this week.

and the COAL you'll burn is RATIONED!

Are you ready for snow, ice and WINTER in another 45 days? Do you realize that zero weather is just around the corner, that it's only a few nights away when doors and windows will be closed and a light fire will be in order?

Perhaps you've considered the nearness of winter, but—have you taken into consideration the fact that THIS YEAR the coal you burn WILL BE RATIONED. Th government says that your dealer can deliver ONLY 90 PER CENT OF THE COAL TO A CUSTOMER BURNED LAST YEAR!

Are you ready to assume such a reduction? If you're not, we suggest that you see us now about storm windows, storm doors, insulation. You can cut your fuel bill more than 10 per cent if you'll insulate your home.

Are the Children's School Clothes Ready?

* * *

Yes, in a little more than a week the school bells will ring again for the children in Tecumseh and its trading area.

Are the children's clothes ready for the opening day?

Why not check over their clothes today and determine whether anything needs cleaning and pressing. If it does, send it to us at once. There's still plenty of time—if you do it this week—and we'll return the garments clean and fresh and ready for the classroom.

KROGER REEMPLOYES VETS

CINCINNATI—Nearly 400 former employes, now veterans of World War II, are given reemployment in Kroger stores, warehouses and factories, C. M. Robertson, president of the Kroger Grocery & Baking Company reported today.

"More than 5900 Kroger men and women have joined the armed forces and they are now scattered through all theaters of war. The company's service flag has 28 gold stars," Mr. Robertson stated.

"While the Selective Service Act provided a veteran's job is to be held for him if he is still 'qualified to perform the duties,' we have tried to place every one of these Kroger men in a job where he is now best fitted. Sometimes the man comes back with a new training from his war experience. It is to our advantage wherever possible to place such men within the company in positions where their training can be utilized most effectively," he added.

Kroger men in service now represent about 35 percent of the number regularly employed. The company's stores and factories cover 19 midwest and southern states.

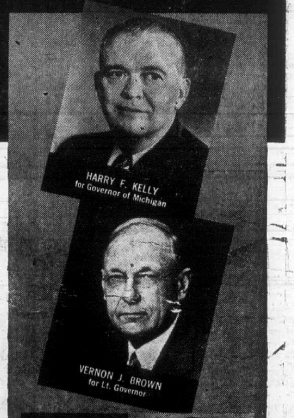
The Men Doing Our Fighting are Doing a Lot of Thinking



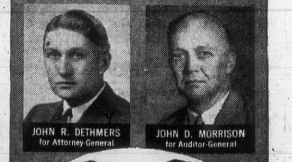
They are wondering what will happen when they return. Will there be jobs and opportunities to get ahead?

Michigan, under Republican leadership, already has the answer to that question.

The present Republican administration has created the office of Veterans' Affairs to help and advise veterans. Large appropriations have already been made to aid veterans in emergencies and for an adult education program. Michigan's rehabilitation arrangements are unequalled by any other state in the union.

At a recent state convention, the American Legion men who know what is being accomplished have gone on record as follows:

"Be it resolved that the American Legion in Convention assembled at Grand Rapids, Michigan, August 11, 1944, go on record as commending the Governor and members of the 1944 Michigan State Legislature for their sincere interest in the returning veterans and the comprehensive program presented which includes the creation of the Office of Veterans' Affairs to provide veterans with information, advice, direction and assistance through coordination of programs and services in the fields of education, health, vocational guidance and placement, together with mental care and economic security; to also establish community counseling centers for referral to all Service Agencies."



HELP YOUR SOLDIER TO VOTE

Michigan's Republican administration led the nation in legislation enabling servicemen to vote the regular state and national ballots. On request your Township, Village, City or County Clerk will furnish you an application for an absent voter's ballot. Send applications to relatives and friends in the Armed Service. Urge them to vote Republican.

We Specialize In Quality Merchandise

In the more than three quarters of a century that our store has been in business, we have learned that the average customer is far more interested in quality than quantity; that quality merchandise is the cheapest.

That is why we resolved, years ago, to handle only quality merchandise—foodstuff that we can guarantee, unconditionally.

If you are interested in quality foods we invite you to make our store your headquarters. We have everything in staple and fancy groceries that war-time markets permit.

We Salute the FARMERS!

They're Doing a War-Job, Too

We sometimes feel that our job—operating a food market—is a full-time war-time effort, but when we look around us we see another group of folk to whom we'd like to doff our hat—THE FARMERS!

We think the farmers in this trading area are doing a marvelous job producing for Victory. We know that they're working long hours, without complaint. We know that they're working under handicaps; that they're short of help, short of machinery.

But despite these handicaps, these Tecumseh area farmers long ago rolled up their sleeves for Uncle Sam. What have they done? They have and are producing bumper crops and what's more, they're harvesting them, regardless of the help and machine shortage. These crops are Crops for Victory—on the home front and on the battle front.

Isn't that sufficient reason why we should salute the farmers in this area. We believe that it is and, personally, we'd like to say, "Thank You."

If, at any time, our store can be of service to you, call on us. We'll be happy to put ourselves out for you, because we know you have problems, too.

Fight Poultry House Germs The New Way

MIX ONE OUNCE PER GALLON WATER.

Kill pullorum, typhoid, and other deadly germs that may be in your poultry house by using Chek-R-Fect, the new, popular, soap type disinfectant! First clean, scrape and scour the floors, walls, nests, and roosts. Then spray or paint with a solution made of 1 oz. Chek-R-Fect with 1 gal. water. Chek-R-Fect mixes quickly with water, stays in solution, covers evenly, and does a thorough job of disinfecting.

IS A POWERFUL GERM KILLER.

Chek-R-Fect is 7 1-2 times as powerful as carbolic acid, It packs a real germ-killing punch!

HAS A PLEASANT ODOR.

One whiff of Chek-R-Fect and you'll never want to use a "smelly" type disinfectant again! Chek-R-Fect has a clean—fresh—mild, soapy odor that helps keep down unpleasant poultry house smells. You'll like it.

IS NON-IRRITATING.

Chek-R-Fect is as gentle as it is powerful. It will not irritate normal skin. This means less danger from spray burns and blisters. Chek-R-Fect is harmless to birds, too, when used as directed.

WILL NOT STAIN.

Chek-R-Fect spray solution will not stain overalls, paint, or woodwork. It doesn't leave dark brown spots that are hard to wash out or wipe off. Chek-R-Fect itself forms a clear, bluish-green spray solution.

COSTS ONLY 2 1-8 CENTS TO MAKE ONE GALLON.

Ask us for full details as to this new disinfectant. We believe its use will make you money.

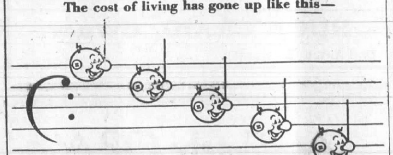
The cost of living has gone up like this—



BUT the price of electricity has come down like this!

Nobody needs to tell you that the cost of living has been soaring toward high C.

But maybe you do need a reminder that the cost of electricity has been sliding down in the bass.

If yours is an average household, you're getting about twice as much electricity for your money today as you did, say, back in 1927. That fact ought to be music to your ears!

Getting prices down and *keeping them down* is one of the electric industry's greatest achievements.

It took a lot of planning, initiative and practical business management by electric companies to do this job.

"Sure thing, Tim. Here's what I told him, Charlie. There's no such thing as votin' a nation, a state, a county, or even a community dry. We had proof enough of that during our 13 years of prohibition. What you really vote for is whether liquor is going to be sold *legally* or *illegally*...whether the community is going to get needed taxes for schools, hospitals, and the like, or whether this money is going to go to gangsters and bootleggers. THE TECUMSEH HERALD

NINETY-FOURTH YEAR—NUMBER FIFTY | TECUMSEH, MICHIGAN, THURSDAY, SEPTEMBER 14, 1944 | FIVE CENTS PER COPY

Will Issue 750 Gasbooks Here

ALL MOTORISTS MUST REGISTER, NOT LATER THAN TODAY, FOR RATIONS

The issuance of new "A" gasoline ration books began in Tecumseh and throughout Lenawee county yesterday and will continue locally until 9 p. m., tonight. The rationing office here is set up at the high school, under the direction of W. L. Berkhof, superintendent, and the staff of the local school is doing the work. Yesterday, it was said, more than 300 books were issued, and the office at the school will open this afternoon, at 1 o'clock, and remain open until 9 o'clock this evening. It is expected that 750 books will be issued in Tecumseh.

Persons who do not apply here for a new ration book must wait until a later date and make application at Adrian, where books will not be issued until September 25. Locally, books were being issued to residents of Tecumseh and those in school districts five and nine, fractional. Throughout the county, other schools were issuing rations to their residents.

Car owners must observe the following regulations in making application for the new gasoline ration book:

1. Applicants must present their present "A" ration books at the time of the application. If the books contain any stamps they will be returned to the applicant. If not, the covers will be retained by the registrar.

2. Applicants who do not have an "A" ration book must present their certificates of registration as a basis for claiming the right to make application for a new "A" ration book.

3. Applicants must present their tire inspection form to the registrar. These will be collected as they will no longer be used.

4. Applicants must fill in present speedometer reading on the application and also give the present vehicle license number.

5. Authorized agents may make application for the basic "A" mileage ration for registered owners.

6. No ration books will be issued to owners who have recently acquired cars and who do not, therefore, hold registration certificates in their own names.

7. No "D" books for motorcycles will be issued on the dates listed above. These will be issued on the 11th of November.

Presidential Citation Goes To Lieut. McClure

An Eighth AAF Fighter Station, England—First Lieutenant James E. McClure of Tecumseh, Michigan, is a fighter pilot of an Eighth Fighter Command P-47 Thunderbolt Group which has been awarded the Presidential Unit Citation for "exceptional aggressiveness, outstanding performance of duty and extraordinary heroism in action."

This was accomplished in "conflict necessitating hazardous journeys over water and enemy-occupied territory far beyond the normal range of fighter aircraft."

The Group is commanded by Col. Hubert Zemke of Missoula, Montana.

Official announcement of the award entitles all personnel to wear the Unit Citation ribbon of blue with a gold border over the right pocket.

Since beginning combat operations in April, 1943, this fighter group has destroyed approximately 560 German planes in the air, plus 50 more on the ground. It is the highest-scoring P-47 Thunderbolt Outfit in the European Theatre of Operations.

Paying tribute to members of his command, Col. Zemke said: "Our success in the air has been made possible by the men on the ground. Hours of hard work are behind every victory our pilots have scored over the Hun."

Lieutenant McClure, son of Clifford E. McClure, 411 E. Logan St., Tecumseh, Mich., is married to the former Faye A. Harper who, with their infant son, Wesley J., resides at Belmont, Michigan.

John Orr Is Honored By The Tecumseh O. E. S.

John J. Orr, 88, oldest and most faithful member of Tecumseh chapter, Order of the Eastern Star, was presented with a pin, at the "Member's Night" observance held Thursday evening, when regular meetings were resumed after the summer recess. Mrs. Edward Beal was in charge and those who had held office or had attended faithfully were given special honors.

A memorial service was held for the late Guy Pocklington, Mrs. Harry Abbott and G. Roscoe Swift, past grand patron. Mrs. Alice Hamilton and Mrs. Myrtle Taylor sung a duet.

In conclusion refreshments were served and featured a birthday cake in honor of Mrs. Beal, matron. Mrs. Harold Wilson was chairman of the refreshment committee.

Officers will be elected at the October meeting.

Ethel G. Pulver Dies In Hospital

FUNERAL SERVICES TO BE HELD THIS AFTERNOON FOR WELL-KNOWN LOCAL WOMAN

Mrs. Ethel G. Pulver, widow of the late B. J. Pulver, died Monday afternoon at Tecumseh Hospital, where she had been a patient since August 30. She had been ill only two weeks.

Mrs. Pulver who was 57 years of age, was formerly Ethel Grace Springer, daughter of Mr. and Mrs. A. N. Springer, and was born February 28, 1887, in Fenton, Michigan. The family later moved to Lansing and in 1909 she came to Tecumseh to teach in the local schools. She was married to Mr. Pulver in 1911 and had since made her home here. Her parents also came here from Lansing and remained with her until their death. Mrs. Pulver was a member of the Presbyterian church, the Ladies' Aid Society, the Guild and choir; Tecumseh chapter, Order of the Eastern Star; and Monday Club and the Hospital Auxiliary.

Her only survivors are two sisters-in-law, Mrs. Lulu K. Ruthruff and Miss Bess E. Pulver of Tecumseh, and two nieces, Miss Dorothy Ruthruff of Marshall and Mrs. Elizabeth Wilson of East Orange, N. J. Mr. Pulver's death occurred August 25, 1942.

Funeral services will be held at the Collins Funeral Home, this (Thursday) afternoon at 2:30. Rev. James Cameron Murdoch and Rev. B. O. Bashore will officiate and burial will be in Brookside cemetery.

Lenawee-Florida Club Holds 34th Reunion

The 34th annual reunion of the Lenawee-Florida Club was held in the Holloway Presbyterian church with 137 members attending. A chicken dinner was served at noon and was followed by the business session conducted by F. J. Blouch. David Gibson extended an invitation to meet in Deerfield in September 1945, which was accepted.

Officers elected were: Weldon Smith of Deerfield, president; David Gibson of Deerfield, vice-president; Mrs. Ed Rogers of Deerfield, secretary and treasurer; Mrs. A. T. Baldwin of Palmyra, program chairman.

Mrs. F. J. Blouch was in charge of the program which included community singing; invocation by Rev. Green of Raisin Ceter; welcome, J. L. Calhoun of Holloway; response, A. T. Baldwin of Palmyra; piano duet, Mrs. Calhoun and Mrs. Fairbanks of Holloway; reading, Mrs. Byron Covell of Britton; solo, Mrs. Walter German; readings by Elain Kleindist, Mrs. Reinehart and Mrs. Paul Kopke; benediction, Rev. Green.

Grange Favors Eastern Time

ALSO ADOPTS RESOLUTION OPPOSING US-223 CUT-OFF AROUND ADRIAN CITY

The Lenawee county grange, in convention in Adrian last week, adopted a resolution favoring the return of the state of Michigan to Eastern Standard Time. Several other resolutions were adopted, among them one that opposed the proposed US-223 cut-off around the city of Adrian. The grangers held that the 10-mile cut-off from the county infirmary south of the county seat city to a point west of Rome Center was too expensive to undertake, and that the money might better be spent on primary county roads.

Their argument is that it is unnecessary to build a road nearly parallel with one already built. A resolution was adopted saying that the Lenawee grange is "opposed to tearing out the heart of Lenawee county to build a road parallel to one already built." The resolution will be presented at the state grange convention in Lansing the last week of October. Copies of the resolution will also be sent to Rep. Earl C. Michener, the state highway department, and the Lenawee county road commission. In supporting the resolution, one grange member said that the cut-off would "destroy about 200 good farms and would result in about $100,000 damage."

Among other resolutions adopted was one asking the co-operation of the state and county governments in providing for the resurfacing of all primary roads in the county as soon as possible. The convention went on record as opposed to any change in the rural school system in the state, as opposed to any change in the state sales tax laws, and as opposed to home rule for Wayne county. A resolution asked that the state grange use its influence to pass legislation to control animal pests such as pheasants. The convention also went on record as being opposed to any change in the 15 mill tax amendment.

The convention elected eight representatives to the state convention. Tehy were Mr. and Mrs. P. G. Ash of Tecumseh to represent district one, Mr. and Mrs. Charles Russell of Fruit Ridge to represent district two, Mr. and Mrs. Luth Cook of Woodstock township to represent district three, and Mr. and Mrs. Richard Wright of Lime Creek grange to represent district four.

Major E. M. Williamson Tranferred To Florida

Miami Beach, Fla., Sept. 14.—Major Edwin M. Williamson, 33, of Detroit, Mich., has been transferred from the AAF Convalescent Hospital in St. Petersburg, Fla., to Miami Beach and assigned to duty with the permanent party personnel of Army Air Forces Redistribution Station No. 2 with the Surgeons Division at the Gulf Stream Hospital.

Major Williamson received his MD degree from the University of Michigan, Ann Arbor, Michigan, in 1937 and later became staff physician at the Toledo Hospital, Toledo, Ohio and the Kalamazoo State Hospital, Kalamazoo, Mich. Before entering the Army he had a fellowship in mental hygiene and child psychology at Harper Hospital, Detroit.

At Randolph Field, Texas, Major Williamson was director of the Department of Psychology from October 1941 to July 1944. Before being transferred to his present assignment at Miami Beach he was assistant ward officer at the AAF Convalecent Hospital, St. Petersburg, Fla.

Major Williamson is a member of the Wayne County Medical Society, the AMA, the Aero Medical Association and the American Psychiatric Association.

He is the son of Mrs. Charles H. Williamson, 402 Chicago Blvd., Tecumseh, Michigan.

In his present assignment at Army Air Forces Redistribution Station No. 2, Major Williamson will serve as specialist in psychiartry and psychology.

ENROLLED AT PURDUE

Archie Wyllys Porter, 18, 135 East Chicago Blvd., was enrolled recently in an intensive course at the Electrical Naval Training School located on the Purdue University campus, Lafayette, Indiana.

Successful completion of the course will see the Bluejacket graduate with the recognition as eligible to qualify for the petty officer rate of electrician's mate third class.

TO MEET TUESDAY

The Daughters of St. Peter will hold their opening meeting at the parish house of the Episcopal church, Tuesday evening, September 19.

Local Chapter, D. A. R. Holds Opening Meet

Thirty-seven members were present Friday evening for the opening meeting of Abi Evans chapter, D. A. R., held at the home of Mrs. Frank Turner. The assisting hostesses were Mrs. F. H. Terry, Mrs. Leon Rasacrans, Mrs. Donald McClure and Miss Irene Wisner.

Mrs. Arthur H. Brown, vice regent, presided and members answered to roll call with "the most interesting historic place I have ever seen." Mrs. C. R. Dustin was leader and presented the program which consisted of two vocal solos, Mexican music, "Ay, Ay, Ay," by Mrs. Robert H. Moore and "Estralita" by Mrs. Harley McConnell, both accompanied by Mrs. F. C. Dickinson. Mrs. Charles Williamson gave an interesting talk on her winter in Mexico. During the business session the chapter voted to send a Christmas box to a member of the armed forces. Mrs. Terry served coffee at a beautifully appointed table at the close of the program.

The next meeting will be a one o'clock luncheon October 13 at the home of Mrs. Brown, when the state regent, Miss Laura Clark Cook of Hillsdale will be the guest speaker.

Large Crowds At Mass Meets

R. G. LeTOURNEAU ADDRESSES FIVE AUDIENCES DURING LENAWEE VISIT

R. G. LeTourneau, earth-moving equipment manufacturer and oftimes referred to as God's businessman, visited Lenawee county over the weekend, speaking at five meetings. He was accompanied by O. K. Armstrong, a member of the Missouri state legislature, Waldo Yeager of Toledo, Dr. and Mrs. Harold Strathearn of New York City, and Mrs. LeTourneau.

In Adrian, Mr. Le Tourneau addressed a banquet of the Adrian Camp of Gideons at the Methodist church, Saturday evening. Some 225 were in attendance. The speaker emphasized the need for the church to measure up to its Christian responsibilities if the peace, following the war, is to be really won.

Sunday morning, Mr. Le Tourneau addressed a 10 o'clock service at the Tecumseh Friends church and at 11 o'clock he was the principal speaker at a union service, held at the Blissfield high school, at which Perry Hayden presided. Sunday afternoon, following luncheon with Dr. and Mrs. Samuel Harrison of Adrian College, Le Tourneau addressed a mass meeting at the Adrian Methodist church. Speaking of frictions in industry, LeTourneau, who employs 6,000 people, said, "I know what's going on today inside capital and labor. I'm not taking sides. They're both wrong." Referring to racial problems, he said, "the color situation between the north and south can burst into flames over night." Speaking on post-war employment he declared that "there never was and never will be overproduction. It's a case of underconsumption."

Le Tourneau's concluding service was held here on Sunday evening at the Presbyterian church. Dr. Norman Mac Naughton gave the invocation and Rev. Blair Bashore read the Scriptures. Mr. Hayden presided and introduced the speaker who used as his theme, "No man can serve two masters."

"We don't realize the shape that America is in tonight," he said. "There are 24 hours in a day, you need only 7 or 8 to sleep and eat. The rest of the time you can do something. Faith without work is dead. If your faith doesn't make you get up early in the morning to work for Jesus, there's something wrong."

The Rev. J. C. Murdoch pronounced the benediction. Offerings at all meetings were divided between the Gideons and the Christian Service Center, in which Le Tourneau is interested.

LADIES' AID TO MEET

The Presbyterian Ladies Aid Society will meet Wednesday, September 20, at the home of Mrs. John R. Thompson, with Mrs. Ned Baldwin, Mrs. Sam Sisson and Miss Minnie Russell the assistant hostesses. Mrs. Stanley Kruse will conduct devotions and Mrs. Edith C. Smith will have charge of the program on "School Days."

GLENN—HOLMES

Miss Frances Glenn, daughter of Mr. and Mrs. Charles Glenn of Britton ad Donald Holmes, son of Mr. and Mrs. Lamont Holmes of Tipton, were married September 2 at the Martha-Mary chapel in Macon by the Rev. W. E. Grove of Curtice, O. They will reside in Jackson.

Yankee Bomber Rotary Speaker

TELLS OF WAR OVER GERMANY REICH; MARINE SERGEANT ALSO TALKS

Members of the Tecumseh Rotary Club heard a first-hand story of the war in the Atlantic and Pacific, Tuesday evening, when an Army Air Corps officer and a Marine sergeant, home from the battle fronts, told of their experiences with the Germans and the Japs.

Lt. Robert Robinson, home from 38 bombing missions over Europe, a member of the Army Air Corps, declared that the Yank fliers "are on the beam" when it comes to dropping bombs on the Nazis. Lt. Robinson participated in several raids on Berlin and other important points inside the Reich. It's nice business, the officer said, flying at 25,000 feet over a Nazi target; nice until the flack starts flying, you see it explode a few feet from your plane and "then you sweat out those few seconds, wondering whether a piece of it bears your number." Berlin, Robinson believes, "must be a mess" because it really was bombed.

The Air Corps officer is the son of Mr. and Mrs. Sam Robinson of Clinton. He has been awarded the Purple Heart, the Distinguished Flying Cross, the Air Medal with Oak Leaf Clusters, and his group has been awarded the Presidential Citation.

The other speaker was Tech. Sgt. Duane Deming, a member of the American Marine Night Raiders in the Pacific theatre, and who wears two stars on his service ribbon for major engagements with the Japs.

Sgt. Deming is a radar operator and gunner, and on the missions against the enemy only three men make up the plane crew, he said. Flying is done "on the beam" in darkness. If your radio goes out "you are on your own."

Deming said that the natives in most of the islands of the Pacific are friendly to the Americans and that there is little reason to worry about the so-called Nip hunters. The Japs are good fliers, he said, but their planes are not comparable to ours.

Deming is the son of Ralph Deming who resides near Clinton. Both veterans will return to their units within a short time. They were the guests at Rotary of Vance Ogden.

A new member was received into Rotary Tuesday evening, Bruce Hoffman of the Meyers Aircraft Co.

Mrs. Jennie Morehouse Buried In Ridgeway

Mrs. Jennie L. Morehouse, aged 72 years, widow of the late George Morehouse, died Thursday afternoon at the home of her daughter and husband, Mr. and Mrs. Wayne Patton on South Maiden Lane, where she had been spending the past two months. Mrs. Morehouse had lived in Ridgeway since 1925 when she came to Michigan from California and later married Mr. Morehouse who died in January, 1944. She was a member of the Methodist church in Long Beach, California.

Survivors are two daughters, Mrs. Ellen Patton of Tecumseh and Mrs. Gladys Burchell of Hollywood, Calif., one son Glenn Pennington of Hollywood, three stepsons Brice Morehouse of Ridgeway, Morris Morehouse of Tecumseh and Dale Morehouse of Cleveland; three step-daughters Mrs. Nova Lloyd of Toledo, Mrs. Neva Campbell of Sylvania and Mrs. Elsie Walker of Detroit; also several grandchildren. Two daughters preceded her in death.

Funeral services were held Sunday afternoon at the Niblack Funeral Home in Britton. Rev. C. B. Gould officiated and burial was in Ridgeway cemetery.

To Speak at Fair

DR. B. R. LAKIN

Marking the 12th annual such ceremony, the Memorial Fair Service program will be conducted in front of the grand stand at the Lenawee county fairgrounds Sunday, September 17, starting at 2:30 p.m., sponsored by the Lenawee County Brotherhood, assisted by the American Legion and other patriotic organizations and churches of the county. The program opening will be preceded by a half hour concert by the Adrian city band.

A flag raising and singing of the National Anthem will open the program, Michigan State Troops will form a firing squad in a salute to the dead.

The memorial address will be given by District Commander Walter Kindschey and the memorial prayer will be given by Second District Chaplain Frank Kessler.

The principal address of the afternoon will be given by Dr. B. R. Lakin of the Cadle Tabernacle at Indianapolis, the largest tabernacle in the country. Mrs. E. Howard Cadle, wife of the founder of the tabernacle, will be soloist on the program. Dr. Lakin will also speak at a service at the Lenawee County Brotherhood Tabernacle at 7:45 o'clock that night.

LEAGUE TO OPEN

The opening meeting of the Presbyterian League will be held Tuesday evening, September 19, at the home of Mrs. Wilbur Boyce northeast of town. Potluck supper will be served at 6:30 and members are to bring sandwiches, table service and a dish to pass. The entertainment is in charge of the program committee. Those desiring transportation are to notify Mrs. Charles Sager or Mrs. Walter Pfaus.

WED 45 YEARS

Mr. and Mrs. Fred Aylesworth celebrated their 45th wedding anniversary September 6 and in their honor Mr. and Mrs. Raynor Aylesworth entertained at dinner Wednesday evening. Covers were laid for the honor guests, also Mr. and Mrs. Willis Smith and Mr. and Mrs. Earl Updyke. Evening callers were Mr. and Mrs. Wayland Kahle and Mrs. Lida Spaulding of Tipton. Mr. and Mrs. Aylesworth were presented with gifts.

GRADUATE NURSE

Miss Leola Boyce will graduate Thursday, September 21 from the Foote Memorial Hospital Training School for Nurses in Jackson. The graduation exercises will be held in St. Paul's Episcopal church. Miss Boyce will come home Friday for a visit with her mother, Mrs. Carl Glancy and family.

GRANGE TONIGHT

Tecumseh Grange will meet tonight, September 14. At the close of the meeting refreshments will be served and members are to bring sandwiches and either cake or doughnuts. The committee consists of Mr. and Mrs. Harry Craig, Mr. and Mrs. Floyd Barrett and Mr. and Mrs. Martin Keasel.

PRICE CORRECTION

In the A. & P. Tea Company's advertisement on page three of this issue, the price of Mackintosh apples should read four pounds, 33c, grade A eggs, 2 dozens, 59c, fresh peaches, pound, 10.

DEPENDABLE CLASS

The Temple Dependable Class of the Methodist church will meet Friday afternoon at 2:30 in the church parlors.

School To Open Here Monday

NO MORE DAGNER FROM POLIO, STATE HEALTH DEPARTMENT DECLARES

The Tecumseh public schools will open for the regular fall term on Monday, September 18, as has been previously announced, W. L. Berkhof, superintendent, said today. The State Department of Health has issued a bulletin to the effect that the danger from infantile paralysis has passed, and that schools throughout this area may start their classes next week. The original opening date for the schools in Tecumseh was September 6.

Discussing the opening today, Mr. Berkhof said that it was too early for accurate predictions, but he indicated that the enrollment locally might show a large increase. The local school buildings were crowded to capacity a year ago, but the superintendent said that the staggering of some classes might permit handling the overflow pupils.

"There is no change in the schedule that The Herald previously announced," Mr. Berkhof said. "School will call on Monday morning at 9 o'clock in all buildings. Monday will be organization day. Beginning Tuesday, school in the central building will call at 8:15 a. m., and in branch buildings at 8:45. Those will be the regular morning hours, thereafter."

School To Wait Public Demand

BOARD OF EDUCATION AWAITS CRYSTALIZATION OF PUBLIC SENTIMENT

The board of education, in regular meeting on Tuesday evening, by motion expressed its opinion that the re-submission of a proposal to establish a sinking fund in the district for the purpose of building a new school here after the war, should await further crystalization of public opinion on the issue. It had been previously urged that the issue be re-submitted at once that, in the event it carried, the proposed tax might be included in the winter roll.

The proposal to establish a $65,000 sinking fund in the district has been twice submitted to electors and on both occasions it was defeated by a slight margin, a two-thirds majority being necessary. It was the district's plan to establish the sinking fund of about $12,000 annually over a five-year period, and thus lighten the load on taxpayers when the actual need arrived for building a school.

With Tecumseh's post-war program now in the making and the need for a new school building imminent because of the expected rapid growth of the village, it is entirely likely that a petition may soon be in circulation asking the board to act yet this fall on the proposal, and to re-submit the issue to electors, possibly in October, and the tax may be added to the roll before November 1.

AT ST. PETER'S CHURCH

Miss Maxine Westphal, women's counsellor at the University of Michigan and until the war principal of St. Alban's, a settlement school for the Moro tribe in the Philippines, will speak to women at St. Peter's church on Tuesday at 8 p. m. She will bring with her an interesting exhibit of native costumes, weapons and utensils. All women are welcome.

HARMONY HOME MAKERS

Miss Edna Gamboe was hostess yesterday to the Harmony Home Makers for their all-day meeting and potluck dinner. Mrs. Mary Cleveland, Mrs. Dena Wallace and Mrs. Helen Mix were the assistant hostesses and Mrs. M. G. Partridge was in charge of the program.

LUNCHEON POSTPONED

Because of the funeral of Mrs. B. J. Pulver, the luncheon of the Baptist Ladies' Union planned for today, has been changed to Friday afternoon at one o'clock at the church.

A LIEUTENANT

Harold J. Gorrell, formerly of Tecumseh, graduated Friday, September 8, from pilot school at the Army Air Field, Altus, Okla., and received his lieutenant's commission in the Air Corps.

GARDEN CLUB

Tecumseh Garden Club will meet Friday afternoon with Mrs. R. W. Herrick when Mrs. R. J. Scheidtner of Monroe will talk on "The Hawaiian Islands."

ALL IN SAME BOAT

How to avoid unemployment after the war is a grim question that is foremost in everyone's mind. But job-creating industry and its problems, which are determining factors in the lives of all of us, is not receiving the public consideration it deserves.

Too many people still look upon industry as an entity unto itself. They feel that tax and legislative measures affecting industry are things for the "big guys" to worry about. They don't realize that when a corporation gets slapped in the face with crippling legislation or taxation, eventually the effect is reflected in its capacity to produce, and the little guy as well as the big guy gets hit between the eyes by loss of employment, or restricted output.

For example, when you take an aspirin, you are using a derivative of coal. Thus, although you may live thousands of miles from the Virginia coal fields, you are dependent on the coal industry. In fact, the bathroom cabinet would be swept nearly bare if the coal industry should fold up and quit. In addition to aspirin, bituminous coal derivatives are used in making laxatives, rubber goods, and perfumes, to say nothing of the life-saving sulfa drugs. These things are incidental to the more primary uses of coal which maintain the war effort, heat and light our homes and drive our trains and make steel.

Coal is typical of many industries employing millions of American workmen. In common with other industries, it is meeting its problems aggressively and resourcefully, with two objectives in view—more production and more jobs.

OBITUARY

Horace Christopher Dibble, son of Charles and Josephine Dibble, was born in Ridgeway, October 20, 1876 and departed this life September 6, 1944 while on a business trip in the city of Adrian.

He was united in marriage to Ella M. Boyd, December 8, 1897, and they began housekeeping on a little farm south of Ridgeway. To this union was born an only daughter, Lillian Gertrude.

Mr. Dibble continued to live on the farm until the death of his mother, April 11, 1919. The family then moved to the village of Ridgeway to help in making a comfortable home for his father, who passed away December 12, 1929. During this time he became a dealer in coal, fertilizer and feeds, which he faithfully continued as long as his health permitted.

His loving wife Ella passed away very suddenly, Armistice Night 1935 after only a few days illness. The sudden shock and grief of her passing seemed more than he could bear and his physical condition began to fail. Lillian, then a teacher in the schools at St. Clair Shores, came to assist in the home and has been his constant companion until the time of his passing.

Horace C. Dibble was a devoted member and liberal supporter of the Ridgeway Methodist church. He enjoyed attending the services as long as his health would permit.

He will long be remembered as a kind and loving father, an obliging neighbor and a more than generous dealer with his customers.

The deceased will be greatly missed by his daughter, Lillian; an aunt, Mrs. Edith Harrison; many relatives and a host of friends.

Loving and tenderly we laid him
away to rest,
Away from earth's sorrow and
care,
He will be waiting to welcome
us home,
With the blessings of heaven to
share.

Card of Thanks

I wish to thank my many relatives, neighbors and friends for the many kind deeds rendered during the sudden passing of my father. For the comforting words of Rev. A. B. Johns and Rev. C. S. Risley; for the beautiful hymns sung by Mrs. Marian Stone; and the kind and thoughtful assistance of Mr. and Mrs. Niblack. The many gorgeous floral pieces were greatly appreciated and showed a kind expression of deep sympathy.

Lillian G. Dibble.

A Savings Account Has Built Many Homes

* * *

Yes, you'd be surprised how many homes, right here in Tecumseh, have been built from savings accounts; accounts started with a small amount of money.

Why don't you open an account this week or next payday, and then add to it regularly; save all that you possibly can save?

You'll be surprised how quickly the account will grow, and the satisfaction that you get in watching it grow. You'll soon have sufficient money to make possible the building, in post-war, of that home of your dreams.

WILL YOUR HOME BE WARM?

You'll want a toasty warm house to thaw out in when you get through with your snow shoveling job, next winter. And remember, 60 more days and you may be shoveling snow.

What are you doing about heat conservation? Do you realize that coal is rationed? That we can deliver only 90 per cent. of the coal you burned last year?

The one way to protect your home against cold next winter is to insulate NOW AND INSTALL STORM SASH AND STORM DOORS. We can furnish you with these heat-savers, but you must act QUICKLY.

Also, why not install sidewall shingles? The work can be done yet this fall and you'll be surprised how much heat they save. Careful planning can cut your fuel bill many dollars.

Mom and Pop and the Car...

"The word 'charge' always affects your father that way—I just said we'd have the Standard Oil Man charge the car battery!"

Mom's right! Batteries, under light summer loads, can appear to be strong but really be weak. It's wise right now to see that the battery has—and can hold—the proper charge for the heavier loads soon coming up.

In the car care matter, Mom exhibits real "know-how," these days. And why not? *Any* motorist—man or woman—can keep a car running right, running longer, and running farther on every gallon of gasoline.

Just take it to a Standard Oil Dealer. He's trained in wartime car-saving service.

Remember, it's going to be a long time before you can replace your car. Don't neglect it.

Follow your Standard Oil Dealer's 3rd-War-Year Service Guide and keep your car at its best always.

Here's Some Points On How To Prepare Your Pullets For Profitable Production

Worm The Pullets Before Moving To House
Early hatched pullets should soon be ready for the laying house. Before you move the pullets from the range to the house, be sure to worm them with Chek-R-Ton.

Get Rid of Roundworms Easily In One Week.
Mix 6 pounds of Chek-R-Ton to each 100 lbs. of mash, and feed for one week. This will rid your pullets of large roundworms, and put them in better condition to produce.

Clean and Disinfect The Laying House.
Also provide plenty of feeder and water space. Also have plenty of roosting space. Don't crowd.

Allow 4 Square Feet Space Per Bird.
A common error among poultry raisers is to overcrowd. This really is poor management. Allow at least 4 square feet of space per bird. We might add that if there is an intention to cull regularly, a few more birds might be included. But don't fail to cull regularly.

Labor Dispute Closes Plant

Whitehouse, O., Sept. 14—Workmen think it's a bluff. Factory owners claim it's a showdown with the WLB.

Regardless of who is bluffing whom, to townspeople of Whitehouse, O., the closing of the Motor Iron Parts Co., four weeks ago is a "catastrophe."

Eighty-four workmen, many of them over 60 years old, were thrown out of work over night. In a village with a population of only 650, 84 men represent the wage-earners of a majority of the families.

When machinery in the factory was stilled, so was the device that annually typed out pay checks amounting to more than $250,000.

Although many of the former employes of the small machine products plant have found work in Toledo and nearby towns, businessmen figure money will follow the men. They're afraid the $250,000 that formerly found its first turnover in stores along Whitehouse's main street now will be spent outside the village limits.

Started 10 years ago, the Motor Iron Parts Co. was the industrial baby of I. W. Sprink, former plant manager of the Logan Gear Co., Perrysburg.

He started his firm in the depression years, and hired his first employes from the town's relief rolls. Many of his workmen, from nearby farms, never had seen the inside of a factory before.

Villagers had faith in the company. They subscribed $10,000 backing, and saw the village's first industrial venture grow in a cornfield at the edge of town.

The company's working force which previously had been 35 to 40 men, was expanded to 145 with the coming of the war.

Two years ago, Sprink workmen, who, in friendly fashion, call their boss "the old man" and admit labor relations always had been amicable, organized themselves into Local 427, UAW-CIO.

They negotiated a contract, most of which was accepted by company officials. Disputed clauses went to the War Labor Board.

A WLB ruling of several months ago carried the germ that was to mean eventual death for the small-town factory.

Regional WLB members in Cleveland ruled an increase in wages for Motor Iron employes, and a retroactive wage order approximating $24,000 for a period of seven months.

Mr. Sprink appealed the case. He argued the company's capitalization was only $25,000; its reserves practically nil because of the excess profits tax, and that the ruling had been made without consideration of the firm's ability to meet the added obligation.

When his appeal was denied, Mr. Sprink and his board of directors decided to call it quits. They discharged all workmen, prepared books for liquidation, and now are awaiting bankruptcy action.

Mr. Sprink, admitting his decision means throwing away 10 years of hard work, declared he cannot and will not pay the retroactive wages. "I don't intend to obligate future business for a dead horse," he said.

James Smith, president of the union, has a different idea. Union members, he said, offered to accept the retroactive pay in weekly monthly or even yearly payments. They stand to suffer if the factory remains closed, but they will abide by the WLB ruling and their international union practice.

Until three weeks ago, Mr. Smith operated a turret lathe in Sprink's factory. He is now picking corn at a Whitehouse farm, hoping he'll get back his job as well as the more than $200 in retroactive wages he has coming.

Save Fuel... Keep Warm!

INSTALL Partemp Firestone HOME INSULATION

2.59 Per Roll 37½ Sq. Ft.

(Enough For an Average Size Unfloored Attic Costs as Little as $6.00)

Fuel Savings Up to 30%

Partemp is the marvelous new fire-resistant cotton insulation that covers your home with a blanket of luxurious warmth in winter . . . and in summer keeps your rooms pleasantly, healthfully cool. Partemp is an inexpensive investment, yielding a lifetime of comfort. Another Firestone contribution to a better way of life!

Six Reasons Why Smart Home-Owners Choose Partemp

1. ECONOMICAL
Under the FHA financing plan, you have three years to pay. Since it saves you up to 30% in fuel costs, Partemp pays for itself!

2. LIGHTWEIGHT
Partemp is as safe to handle as a powder puff and very nearly as light! Does not settle but actually fluffs up under vibration!

3. WATER-REPELLENT
All the natural oils and waxes are left in Partemp, thus making it highly resistant to moisture absorption.

4. FIRE-RESISTANT
Partemp is subjected to a special treatment so that even a blow torch will not ignite it. It will char under intense heat but will not carry fire.

5. INSTALL IT YOURSELF
Partemp unrolls like a blanket. So easy to install, you can do the job yourself if you wish.

6. GOVERNMENT APPROVED
There is a U. S. Government inspector in every Partemp plant. Every carton must bear his official stamp of approval.

COLD MONTHS AHEAD!

Is Your FURNACE Ready To Do an ECONOMICAL Job

Is your furnace ready to do a bang-up job this winter? Is it economical, ready to help you save as much as 10 per cent. on your fuel consumption?

That's exactly what must happen this coming winter, because, you know, Uncle Sam has informed coal dealers that they can deliver only 90 per cent. of the coal to their customers that they did a year ago.

Why not let us check your furnace and see if it is in condition to serve you during the cold months? That's the best way that we know to help you conserve fuel, because dirty, leaky, inefficient furnaces eat up fuel unnecessarily.

If your furnace needs repair, we'll get the parts. It's not too late —if you act at once.

Back to Elm Street, U.S.A.

Back from the business of killing — to the business of living!

Back from scenes of hatred, despair and destruction to a homeland of peace, hope and opportunity!

Millions of young Americans are coming back to thousands of farms — to thousands of peaceful Elm Streets in every city, town and village of America!

They've made up their minds to a lot of things while they've been away.

They've seen the suffering of homeless terrorized families — people who have lost their self-respect, their hope, their health — *everything*.

They've seen a large part of the world in ruins, because a few fanatical men sold "gold bricks" to millions of people who traded in their freedom for promises of security — for brightly painted pictures of a "planned economy" under an all-wise, all-powerful government.

And they want no part of that sort of thing here in America.

They want jobs. They want to plan their own lives. Make their own futures. Go places under their own power.

And we must give them that opportunity.

But to do it, wartime restrictions and controls must be removed from agriculture, business — *and the individual citizen* — as quickly as possible.

Farmers must be free to plant what they want, and as much as they want — without needless bureaucratic supervision.

Taxes must be adjusted so that money will be available to finance the change-over to peacetime production.

Greater incentives must be provided, so that workers can make *more* money, by making *more* goods for *more* people.

Mr. Private Citizen must be allowed to make money — and be free to invest it in business ventures of his own — or of others.

Prosperity has always come to America through the *growth* of production — not its restriction — on farms and in factories.

Profitable production *will make jobs* for the boys who are coming back. But business, labor, agriculture and an *understanding* government must *work together* to create it — hold it — and increase it.

The Army-Navy E flag waves over seven Republic plants and the Maritime M floats over the Cleveland District plant.

MISS JOYCE SALLOWS HONORED AT DINNER

Mrs. Perry Hayden and daughter, Mary Jane, entertained at a formal dinner Thursday evening as a farewell for Miss Joyce Sallows who left TTuesday to enter Cleveland Bible College. The guests were Miss Sallows, Miss Elizabeth Mary Escolme, Miss Ardis Drewyor, Mrs. Naomi Sallaws, Mrs. Herbert Murphy, Mrs. Ralph Comfort, Miss Mabel Lockwood, Miss Anna Dingwall, Mrs. Edward Escolme of Tecumseh and Miss Helen Steer of Damascus, Ohio.

The guests were welcomed by Mr. Hayden as Butler Smeads, who also served the dinner. Junior members of the group were presented with corsages by Mrs. Murphy.

During the evening scrap books were made depicting the life of Miss Sallows who was later presented with the books. Rev. Edward Escolme took motion pictures of the girls and Ralph Comfort showed movies of the Dynamic Kernels harvesting recently presented to Mr. Hayden by the Ford Motor Co., also a News Reel presented by Thos. McClure Mead of New York City, son of Mr. and Mrs. Richard Mead of Tecumseh, who is manager of the Universal News Reel of New York.

On Friday evening Miss Sallows was guest of honor at a weiner and steak roast held at Macon Park and earlier in the week the T.P. Bums entertained in her honor at a dinner and theatre party.

Members of the Oddfellows and Rebekahs and their families enjoyed a picnic Sunday at the home of Mr. and Mrs. Vern Cooper at Evans Lake.

CARD OF THANKS

We desire to thank our friends and relatives, and Tecumseh Products Co. workers for their many acts of kindness during our recent bereavement,

Leo M. Smith
and family.

Post War Study Announced Here

ROTARY CLUB PLANS SERIES OF PROGRAMS TO DETERMINE TECUMSEH'S NEEDS

A study of Tecumseh's post-war problems from the standpoint of industry, housing, government and business will be undertaken by the Tecumseh Rotary Club, beginning next week, it was announced at the regular meeting of the club, Tuesday evening at Brees House. The study will be in the form of a series of meetings, over a three-months period, at which time local business men and authorities from other parts of the state, will be the speakers.

The club's meeting of next Tuesday evening will be held at the high school at 6:15 p.m., and every business and professional man or woman in Tecumseh, not a member of Rotary, has been invited to attend, as guests of the club. Reservations for the dinner MUST be in the hands of Wade L. Jones, secretary, not later than Saturday. It is expected that 150 persons will attend.

An early canvass of Tecumseh's post-war program by members of Rotary indicates that this community will, of necessity, suffer severe "growing pains" if it is to keep pace with the proposed rapid expansion of local industry. It has been estimated that Tecumseh's population will more than double in from three to five years after the war, and that industry's payroll will do likewise. To keep pace with such rapid expansion, the village council is considering an improvements program that will run well over one million dollars. The board of education is considering a building program, which seems certain to become a necessity if 400 to 600 more children are to be educated in the local schools. Power and utility companies likewise are making their plans for increased demands and building and construction companies must bear a terrific load.

It also seems evident that Tecumseh's "main street" must bear an increased burden if the population is to double and has added millions of dollars to spend for food, clothing, household furnishings and repairs.

It is to give the business men and women of Tecumseh an "over-all picture" of this community's post-war future that the Rotary club has planned the study meetings. It is believed that everyone will have a better insight into the problems that face Tecumseh if such a study is made.

Ray W. Herrick, president of the Tecumseh Products Company, will be the speaker at the opening meeting, next Tuesday evening. Mr. Herrick's company, the largest independent manufacturers of electrical refrigeration in the world, now has approximately $35,000,000 worth of post-war orders on its books. It also has a building program, already started, that will total nearly $700,000, and it has been estimated that this company will need, within two years after the end of the war, approximately 2,000 to 2,500 employees. Such a demand from that industry alone, to say nothing of demands that will be made by other local plants, will send Tecumseh's needs for housing and all types of consumer goods skyrocketing.

It was announced at the club Tuesday that a complete series of post-war programs has been scheduled and would be announced at next week's meeting. All of the programs will deal entirely with Tecumseh's post-war needs.

Non-Rotarians invited to Tuesday's meeting will be guests of the club, and the dinner will, therefore, be free to them. It was pointed out, however, that due to rationing, reservations MUST be made in advance.

SERVICE CENTER TO BE OPENED IN ADRIAN

A Service Men's and Women's Center, later to become a Veterans' Center, will be opened soon in Adrian by the Exchange Club of that city, Harry Moran, president, said today. The club has purchased the cottage and it will be moved to a site on the postoffice grounds. It will have a full-time attendant.

Mr. Moran said that the Center is a county-wide institution, and has the endorsement of all existing service men's organizations. It is expected that it will prove popular for service men and women, at home on leave, and later will be a busy spot as veterans return from service and seek post-war jobs.

A portion of the cost of operation, it was said, will come from funds from the Patriotic League.

WIT AND WISDOM CLUB

The first meeting of the Wit and Wisdom Club will be held Monday evening, September 25, at 8 o'clock at the home of Mr. and Mrs. Fred Sheldon.

764 Gasoline Books Issued In Tecumseh

Seven hundred and sixty four "A" gasoline ration books were issued at the high school here, last week Wednesday and Thursday, and the local board received 132 applications for which it was unable to issue books, because of a lack of material. These applications were sent to Adrian where the Lenawee Ration Board processed the books and put them in the mail yesterday and today. It had been expected that only 750 books would be issued locally. Residents of school districts No. 5 and 9, fractional, received their books here, as well as residents of Tecumseh.

W. L. Berkhof, superintendent of schools, said that all of the work was done by members of the school's staff and that at no time was there serious congesiton. Persons who did not apply for "A" books last week must wait until September 25 and make application directly to the Ration Board at Adrian.

League-Chest Drive Oct. 15

TECUMSEH'S SHARE, INCLUDING LOCAL COMMUNITY CHEST, TO BE $5,300

The Lenawee County Patriotic League's drive, and the drive for funds for the Tecumseh Community Chest, will be launched here and throughout the county on Sunday, October 15, it was announced today by Lester Rogers, local chairman, who succeeds Wade L. Jones, resigned. Tecumseh's share of the county total, including $2,000 for the local chest, will be $5,300. A year ago, the amount was $8,000.

County-wide, including totals for community chests in Adrian, Tecumseh, Blissfield, Morenci and Hudson, the campaign will be for $89,777.33. Approximately one-half of this amount will be raised in Adrian.

Last year, Tecumseh's quota, including $4,000 for the local chest, was $8,000.

The board of directors of the Chest here met last week and made its plans for the drive. It was said that about $2,000 now remains in the treasury of the organization, and that the $2,000 sought this year will replentish the fund to a normal point. The directors are Rev. Edward Escolme, John Thompson, R. H. Moore, Geo. Adamson, Perry Satterthwaite, Frank Fairbanks and Carl Fosbender.

NAMES ARE NEEDED FOR NEW HONOR ROLL

The American Legion and Auxiliary have announced plans for the building of a new honor roll, to be loacted in Adams Park. For that reason, relatives of local men and women who are in service, are asked to bring or send in correct names, at once, to Mrs. Charles Howe or Mrs. Gertrude Schneider.

SECOND LIEUTENANT

SEYMOUR, IND.—John A. Gooding of Tecumseh was commissioned a second lieutenant and received his silver pilot wings at graduatioin ceremonies held Friday, Sept. 8, at Freeman Army Air Field, Seymour. Freeman, an advanced two-engine school, is one of the training centers in the vast Army Air Forces Flying Training Command. Lt. Gooding is the son of Mrs. Hal B. Lewis, 44 Mill street. He left Sunday for Laredo, Texas, after spending several days at his home here.

COUNCIL MEETS

The regular meeting of the village council was held on Monday evening with all members present. The resignation of Wade Jones as a member of the Lenawee County Patriotic League Board was accepted and Lester Rogers was named as his successor. Current bills were audited and ordered paid and reports of department and committee heads were read and placed on file.

WOUNDED IN ACTION

St. Sgt. Franklin E. Shea was wounded in action in France early in September and is in a base hospital in Italy with an injured right arm and back. He writes his parents Mr. and Mrs. Harry Shea that he was on his way to the hospital within three hours after being wounded.

NOW A SERGEANT

Mr. and Mrs. William Spreeman have received word that their nephew Richard Spreeman, flight engineer and tail gunner on a B-17 with the 15th Air Force in Italy, has been promoted to technical sergeant. He had completed half his missions and was to go to a rest camp for a week.

W. W. Whiting is Buried Here

WAS LIFE-LONG RESIDENT OF THIS COMMUNITY; RETIRED FROM CIGAR BUSINESS

W. W. Whiting, aged 79 years, well known retired cigar manufacturer, died Sunday morning at Tecumseh hospital where he had been a patient for nine months, following seven years of failing health.

Mr. Whiting was born October 9, 1864 in Macon township and had spent his entire life in this community. He owned and operated the "Chic" cigar factory here for over 40 years, retiring from active business 15 years ago. In recent years he and Mrs. Whiting had spent much of their time in Florida and at Wamplers Lake until their health failed. Mrs. Whiting's death occurred in April, 1943, and a brother Roy J. Whiting died in March, 1944. His sister Mrs. Ella Booth, died 19 years ago.

Survivors are a sister-in-law Mrs. Mabel Whiting of Tecumseh, two aunts Mrs. Ina Horton of St. Johns, and Mrs. Melissa Burnham of Milan; several nieces and nephews including Wallace Whiting, Mrs. Gertrude Heath and Mrs. Marjorie Taylor from this community.

Funeral services were held Wednesday afternoon at the Collins Funeral Home. Bearers were Richard Mead, Dr. A. H. Brown, F. S. Anderson, Bert Lawrence, H. H. Hanna and Lavern Austin. The Rev. James C. Murdoch officiated and burial was in Brookside cemetery.

Michener To Speak To County Club Women

The 20th anniversary of the Woman's Congress building in Adrian is being observed this week by the Lenawee County Federation of Women's Clubs during the county fair with appropriate programs Wednesday, Thursday and Friday.

Yesterday a history of Memorial Hall was presented by the Past Presidents' Club of the federation. A patriotic exhibit was held also and a program of musical numbers, dances and a play were given.

Rep. Earl C. Michener will be the speaker this (Thursday) afternoon and the program will include a dramatization of "Old Glory," piano solos by Lynn Riley and music by the Adrian high school band.

The Friday program will be in charge of the W. C. T. U.

PACK XMAS BOXES

The Altar Society of St. Elizabeth's church met last Wednesday evening at the home of Mrs. Raymond Pask for regular business meeting and social hour. Christmas boxes for service men overseas were packed and lunch was served by the hostess. Rev. Fr. Herbert Weier and Mrs. Robert Young were guests.

Mrs. Thos. McCann will entertain the Society for the next meeting on October 11.

CULBERTSON P.T.A.

The September meeting of the Culbertson P.T.A. has been cancelled because of the county fair. The next meeting will be held October 6 at the home of Mr. and Mrs. Elmer House. The Culbertson school opened Monday with 21 pupils and with Mrs. Raymond Puffer as teacher.

Mrs. Marvin Watkins Heads Legion Auxiliary

Mrs. Marvin Watkins was elected president of the American Legion Auxiliary at the recent annual meeting held in the home of Mrs. Jack Smith. Other officers elected were: Mrs. L. R. Mix, vice-president; Mrs. Ray Sluyter, secretary; Mrs. M. W. Wilson, treasurer; Mrs. Louis Schneider, historian; Mrs. George Church, chaplain; Mrs. Otto Basske, sergeant-at-arms; Mrs. Ned Baldwin, Mrs. L. E. Brown and Mrs. Al Bagshaw, executive board.

Reports of the Girls State in Ann Arbor and of the state convention in Grand Rapids were given and plans were made to remember the member's sons and daughters in service at Christmas time. It was planned to erect an honor roll with the names of all service men and women, to be placed in Adams park and it was also voted to continue sending the Tecumseh Herald to local men and women in service.

Farm Bureau Chooses Hunt

TIPTON MAN NAMED CHAIRMAN OF TIPTON - ADRIAN FARM BUREAU

Ivan Hunt of Tipton was elected chairman of the Adrian-Tipton Farm Bureau group at the meeting held in the home of Mr. and Mrs. Lloyd Rueshnik. Other officers are Ashland Hunt, vice-chairman; Harry Martolock, secretary; Mrs. Rueslnik, discussion leader; Mrs. Roy Van Doren, recreation chairman; Charles Wald, publicity.

The group went on record as opposing the removal of the 10c per lb. tax on colored oleo; as favoring the improvement of primary roads before the super-highway project is begun, and opposing any change in either the 15 mill tax limitation law or the state sales tax law.

Tecumseh Represented At State 4-H Show

This community was well represented among the 55 Lenawee county 4-H clubs who exhibited animals at the state 4-H show in Lansing last week. The county record was 18 first place individual animals and six herds winning first place.

Among the winning exhibitors from this vicinity were William Brown, Robert Marsh, Jerseys; Elwyn Bush, Red Polled heifer; Richard and Eleanor Cadmus, shorthorn beef; Jerry Eaton, ewes; Russell Pilbeam, Jr., ewes and lambs; and Charles Every, sheep all of Tecumseh; Harley Kimmerer, Guernsey; Jack Barrett, Holstein; Donald Murphy, lambs, and Duroc swine; and Raymond Easton, Duroc gilt, all of Britton; and Milo Bishop of Tipton, Jersey.

GARDEN CLUB MEETS

Tecumseh Garden Club met Friday afternoon at the home of Mrs. R. W. Herrick when Mrs. Irene Kendrick of Blissfield, writer of the column "Now and Then in Lenawee," gave an interesting talk on "Gardens of Earlier Years." Mrs. Kendick substituted for Mrs. R. J. Scheidinger of Monroe who was unable to be present because of illness in the family.

Mrs. George Parsons told of the work of the home service department of the Red Cross and in conclusion tea was served by Mrs. C. C. Ruppel and Mrs. Lewis Lent.

The club will hold no fall flower show this year.

WED IN WYOMING

Announcement is being made of the marriage of Miss Corleone Hunt, daughter of Mr. and Mrs. Don J. Hunt of Tecumseh and Lt. William T. Walters of Chicago, Ill., which took place September 8 at the Army Air Base in Casper, Wyoming, the army chaplain performing the ceremony.

The bride is a graduate of Tecumseh high school and has been spending the summer with her sister Mrs. Stanley Miller and family in Wyoming.

Ford Participates in Planting of the Crop of Dynamic Kernels

YIELD FROM CUBIC INCH OF WHEAT IN FIVE YEARS EXPECTED TO BE 8,000 BUSHELS

"I haven't used one of these things for fifty years," said Henry Ford with a chuckle as Mrs. C. D. Finkbeiner of Saline, fastened a grain bag around his neck, and Perry Hayden poured seed into the bag for the fifth planting of Dynamic Kernels. But just to prove that he did know how to "broadcast" wheat by the old hand method, Mr. Ford, to the keen delight of possibly a hundred guests demonstrated how they "used to do it," and officially started the planting of the 321 acres, needed for Mr. Hayden's fifth crop of Dynamic Kernels tithing wheat. As an indication of the good spirits in which everyone found Mr. Ford, he proceeded on to toss a few handful of grain into the faces of the dozen or so photographers who had followed his every move at the planting, which took place Tuesday on Ford farms near Macon.

A dedication service was held in Martha-Mary Chapel at Macon. Macon was settled by Quaker John Pennington, in 1829. Nearly 200 children of the Edison Institute schools participated in the chapel exercises, as did Mr. Ford and his guests, including many ministers from the surrounding countryside. Edward Pauline of Elyria, Ohio, author of the much discussed book "Plowman's Folly," spoke briefly and and prophecied that the yield for the fifth crop under the discing method applied in preparing the seed bed would be better than had the ground been plowed as in former years.

Rev. Edward Escolme, pastor of Tecumseh Friends church, spoke to the children, and emphasized that in four years each cubic inch of wheat originally planted now amounted to a bushel of wheat.

Mr. Ford, Mr. Hayden, C. D. Finkbeiner, and Charles Fley, together with eight students of the Edison Institute Schools assisted L. C. House in the planting of another cubic inch of 36 kernels, in commemoration of the original planting four years ago. Each planted 36 kernels. Following this, and the "broadcasting" of the wheat by Mr. Ford, the wheat that he sowed was dragged by an old spike tooth harrow from the Ford homestead in Dearborn.

Then a dozen 10-toot drills, drawn by Fordson tractors, and operated by Ford workers and volunteer workers from the Grange, and other interested farmers, started out in formation across the rolling hills to make more wheat history.

Among the guests present for the occasion were Jack Falkenberg, Prof. and Mrs. Staley, Mr. and Mrs. Harold Fox, Raymond Jeffreys, of Columbus, Ohio; Rev. and Mrs. D. S. Young, of Orrville, Ohio; Mr. and Mrs. Sam Rice, of Metamora, Ohio; Mr. and Mrs. Wm. Brooks, Stuart H. Perry, Mr. and Mrs. H. F. Bailey, Rev. and Mrs. Walter Bailey of Adrian; Rev. and Mrs. Harry Green of Raisin Center; Rev. and Mrs. Harley Bowerman of Raisin Valley; Rev. James Cameron Murdoch, Rev. John Scarlett, and Rev. Blair Bashore, of Tecumseh; Rev. and Mrs. Mrs. C. E. Foltz of Clinton; Rev. Clarence Gould of Britton; Rev. Father Weler of Clinton; Rev. and and Mrs. Henneberg of Saline; Ray Morton Hardy, of Dundee.

It is estimated that next year's crop may yield as high as 8,000 bushels. Land has been promised for the sixth and final crop by Mr. Ford.

TEACHERS CLUB ORGANIZES

The Tecumseh Teachers Club held an organizational meeting last week Friday and elected the following officers for the year: president, David Dick; vice-president, Miss Agnes Hansen; secretary-treasurer, Mrs. Hazel Dickinson; assistant secretary-treasurer, Aden Mead. The committee which has been planning a play program for the year by the club made up of Miss Bertha LaPointe, Mrs. Helen LaBounty, Mrs. Lois Service and Delmar Crisp.

The club held its first social meeting for the year at the Brazee residence at Iron Creek last night. Special guests at the meeting were Lieutenant Paul Johnson and family.

MEETINGS RESUMED

The Pythian Sisters resumed regular meetings last Wednesday after the summer recess. Potluck supper at 6:30 preceded the meeting. During the business meeting plans were discussed for the winter activities. A rummage sale will be held in the near future.

Funeral Services Held For Corp. Carl Vest

Military funeral services were held Tuesday at Everiss Funeral Home in Adrian for Corp. Carl W. Vest, 19 year old son of Mr. and Mrs. Walter C. Vest, formerly of Tecumseh, who was killed Thursday in a bomber crash near Colorado Springs, Colo. Rev. Paul Wenger officiated and members of the American Legion took part in the service. Burial was in Lenawee Hills Memorial Park.

Corp. Vest was one of a crew of nine who were killed in the crash of their Liberator bomber, which was on a routine training flight from Pueblo Army Air Field. Vest was a radio operator-mechanic.

He entered service in April, 1943 while still in high school and received his diploma in June of that year. He began training at Maxwell Field, Ala., was later transferred to Scott Field, Ill., for radio training, then to Yuma, Ariz., for gunner. He had been assigned to a plane crew; expected to go overseas soon and was to come home on furlough this week.

Besides his parents he leaves two sisters Ruth D. Vest, S 2/c, who is stationed at Stillwater, Okla., with the WAVES, and Lois Marie and a brother Roy, both at home. His sister Ruth arrived home Sunday and the body of Corp. Vest accompanied by an escort arrived in Adrian Tuesday.

EVANGELISTIC SERVICE

Beginning this evening and continuing until Sunday evening October 1, the Tecumseh Frieds church is holding a series of inspirational and evangelistic services conducted by Eva Clausen, evangelist, and Celests Richardson, pianist and soloist. These workers held a series of meetings in this church last May. The meetings will be held each evening at 7:45 excepting on the Saturday evenings when a street meeting will be held at 8 p. m., weather permitting. A meeting for young people will be held each day at 4:30 p. m. Sept. 25-30. Special services each Sunday morning at 10 a. m. preceding the Sunday school which is held at 11:15 a. m. The Sunday school rally day will be held on Sunday, October 1.

INFANT DIES

Carol Ann, infant daughter of Mr. and Mrs. Edmund Millyard of Britton, born Sunday morning at Tecumseh hospital, died early Monday.

The parents, two sisters and her grandparents Mr. and Mrs. Walter Zimmer of Mason and Mrs. Lillie Millyard Underwood of Britton survive.

Funeral services were held Tuesday afternoon with burial in Ridgeway cemetery.

TAKES OVER STATION

Leon Perrin has taken over the operation of the Texaco Station on North Evans Street, it was announced today. The new manager said that aside from carrying a complete line of Texaco products, the station would specialize in general repair work, brake and battery service, and tire repairing.

665 Enrolled in School Here

BUILDINGS ARE CROWDED TO CAPACITY; NO HOLIDAY TO BE GRANTED FOR FAIR

Approximately 665 pupils enrolled in the Tecumseh schools on Monday of this week to begin their work for the new school year. This initial enrollment figure, which is slightly higher than that of last year, is expected to rise somewhat during the course of the week as the result of tardy registrations, and it appears that teh local school facilities will again be crowded to capacity.

A particularly heavy enrollment in the early elementary grades has made necessary the oraganization of an additional class in the department. Under teh reorganization which has been effected the East branch will house a section of the first grade under the direction of Mrs. Iva Van Valkenburg and a combination second and third grade with Miss Margaret Roberts in charge. Mrs. Ina Baily has been assigned to the third grade class which meets in the Central building, and Mrs. Cora Praus, who has served on the Tecumseh staff for a number of years, will return to assume the fifth grade assignment. The housing of an additional grade in the central building has made necessary a shift in rooms for the vocal music department to the room which has been used for band and visual education purposes. This change complicates the problem of housing the band adequately and may also bring about a sharp curtailment of the visual education program.

A survey of the enrollment figures reveals that the total senior high school enrollment is approximately the same as that of last year. Registration figures for the upper four grades are: Ninth grade 95, 10th grade 69, 11th grade 47 and 12th grade 44. The twelfth grade is somewhat smaller than was anticipated, a fact which school authorities believe to be the result, largely, of war conditions.

All grades and junior and senior high school classes have been organized and are, with few exceptions, being conducted according to schedule. Senior high school counsellors plan to work closely with students during the first few weeks to give special guidance in matters of program selection and orientation with a view toward preventing unwise selection of subject matter by students and consequent possible failure. Scheduled parent-teacher conferences are also being planned for early in the year to foster a closer co-operation between the home and the school in the matter of maintaining scholastic standards.

The Tecumseh high school band held its first rehearsal for the year last week Friday and this has been followed by a full schedule of rehearsals by the band in preparation for tehir appearance at the Lenawee Fair this week Friday. Uniforms were issued to the band members on the Saturday evenings when a street meeting will be held at 8 p. m., weather permitting. A meeting for young people will be held each day at 4:30 p. m., Sept. 25-30. Special services each Sunday morning at 10 a. m. preceding the Sunday school which is held at 11:15 a. m. The Sunday school rally day will be held on Sunday, October 1.

A NEW INDUSTRY IS BORN

New industries are the inevitable aftermath of the tremendous human effort involved in modern war. After the last war it was the automobile. After this war, which has hinged on air power, it will be the airplane. The aviation industry, including commercial air transportation, has a future that literally staggers the imagination. The Administrator of Civil Aeronautics, Charles I. Stanton, predicts 300,000 civil aircraft three years after the war and 500,0000 by the end of the first postwar decade. He believes that there will be a need for double the existing 3,000 airports.

Even during the present war, the commercial air carriers have turned in a performance little short of miraculous. By nearly doubling the number of hours aloft for each aircraft, they were able with half the equipment to fly 15% more revenue passenger-miles in 1943 than in 1942, 31% more express pound-miles, and 70% more mail pound-miles. Yet stepped up service was not attained at the sacrifice of safety. Number of miles flown per fatal accident in domestic air carriers operations reached an all-time high of 46,560,835 in 1943, against 22,020,572 in 1942.

Coincident with the growth of the air carriers to the stature of a full fledged service industry, has risen the problem of regultion. As the close of war draws nearer and as further expansion of aviation impends, this problem becomes increasingly serious. There is danger that conflict between the states and Federal government will hamper efficient airline service. An example of such conflict threatens in Colorado, which has under consideration a set of airline regulations which, if put in force, would contradict and overlap existing Federal laws, making airline operation through Colorado virtually impossible.

Unquestionably, regulation of the airlines must be unified. How it is to be done is the immediate concern of Congress. The fate of a vast new industry hangs in the balance.

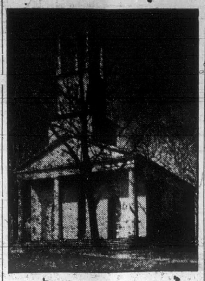
SPECTACULAR STAGE PRODUCTION—RAIN OR SHINE—CHANGE OF PROGRAM FRIDAY

MEET YOUR FRIENDS AT "THE MOST POPULAR FAIR ON EARTH"

BATTLE OF NEW BRITAIN ON SCREEN AT STRAND

What it takes—in blood and iron, in men, mind and morale—to move a task force in to the attack: that is the story told by U. S. Signal Corps cameras in "Attack!" (The Battle for New Britain) officially U. S. Army film, on the screen at the Strand Theatre in full feature length next Wednesday and Thursday.

"Attack!" is a story of valor and grim purpose, recounting the first all-American operation of magnitude in the Southwest Pacific: the landings on New Britain at Arawe and Cape Gloucester, which were effected for the shove-off for the Jap-held stronghold of Rabaul.



One vital step back to Bataan, one grim, victorious milestone on the road to Tokyo, is viewed from its tense beginning to its assured success. The men and machines gather, the mailed fist is poised, the blows are struck, the counter-blows are repelled. It is a vivid report of war in island jungles, of human fortitude and determination.

It's Our Job to Keep You Going!

Never, since the days of the Model T Ford, have automobiles meant more to their owners than today. Why? Because cars aren't made any more—the car you drive today must last not only for the duration of the war, it must last, perhaps, a year longer.

We do all kinds of repair work, including brakes, motor, battery and ignition. Our trained mechanics know how, they know it's their job to keep you rolling until Victory.

For gasoline, oil, tire repairing and general service, bring your car to our service regularly.

ATTENTION: Due to the tire shortage, we will PAY YOU CASH FOR USED TUBES IN ANY CONDITION.

Mehler—Papp

At a candlelight ceremony in Martha-Mary Chapel at Macon on Friday evening with the Rev. Carfon Foltz afficiating and with many relatives and friends present, Irene Barbara Papp spoke her marriage vows to Ralph Wesley Mehler. Miss Papp is the daughter of Mr. and Mrs. Michael Papp, Sr. and the parents of the bridegroom are Mr. and Mrs. Herman Mehler, all of Macon.

The bride, given in marriage by her brother, Michael, chose a gown of ivory satin. The sweetheart neckline was embroidered with seed pearls and the slim fitted sleeves tapered to points at the wrists. A full gathered skirt fell in soft folds and formed a train. She wore a finger-tip veil of tulle. On her arm she carried a spray of gardenias.

The bride's sister, Margaret, acting as maid of honor, wore a yellow gown of net over taffeta and carried a bouquet of bronze roses and yellow baby mums. The bridesmaids, Mrs. Michael Papp, Jr., Elizabeth Kovach and Berlia Kovach, sister-in-law and neices of the bride, wore identical gowns of aqua marquisette and carried yellow roses and white baby mums.

Immediately preceding the bride came the flower girl, little Margie Papp, dressed in yellow marquisette. She dropped petals from a small white basket filled with fall flowers.

Robert G. Lyon, of Ypsilanti, was the best man, and the ushers were William Hagans and Robert Osborne. Harry Smith, of Dundee, sang "O Promise Me" and "The Lord's Prayer" before the ceremony.

The mothers of both the bride and the groom wore black crepe dresses with corsages of red roses and white mums.

Immediately following the ceremony, reception was given at the home of Mr. and Mrs. Michael Papp, Jr.

Mrs. R. G. Kaiser of Detroit and son, Staff Sgt. Robert H. Kaiser were dinner guests on Sunday of Mr. and Mrs. R. A. Halladay. Sgt. Kaiser is on a 12-day furlough after completing two years of service in Africa and Italy as crew chief on a B-17 bomber.

An Egg is About 33% Protein Most Grains Are About 12%

There is an old saying that "You can't squeeze Blood out of a Turnip." This applies to squeezing eggs out of a bushel of corn.

An egg is about 31⅓% carbohydrates and fat, about 33% protein, and 34% minerals.

Your grain contains about 85½% carbohydrates, 12% protein, and 2½% minerals.

YOU CAN SEE AT A GLANCE

why grain alone cannot produce eggs profitably. But when you have your grain properly balanced with extra protein, minerals, vitamins, etc., which are incorporated in HAYDEN'S 32% POULTRY BALANCER, your grain becomes a properly balanced ration that will really help "biddy" to shell out the hen fruit.

EGGS ARE HIGH

and will probably be high this winter. So bring us your grain and mix it with HAYDEN'S 32% BALANCER, and start an egg laying contest in your hen house that will really line your pockets this winter.

HASTEN TO HAYDENS!

"For The Boys Overseas"

You can be sure there will be Christmas for your man overseas with our fighting forces this year, no matter where he may be—on the sun-baked islands of the Pacific, in icy Alaska, in the sandy waste of the near East or in the front line foxholes of France and Italy—if you do your part. Uncle Sam has made special arrangements to transport your gifts to your loved ones, no matter how far they may be from home, no matter in what corner of the world they are serving, for delivery into their hands no Christmas Day, if you will choose those gifts and dispatch.

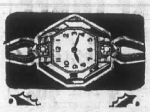
DIAMOND RINGS

There's not a soldier in the Army, a sailor in the Navy who'd not enjoy a Diamond Ring for Christmas. Think how he'd stick out his chest when he showed it to his buddies—a Diamond from the folk to whom he'd return after Victory. We have beautiful Diamonds, priced from $45.00 up.



The girl in the Nurses Corps or in any other branch of the service is certain to admire your gift if it is one of our beautiful watches, priced from $29.75.

MEN'S SET RINGS

If you think he'd prefer a set ring, perhaps his birthstone or a Cameo, we have those rings too, in beautiful masculine mountings, built for hard wear and service long, long after the battles are over. He'll really say "thank you" when he finds one of these rings in his gift box. Set rings are priced from $15.50 up.

Whether your gift be a diamond ring or a set ring it will make her extremely happy on Christmas. Why not come in and choose your gift ring now, while our stock is very complete.

SERVICE WATCHES

A split second is mighty important sometimes to the boy in the slit-trench or behind the Naval cannon. If he needs a watch, now is the time to make your selection. We have precision-built time pieces, made especially for the service man, priced from $49.50 up.

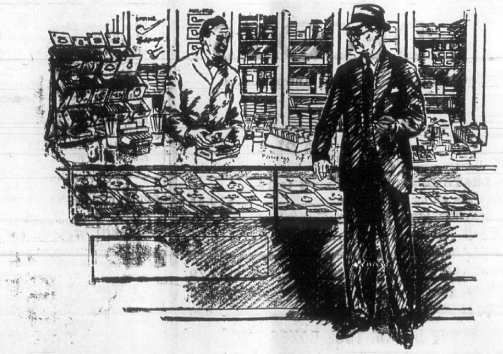
THE OLD JUDGE SAYS...



"The war sure has made a lot of changes in this old world of ours, hasn't it, Judge?"

"Plenty of them, John. One that few people realize is that the rubber producing center of the world is now right here in the United States.

"When the Japs conquered the big natural rubber producing centers of the world they thought they had us licked. But in two short years, thanks to American industry, we are now producing synthetic rubber enough to supply all our military and essential civilian needs.

"Our rubber experts knew how to make it but the problem was to get the huge amounts of industrial alcohol needed. Almost overnight the country's beverage distillers stopped making whiskey and converted 100% to the production of this vital ingredient. A high government official said recently this was '...an almost unparalleled example of the overnight conversion of an entire industry from peace to war.'"

"Come to think of it, Judge, it was a mighty fortunate thing the beverage distilling industry was in existence, wasn't it?"

The comics say it this way

WHEN a comic strip artist wants to suggest the birth of a new idea, he draws an electric bulb glowing above his hero's head. Since that symbol comes from our business, maybe we can borrow it to do a little enlightening of our own.

For example, there's the old idea that companies like ours are all owned by a few wealthy people in Wall Street. Actually, of course, this company is largely owned by the same people it serves and run by your friends and neighbors.

24 of our stockholders are right here in town, and 19,872 others are scattered around the state. We have 28,453 altogether. Most of them are housewives, farmers, merchants, doctors—folks like yourself.

Our biggest security-holders are banks and insurance companies which have invested your savings here because they can count on sound business management — and because cheap, dependable electricity is so basic to the American way of living.

So whether you own us directly through stock, or indirectly through a savings bank, you have a stake in this company. We welcome your ownership and your patronage. We try to be worthy of both.

Products Payroll of $7,000,000 After the War Is Forecast; To Employ 2,500, Herrick Says

Manufacturer believes Tecumseh will double in size after the war.

TO BUILD 500 NEW HOMES

Series of post-war planning meetings to be attended by more than 100.

Envisioning a Tecumseh with a population of 7,000 to 8,000 people, the building of from 400 to 500 new homes here within four to five years after the end of the war, and promising the community a humming, round-the-clock refrigeration manufacturing plant that will employ 2,500 people with annual payroll from $6,000,000 to $7,000,000, Ray W. Herrick, president of the Tecumseh Products Company, painted a bright future for this village when he addressed the first of a series of 12 meetings, sponsored by the Tecumseh Rotary Club, concerning post-war planning. The meeting was held at the high school Tuesday evening, and was attended by about 130 business and professional men and women.

"I can see great things ahead for this community, but they must be accomplished through a spirit of close cooperation," Mr. Herrick declared. "I can see ahead a steadily growing community—not a mushroom growth—and I can see several hundred new homes going up, a new school building, new streets, water and sewer mains being laid, and many, many other things. All of these things can be accomplished right here if we put our shoulders to the wheel and work as a unit."

Speaking for his own industry, which today is the largest independent manufacturer of electrical refrigeration in the entire world, Mr. Herrick said: "We intend to hold and defend that position. We have, as of today, some $38,000,000 worth of post-war orders on our books, and don't be surprised if that amount increases to $40,000,000 within the next few months. This means that we must employ from 2,000 to 2,500 people, that our payroll must nearly double from that of pre-war times. We must draw at least 1,000 or 1,200 of our employees from Tecumseh. To do this we must build 400 to 500 new homes if we are to house our own employees. Less than 500 of our present employees are residents of Tecumseh."

"As Tecumseh grows there will be a demand for increased educational facilities. Our school buildings are crowded today. When the issue of establishing a sinking fund for a new school building is submitted to another election we must get out and vote yes. Each of you here must vote, our wives must vote, our friends must vote. You must see to it that they do.

"And, further," the manufacturer continued, "we must plan for this post-war period, each of us. Our council must be alert, our business and professional men must be on their toes. Tecumseh is going to be envied by other communities, by other institutions seeking greener pastures."

To show his audience the faith which his company has in the post-war future of the refrigeration industry and Tecumseh, Mr. Herrick declared that contracts are now being negotiated by Products for a building program that will involve nearly $700,000.

"We already have awarded some of the contracts," he said, "in fact we are starting right now to build a boiler house that will cost $60,000 alone. Our floor space will nearly double in size, new machinery will be moved in within 60 or 90 days. We realize that we must be ready when the war ends; ready to furnish our customers with the units they demand."

Speaking about post-war employment for returning veterans, Mr. Herrick urged the establishment of a committee to interview ex-service men and place them in jobs best suited to their ability.

I've made a solemn promise to re-employ every former employee of Products when he returns from the war. I intend to keep that promise, regardless of the veterans condition. If he comes back without legs, without arms, without his eyes, we'll find a job for him. We owe that to our veterans, it's our obligation to society. Those boys gave everything they had for us, we can and must do for them when the war is over." This pledge brought a round of applause from the audience. Mr. Herrick told how he already has re-employed some returning veterans and declared that he finds that boys of 19 when they went to war return as men of 46 in mind and appearance. "We must look out for

Ray W. Herrick

them, understand them, work with them. We must return that sparkle to their eyes that was wiped out by bombshells and agony," he said.

Reviewing further the needs of Tecumseh as it grows into a small industrial city, the speaker said he could see the need for a new hotel, a larger hospital, a nurse's home, a new New York Central depot, a swimming pool at Recreation Center, and many other improvements.

"I hope we can build a new hotel, either as a community venture or as a private one," Herrick said, "and if we all push together I think we can get a new depot and better railroad service. I want to see a swimming pool at the Center. One trouble with us, we forget we were once kids; we forget the old swimmin' hole. I plan, at some future time, to build a new nurses' home near the hospital and to give it to the village in memory of my mother. And I'd like to pay my respects to the local American Legion for its foresight in planning a new home here, a part of which I understand is to be used as a community center.

"I was cussed and discussed when I started the movement for the building of a new hospital here a few years ago. Some said it couldn't be done. We did it and now those same people are saying, 'what would we do without it.' When our plant was moved here 10 years ago we promised Tecumseh an annual payroll of $500,000. Some doubted our ability to produce it. Let me say now that in the 10 years that Products has operated in Tecumseh, we have paid out in wages over $18,000,000, or an average of $1,800,000 annually. We have faith in Tecumseh, we believe that she is the 'Greatest Little Town on Earth!'"

Mr. Herrick was the first speaker on a carefully-planned post-war study program that was announced this week by Tecumseh Rotary Club. The purpose of the series of meetings is to awaken public interest in Tecumseh's after-the-war future, and to better determine, from employers of labor and public officials, just what this community faces when Victory has been won.

At Tuesday's meeting, Rotary invited more than 100 business and professional men and women of this community to attend the dinner meeting as guests of the club. Subsequent meetings will be held each Tuesday evening at the high school at 6:15 p. m., and other speakers of authority will further discuss the post-war problems. A poll of the audience at this week's meeting showed that 80 of those invited will attend all of the other meetings. It is believed that in this way Tecumseh will learn at first hand just what problems must be met and solved in the post-war future.

Next Tuesday evening at 6:15 at the high school, George Taubeneck, publisher of the Air Conditioning and Refrigeration News, of Detroit, will be the speaker. Mr. Taubeneck is an authority in that industry and will be able to present to the community a picture of Tecumseh's leading industry—Tecumseh Products Company—from a national viewpoint.

Other speakers on the program will be announced next week.

The meeting Tuesday took place of the regular Rotary meeting at Brees House, and the dinner was served by Mrs. Fannie Brees. Community singing was led by W. L. Berkhof and there were several numbers by the TP Broadcasters, a quartet composed of Clarence Gilmore, Wiley McCann, Wesley Costigan and C. O. Butler. Ralph Comfort, president of the club, presided, and Earl L. Wiekwire, chairman of the program committee, introduced the speaker.

Mary Ruth Hall Is Bride of M. H. Pilbeam

Mary Ruth Hall and Mervin H. Pilbeam, both of Tecumseh, were married last Wednesday afternoon at the Baptist parsonage by Rev. B. O. Bashore. The double ring service was read and the attendants were Marguerite Stuart and Richard Hall.

Following the ceremony dinner was served at the home of the bride's parents, Mr. and Mrs. Russell Hall, and later the couple left on a few days trip in Northern Michigan.

Mr. Pilbeam who has made his home with his uncle and aunt, Mr. and Mrs. George Squires, is employed at Bug's and Harry's garage. Mrs. Pilbeam graduated from Macon high school in 1943 and has been employed at Tecumseh Products Company. They will reside on Goodrich Road near Macon.

BERKHOF IS NAMED TO MICHIGAN COUNCIL

LANSING, Sept. 28—Announcement was made here today of the election of W. L. Berkhof, superintendent of schools at Tecumseh, as a member of the Council for Vocational Education Administration in Michigan. As a member of this group, Mr. Berkhof will serve as a consultant and advisor with the director of the Michigan State Board of Control for Vocational Education in matters pertaining to the promotion and improvement of the state vocational educational program. Election to the state council, which is made up of 16 members from the entire state, is based upon votes cast by superintendents conducting programs of vocational education.

TO INSTALL OFFICERS

The American Legion Auxiliary will meet Monday evening, October 2, at 8 o'clock in the Legion hall for installation of recently elected officers. Mrs. Florence Howe, district president, will be installing officer.

Dinner at the Brees House will precede the meeting and will be served promptly at 7 o'clock. Reservations must be made before Friday evening, September 29, by calling Mrs. Howe at Bancroft Cleaners, phone 235.

R. N. A. ELECTS

B-24 Gunner Takes Verbal Slap at Entertainment for P. O. W.'s

SAYS AMERICANS SHOULD SPEND MONEY FOR BONDS INSTEAD OF ENTERTAINMENT

Staff Sgt. Ivan Maynard, son of Mr. and Mrs. Leon Maynard of Tecumseh, who is serving in Italy as a ball turret gunner on a B-24 Liberator heavy bomber, in a letter to the publisher of The Herald, objects to some of the fine entertainment that is being accorded to Prisoners of War in America and asks the question, "why don't they (the Americans) use that money to buy War Bonds."

Sgt. Maynard, who has won the Distinguished Flying Cross and the Air Medal of Honor, wrote his letter from somewhere in Italy on September 17. It is as follows:

"This letter may be a surprise to you, so I'll explain why I'm writing it. In the past two days some of us fellows have been receiving newspapers from home telling us what is happening in America. In several papers we have noticed articles where American people are spending hundreds of dollars to entertain Italian prisoners of war. These men say they are homesick, so somebody raises a fund to give them a big party. Why don't these people spend that money on their own boys, or don't they think we are homesick? Don't these people think we are away from home fighting a war, that we still have to win, or don't we come first anymore?

"In one of the newspapers we noticed a picture where a American girl was entertaining a P.O.W., and having a good time doing it. Would she do it if he was a Jap prisoner? The answer is NO. These men have done the same thing the Japs are doing, only in a different way. Maybe these men have killed or wounded somebody very dear to the people who are entertaining them, but they don't stop to think of that. Oo the American people ever stop to think that these men helped start the war that their boys are fighting right now If the American people could see some of the bloodshed and pain that these people have caused our boys, maybe they would have a change of mind toward the Italian P.O.W. who are so homesick.

Any one of these American boys over here would give up his life for America just for the asking, but he thinks twice after reading where his own people are entertaining the men he just finished fighting with. These prisoners of war wear our uniform, something that stands for more than just its looks. To a G.I. in the armed forces, that uniform stands for the freedom from want, freedom from fear, freedom of speech, and freedom of religion, something we are fighting for. A lot of young fellows have given up their lives to be able to say they could be free, and now their own people might be entertaining the men that might of killed him, and tried to prevent him from being a free man.

The people of America think this war is won, but there's a lot of hard bitter fighting left. Now is the time we must fight hard, because we have the Axis right where we want them. The people at home should be working harder to meet the demands of the boys on the fighting front. Why don't they use that money they use to entertain P.O.W.'s, and buy War Bonds with it?"

WILL SEND CANDY TO BOYS IN SERVICE

At the meeting of the Presbyterian Ladies' Aid Society held at the home of Mrs. John R. Thompson, plans were made to purchase a placque for the names of all boys of the church who are in service; also to send them boxes of candy for Christmas. It was also decided to hold a work meeting at the church for a general cleaning and tying of comforters for the church fair.

BUSY IN MARIANAS

A 7th AAF Bomber Base in the Marianas—A trio of mechanics of the 7th AAF heavy bomber squadron, "Bat Out of Hell," put its skill to work on a bullet-scarred Japanese truck. The vehicle was found near the newly-won airstrip and immediately the mechanics, all in the engineering section, started to make it "operational." Corp. Lavern Mansfield of Tecumseh was one of the trio.

NEW CHOIR DIRECTOR

Mrs. Harley McConnell is the new director of St. Andrews choir of the Presbyterian church in place of Mrs. John McColl, resigned. Mrs. Bertram Updyke is organist. Weekly rehearsals resumed last Thursday evening at 8 o'clock after the summer recess.

Flies From New Guinea To Frisco In 36 Hours; Is Made Stellar Fellow

T/Sgt. Cecil Neal, who has spent nearly three years in the Southwest Pacific, arrived in Macon Saturday to visit his parents Mr. and Mrs. J. W. Sheward, who moved to Macon shortly after he left for overseas duty, early in 1942. He has a total of 32 months overseas service and after 30 days at his home will return to his unit overseas.

In his travels Sgt. Neal has seen many strange lands and experienced many adventures. Prior to his return he was located in Dutch New Guinea which he describes as a strange and fascinating land. However in all his travels he says he has never found a substitute for the good old U.S.A.

On his trip home Sgt. Neal completed the longest trans-oceanic flight of this war, a flight which carried him from the wilds of New Guinea to San Francisco in 36 flying hours. By virtue of crossing both the Equator and the International Date Line on September 18, he was given, on that day, a membership card, signed by the flight captain, noting him as a full fledged Fellow of the International Stellar Order of Consairway Charioteers.

Three Are Hurt in Grade Crash

ADRIAN WOMAN, MAN AND CHILD IN HOSPITAL; ONE SERIOUSLY HURT

Three Adrian folk were injured, one of them critically, when the car in which they were riding was struck by a southbound New York Central freight train at the Brown street crossing in Tecumseh, at 3.27, Tuesday afternoon.

The injured are:

Frank Kovac, 27, Adrian. Severe cuts and bruises.

Mrs. Mary Kovac, 56, Adrian. Internal injuries and concussion.

Priscilla Kovac, 3, Adrian. Cuts and bruises about face and head.

The Kovacs, mother, son and daughter, were travelling west on Brown street.

The injured were removed by ambulence to Tecumseh Hospital where they were treated, and Mr. Kovac was released. The condition of Mrs. Mary Kovac was said to be critical.

Mrs. F. B. Wood Dies In Los Angeles, Calif.

Mrs. Lou Wood, widow of the late F. B. Wood, local attorney, died Saturday night at the home of her daughter Mrs. William MacMartin in Los Angeles, Calif., where she had gone to make her home, leaving Tecumseh, September 13.

Mrs. Wood was born in Oregon and attended a girls' seminary in Walla Walla, Wash. She later studied piano in Philadelphia and was an accomplished musician. She had made her home in Tecumseh nearly 40 years and was a past president of Tecumseh Monday Club and a past grand organist of the Order of the Eastern Star.

Besides the daughter she leaves two grandsons in Los Angeles, a sister Mrs. Hattie McDonald and a niece Mrs. George Birnie of Le Grand, Oregon. Mrs. Alfred James of Detroit, Mrs. F. S. Anderson and Miss Edith Shull are cousins of the deceased. Mr. Wood's death occurred in October 1937.

Funeral services were held Tuesday in Los Angeles and the body was cremated, the ashes to be returned to Tecumseh.

Pvt. Walter Mueller Is Wounded In France

Mrs. Walter M. Mueller was notified Friday by the War Department that her husband, Pvt. Walter Mueller, who was recently sent overseas, had been seriously wounded in action in France and was in a hospital. No other particulars were learned.

Pvt. Mueller was inducted into the army in January of this year and was sent from Ft. Sheridan, Ill., to Ft. McClelland, Ala., going overseas from there.

Mrs. Mueller and three children make their home on North Maumee street. His parents are Mr. and Mrs. Henry Mueller of Deerfield.

GETS NURSES DEGREE

Mr. and Mrs. Carl Glancy and daughter Mary, Mr. and Mrs. Frank Creger, Mr. and Mrs. Ernest Gregory, Mrs. Belle Jones and daughter Iris, Don Rutledge and James Boyce were in Jackson Thursday evening for the graduation of Mrs. Glancy's daughter, Miss Leola Boyce, from the Foote Memorial Hospital School of Nursing.

Miss Boyce will take a position on the nursing staff at Tecumseh hospital beginning October 9.

Indians Ready on Gridiron

HOPE FOR CHAMPIONSHIP IN 1944 IS HELD OUT BY RAIZK

By Jim Sisson

After three consecutive championships, the Tecumseh Indians are out trying for their fourth. There were about 40 boys that answered Coach Fred Raisk's call, but only five were lettermen. So, the Indians will be starting in this year's belated contest as usual green team. Coach Raizk, as usual, predicts a hard struggle, but, he says, "there is hope!"

The first eleven men to meet the Braves will come from Hudson on October 6. Following will be Clinton, on October 13, Manchester the 27th, Morenci the 3rd of November, and Blissfield, November 10.

The lettermen who will no doubt start against Hudson are: R. Wood, at l. t., J. Osburn, co-capt. at center, D. Purkey, co-capt., at l. e., L. Brown at r. h. and at l. h. B. Parker. All but Baker are seniors. Rounding out the rest of the probable starting lineup are: r. e., Hamilton, r. t. Dinse, r. g. Judd, l. g. Brown, q. b. Creger, and f. b. Poley. Other wearers of the orange and black, who are slated to see plenty of action are: Titley, Williams, Murphy, McVay, Corkery, Russell, T. Sisson, Baldwin, Hayden, Barber, Hammack and Murdoch.

There were big gaps left in the team last year by the nine lettermen who graduated, but this promising young team will fill those shoes and go on down the road to championship.

Tecumseh Monday Club To Begin Meetings Oct. 2

The opening meeting of Tecumseh Monday Club for the 1944-45 season will be held October 2 in the Methodist church parlors. The program on "A Trip to England" will be presented by the Past Presidents with Mrs. W. C. Fisher as leader and with Mrs. R. S. Moore in charge of the music. Tea will be served and hostesses are Mrs. Howard Matthews and Mrs. Frank K. Smith.

Meetings of the club this year will be held every two weeks instead of weekly as heretofore. Officers of the club are Mrs. Fay Whelan, president; Mrs. Edward Beal, vice president; Mrs. Perry Hayden, second vice president; Mrs. Kenton Hunt, recording secretary; Mrs. Mertie Waring, corresponding secretary, and Mrs. Wm. Barnes, treasurer.

Mrs. Mary Spitler Is Bride of S. E. Lawrence

Mrs. Mary Spitler and Samuel E. Lawrence, both of Tecumseh, were married Saturday afternoon at her home on Mill street, the Rev. Edward Escolme and Rev. Norman MacNaughton performing the ceremony in the presence of 40 relatives and friends. Their attendants were Louis Lawrence, son of teh groom and Mrs. Bert Graber, daughter of the bride.

Following the ceremony dinner was served at the Brees House.

Those from away attending were Mr. and Mrs. Bert Grabner of Ft. Wayne, Ind., Mr. and Mrs. Ivan Spitler of Cleveland, Mr. and Mrs. C. J. Horn of Irish Hills, and Mr. and Mrs. George Forsyth of Britton and their families.

MRS. HARRINGTON DIES

Mrs. Mary Harrington, 84, died in Tecumseh Hospital Wednesday morning, after several weeks illness. She had made her home for many years with her son, Myron, on the Newburn road. Four other sons and three daughters survive. The body was taken to Deerfield but funeral arrangements have not been announced.

KILLED IN ACTION

Pfc. Joseph Holubik, 34, a former employee of Tecumseh Products Co., has been reported killed in action in Italy. He had been missing in action since February 2. His parents Mr. and Mrs. Joseph Holubik reside in Deerfield.

PARENTAL RESPONSIBILITY

In one of our up-state cities some teen-age boys entered the small store of a man about sixty-six years old. They upset merchandise, threw some off the shelves, and threatened they would be back. They have not been apprehended so far as we know.

Of interest is the fact that the citizens of our cities are not aroused by ill-treatment of an old man or of property damage. Boys will stone windows, and destroy property as soon as an owner is absent, but few persons are interested in calling the police when they witness such vandalism. And the police in some communities find that persons they arrest get off due to political influence or other drag.

Not much, however, can be accomplished by courts or police until parents realize their responsibilities. Parents, apparently, will not give a hang until they are prosecuted for the acts of their sons and daughters. The majority of the acts of the youngsters are done, not because the boys and girls are criminal types, but due to their being let run loose without having a true home in every sense of the word. A $500 dining room suite does not make a home. The home is made when Dad and Mom love and respect each other, and play the game. The home must be a more interesting place to youngsters than street corners and taverns.

A Checking Account Will Save You Time

* * *

In these busy war days, when you are pressed for time, you'll really appreciate the convenience of a checking account at this bank.

A checking account, you know, provides you with the means of paying bills without the customary "running around." It also gives you a receipt for every bill that you pay, and permits you to budget your spending.

Open a checking account this week and take advantage of its time-saving convenience.

INSULATE YOUR OWN HOME!

YOU MUST ECONOMIZE ON COAL THIS WINTER

Your coal dealer is not fooling you when he tells you that COAL HAS GONE TO WAR! Definitely, it has. Our government has ruled that we can deliver NOT MORE THAN 90 PER CENT of the coal we did a year ago to our customers. Why? Because, we have been cut to 90 per cent in our purchases.

One way to defeat this coal shortage is to insulate your home. You can do it yourself, evenings, and you'll find that it's fun, too. A few evening's work and the job is done—done for the life of your house.

Insulation Costs are Low

Insulation, believe it or not, is not expensive. You can insulate the attic of the average home for from $50 to $60. You save that much in two or three winters in fuel, to say nothing of the comfort you will enjoy each summer through added coolness.

Drop in this week and let us explain how easy it is to insulate. We have all of the needed materials and you do not need a priority to buy.

Church Will Plant Cubic Inch of Wheat

Friday afternoon, September 29, at 4:15, 12 children will plant a cubic inch of the now famous "Dynamic Kernels" Tithing Wheat on the church yard of the Tecumseh Friends church.

It was just four years ago when the original cubic inch of wheat, now world famous, was planted on a plot four feet by eight feet in dimension on a piece of ground owned by Henry Ford just below the present Hayden Mill, on M-50 east of Tecumseh. This week the great-great grandchildren of those original kernels will be buried with appropriate ceremony commemorating the truth of the verse that inspired the original planting "Except a corn of wheat fall into the ground and die, it abideth alone, but if it die it bringeth forth much fruit." Rev. Edward Escolme brought this fact out very dramatically at the chapel service in Macon last week when he showed that for every kernel planted four years ago there is one bushel left to plant today, an increase of 750,000 fold.

The public is invited to the planting Friday.

THE OLD JUDGE SAYS...

"Did you hear that Tom is going to be inducted into the Army next week, Judge?"

"Yes, Frank told me this morning down at the barber shop. Our town's got a lot of men in the service now, Jim. In fact, all towns have. I was just reading in the paper where there are more than 10,000,000 men away from their homes in the armed forces. And, from all reports, they're doing a grand job bringing victory closer every day.

"We folks at home have a mighty big obligation to those 10,000,000 fighting men. We've got to produce the food to keep them well fed. We've got to keep them supplied with the ammunition and equipment they need to finish their job. We've got to help the Government pay for all these supplies our men need by buying more and more War Bonds. We'll have another big chance to do that by helping to put the next War Loan drive over the top, Jim.

"And, in addition, we must be sure that, while they're away and can't express their opinions, we don't go voting on and deciding any things that will displease them when they come back."

CARD OF THANKS

We wish to thank our friends and neighbors for all their kindness and sympathy during the illness and death of our mother Mrs. Anna Avery; also the Rev. Escolme and Rev. Brazee for their comforting words and Mrs. Escolme and Mrs. Ralph Comfort for the lovely music.

Mother, thou are sweetly sleeping
Free from toil and pain and care;
Dear Mother, how we miss thee,
Miss thee, in the home and everywhere.
And today that place called heaven
Seems more precious than before,
When we think of you, dear Mother,
Living there forever more.
So we'll ask our Heavenly Father,
To direct us in the way,
And to lead us, safely lead us,
To the land of endless day.

Mr. and Mrs. Rudis Mead
Mrs. Bertha Steele.

I desire to thank the Tecumseh Hospital staff, the Nurses' Aide, Clara and Alice, and friends and relatives for their many kindnesses, flowers and cards during my nearly 10 months stay in the hospital. Mrs. Vena Mohr.

PETITIONS NOW IN CIRCULATION ASKING THAT SINKING FUND ISSUE BE SUBMITTED

Petitions are now in circulation and if sufficient signatures are obtained, a special meeting of the board of education may be called later this week to consider the question of resubmitting to electors of the district the proposal to establish a $65,000 sinking fund over a five-year period, the money to be used in the construction of a new school building in post-war. The petitions, asking that the board resubmit the issue, were placed in circulation last week and it is understood that some 300 persons have already signed them.

The board of education, in session last month, following a close defeat of the issue, adopted a resolution to the effect that it would not resubmit the proposal until such time as voters indicated a desire to have it done. The petitions are in answer to the board's action.

The proposal under consideration calls for the raising by taxation of about $13,000 annually for five years, the money to be held in a sinking fund and used as the basis for the building program after the war's end. How elaborate a school would be built and its cost, etc., would be determined later.

Tecumseh is rapidly outgrowing its present school buildings, the enrollment this year crowding all rooms to capacity. Post-war planning groups believe that Tecumseh's population will nearly double within five years after the war, and that a new school building will be imperative.

The reason for establishing a sinking fund now is to make possible some ready cash when the actual building need arises, and thus save taxpayers the need for paying interest on a bonded indebtedness for the entire cost of the structure.

Miss Juanita McCombs Bride of Allen Brooks

Miss Juanita McCombs, daughter of Mr. and Mrs. Lester McCombs and Allan L. Brooks, M.M.e. 3/c, son of Mr. and Mrs. Howard Brooks, were married September 23 at the home of the bride's parents by the Rev. Alvin Brazee who read the double ring service. They were attended by Mrs. Charles Crane of Akron, O., as matron of honor and Robert Smith of Macon as best man.

Following the ceremony refreshments were served and during the evening a reception was held for 50 relatives and friends from Clinton, Tecumseh, Macon, Jonesville and Ann Arbor.

Mr. and Mrs. Brooks left later for Philadelphia where he is stationed at present.

HARVEST HOME SERVICE PLANNED BY FRIENDS

The eleventh annual harvest home day of the Tecumseh Friends church will be held on Sunday, October 8, and it will be observed by two services: the morning meeting at 10 a. m. and the evening meeting at 7:30 p. m., with Rev. Worthy A. Spring, president of Cleveland Bible College as the speaker.

As in previous years the church will be decorated with flowers, fruit, vegetables, and canned goods. This year all the contributions of farm and garden produce will be given to Cleveland Bible College. The motto of these harvest home services is "No offering too small—no offering too large."

All desiring to make a contribution are asked to bring it to the church as early as possible on Saturday, so that it may be used in the decorations. Harvest festival services with the churches so decorated are an English custom, and this custom is quite generally observed by churches and chapels in England. The public is invited to attend these services.

MRS. EMMA WONDER, 79, DIES AT HER HOME HERE

Mrs. Emma A. Wonder, 79, widow of the late A. J. Wonder, died Wednesday evening at her home on W. Kilbuck street. She had been in poor health for several years.

Surviving are four children, Mrs. R. R. VanWinkle and Mrs. Minnie Snellenberger of Tecumseh, Arthur (Rex) Wonder and LaVern Wonder of Adrian, 10 grandchildren and 10 great grandchildren. She was a member and elder of the Friends church.

Funeral services will be held Saturday afternoon at 2:30 at the Friends church with burial in Brookside. Friends may call at the home until 12 o'clock Saturday, when the body will be taken to the church where it will lie in state until 1 p. m.

Says Refrigeration In Post-War Will Revolutionize Food Industry

PUBLISHER SAYS PRODUCTS ESTIMATES OF AFTER-THE-WAR BUSINESS CONSERVATIVE

Come what may, depression or prosperity, the refrigeration industry will lead the way in industrial solid goods percentage gains after the war and Tecumseh should consider itself fortunate in that it is the home of the Tecumseh Products Company, which concern, believe it or not, holds a definite "corner" on the compressor business, the "very heart" of the electrical refrigeration industry. Those, in substance, were the words of George Taubeneck of Detroit, editor and publisher of Air Conditioning and Refrigeration News, a publication familiarly referred to by manufacturers as "the bible" of the refrigeration business. Mr. Taubeneck addressed the second post-war planning meeting, sponsored by the Rotary Club, at the high school, Tuesday evening. More than 130 business and professional men and women were in attendance.

"I have had the privilege of looking over the post-war orders that Products has on its books," he said. "Let me say that they are conservative orders although the figures are staggering. I predict that within a few months after the end of the war manufacturers will be knocking on Products' doors, asking that they be permitted to increase their estimates. The refrigeration industry is really going places when peace comes."

Mr. Taubeneck was referring to the more than $35,000,000 worth of post-war orders now on Products' books, orders that are causing the company to inaugurate a $700,000 expansion program. It was a week ago, at the first meeting of the planning group, that Ray W. Herrick, president of the company, told the group that Products would employ some 2,000 people within three to five years after Victory, and that the company's payroll would hit $7,500,000 annually.

"It seems to me that Mr. Herrick's estimates are conservative," the publisher said. "I know some of the plans that are being made by the industry nationally, and I know the position that Products must play in meeting manufacturers' demands."

The speaker said that surveys completed by the industry and the government show that there will be a demand for 5,000,000 household refrigerators during the first year after the war, to say nothing about commercial and deep freeze units, and air conditioning units. Such a demand may continue for five years, he said, and the normal replacement need will be about 3,000,000 units, thereafter.

Deep freeze lockers will be a common household fixture after the war, the editor believes, pointing out that the meat and food industry is now planning to merchandise its products in frozen form. Frozen fresh produce, he said, is expected to replace canned and fresh produce at some future date, and frozen meats will be as common as fresh meats in every butcher's display case. The war has been responsible for bringing about this change, the speaker said, and tastes, world-wide, are being educated to frozen foods.

"You will see chain food stores with tremendous locker display cases, you'll see electrically refrigerated trucks and railroad cars, you'll see food lockers on most every farm, you'll find that in order to properly care for food purchases such deep freeze lockers will be as necessary in every home as is today's refrigerator," Mr. Taubeneck said. This change may not come in 1945, he said, but it's surely coming.

Refrigeration also will play an important post-war part in the treatment of metals, he said, as well as in the treatment of disease and in surgery. Scientists already have found that refrigeration is important in the treatment of cancer cases, in the treatment of fever, and it also is an excellent anesthetic.

"Refrigeration will make a wonderful contribution to medicine and science and I feel that an industry that contributes to public health is certain to make rapid strides. Science has only scratched the surface in discovering the important uses of manufactured cold," the speaker said.

The speaker congratulated Tecumseh upon its post-war planning program and urged that the community co-operate with Products in its expansion program.

"I was born in a town of about the same size as Tecumseh. It did not offer me opportunity—there was no Products company where I lived. I, like the other young folk in my town, sought the city for advancement. That is what other young folk in small towns are doing today. I say to you people in Tecumseh, then, grasp the opportunity that you have. The future of America depends upon its small towns where people think and do and live, and not upon its great centers of population."

Mr. Taubeneck, besides editing his newspaper, has written several books and has traveled extensively in most every country in the world. He also has been serving in an advisory capacity to the War Production Board in Washington.

The third meeting in Rotary's post-war study series will be held next Tuesday evening at 6:15 at the high school. At that time the speaker will be Dr. Eugene Elliott of Lansing, commissioner of the Department of Education of Michigan.

It was announced at Tuesday's meeting that 132 persons have registered for the series of planning meetings, which continue through December 12, and that further registrations cannot be accepted, due to rationing. The meetings are preceded by a dinner.

Many requests have been received from persons outside Rotary and its invited guests to hear Dr. Elliott's address, next Tuesday evening. To accommodate such requests, Rotary has announced that the doors will be thrown open to the public, soon after 7 p. m., and anyone who desires may attend.

Three Injured In Explosion

COMPRESSOR BLAST AT BRUCE ALUMINUM FOUNDRY LAST WEEK DOES $500 DAMAGE

Three persons were injured and damage estimated at $500 resulted about 3 o'clock last week Thursday afternoon as the result of an explosion in the aluminum foundry of the Bruce Foundry & Manufacturing Co., plant here.

The injured, none of them seriously, are:

Oscar Snyder, superintendent, a gash in his head that required six stitches to close.

Harold Poley and Leo Handy, bruises but no serious injuries.

The accident occurred when a compressor tank exploded. The equipment was new, it was said, and the safety valve was tested and set by its manufacturer at 160 pounds pressure. The cause of the accident cannot be explained.

Some 30 other men were at work in the aluminum room but all escaped injury. Damage consisted of shattered windows and partitions. Repair work started immediately.

COUNCIL MEETS

The laying of a water main in Muscoday street, between Evans and Pearl street, and a storm sewer in Evans street, from the end of the pavement north to Shawnee street, were approved by the village council, in regular session Monday evening.

There was little other business before the council except routine reports of committees and department heads. Current bills were audited and ordered paid.

P. T. A. ELECTS

The Franklin Center P.T.A. held its September meeting Friday evening with Mr. and Mrs. Richard Dewey, Mr. and Mrs. Cecil Anderson and Mr. and Mrs. Lyle Whelan, the committee in charge. Potluck supper preceded the business meeting and 58 persons were served.

New officers elected were Richard Dewey, president; Fay Luce, vice president; Mrs. Elda Younglove, secretary and treasurer. A "Fashion Show" was presented by the men for the program.

IN HOSPITAL IN ITALY

Mr. and Mrs. Harlan Meyers of Britton have been notified by the War Department that their son Pvt. Beverly L. Meyers was wounded in action in Italy, September 15, and is in a hospital in Italy. Pvt. Meyers who was injured by shrapnel in his left leg, is 19 years of age and has been overseas since May 1944.

MUSIC CLUB MEETS

The Tecumseh Music Club held its opening meeting last Tuesday evening at the home of Mrs. Wm. Barnes with Mrs. Al Helzerman and Mrs. Edward Harper assisting. The program was on the life and compositions of Chopin. Refreshments were served in conclusion.

The October meeting will be held with Mrs. Wilfred Waldron.

Indian Lineup Strengthened

TECUMSEH PLAYS HUDSON ON FRIDAY EVENING; MEET CLINTON HERE OCT. 13

By Jim Sisson

As practice progressed for the Tecumseh high school football squad, the Orange and Black gridders are improving rapidly. Coach Fred Raizk, having watched carefully the recent scrimmages, believes that shifting his players to various positions would help strengthen the Indians' offense and defense.

The shifts that will probably mean most are Creger to right end from halfback and Osburn playing quarterback again as he did last year. Creger, weighing about 180 pounds, is supposed to strengthen the line while Osburn will be doing his job by running. The other shifts are Mead, playing right tackle, Hammack, center, and Murdoch, halfback, on the probable starting lineup. But striving for berths in the lineup are L. Brown, Dinse, Russell, Titley, Baldwin and Hayden. These boys will no doubt give heavy competition for various posts and there is still another practice before the Hudson game.

The Indians will invade Hudson on Friday evening as Hudson has an exceedingly strong team this year, having most of its first string back again in play. Also, Hudson has already played its first game, while Tecumseh remained idle. They played the Jonesville outfit on their own field to a scoreless tie, and it is a safe bet that they will give the Redmen some keen competition tomorrow evening.

The big game of the season and one that is expected to attract a large gate will be played here next week Friday evening, October 13, when the Indians meet Clinton on Recreation Center field. This game will be under the lights, beginning at 8 p. m. in recent years that has developed nearly as much rivalry between Tecumseh and Clinton as between Tecumseh and Blissfield, and it is expected that 400 or more fans may come from Clinton to witness the contest.

Mrs. Harold Griewahn Is Buried In Adrian

Mrs. Harold Griewahn, aged 18, died early Sunday in Bixby hospital, Adrian, from burns which covered her entire body, and which were suffered Saturday when kerosene with which she was kindling a fire exploded. Most of her clothing was burned from her body before the blaze could be extinguished by her husband. Their 11 months old daughter was not injured.

Mrs. Griewahn was formerly Mary B. Schneider, a daughter of Mr. and Mrs. Leonard Schneider of Raisin and attended Tecumseh high school before her marriage in December 1942.

The funeral and burial were held in Adrian Wednesday.

DIES IN U. M. HOSPITAL

Mrs. Raymond Bellmore, aged 28 years, of Clinton, died Sunday at University hospital in Ann Arbor. She leaves her husband and a son Duane, her mother Mrs. B. H. Sarvey of Chelsea, a sister Mrs. Walter Craig of Macon and two brothers Leland Graf of Saline and Leonador Graf of Ann Arbor.

Funeral services were held Wednesday at the Hause Funeral Home in Clinton. Rev. C. E. Foltz officiated and burial was in Riverside cemetery.

HYDER—ROHRE

D. Wayne Hyder Ph. 2/c, formerly of Tecumseh, and Miss Earline Rohre of Jackson were married September 26 at the home of the bride's parents by the Rev. Mr. Griffith, pastor of the Presbyterian church. They were attended by Miss Virginia Hunt of Jackson and John W. Hyder of Adrian.

The bridegroom later returned to his base at Long Island, N. Y., and Mrs. Hyder will remain in Jackson for the present.

JOIN U. S. SERVICE

Rhinehearst P. Radant, Curtis Brown, Leon C. Shaffer and Dean S. Ammer of Tecumseh were among the group of 37 men from Lenawee county who were inducted for military service last week. Radant was assigned to the navy, the others to the army.

Harold Hatcher of Tipton, army, and Henry Billau, Britton, army, were others from this vicinity.

AUXILIARY TO MEET

Tecumseh Hospital Auxiliary will meet Tuesday evening, October 10, at 8 o'clock with Mrs. Carl Cedarquist at 116 N. Division street. Members are requested to attend this meeting and help make Lapel Dolls.

Monday Club Holds Its Opening Meeting

The opening meeting of Tecumseh Monday Club was held Monday afternoon in the Methodist church parlors with Mrs. Fay Whelan, the new president, presiding.

Mrs. W. C. Fisher was leader and presented a tribute to the late Mrs. F. B. Wood and Mrs. B. J. Pulver, former members of the club.

The program on "A Trip to England" included "Recollections of England" by Mrs. Edward Escolme; English songs by Mrs. Edward Beal, Mrs. R. H. Moore, Mrs. J. M. Mulvaney and Mrs. R. S. Moore, and a piano solo by Mrs. Kenton Hunt.

Tea was served at the close of the program.

France will be the topic of next weeks meeting with Mrs. L. C. Jacokes as leader and Mrs. B. B. TurnBull and Mrs. W. L. Berkhof as hostesses.

Boy, 8, Killed By His Brother

CHILDREN WERE SHOOTING CROWS AT TIME OF ACCIDENT NEAR SPRINGVILLE

Willgus Sparks, eight year old son of Mr. and Mrs. William Sparks of near Springville, was shot and killed Thursday noon by a shotgun in the hands of his brother Rufus, 12, who was shooting crows. The boy stepped directly into the line of fire as the gun was discharged, the shot entering his chest and stomach causing instant death. His parents, who are employed at the Tecumseh Products Co., were away when the accident occurred. The boys did not attend school that day because of rain and were spending the time hunting crows.

He leaves his parents, one sister Rushia, three brothers, Rufus, Wayne and Robert, and his grandparents, Mr. and Mrs. Marion Sparks of Ivyton, Ky., and W. R. Adams of Conley, Ky.

The body was taken to Ivyton, Kentucky for funeral and burial.

Miss Nellie Olds, 34, Dies In U. of M. Hospital

Miss Nellie Olds, aged 34 years, daughter of Mrs. Elizabeth Olds of near Cone, died Thursday at University hospital in Ann Arbor after a two days illness.

Besides her mother she leaves five brothers, George, Eugene, Jesse, John and Earl and two sisters, Mrs. Helen Dennison and Mrs. Lena Patee, all of the vicinity of Cone.

Private funeral services were held Friday afternoon at the Niblack Funeral Home in Britton. Rev. E. O. Davis or Rea officiated and burial was in Lake Ridge cemetery.

CAPACITY AUDIENCE AT ORGAN DEDICATION

The Presbyterian church was filled to capacity Sunday evening for the dedication of the new Wurlitzer organ and Cathedral Chimes amplifier. Roy C. Bulley of Toledo presented an organ recital and vocal selections were given by Mrs. John McColl, Wallace Whiting and Fred C. Dickinson, with Mr. Bulley accompanying. Rev. James Cameron Murdoch conducted the service which was attended by a number from Toledo, Dearborn, Jackson, Ann Arbor, Brooklyn and Milan.

PLAN BAKE SALE

At the regular meeting of Pythian Sisters held last Wednesday evening it was voted to hold a Bake Sale today in their hall to raise money to cover the expense of sending Christmas boxes to brothers and sons of members who are in service. Eighteen boxes are to be sent, most of them overseas, which have already been mailed. A report of the state convention in Lansing was given by Mrs. Earl Betser and an hour of entertainment followed the meeting.

WED 20 YEARS

Mr. and Mrs. Herbert Watkins celebrated their 20th wedding anniversary September 27 and in observance of the event, entertained a group of relatives and friends in the Eagle Hall. Mrs. Wm. House and orchestra furnished music for dancing and later lunch was served.

Guests attended from New Boston, Adrian, Macon, Holloway and Tecumseh.

POSTHUMOUS AWARD

Mr. and Mrs. Percy Slater have received the Purple Heart, posthumously awarded to their son Pvt. Jack Slater who was killed in action in Italy, July 7.

Livestock, farm machinery, hard-to-get tools at Adamson auction, Monday, Oct. 9. Read advertisement on another page of this newspaper.—adv.

BAPTISTS HERE TO OBSERVE RALLY DAY

Rally Day will be observed next Sunday by Tecumseh Baptists, and following the morning service at the church, at which time the Rev. Blair O. Bashore, pastor, will speak on the subject, "How can we know the way," the congregaion and friends will adjourn to the church parlors for a potluck dinner.

Following dinner, the Rev. O. E. Priest of Clinton, pastor of the Congregational church there, will speak, commemorating the 105th anniversary of the Tecumseh Baptist church. The anniversary date was in April.

Sugar Factory Remains Closed

BLISSFIELD PLANT WILL NOT OPERATE AGAIN THIS YEAR; WILL ACCEPT BEETS FOR OHIO FACTORY

BLISSFIELD, Oct. 5—The Blissveld refinery of the Great Lakes Sugar company will not operate this year, due to adverse weather conditions this spring which prevented planting of a sufficient acreage of sugar beets in this district, according to H. H. Heilman, district manager. This is the second year the factory has not been in operation here, but the refineries of the Great Lakes Company located at Fremont and Findlay, Ohio, will be in operation.

For the convenience of sugar beet growers in the Blissfield area the weigh station at the refinery here will be in operation, however, starting Friday, October 6. Mr. Heilman announced today. Farmers may haul their beets to the weigh station here, where they will be loaded on railroad cars for shipment to Ohio.

It is expected the majority of the crop will be processed at Fremont. Farmers who wish to truck their beets to Fremont may do so and receive compensation for the difference in mileage, Mr. Heilman stated. The sugar beet crop looks better than was anticipated earlier, and it is expected that approximately 600 cars will be loaded here during the harvest.

$48,577 Sought For War Relief

PATRIOTIC LEAGUE TO OPEN DRIVE OCT. 15; $5,343 TECUMSEH'S SHARE

The Lenawee County Patriotic League, a county-wide organization which combines all war relief drives into one—will open its campaign on Sunday, October 15, to raise $48,577.33 in Lenawee to be used by some 22 organizations during the coming year in the relief of a war-torn world. Tecumseh's share of this amount is $5,343.49; Lester Rogers has been named as chairman here, succeeding Wade L. Jones, who resigned.

"Some people may think that the need for a war relief drive now is not as essential as it was a year ago, and that the need for cash is not as great as it was then," Paul Mott, campaign manager for the county, said today. "The facts are to the contrary. We need funds now just as badly as we did a year ago; in some instances the need is greater. The war is far from over, even in Europe. We need funds to care for prisoners, we need funds to care for returning veterans. This is the year that we really need money to carry on our work and I feel confident that Lenawee will not forget its men in service."

Last year, Tecumseh's quota in the Lenawee drive was $5,000 of which amount one half went to the local Community Chest. This year there is no drive locally for a Community Chest. That organization has more than $2,000 in its fund and it was decided that it would not be necessary to increase the amount at this time.

Quotas in the campaign in other sections are: Adrian city, $24,050.84 plus a $17,5000 community fund; Macon, Ridgeway and Franklin townships, $670.37 each. Clinton, $1,165.86; Raisin, $592.50; Blissfield, $1,729.33; Cambridge, $342.40.

Mr. Rogers said today that Tecumseh is being organized in preparation for the drive and that committees would be announced next week that the campaign locally may start on time and be finished, he hoped, within a week.

Prison Camp Time Extended

WORKERS ARE NEEDED IN FACTORIES AND HARVEST FIELDS; NO ATTEMPT AT ESCAPE

The Prisoner of War camp in Blissfield which was expected to be vacated within the next few days, with the German prisoners and U. S. Army personnel moving probably into winter quarters, will be retained for another week, according to a change in orders received at camp headquarters.

During the last three weeks labor demands have increased considerably and the extension of time was made, it is understood, at the request of contractors who say the workers can be used to advantage for another week.

The Prisoner of War Camp was established here the first of August as a temporary camp and approximately 500 German prisoners sent to Blissfield on August 5 from camps in Wisconsin. The men and guards have been housed in tents, no buildings having been erected at the camp. The men have been engaged in working in tomato, potato and sugar beet fields and in food processing plants in Lenawee and Monroe counties, being transported to and from their work in trucks furnished by the contractors.

The camp was established only as a temporary post during the harvest and canning season to help supply the demand for labor on farms and in factories, and the men are being moved now into winter quarters.

The prisoners are paid by the army in canteen checks, which they use at their canteens, and get from 80 cents to $1.20 per day, depending on the type of work they are doing. The men are paid an ordinary laborer is about $4 per day. In the case of the Germans the prevailing wage is paid directly into the U. S. Treasury by the contractor.

In the fields and factories the prisoners wear army fatigues or overalls and the backs of their shirts and jackets are painted with an orange "P W" (prisoner of war). These initials are painted on the knees of their pants also.

There have been no attempted escapes at the prison camp.

HAPPY CIRCLE P.T.A.

The Happy Circle P. T. A. will meet Friday evening, October 13 at the Centennial school when a miscellaneous shower will be held for Mr. and Mrs. Harry Hiestand, nee Patsy Finnegan. Sandwiches and pumpkin pie will be served.

FALL BRINGS WARNING

Each fall carbon monoxide kills a number of victims because vents of furnaces and other heaters have become stopped up or developed leaks during the summer, or have not been properly connected. See that all furnaces and heaters are properly vented and that the vents are open, is the advice of the Michigan Department of Health. In our opinion such advice is good.

Carbon monoxide which is given off by the burning of any fuel is deadly when as little as one-tenth of one per cent is in the air. Flues and chimneys should carry this gas outside. However, vents which become plugged with soot or which are not properly connected may let this invisible killer into the house. Because carbon monoxide is both odorless and colorless it gives no warning.

On winter mornings automobile exhausts give off more carbon monoxide than usual. For safety, garage doors should always be open before the engine is started. It is exceedingly dangerous to "warm up" an automobile in a closed garage.

Safeguards against carbon monoxide in the home call for inspection to see that chimneys are unclogged, that furnace and stove doors fit tightly, that there are no cracks in the fire domes of furnaces and stoves, and that dampers are not permitted to close drafts completely. One way to find any leak in furnaces or stoves is to throw a handful of powdered sulphur on the fire. If burning sulphur fumes can be detected in the house, this indicates some leak through which carbon monoxide may also enter.

BRING US YOUR POULTRY PROBLEMS

Our purpose is to give you the benefit of a wide experience in dealing with hundreds of flocks of poultry.

YOUR OWN GRAIN

For instance, if you have home grown grain, let us advise you how to make it go the furthest in your poultry program. We have a 32% Poultry Balancer, which, when mixed PROPERLY with your own grain, will give you a balanced ration.

WE HAVE FORMULAS

We would consider it a favor if you would really bring us your problems. You are under no obligation to buy from us. But we really feel that when you see what HAYDEN'S 32% POULTRY BALANCER will do toward developing a properly balanced ration, that you'll always want to

INSULATION—STORM SASH
Are the War-time Answers

In these war days, when coal is at a premium because of a shortage of labor and transportation, our government has RATIONED FUEL to the coal dealers of America. It has, in substance, said that: "You can have only 90 per cent as much fuel this year as you had a year ago."

Such an order means this: We must ration fuel to our customers —we must, in turn, say to them: You can have only 90 per cent of the coal you had a year ago. That's rationing, both to consumer and to dealer.

CONSERVATION IS THE ONLY ANSWER TODAY

The only answer to the problem, then, is conservation. It is possible to save from 10 to 25 per cent in fuel consumption by insulation and storm sash and doors. It is our advice, therefore, that every homeowner immediately determine whether or not such conservation would not pay double dividends—by reducing his coal bill and by assuring

Why not come in today and discuss these plans with us. Insulation is not expensive—the average attic can be insulated for a cost of $50 to $60. The work can be done evenings. It requires no skill. We also can furnish storm doors and windows—but orders must be placed NOW. him of a warm house next winter.

85th Birthday Marked by A & P

ADHERENCE TO ECONOMY PLEDGE CITED BY "VETERAN OF FOUR WARS"

Eighty-five years as a price-setter in the field of food distribution will be celebrated throughout the nation this week by the Great Atlantic and Pacific Tea Company.

Pioneer in modern methods of mass distribution, the A & P was established in 1859, when George Huntington Hartford opened the doors of his first red-fronted store in New York City. Today the stores are familiar sights throughout the country, and, along with present-day supermarkets, play a vital part in the daily lives of millions of consumers, producers and farmers.

Announcing local observance of the anniversary, R. R. Betz, vice president in charge of this area, pointed out that the institution founded by Hartford is a veteran of four wars and has been committed to an important role in the present conflict.

"In its strict observance of the price control and rationing programs, its teamwork with Federal agencies in helping to move surpluses of various commodities, its leadership in the drives to salvage waste fats, metals, containers and paper, and its vigilance against waste and spoilage in the distribution of perishables, the A & P has kept a pledge it made to the American public at the start of the war," Betz said.

The company's pledge, over the signature of John A. Hartford, president of the company and a son of the founder, affirmed its intention to continue efforts to reduce the spread between prices paid the grower and prices charged the consumer; to continue its aid to farmers in the orderly marketing of their products at fair prices, and to maintain high wages and good working conditions for its employees.

PLAN FOR THE FUTURE TODAY!

Now is the time to get those plans for that *all electric* dream home out of the drawer and bring them up to date. You can spend many enjoyable and profitable hours going over them during your vacation at home this year. You will want to check and double check the types of materials needed, the arrangement of appliances and, most of all, the *electric wiring*. Be sure that your plans call for *adequate wiring*, not just wiring designed to handle *today's* electric requirements. Remember, the wires that are built into your home actually are the highways that Reddy Kilowatt uses to make living in your home more enjoyable, more convenient. Your home will stay modern longer and you will be able to take advantage of the many new electric time and labor savers that will be available in the years ahead if you provide for *adequate* wiring.

You will also find that this is an ideal time to discuss your plans with your architect and your builder. They will help you to get the most for your money. That means good design, good location and, of course, a modern *all electric* home.

★ NOTICE . . . . Like everyone else these days, we are busy with war work, and that comes first. But we can always find time to talk to people who are going to help the postwar employment problem by building a home. We will work with your architect, your builder, or with you to make sure your wiring is planned for the future. Come in. Bring your plans with you. This service is FREE. ★

During the past two years, the Republican administration of Michigan, under the leadership of Governor Kelly, has won national recognition.

War problems have been intelligently handled. Health and youth guidance programs have been increased to meet war-time conditions.

Now postwar plans to promote continued employment, veteran training and re-employment are well under way.

Our State government is well organized and efficiently run — let's keep it that way. Vote for this Michigan team of trained and experienced public officials.

"Boys, I'll tell you what Free Enterprise really is!"

"It's a lot of little things—and some mighty big things, too.

"But in a nutshell, it's our right to live our own lives, run our own farms and our own businesses in our own way—without needless interference.

"It's our right to criticize the government, bawl out the umpire, belong to the Grange, or make a speech on the public square. It's our right to travel when and where we choose—to work or not, as we please.

"It offers *opportunity* to anyone who really wants it. It rewards thrift, hard work and ingenuity. It thrives on competition and raises our standard of living. It encourages invention, stimulates research and promotes progress.

"It offers us a chance to save and invest and build and grow.

"Under Free Enterprise men who have faith in an idea can take risks to develop it. Our railways started that way. So did the motor car industry—and oil and steel and aviation and scientific mechanized farming.

"Free Enterprise made small farms and factories into big ones—and then started more small ones. And now, fighting a desperate war in which production will turn the scale, America is out-producing every other country in the world, hands down—and is doing it faster and better.

"Yet in spite of all this, some folks would like to change our American way of doing things—and rebuild our whole country under a *new* and *different* system.

"If they had their way, Tom here, wouldn't own this store. He'd be regimented with a lot of other storekeepers and told how to run his business by some bureaucrat who probably never tended store in his life.

"Ed's farm would belong to the state, and Ed would be told how to run it and what to raise by someone he wouldn't even know.

"Jim would be working for a state-owned factory—with his job and wages frozen. And I don't know *where* we country doctors would be.

"We fellows aren't rich — and probably never will be. But we've got a lot of self-respect and religion and common sense. We own our own homes and farms, send our kids to college, have cars, radios, and a lot more of the luxuries of life than millions of people living under fancy political systems and 'planned economies' in other countries.

"Sure, we're willing to put up with a lot of irritating things right now—in order to win the war—but I don't believe we'll stand for being pushed around much after it's over.

"Frankly, I don't like the name Free Enterprise for the system under which this country has grown great. I'd rather call it *American* Enterprise, because it's the most American thing we have. It really *is* America. Let's *keep* it."

The Army-Navy E flag waves over seven Republic plants and the Maritime M floats over the Cleveland District plant.

In this cause it appearing from affidavit on file that the residence of each and all of the above known defendants and their unknown heirs, devisees, legatees and assigns, if living, is unknown to the affiant subscribing to the affidavit of non-residence now on file in this cause, and that it cannot be ascertained in what State of Country said defendants and each of them reside, if living, and it appearing to the satisfaction of this Court that the above named defendants or their unknown heirs, devisees, legatees and assigns are proper parties to this suit;

On motion of John R. Zeigler, Attorney for Plaintiffs, it is ordered that the appearance of said above named known defendants be entered herein on or before three months from the date of this order; that the said unknown heirs, devisees, legatees and assigns of said known defendants be made parties defendant hereto and that the appearance of said unknown heirs, devisees, legatees and assigns of the aforesaid known defendants be entered herein on or before three month from the date of this order, all in accordance with the statutes of the State of Michigan in such case made and provided; and that in the case of the appearance of such defendants that they cause their answer to the Bill of Complaint to be filed and served according to law, and in default thereof said Bill of Complaint will be taken as confessed by said known defendants and by said unknown heirs, devisees, legatees and assigns;

And it is further ordered that said plaintiffs cause a notice of this suit to be published or served according to law and the statutes of the State of Michigan in such case made and provided.

G. ARTHUR RATHBUN.

Countersigned:
Alice M. Welch,
Dep. Clerk.

REGISTRATION NOTICE FOR GENERAL ELECTION TUESDAY, NOVEMBER 7th, 1944

To the Qualified Electors of the Township of Tecumseh, County of Lenawee, State of Michigan.

Notice is hereby given that in conformity with the "Michigan Election Law," I, the undersigned Township Clerk, will, upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal voter in said Township not already registered who may Apply To Me Personally for such registration. Provided, however, that I can receive no names for registration during the time intervening between the Twentieth Day before any regular, special, or official primary election and the day of such election.

Notice is hereby given that I will be at The Supervisor's Office Wednesday, October 18, 1944.

The Twentieth Day Preceding Said Election

Last day for general registration by personal application for said election.

From 8 o'clock a. m. until 8 o'clock p. m. on said day for the purpose of Reviewing the Registration and Registering such of the qualified electors in said Township as shall Properly Apply therefor.

Registration On Election Day

Sec. 9. If any person whose name is not registered shall offer and claim the right to vote at any election or primary election, and shall, under oath, state that he is a resident of such precinct and has resided in the township or city 20 days next preceding such election, designating particularly the place of his residence, and that he possesses the other qualifications of an elector under the constitution, and that, owing to the sickness or bodily infirmity of himself or some member of his family, or owing to his absence from the township or city on public business or his own business, and without intent to avoid or delay his registration, he was unable to make application for registration on the last 2 days provided by law for the registering of electors preceding such election or primary election, then the name of such person shall be registered, and he shall then be permitted to vote at such election or primary election. If such applicant shall, in said matter, wilfully make any false statement, he shall be deemed guilty of perjury.

Provision in Case of Removal To Another Precinct

Sec. 20.—An registered elector who has removed from 1 election precinct of a city, township or village to another election precinct of the same city, township or village in the same senatorial or congressional district shall have the right to make application to have his registration transferred on any election or primary election day by executing a request over his or her signature for such transfer and presenting the same to the election board in the precinct in which he is registered. Upon receiving such request the inspector of election in charge of the registration records shall compare the signature thereon with the signature upon the applicants registration record and if the signatures correspond then such inspector shall certify such fact upon said request and the applicant for such transfer shall then be permitted to vote in such precinct for that election only. The application for transfer shall be filed with the city, township or village clerk and it shall be the duty of such city, township or village clerk, as the case may be, to transfer such voter's registration in accordance with the application. When the name of any steet in a city or village or township has been changed, it shall be the duty of the city, village or township clerk to make the change to show the proper name of street in the registration records, and it shall not be necessary for the elector to change his registration with respect thereto in order to be eligible to vote. When the resident house numbers of any section of a city or village or township have been changed, such change shall not affect the right of such voter to cast his vote. Corresponding change in the registration records may be made upon election day upon proper showing.

Dated Sept. 28, 1944.

HUGH H. HANNA,
O-12 Twp. Clerk.

THE OLD JUDGE SAYS...

"It sounds almost like a miracle, Judge... how did we ever do it?"

"American industry did it, Sally. When the Japs conquered the chief natural rubber producing centers of the world they thought they had dealt a death blow to our war effort. But, in less than two years, we are producing enough synthetic rubber in this country to supply all our military and essential civilian requirements.

"Our rubber experts knew how to make it but the most practical process at the time required huge amounts of industrial alcohol... far beyond the already overtaxed capacity of our industrial alcohol plants. So, overnight, our country's beverage distillers stopped making whiskey and produced hundreds of millions of gallons of the vitally needed alcohol.

"As a matter of fact, Sally, a high government official said recently '... synthetic rubber is from 6 to 9 months ahead of where it could have been if alcohol had not been available for butadiene production.'"

"We were really fortunate, weren't we Judge, to have a beverage distilling industry in existence... able to help perform this great wartime miracle!"

Plan Now For After Victory Elliott Says

STATE SUPERINTENDENT APPROVES TECUMSEH'S POST-WAR SCHOOL PROGRAM

Reminding his listeners that education, despite the war, has showed a marked advancement, and declaring that new demands will be made upon the schools once Victory has been achieved, Dr. Eugene Elliott of Lansing, state superintendent of public instruction, complimented Tecumseh upon its post-war school program when he addressed approximately 130 business and professional men and women at the Rotary Club's dinner meeting, Tuesday evening at the high school. Dr. Elliott was the third speaker on the club's post-war study programs, which will continue weekly until mid-December.

The State of Michigan is doing a careful and extensive job of post-war planning, Dr. Elliott declared, and surveys thus far made show a renewed interest in education throughout the state. Nation-wide, he said, there also is an upswing in demands for knowledge, sufficient, he pointed out, to be recognized by the federal government in its after-the-war program for veterans.

"We may differ," he said, "as to how education should be presented, how a subject should be taught, but I think that we are all agreed that education's biggest job is to fit folk to live together happily, to make them good American citizens. If education does this it has accomplished its objective."

Referring briefly to Tecumseh's post-war educational program which calls for the erection of a new school building or the remodeling of present buildings, if the demand for room becomes necessary, Dr. Elliott said that such planning is in keeping with the state's plan and is highly advisable. The establishment of a sinking fund for such a purpose, he said, also is in keeping with state recommendations. He pointed out that such sinking funds are now state-supervised, to make certain that funds are properly expended.

Delinquency, the state official declared, is on the increase and moving rapidly and he expressed the hope that the school would correct at least a part of the problem. However, he pointed out that the American home is the basic institution of the nation and, like it or not, he said, "when the American home is gone, the nation is gone." He pleaded for an increase in parental supervision and declared that there are entirely too many boys and girls of 15 years and under who are "not being tucked into bed at night by either of their parents." "That good night kiss and a friendly pat means a lot to a youngster. When it is neglected there's something missing in the home," Dr. Elliott said.

The state superintendent was introduced by W. L. Berkhof, superintendent of schools here. Mr. Berkhof briefly reviewed the plans that have been made by the board of education for Tecumseh's post-war schools. He said that present buildings are crowded to capacity and that despite rumors to the contrary, should the enrollment grow from its present number it would be extremely difficult and detrimental to the school's program to handle more students in present buildings.

Petitions are now in circulation and probably will be filed with the board this week asking that the proposal to establish a $65,000 sinking fund here, the money to be raised at the rate of $13,000 annually, be resubmitted to electors of the district. The proposal has been twice submitted previously and both times has lost by a very few votes. If the proposal carries, it was pointed out, the money thus accumulated would be used to help build a new school or remodel present buildings, and save taxpayers unnecessary expense thru interest payments, etc.

Ralph Comfort, president of the club, presided at Tuesday's meeting and led group singing with, by R. H. Moore. A group of seventh grade students under the direction of Mrs. Dorothy McColl, sang.

INJURED IN ACTION

Pfc. Russell Staley, Jr., who was injured in action in France, September 14, is now in a hospital in England. Both his left arm and right hand are in a cast and a buddy wrote of his injuries to his parents. Russell has been in the army for two years, received his first training at Camp Howze, Texas, and has been overseas since April. He also took part in the invasion of France.

GOOD CONDUCT MEDAL

Pfc. Wm. DePuy, son of Mr. and Mrs. Neil DePuy, who is stationed in Brisbane, Australia, has been awarded the Good Conduct Medal.

New Officers Named By Youth Council

At a meeting of Tecumseh Youth Council held in the high school recently, a new board was appointed, composed of Mrs. R. H. Moore, Mrs. F. K. Smith, Rev. B. O. Bashore, W. G. Waldron, Leland Randall, Rev. John R. Scarlett and W. L. Berkhof. Rev. Scarlett and Mr. Berkhof are members of the former board. The officers chosen are: Mr. Scarlett, chairman; Mr. Randall, vice chairman; Mrs. Smith, treasurer, and Mrs. Moore, secretary.

The first regular meeting of the board was held Sunday evening at St. Peter's rectory.

"Lord's Acres" Harvest Near

CHURCH AT BRITTON TO HOLD "BEE" NEXT WEEK TO REAP 10-ACRE SOY BEAN CROP

"The Lord's Acres," a 10 acre plot of soy beans on the Art Brockman farm 2½ miles east of Britton on M-50, will be harvested by Rev. C. B. Gould and the members and friends of the Goodfellow Club of the Britton Congregational church. Owners of combines and trucks have offered their services and a "bee" will begin today at 1 o'clock to harvest and haul the beans to market. Women of the church will serve lunch to the workers.

All work, seed and land for the crop was donated and proceeds will go to a church fund for special projects. The crop is given entirely to the church and is not a tithing project. It was arranged by the Goodfellow Club under the direction of Bert Moore, Leland Bush and Rev. Gould.

The seed was furnished by J. J. Walper and machinery and tractors have been furnished by Mr. Bush, Charles Patterson, Lawrence Hoagland, Harold Rohrback, Edgar Brandow, Charles Benedict, Grant Hoagland and John Housemait and W. S. Niblack, Glen Gripton, Leo Moore and others have assisted. Edgar Brandow assisted by Raymond Stautter drilled the beans.

Schools Here Honored By Michigan Award

The Tecumseh public schools have been presented with an Award of Merit by the Michigan State Board of Control for Vocational Education.

The certificate reads: "For an outstanding contribution to the program of Vocation Training for War Production Workers operated in cooperation with the United States Office of Education, and essential to the conduct of World War II and the victory of the United Nations."

This award was made in recognition of the evening classes taught for the farmers of the community. There were two series of ten meetings held during the months of January, February and March. One group met at the Tecumseh Grange Hall while the other one was held at the Paragon School.

There were about 85 men enrolled for the two series of meetings. The topic for discussion was "Increasing Milk Production."

Again this year the services of the Tecumseh schools will be extended to the farmers of the community. Because of the heavy drain on the plant food of the soil during the last three years the course will probably center around the "Conservation and Improvement of Soil."

GETS SILVER WINGS

Mr. and Mrs. David Taylor of Ridgeway have received Silver Wings from the Army Air Force in memory of their son Aviation Cadet Courtney Gale Taylor, who was killed in a plane crash near Taft, Calif., August 15. Cadet Taylor who was training for a pilot, would have received his lieutenant's commission at his graduation in December.

NURSES TO MEET

The Lenawee District Nurses' Association will meet at the Methodist church in Adrian Tuesday evening, October 17, for turkey dinner at 6:30 followed by an interesting program. All nurses are invited and local reservations may be made at Tecumseh Hospital.

WOUNDED IN FRANCE

Mr. and Mrs. Vern Miller were notified last Wednesday that their son, Pfc. Russell C. Miller, had been wounded in action in France on September 12. This is the third time Russell has been wounded, once in Italy, and twice in France.

NOTICE

League Drive Opens Sunday

TECUMSEH'S SHARE IN COUNTY-WIDE WAR CHEST AMOUNTS TO $5,343.49

Tecumseh's drive to raise $5,343.49, this community's share of Lenawee county's $48,577 Patriotic League Chest, will get under way officially on Sunday, October 15, and continue for at least a week, Lester Rogers, general chairman, announced today. Committees have been set up to care for the work of soliciting local plants, he said, and he predicted that little more than a week would be needed here to rach Tecumseh's goal. Last year, Tecumseh gave more than $8,000 to a combined League and local Community Chest drive. This year, however, the local Chest is not operating its drive simultaneously with that of the League's.

In many of the local plants, Mr. Rogers said, committees have been set up by workers and soliciting will be done the first of next week. He said that he had named a special committee to care for the work at the Products and it is made up of: Mesdames Karl Thompson, Russell Thurlby, Alta Lidtka, Burnell Moon, Harold Sisson, Russell Garnow, Albert Bagshaw, Lillard Brown and Hal Lewis.

Mr. Rogers also said that ministers in the several churches here would make a special announcement regarding the drive on Sunday, and that literature would be distributed through plants and residential districts.

Persons who desire to give to the League's drive and who are not contacted by a solicitor may leave their contributions at the United Savings Bank or at the village clerk's office, both places having been named as depositories.

The League's drive combines all financial giving in the war effort under one head—in other words, you give once and you are giving to some 22 approved war agencies.

A year ago the League raised nearly $80,000 in the county.

Frank J. Day, 75, Dies; Former Macon Resident

Frank J. Day, aged 75 years, a resident of Macon nearly all his life, died Saturday morning at his home in Adrian township where he had lived for five years. Mr. Day who was a son of the late John F. Leland J. Heidenreich, son of Mrs. Grant Schreder and a brother of P. G. Heidenreich of Tecumseh, is manager of the jewelry store in Jackson which was robbed last week of $20,000 in cash and jewelry by three hold-up men. The manager, his wife, a messenger and 13 customers were driven into the basement by the armed robbers.

REGENT TO SPEAK

Miss Laura Clark Cook of Hillsdale, state regent of the Daughters of the American Revolution, will be the guest of Abi Evans chapter at a luncheon in the Methodist church at one o'clock on Friday, October 13. The regular meeting of the chapter will be held following the luncheon at the home of Mrs. Arthur H. Brown. The regent, Mrs. J. H. Smith, will be the leader and roll call will be "The Best Meal I Ever Ate."

CAMP BROKEN

The P.O.W. camp at Blissfield broke camp this week and left for a destiantion withheld as a military secret. The camp of over 500 prisoners of war was held here over schedule during the good weather to complete the clean-up of crops.

NOW IN FRANCE

Corp. Robert F. Stone, son of Mr. and Mrs. Francis Stone, who was in Iceland for sometime and was later sent to England, is now driving a jeep with the Third Army near Metz, France. The jeeps go ahead of the army to learn and clear the way.

TO MEET WEDNESDAY

The Presbyterian Ladies' Aid Society will meet Wednesday afternoon, October 18, to complete plans for the annual church fair and supper to be held Thursday, October 19.

PARADE OF QUARTETS HERE ON OCTOBER 28

A Parade of Quartets, (barber shop style), will be staged here on Saturday evening, October 28, in the high school auditorium under the sponsorship of the local chapter, SPEBSQSA (Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America).

Some 12 to 15 quartets from other sections of the country will appear on the program, including the Ambassadors from Detroit, the Vets Four from Kalamazoo, the Travelairs from Grand Rapids, Four Flushers from Pontiac and the Charmerettes from Jackson, a girls' quartet. There also will be other entertainment, including group singing.

A complete announcement of the program will be made by the Tecumseh chapter next week.

Baptist Church 105 Years Old

RALLY DAY ON SUNDAY FOLLOWED BY POT-LUCK DINNER IS LARGELY ATTENDED

The 105th anniversary of the First Baptist Church of Tecumseh was celebrated with a Rally Day, Sunday. Special music was given by the Junior choir, under the direction of Mrs. Robert Gillespie and before the sermon by the Rev. B. O. Bashore, promotion exercises were held for the primary and beginners classes. Certificates were awarded by the Sunday school superintendent, Ernest Harris. Four young folk were given Bibles on their promotion to the first year junior school.

Following the church service a family potluck dinner was served to narly 100 people, the members of the Good Cheer class and their husbands acting as hosts and hostesses.

Miss Consuelo Rodriguez, a teacher of Spanish and French at East Lansing, spoke interestingly of her home country, Puerto Rico. The universal language of that country is Spanish and English is taught in the schools from the sixth grade up. The nation has modeled its entire system after the United States, the speaker said, including grade and high school. The principal industries of the country, she said, are coffee, sugar and tobacco. The country looks to the United States for clothing, farm implements and considerable foodstuffs.

During the services of the day, Mr. and Mrs. E. H. Van Vleet were presented with a bouquet, honoring their 41st wedding anniversary. Mr. and Mrs. Ted McConnell also received a bouquet. It was their 35th wedding date.

Out of town guests were Mr. and Mrs. Robert Hutton and children and Perry Lamkin of Detroit, Mr. and Mrs. Dewey Berry and family or Blissfield.

GARDEN CLUB WILL NAME OFFICERS OCT. 20

Tecumseh Garden Club will meet Friday afternoon, October 20, at St. Peter's parish house, for their annual meeting and election of officers. The program will include movies of the west. All members who have not furnished flower arrangements during the year are to bring arrangements to this meeting. Hostesses are Mrs. C. C. Ruppel, Mrs. George Parsons, Mrs. Jack Smith and Mrs. Mertie Waring.

ENTERTAINS PUPILS

Mrs. Margretta Brisbin entertained her piano pupils Saturday afternoon at a weiner and marshmallow roast at her home on North Maiden Lane. Each of the group played a piano solo and Miss Joyce Ziegler, who was a guest, sang vocal solos. Mrs. Harold Laprad and sons and Mrs. Myrna Tingley were also guests.

The group of pupils included Joan Lewis, Vivian and Lois Clark, Joanne Pfaus, Joyce Gray, Lenore Mohr, Jason Woodcox, Martha Jane Kempf, Owen Campbell, Marlou Gilman, Robert Murdoch, Geraldine Daniels and Pauline Bagshaw.

MARRIAGE ANNOUNCED

Mr. and Mrs. Benj. Hammack announce the marriage of their daughter Adalene to Donald E. MacKenzie, son of Mrs. W. D. Springer of Ridgeway, which took place September 25 in Angola, Ind. Mr. MacKenzie who is with the Merchant Marines, and was home on furlough, left Monday for New York City.

MEETING DATE CHANGED

At the last regular meeting of the Baraca Men's Class of the Baptist church it was voted to hold the regular monthly business meeting hereafter on the third Thursday of each month.

The next meeting will be held October 19 at the home of Fred Sheldon, when a full attendance is desired as there is business of importance.

Indians To Meet Redskins on Gridiron Here Friday

CAN TECUMSEH DEFEAT CLINTON IS POPULAR QUESTION IN BOTH TOWNS

Can Tecumseh defeat Clinton?

That was the popular question in both towns, today, as the Indians and the Redskins prepared for their annual football game at Recreation Center, Tecumseh, Friday evening, October 13, at 8 p. m. Playing "under the lights" the contest is expected to attract 1,500 or more spectators.

"This much you can be sure of," was Coach Fred Raikz's comment about his Tecumseh eleven. "We are in the game to win, and we don't mean perhaps. We understand that Clinton is showing a similar spirit, and spectators may be assured of full value for the price of admission."

Clinton, however, it would seem, has a slight edge when it comes to weighing the two teams' ability on the gridiron. The Redskins have seven of their first string men from 1943 back on the playing field against Tecumseh's four, and Coach "Rip" Van Winkle is counting heavily upon these players' years of experience in tipping the game toward the Clinton scoreboard.

Thus far this season, Clinton has played an undefeated football. The school's first contest with Vandercook Lake resulted in a 27 to 0 victory, and the next one with Dexter brought a 25 to 6 score for the Redskins. Last Friday evening at Blissfield, Clinton again run up another victory, defeating the Sugar Boys by a 32 to 6 count. Doc Van Tuyle is Clinton's dangerous tripple-throw captain and he has such assistants as the Gilman twins, Tom and John, who are past-masters at line blocking, passing, kicking and don't do badly at aerial work. Clinton also is noted for its fast-changing plays and its excellent defensive work.

Coach Raizk for Tecumseh is grooming his players for a hard-fought battle but he will be lacking in line weight when the Clinton game begins. Tecumseh has only four of its 1943 squad back on the gridiron, losing seven of its last year's players through graduation. Four of that number were named to the all-county team.

Raizk showed the county that, despite handicaps, Tecumseh can really produce a fighting football team when he invaded Hudson last Friday evening and came home with a 12 to 0 victory for the Indians. Hudson, observers say, doesn't play much easier ball than Clinton, and as one Indian booster put it, "if Clinton's ego holds out, Tecumseh may be able to run up an easy victory."

Poley, Cliff Jackson's understudy, will be seen in Friday's game at fullback, Baker at half-back and Osburn at quarter. There also may be some other changes in the Indians line that will greatly strengthen Tecumseh's position.

The game Friday will be Tecumseh's first on the home gridiron this season, and the second game the Indians have played this year. Advance ticket sales in both Clinton and Tecumseh indicate a keen interest in the contest and some are forecasting that last year's gate records may be shattered if the weatherman dishes up a fair evening.

Mrs. Julia Orr Dies; Buried In Brookside

Mrs. Julia K. Orr, widow of the late W. A. Orr, died Monday morning at her home in Andover, O., where she had lived since leaving Tecumseh over 30 years ago. Mrs. Orr was a sister of the late George Kay. She was one of the first members of Tecumseh chapter, Order of the Eastern Star.

Survivors are a brother-in-law, J. J. Orr and a sister-in-law Mrs. Martha Murphy, of Tecumseh and several nieces and nephews. Mr. Orr died seven years ago.

Funeral services were held Tuesday afternoon in Andover and the body was brought here to the home of Mr. and Mrs. Frank Barrett and J. J. Orr on North Oneida street, where services were held Wednesday afternoon, with burial in Brookside cemetery.

TO BE SENT HOME

Mrs. Walter Mueller has received a letter from her husband Pvt. Mueller, who was wounded in action in France August 31, stating that he had undergone two operations, is not crippled, and will be sent home as soon as able to stand the trip.

TO WED SOON

Mrs. A. J. Kesselring of Jonesville, announces the engagement and approaching marriage of her daughter Miss Wilma Marchand of Tecumseh and Ralph Luckonski of Onsted, the marriage to take place this month.

INDIANS SUCCESSFUL IN FIRST CONTEST OF SEASON FRIDAY AT HUDSON; SCORE 12-0

By Jim Sisson

Last Friday, the Tecumseh football squad traveled to Hudson to win their first game of the season, 12-0.

Tecumseh wasted no time in getting started, as they walked right down the field after receiving the kickoff. On reaching the 18-yd. line, Baker took the ball on an off tackle play and, with the help of nice blocking, raced through the Hudson defense and over the goal line. Poley's kick was wide, leaving the score 6-0.

In the second quarter Tecumseh again took the pigskin after Hudson failed to keep possession of it and on more plays the Indians skirted to the Hudson 5-yd. marker. There Baker again plunged and made the last score of the ballgame. Although Tecumseh threatened several times, the Tiger's defense tightened and the Braves failed to score.

Hudson was on the defensive most of the time. Their threatening play was on an intercepted pass which a Hudson player ran about 30 yards.

Meade, Brown, Hammack, Wood and Creger stood out with their tackling while Osburn, Judd, and Purkey excelled in blocking. Lillard Brown, the Tecumseh runner with speed, made some daring runs around the ends and Poley and Baker were the twin powerhouse who drove through the center of the line. These two reminded the spectators of C. Jackson of last year's team. Hamilton and Dinse were the only substitutes for Tecumseh.

The Lineup

Tecumseh		Hudson
Parkey	LE	Simmons
Meade	LT	Webster
B. Brown	LG	Schook
Hammack	C	Miller

Funeral Services Held For Mrs. Roger Wilson

Mrs. Roger Wilson, aged 36 years, died Friday night at Tecumseh hospital where she gave birth October 1 to a daughter who was dead at birth. Mrs. Wilson was formerly Adeline Denney, daughter of Mr. and Mrs. Jesse Denney of Yoder, Ind., formerly of Tecumseh. She had lived all her life in Clinton and Tecumseh and was a member of Tecumseh Presbyterian church and of the Monroe Auxiliary of Eagles.

Besides her husband she leaves three daughters Jeanette, Irene and Rosilyn, her parents, two brothers, Walter Denney of Tecumseh and Pvt. Robert Denney with the U. S. Army; five sisters, Mrs. Mary Dresselhouse, Mrs. May Seaman, Mrs. Thelma Anderson and Mrs. Annabelle Perry, all of Clinton, and Ruth Denney of Ft. Wayne, Ind., and a grandmother, Mrs. Nancy Nicholson of Ft. Wayne.

Funeral services were held Tuesday afternoon at Collins Funeral Home, Rev. James C. Murdoch officiated and burial was in Brookside cemetery.

Among those from away who attended were Mr. and Mrs. Jesse Denney of Yoder, Ind., Pvt. Robt. Denney, Camp Crowder, Mo., Pvt. Delmar Anderson of Walla Walla, Wash., and others from Ossian, Ind., Ft. Wayne, Ind., Jackson, Monroe, Adrian, Clinton, Saline, Britton, Macon and Tipton.

TEACHER RECEPTION FOR PUBLIC, TONIGHT

A reception for the teachers in the Tecumseh public school system will be held this evening at 8 o'clock in the high school gymnasium. The public is invited, whether or not parents with children in school.

The purpose of the meeting, it was said, is to introduce new teachers, and to better acquaint the public with the school's program, and its job in war time and in post-war.

Refreshments will be served at the close of the meeting.

WED 35 YEARS

Mr. and Mrs. Lester Munger entertained at dinner Sunday in honor of her parents, Mr. and Mrs. Harley Anderson who were celebrating their 35th wedding anniversary.

PRICE CORRECTION

$25,000 Blaze Destroys Barns

FOUR FIRE DEPARTMENTS BATTLE FLAMES ON GARLING "LONGQUEST FARM" NO. 1

Fred Garling who resides on the former Clarkson farm, northeast of town, suffered a loss of $25,000 Saturday evening when fire of undetermined origin completely destroyed two large barns and their contents. While filling silo the blaze was discovered in the roof of the east barn but had made such headway it could not be prevented from spreading. The barns 130x40 and 120x35 were filled with baled hay and straw, 1000 bushels of wheat, 3500 bushels of oats and some chickens which were lost in the blaze. Machinery in the barns was saved along with the two concrete stave silos.

Fire departments from Tecumseh, Ridgeway, Saline and the Ford Farms at Macon, aided by the silo fillers, worked from 5:45 till after midnight and the Ford Farms truck remained all day Sunday while the grain was being salvaged.

The loss was partly covered by insurance.

Aged Resident Dies in Toledo

MRS. GERTRUDE CONKLIN DIES AT HOME OF DAUGHTERS; BURIAL HERE ON SUNDAY

Mrs. Gertrude Conklin, aged 71 years, widow of the late Dr. Herbert R. Conklin, died Friday afternoon at the home of her daughter Mrs. Russell Abbott in Toledo where she had made her home for several years. She had been in failing health for some time.

Mrs. Conklin was born in Macan June 7, 1873 and was a daughter of Dr. and Mrs. George Howell. She was a member of the Methodist church and a teacher in the Sunday school until her health failed. She was also an honorary member of the Wit and Wisdom club and an active member of the Monday Club until her illness.

She leaves the daughter Mrs. Georgianna Abbott of Toledo, a son Lt. Jack Webster Conklin of Washington, D. C., a sister Mrs. Edith R. Triplett of Searsdale, N. Y., two granddaughters Jeanine and Lorraine Abbott of Toledo, and several nieces and nephews, among them Mrs. Ellsworth Collins of Tecumseh.

Funeral services were held Sunday afternoon at Collins Funeral Home. Rev. Edward Escolme officiated and was assisted by Rev. Norman Mac Naughton. Bearers were Ray Gilmore, Fred Temple, Chester Gooding, Charles Allen, John Knight and Frank Allen and burial was in Brookside cemetery. Relatives and friends from Washington, D. C., Toledo, Detroit, Adrian, Milan, Three Rivers, Manchester, Tipton, Britton, Ridgeway, Clinton and Macon attended the services.

Mrs. Fredericka Briegel Buried At Manchester

Mrs. Fredericka Briegel, aged 78 years, wife of Fred Briegel, died early Friday morning at Tecumseh hospital. Mrs. Briegel had been ill for some time and previously a patient at the hospital but had been taken to her home in Manchester and returned to the hospital 12 days before her death. The family had lived in Tecumseh for many years and Mrs. Briegel operated a dressmaking shop here before moving to Manchester.

Besides her husband she leaves a son Dr. Walter A. Briegel of Detroit and a grandson James Briegel of Stamford, Conn.

The funeral and burial were held in Manchester.

Injuries On D-Day Bring Honorable Discharge

Merle Meads S 1/c, son of Mr. and Mrs. Oscar W. Meads of Tecumseh, has received his honorable discharge from the U. S. Navy after two years and five months active service. Seaman Meads was injured in action June 6 during the invasion in France and his discharge was received October 6 at the U. S. Naval Hospital at St. Albans, Long Island, N. Y., where he had been a patient for several weeks. He arrived home Sunday and will be employed at Tecumseh Products Company. Mr. and Mrs. Meads and baby will make their home in Cement City for the present.

Wilbur Meads S 1/c, another son of Mr. and Mrs. O. W. Meads, is still in England, and a third son Robert left Tuesday to join the Merchant Marines.

FIRE PREVENTION WEEK

The President has proclaimed October 8-14 as Fire Prevention Week. Once again the signal has been given for a renewed offensive against our remorseless enemy, uncontrolled fire. Despite the ceaseless efforts of fire prevention authorities, fire losses have doubled in nine years, reaching a total for the past year of more than $400,000,000.

In an appeal to the American people in commemoration of Fire Prevention Week, W. E. Mallalieu, general manager of the National Board of Fire Underwriters, says: "If America's wartime fire waste is to be reduced it will be necessary for every interested person to cooperate in a campaign to spread information about fire dangers. Fire losses increase because most people are not sufficiently interested, and they are not interested because they have not been informed adequately as to the seriousness of losses and hazards. Citizens who do appreciate, can perform a patriotic job by transmitting information to others and convincing them of the need for special efforts to reduce fire waste. To be specific, begin in your own home by locating all fire dangers there and eliminating them. Branching out from there, tell your neighbors about fire safety and get them to clear all fire dangers from their premises. Then contact fire prevention headquarters in your community and offer your services. Finally, make an effort to promote fire safety in your business. If nothing is being done there, be the one to initiate a safety campaign, for it is patriotic to save materials."

Let's all include fire prevention with our daily work, not just for a week or a month, but throughout the year—and let's start now.

A CADET NURSE

Nancy Lee Tingley, daughter of Mr. and Mrs. Dale Tingley, 201 Pearl, Tecumseh, is a member of the largest group of cadet nurses ever to enroll at Wayne University. The women, numbering 273, are all members of the United States Nurse Corps.

Supervised by Gladys Kinlery, instructor in nursing, the Wayne course provides the student nurses with instruction in bacteriology, chemistry, zoology, psychology, sociology, and nutrition. The prospective nurses will complete their course at Wayne next February, when they will return to their hospitals for further training.

CORN PRICES STABLE

The Northwestern Ohio Corn Hybrid Association, largest group of farmers producing Ohio and Michigan Certified Corn Hybrids and other farm seeds, is this week launching a new advertising series in this paper. Personal calls will be made wherever possible, to acquaint more farmers with Northwestern Corn Hybrids. The association announced recently that 1944 corn hybrid prices will continue through 1945.

Northwestern Ohio Corn Hybrid Association, through local dealers, has been serving the farmers of Northwestern Ohio, Northern Indiana and Southern Michigan for nearly 10 years. Watch this series of advertisements during the coming weeks.

CONE

The Honor Roll for those in service from Cone has been placed in the church yard and was dedicated on Sunday afternoon. A tree was also planted in memory of Pfc. Oran E. Copeland.

Prof. Turnbull of the Lincoln Consolidated school gave the address of the afternoon and members of the American Legion and of the Veterans of Foreign Wars were present to pay their respects to soldiers and sailors of World War II. Music was furnished by the high school band.

Clothes Wear Longer
When Properly Cleaned

Are you interested in doubling the amount of wear you will get out of your dress, suit or topcoat? Of course you are, in these war-days when clothing is difficult to buy.

The answer, then, is to have your clothing cleaned and pressed regularly, and give it the care that clothing in war time deserves.

Scientfic experiments show that clothing that is properly cleaned and cared for gives from 50 to 100 per cent more wear than clothing that is neglected.

Let's Rediscover America!

It was in the month of October, 1492, that Columbus and his crew emerged on almost virgin soil and in a comparatively short span of years this great nation has been built by the progressiveness and fortitude of its people.

It is in the month of October, 1944, that this same America, through the fortitude of its people, glimpses the end of a great war—a war that threatened our security, our very right for freedom.

It is, therefore, fitting that we should pause on the 452nd anniversary of the founding of our nation to give thanks for the Divine guidance that has made and preserved our country.

And as we pray for a continuation of Spiritual leadership for our nation let us include a request for wisdom and foresight to rediscover America.

Let's rediscover America for our own and future generations to cherish in freedom and security.

Let's preserve its heritage by producing for Victory. Let's all put our shoulders to the wheel of co-operation; let's give the best that's in us for national unity.

The United States of America is the grandest nation on earth. It's time, then, that all of us rediscovered this fact.

LIBRARY NOTES

The floors and desk in the Library have been refinished. It is a great improvement.

The Library was the recipient of many books from the late Mrs. F. B. Wood when she was leaving here for California. We are grateful for them and we mourn the loss of a thoughtful patron.

To commemorate her own birthday Beverley Hay gave the Children's Room at the Library a new book, "Winnie-The-Pooh" by A. A. Milne. Don't you think that is a nice idea

E. S. Pasmore recently gave us several complete years files of the National Geographic Magazine. We are glad to have them for reference and appreciate his thoughtfulness.

Recent additions to the books in the Children's Room are: "Mother Goose Health Rhymes" by C. M. Bartrug, "Forgotten Island" by Elizabeth Coatsworth, "The Little Kitten That Would Not Wash Its Face" by Edna Groff Delhl, "Blue Willow" by Doris Gates, "Nancy Naylor, Air Pilot" by Elizabeth Lansing, "Exploring with Beebe" by William Beebe.

New books in the Adult Section are: "The American" by James Truslow Adams, "Treasury of American Folklore" compiled by B. A. Botkin, "Your World Tomorrow" by Donald G. Cooley, "Eisenhower" by Francis Trevelyn Miller, "My India—My America" by Krishnalal Shridharani, "Here Is Africa" by Ellen Gatti.

Books selected for reading for the American Literature class of the high school are to be found on a table in the lobby of The Library.

Quality Counts Most in these Days of Rationing

Ask any housewife about quality; ask her if she's more interested in quantity than quality, and you'll get your answer quickly. She'll tell you that it's QUALITY that counts, especially when food is involved.

We learned this truth many, many years ago and for about three-quarters of a century this store has specialized in quality merchandise; foodstuffs that we can guarantee, unconditionally.

If you are interested in quality foodstuffs—where there is a minimum of waste and a minimum of eatability—we invite your patronage.

RIDGEWAY SCHOOL NOTES

PRIMARY—Ridgeway 1 Fr.

The winner of our paper drive was Martha Robinson who contributed 574 pounds of waste paper. Bobby Kizer was second prize winner with 420 pounds, and Ann Ricica was third with 379 pounds. A first prize award will be given to Martha by the American Legion from Britton, and Miss Fliter will contribute the second and third prize awards to Babby and Ann. We have all enjoyed doing our bit in this paper drive.

The Kindergarten people played the story of "The Three Little Pigs" last Thursday. David Linn was the "big, bad wolf," and a very good one, too.

"Butchie" Johns, Jay Dee's dog, was a visitor in our room for a few minutes last Thesday.

The third and fourth graders have finished their stories about their chosen bird and have made covers for their booklets in which they have their stories.

We have a chore chart posted in our room by which the third and fourth graders may tell what chores they are to do just before they are excused at 4 o'clock.

The kindergarten, first and second graders colored a picture of a bluejay for their art last Friday.

Upper Grades

We have 16 pupils enrolled in our room this year.

We are glad to welcome Joan Hindes, Shirlie Netcher, Elizabeth Marion, Mary Louise Southard, Charles Bishop and Iobert Kruger as new members in our room.

It seems lonesome without Vivian VanWagner, Marian Pennington, Ellen Meyers, George and Ann Kizer. All of them are enrolled at Tecumseh this year.

Dick Bishop, Charles Bishop and Allen Anspach have been room helpers this week.

Many from our room are gathering milkweed pods. Those interested in this project are Dick Bishop, Melvin Zarnow, Allen Anspach, Charles Bishop, Mary Louise Southard, Shirlie Netcher and Nancy Sisson.

This week we are cooperating with the American Legion of Britton in the Waste Paper Drive. Watch the school notes next week for the winner.

The fifth grade are begnning the study of Michigan. Miss Dibble is reading to us all, "Hello, Michigan" by Bernice Bryant Howe. It is the story of a boy and his uncle touring the state in a house-car. We trace their route on a road map and in that way learn interesting facts about our home state.

We had a nice surprise the first day of school. It was a lovely picture of Christ by Hoffman to hang on our school room wall.

The Hygiene class made us some nice fruit wagons as posters for our bulletin board.

Thursday was clean-up day. We cooperated with the third and fourth grades and improved the looks of our front lawn. The School Board assisted with the back yard over the weekend. Now we have a much better place to play.

Our school placed an exhibit at the County Fair this year.

Howard Pennington, Allen Anspach and Christine Robinson, members of our sixth grade had perfect spelling lessons for the week.

Lillian Dibble.

BRING US YOUR POULTRY PROBLEMS

Our purpose is to give you the benefit of a wide experience in dealing with hundreds of flocks of poultry.

YOUR OWN GRAIN

For instance, if you have home grown grain, let us advise you how to make it go the furthest in your poultry program. We have a 32% Poultry Balancer, which, when mixed PROPERLY with your own grain, will give you a balanced ration.

WE HAVE FORMULAS

We would consider it a favor if you would really bring us your problems. You are under no obligation to buy from us. But we really feel that when you see what HAYDEN'S 32% POULTRY BALANCER will do toward developing a properly balanced ration, that you'll always want to

HASTEN TO HAYDENS!

PUT MORE MILES Into Your Old Tires With RELINERS!

Are you worried about your tires—worried about punctures and blow-outs, worried that they may not carry you through until new tires are available?

Most of us are worried about just these things and our answer to such troubles is RELINERS. Reliners are an excellent thing in any worn tire, and once installed they assure many, many miles of extra wear.

THEY'RE EASY TO INSTALL

Reliners are very easy to install. We have them for most standard tires, and for a 6.00 x 16 tire the cost is only $19.50, installed in five tires. Bring your car in this week and let us inspect your tires and determine if reliners are not the answer to your motoring problem.

WE STILL NEED OLD TUBES—FOR CASH

We need all of the old inner tubes that we can find. We want them, regardless of condition. We'll pay you cash for them—just bring them to our station.

REGISTRATION NOTICE FOR GENERAL ELECTION TUESDAY, NOVEMBER 7th, 1944

To the Qualified Electors of the Township of Tecumseh, County of Lenawee, State of Michigan.

Notice is hereby given that in conformity with the "Michigan Election Law," I, the undersigned Township Clerk, will, upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal voter in said Township not already registered who may Apply To Me Personally for such registration. Provided, however, that I can receive no names for registration during the time intervening between the Twentieth Day before any regular, special, or official primary election and the day of such election.

Notice is hereby given that I will be at The Supervisor's Office Wednesday, October 18, 1944.

The Twentieth Day Preceding Said Election

Last day for geenral registration by personal application for said election.

From 8 o'clock a. m. until 8 o'clock p. m. on said day for the purpose of Reviewing the Registration and Registering such of the qualified electors in said Township as shall Properly Apply therefor.

Registration On Election Day

Sec. 9. If any person whose name is not registered shall offer and claim the right to vote at any election or primary election, and shall, under oath, state that he is a resident of such precinct and has resided in the township or city 20 days next preceding such election, designating particularly the place of his residence, and that he possesses the other qualifications of an elector under the constitution and that, owing to the sickness or bodily infirmity of himself or some member of his family, or owing to his absence from the township or city on public business or his own business, and without intent to avoid or delay his registration, he was unable to make application for registration on the last 2 days provided by law for the registering of electors preceding such election or primary election, then the name of such person shall be registered, and he shall then be permitted to vote at such election or primary election. If such applicant shall, in said matter, wilfully make any false statement, he shall be deemed guilty of perjury.

Provision In Case of Removal To Another Precinct

Sec. 20.—An registered elector who has removed from 1 election precinct of a city, township or village to another election precinct of the same city, township or village in the same senatorial or congressional district shall have the right to make application to have his registration transferred on any election or primary election day by executing a request over his or her signature for such transfer and presenting the same to the election board in the precinct in which he is registered. Upon receiving such request the inspector of election in charge of the registration records shall compare the signature thereon with the signature upon the applicants registration record and if the signatures correspond then such inspector shall certify such fact upon said request and the applicant for such transfer shall then be permitted to vote in such precinct for that election only. The application for transfer shall be filed with the city, township or village clerk and it shall be the duty of such city, township or village clerk, as the case may be, to transfer such voter's registration in accordance with the application. When the name of any steet in a city or village or township has been changed, it shall be the duty of the city, village or township clerk to make the change do show the proper name of street in the registration records, and it shall not be necessary for the elector to change his registration with respect thereto in order to be eligible to vote. When the resident house numbers of any section of a city or village or township have been changed, such change shall not affect the right of such voter to cast his vote. Corresponding change in the registration records may be made upon election day upon proper showing.

Dated Sept. 28, 1944.
HUGH H. HANNA,
O-12 Twp. Clerk.

Statement of ownership, management, etc., required by the Acts of Congress of August 24, 1912, and March 3, 1933, of The Tecumseh Herald, published every Thursday at Tecumseh, Mich., for October 1, 1944.

State of Michigan, County of Lenawee, ss: Before, me, a notary public, in and for the state and county aforesaid, personally appeared Earl L. Wickwire, who, having been duly sworn according to law, deposes and says that he is the owner and publisher of The Tecumseh Herald, and that the following is to the best of his knowledge and belief, a true statement of ownership, management, etc., of the aforesaid publication for the date shown in the above caption, required by the Act of August 24, 1912, as amended by the Act of March 3, 1933, embodied in Section 537, postal laws and regulations, to-wit:

That the names and addresses of the publisher, editor, managing editor and business manager are: Earl L. Wickwire, Tecumseh, Mich.

That the owner is: Earl L. Wickwire, Tecumseh, Mich.

That the known bondholders, mortgagees, and other security holders owning or holding 1 per cent or more of the total amount of bonds, mortgages or other securities are: F. W. Prentice, Adrian, Mich.

That the two paragraphs next above, giving the names of the owners, stockholders and security holders, if any, contain not only the list of stockholders and security holders as they appear upon the books of the company but also, in cases where the stockholders or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting, is given; also that the said two paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner; and this affiant has no reason to believe that any other person, association or corporation has any interest direct or indirect in the said stock, bonds, or other securities than so stated by him.

(Signed) Earl L. Wickwire, publisher and owner. Sworn to and subscribed before me this 28th day of September, 1944. L. Edna Staulter, notary public. (My commission expires June 23, 1945).

War Bond Dollars Are DOUBLE DUTY DOLLARS

HAYDEN PORK MAKER
Hayden Flour Mills Tecumseh, Mich. Oct. 12, 1944

FRIDAY THE 13th IS A LUCKY DAY

For the feeder who has learned the secret of balancing his own grain with Hayden's Hog Balancer.

THIS IS THE TIME OF YEAR WHEN

most hogs receive a sudden change in their feeding routine. A lot of hogs are suddenly taken off from a balanced ration and put on a soft corn diet only. They are turned into the corn or the corn is brohght to them.

Your hogs will keep on the gain if you incorporate

HAYDEN'S HOG BALANCER

into their feeding ration.

Ask for feeding directions!

HASTEN TO HAYDENS!

How about spending the next 5 minutes in hell?

FOR the next few minutes, imagine that you're an American soldier.

You might, for instance, imagine that you're a 20-year-old kid from Indiana, who got hit at Salerno, months ago.

Since then, you've been lying in a base hospital somewhere, with a leg that never stops hurting and a hole in your belly that makes the younger nurses sick when they try to dress it.

Or you might imagine that you're a war prisoner in an enemy hospital. For nearly two years now, you've been ill and weak and hopeless. And ahead of you lies a gray stretch of more sickness and weakness—while you try to keep alive the hope that somehow, sometime, you'll see your home again.

It doesn't make much difference where you let your mind take you—just as long as you put yourself in one of the spots where, at this minute, men are going through as real a hell as this earth ever sees. But do it, won't you?

If your imagination is any good at all, you'll dig down deep this year for your Community War Fund. For your money, through the U.S.O. Camp Shows and the War Prisoners' Aid, will help the boy in the hospital forget, for a little while, his hurt. It will give the man in the hospital new hope to carry him through.

When you give, you give just once, for all. So give all you can—

THE TECUMSEH HERALD

NINETY-FIFTH YEAR—NUMBER THREE | TECUMSEH, MICHIGAN, THURSDAY, OCTOBER 19, 1944 | FIVE CENTS PER COPY

Factory Heads Are Optimistic

POST-WAR HOLDS NO FEAR FOR THREE LOCAL PLANTS, ROTARY STUDY MEETING TOLD

That three more of Tecumseh's industrial plants are looking toward post-war with an optimistic eye was disclosed here when the heads of the three factories, now almost entirely on war production, bared some of their after-Victory plans at another of the Rotary Club's post-war planning meetings, at the high school, Tuesday evening. The dinner-program was the fourth in a series of 12 meetings, sponsored by Rotary, in an endeavor to acquaint business and professional men and women here with the problems this village faces after the defeat of the Axis powers. Some 90 non-Rotarians are guests at each meeting.

L. P. Williamson, owner of Mastercraft Products, which company is building bomber and glider parts for the Army, declared that while his company is considering no immediate change-over, because the war is not yet won, it is giving careful consideration to post-war, and already has patent rights on one peace-time product for which it has received tentative orders. Others are being considered, he said, and he indicated that his plant would stride ahead as quickly as industry receives the green light from the government releasing raw materials.

The one peace-time product, Mr. Williamson said, is a new style wagon for children. It is so constructed that it cannot be tipped over when turned sharply, and it also can be used as a push-wagon, if desired. He said that the product has been shown to one large hardware buyer and a tentative order placed for 100,000 of the vehicles. The wagon was on display at the meeting, and was operated by two children. It attracted considerable attention.

"We have many new things under consideration," the speaker said. "We believe firmly in Tecumseh's future and we are very optimistic."

Donald Nixon, head of the Quaker Oats Company's plant here, declared that his company, too, is making post-war plans and that he believes the outlook for his factory in Tecumseh is bright.

Among other things that the Quaker company is considering, Mr. Nixon said, is the building of a new boiler house, at a cost of $35,000 to $40,000. This would indicate that an expansion plan of some kind for the Tecumseh plant is under consideration. Mr. Nixon also said that the manufacture of macaroni would be revolutionized after the war with the adoption of speedy electric dryers. Quaker also plans to streamline its package after Victory, which will necessitate the installation of new packing equipment.

"Our idea of post-war is a steady program of progress. Improvements we plan may not come quickly. It may require a year or two after the war to complete them," he said. He declared, however, that he was of the opinion that Quaker's payroll would remain as large or larger than it is now with steady employment for everyone.

W. J. Bruce, head of the Bruce Foundry & Manufacturing Co., now almost 100 per cent war production, said that he could see plenty of post-war business ahead and indicated that his plant would continue to hold most of its customers after Victory has been won. Mr. Bruce declared that his plant has been expanding rapidly to care for its war-time business and he indicated that it would continue such a policy in peace time.

At next week's meeting, Carlton Finkbeiner of Toledo, a member of the engineering firm that has completed plans and specifications for Tecumseh's after-the-war growth, will speak. It was Mr. Finkbeiner's company that made the survey here which calls for the spending of more than $1,600,000 in sewers, water mains, a sewage disposal plant, etc., to care for Tecumseh's expected growth to a city of 7,00 to 8,000 within five years after the war's end.

COSTUME PARTY

Band members and their parents will hold a Hallowe'en party this (Thursday) evening at the Grange hall, with a potluck supper at 7 o'clock. All attending are to come in costume.

VOLLEY BALL MEET

Tecumseh's church volley ball league will hold its first meeting on Monday, October 23, at 7 p. m., at the high school gymnasium. The purpose is to organize league teams and to draft a schedule.

O. E. S. MEETING

The semi-annual meeting of the Lenawee-Monroe Association of the Order of the Eastern Star is being held today in Morenci.

Attention, Mr. Zeigler! Here's A Real Dewey Fan

In a certain window in a Tecumseh home is a picture of Gov. Thomas E. Dewey.

Nearby lives a 5-year-old lad whose daddy has gone to war.

The bright-eyed youngster has eyed the picture of Mr. Dewey for several days but it was not until yesterday that he broke his silence.

"Mother," he called, as he scampered into his home. "Why can't we have a nice looking daddy picture in our window like the folk next door?"

It has been suggested that the name of the young Republican be turned over to John R. Ziegler, chairman of the township G.O.P. committee, that he may furnish him with a picture of the "nice looking" Mr. Dewey for his very own.

V-Mail Letter Adds to Mystery of Lost Veteran

BEARS NAME OF SGT. EDWARD BRAZEE, REPORTED MISSING IN INDIA IN JUNE

A V-mail letter, bearing the name of Sgt. Edward Brazee of Tecumseh, a member of an American Army hospital unit in India who was reported "lost in flight" on June 14, has been received by The Tecumseh Herald. The letter reads:

"'Effective immediately and until further notice, please do not send any more mail to me at address given below. I will advise you promptly when mail should be resumed and will give you my proper address. I cannot do so now for military reasons."

The paragraph above is a part of the printed form on the letter and hand-printed below was the name of Sgt. Brazee, his serial number and correct army address. Although there is a place on the form for a censor's mark the message was not censored. Likewise it was not dated. The letter bore an official Army postoffice cancellation and on the back of the letter was a Chicago postoffice cancellation.

The letter was immediately turned over to the Sergeant's parents, Mr. and Mrs. Alvin Brazee and Mrs. Brazee say that she is almost certain that the hand-printing is that of her son. V-mail letters, of course, are greatly reduced in photographic process, making it somewhat difficult to distinguish all of the peculiarities of writing.

Sgt. Brazee was located in Chabu, a province of Assam in India, some 600 miles northeast of Calcutta and 50 miles from the Chinese border. His parents have been advised that he had been granted a short furlough and was aboard a plane, enroute to Calcutta, when the ship and all of its passengers disappeared. The ship was not "on action flight" and was believed over friendly territory.

The Brazees have since learned, through correspondence with relatives of other men located there, that the missing ship was found, as were the bodies of 13 of the 15 men aboard. Two men, however, were missing.

After Sgt. Brazee was reported missing by the Army The Herald received its customary notice from the Postoffice Department, advising his newspaper should be stopped. No newspapers have been mailed to him for several weeks.

Weekly, The Herald mails more than 400 newspapers to men in service. In the two years of war, it has received hundreds of changes in address and many others' orders concerning veterans' mail. This, however, is the first V-mail instruction it has ever received. Most notices concerning address changes come from the postoffice department. This V-mail letter would appear to have come directly from the sergeant.

The missing man's parents do not know what to make of the letter. They are wondering if perhaps Sgt. Brazee fell into the hands of the enemy and is now a prisoner of war. They are wondering if he took this means (writing a "hold order" to his newspaper) of informing the folk back home that he survived the plane crash.

All is conjecture, but Mr. Brazee, the father, is asking the War Department if it can figure out the problem. He also has asked the Red Cross to do what it can in attempting to locate his son.

WEEK OF PRAYER SERVICE

All women of the Methodist church will observe a Week of Prayer and Self Denial, beginning Wednesday, October 25, with a worship service in the church at 2 o'clock.

Lavern Mansfield who is stationed in the Marianna's in the Southwest Pacific, has been advanced from the rank of corporal to sergeant.

Harmony Parade Here October 28

BARBER SHOP SOCIETY TO STAGE SECOND ANNUAL POW WOW AT HIGH SCHOOL

A parade of harmony, featuring more than a dozen barber shop quartettes, will be staged at the high school auditorium here on Saturday evening, October 28, at 8 p. m., under the auspices of the Tecumseh Chapter, S.P.E.B.S.Q.S.A. (The Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America). Advance ticket sales for the entertainment, limited to less than 500, are in considerable demand and it was believed today that the "Standing Room Only" sign would be displayed at the school long before the opening curtain.

The local chapter of the Barbershoppers was organized about two years ago and three quartets have been formed in Tecumseh, one the TP Broadcasters, the other the KP Four. The third quartet has not yet been named and will make its first appearance at the Parade next week.

Included in the quartettes to appear at the entertainment next week is the Charmerettes, a girls' quartet from Jackson, the Ambassadors from Detroit, the Vets' Four from Kalamazoo, the Travellers from Grand Rapids, the Food City Four from Battle Creek, the Four Flushers from Pontiac, the A & P Four from Jackson, the Balladaires from Detroit, the Maple Leaf Four from Windsor, Ont., and the Nightie Four from Jackson.

"Anyone who is interested in harmony and music will get more than their money's worth at the harmony parade next week," Charles O. Butler, a member of the local chapter, declared today. "Some of the quartets that we have coming are top-ranking in the nation and there is some real music in store for Tecumseh folk who attend.

Mr. Butler pointed out that the local quartettes have traveled to many cities for such harmony parades and, he said, have made a decided hit with audiences. The TP Broadcasters dress in Indian fashion.

The program here calls for the appearance of all listed quartettes and in addition songs by the Tecumseh Glee Club, made up of 24 members. There also will be community singing led by Clarton Scott.

The TP Broadcasters Quartet is made up of Wiley McCann, Wesley Costigan, Herbert Gilmore and C. O. Butler. The KP Four is composed of Garth Hall, Duncan Oliphant, Carl Thomas and Al Williams. The third quartet's name and membership will be announced later, as may be a girls' quartet.

The committees in charge of the local parade are: program, W. Costigan, C. O. Butler, W. McCann, F. Dickinson, R. Roe, D. Oliphant, G. Hall; tickets and advertising, Mr. Butler, Mr. Oliphant, Russ Havens, Al Bagshaw, P. Heldenreich, F. C. Hanna, Fred Fairbanks; decorations and stage settings, Mr. Hall, Mr. Fairbanks, W. Abbott, J. Tressler, H. Cubberly, Mr. Dickinson and W. Winfield; reception, Geo. A. Rathbun, Mr. Roe, Mr. Costigan, Neil DePuy, Mrs. C. O. Butler, Mrs. H. Gilmore, Mrs. W. McCann, Mrs. G. A. Rathbun.

Evangelist To Speak At The Friends Church

Rev. Peter Varonoff, internationally known evangelist and author of "12 Years Under Dictatorship," will speak at the Tecumseh Friends church Friday evening, October 20, at 7:45. Mr. Varonoff, a native of Russia, will discuss current events in Europe leading up to the present World Crisis, and will relate his own experiences, speaking on "Russia, God and Victory." His message will be illustrated with sound movies and colored slides.

HARVEST-MOME SERVICE

Annual Harvest Home Sunday will be observed Sunday, October 22, at the Baptist church. Rev. B. O. Rashore's sermon topic will be "Priceless Intangibles." All contributions of vegetables, fruits, canned goods, jellies or other articles will be used for charitable purposes in the community and are to be left at the church Saturday.

The Junior and Senior Choirs will sing and Whittier's "Corn Song" will be sung by a group of farm boys.

FIRST AID CLASS

A class in First Aid will be started Monday evening, October 23 at 7:30 in the Library basement under the direction of Mrs. Lewis Lent, certified Red Cross First Aid Instructor. This is a 20 hour course and you will not be required to donate time to the Red Cross upon completion. Certificates from National Red Cross will be awarded at the end of the course.

Have You Heard About Tecumseh's Justice Who Went Hunting Minus Gun?

We've read stories about the absent minded professor from Oshkosh but it takes two citizens of "good old Tecumseh" to pull the prize boner that might call for a Nee Deal medal of honor.

It seems that Justice F. C. Hanna felt the urge last Sunday to do a bit of pheasant hunting. Roy Prichard, the daytime "arm of the law" in Tecumseh, also had the urge. They agreed they'd take off at 4:30 on Monday morning and by daybreak arrive at their favorite hunting spot.

Officer Prichard sounded his horn in front of Justice Hanna's West Pottawatamie home at sharp 4:30. Out came the justice in his best hunting togs. They exchanged greetings and then rode some 25 or 30 miles to the choice hunting grounds.

Out of the car Roy asked: "Charley, where's your gun?"

"I forgot it," replied the justice. "Got an extra one?"

We don't know the rest of the story, except that the men returned to Tecumseh to get the judge's gun. We do know, however, that they have carefully guarded the secret of the judge's absent-mindedness.

Plan Observance of Navy Day in Tecumseh

MAYOR ELLIOTT ISSUES PROCLAMATION; SPEAKER AT THE HIGH SCHOOL

A fitting observance of Navy Day in Tecumseh, October 27, is being planned with a patriotic program and speaker at the high school.

Mayor J. Floyd Elliott today issued this proclamation:

Navy Day will be observed here and throughout the nation on Friday, October 27, in patriotic testimony to the brave defenders of Liberty and of our Country.

The purpose of this annual observance is to focus the attention of all our citizens on the United States Navy, the Merchant Marine, our Navy flyers, and the Marine Corps, and all their activities; to the end that citizens of those or promote an intelligent understandganizations in peace as well as in wartime emergencies and, more than all, to give them that vocal patriotic backing and encouragement that is so necessary to the promotion of high morale. It seems particularly important this year of war that we at home lend them our encouragement, particularly with many of the sons and daughters of our own community participating in the Holy Cause of Freedom.

Therefore, let us, by the observance of this anniversary, demonstrate our devotion to those who have sacrificed themselves and those others who are willing so to do, that we may again come to peace and to an enjoyment of blessings that abound here as in no other land. And let us resolve that we shall strive to preserve for posterity those same blessings which we hold so close to our hearts.

Monday Club Members To Aid Voters To Polls

Tecumseh Monday Club met Monday afternoon for a short business meeting and musical program, the remainder of the program being cancelled because of the non-arrival of the speaker. During the business session five names were read for membership and the resignation of Mrs. W. H. Wehr was accepted. The program consisted of assembly singing of "Marseillaise" and "Soldier's Chorus" and a piano duet "Waltz from Faust" by Mrs. George Parsons and Mrs. Kenton Hunt. Mrs. Lee Jacokes was leader and Mrs. B. B. TurnBull and Mrs. W. L. Berkhof the hostesses.

Announcement was made that anyone needing transportation to the polls on election day may notify club members.

"Russia" will be the topic of the October 30 program, with Miss Gertrude Spaulding as leader and Mrs. Rickard Jackson and Mrs. Grace Coffey the hostesses.

DIES AT CLINTON

Mrs. Alma M. Witherell, aged 94 years, died Thursday at her home west of Clinton. Mrs. Witherell was born in New York State March 15, 1850, but had lived for over 70 years in the home where her death occurred.

She leaves a daughter Mrs. Frank Bailey and a son Roy Witherell of west of Clinton, four grand children and one great grandchild. Mr. Witherell died 22 years ago.

Funeral services were held Saturday afternoon at the House Funeral Home in Clinton. Rev. Alvin Brazee officiated and burial was in the Reynolds Corners cemetery.

Theatre Party On Hallowe'en

STRAND TO PRESENT SPECIAL SHOW FOR SCHOOL CHILDREN ON OCTOBER 31

A special show for all public and Ford school children in Tecumseh —this village's gift to the youngsters on Hallowe'en—will be staged at the Strand theatre at 7:15 on the evening of October 31, Wade L. Jones said today.

"Again, we find our nation at war, and we believe it entirely fitting, therefore, to follow last year's procedure and stage a special theatre party for the young folk, rather than to attempt any other kind of celebration," Mr. Jones said. "We have arranged with the management of the Strand to give a full-length show for the school students on Hallowe'en and every youngster will be admitted as Tecumseh's guest."

Mr. Jones said that all school children, from kindergarten thru high school, either in the public schools or in the Ford school here, would be welcome to attend. And that is necessary is that they report at the theatre where tickets will be issued.

"We are indeed grateful to the young folk here for the cooperation we have received in these Hallowe'en parties," Mr. Jones said. "Of course, the reason that we stage them is to eliminate vandalism. Last year and two years ago there was no local destruction, no windows were soaped. We expect that the youngsters will refrain from such any vandalism this year, too, and we know that they will. This is not a time for the destruction of property, not the time for soapy windows. Help is scarce, everybody is busy. I know the youngsters understand, and, when the war is won, Tecumseh will give them a Hallowe'en party in old-fashioned style, with a parade, cider, donuts and all the trimmings."

Mrs. C. M. Halladay Dies At Clinton Home

Mrs. C. M. Halladay, aged 82 years, died early Friday at her home west of Clinton after several months illness. Mrs. Halladay was formerly Rachel Post and was born in Belmont, Michigan, December 15, 1861. She was married to Mr. Halladay, October 6, 1880. Mrs. Halladay was a member of Clinton Woman's Club, and the Order of the Eastern Star, and had been a member of the Clinton Congregational church for 63 years.

She is survived by her husband, Clinton township supervisor; two daughters, Mrs. Vivian Kendall of Grass Lake and Miss Inez Halladay at home; also two granddaughters, Mrs. Marilyn Heal and Miss Inez Kendall of Grass Lake.

Funeral services were held Sunday afternoon at the Congregational church in Clinton. Rev. O. E. Priest officiated and burial was in Riverside cemetery.

Construction Employee Is Killed By Truck

The body of John R. Bugg, who died last Tuesday after being run over by a truck loaded with gravel, was taken to Sandusky, Michigan, for burial. Mr. Bugg, who was 74 years of age, was an employee of the Oak Construction Co., who are building new pavement from Tipton to Billingtons Corners, and the accident occurred east of Tipton. He was leaning over near the edge of the pavement when the large company gravel truck backed up, knocked him down and backed over his body.

Mr. Bugg's home was at Tyre near Cass City, where the widow and a family of five reside.

Coroner Ed Braun of Adrian decided no inquest was necessary.

"Lord's Acres" Harvest Yields 208 Bu. Beans

The "Lord's Acres" ten-acre plot of soybeans on the Brockman farm east of Britton harvested last week, yielded 208 bushels, which brought a total of $427 for the Goodfellow Club of the Congregational church of Britton. Members of the club arranged the planting and harvesting and combines were furnished by Jennings Frayer, John Houseman, Charles Benedict, T. J. Rixom and Mr. Brockman. Edward Rogers, Stanley Smith and Perry Younglove furnished trucks for hauling. The money which will be used for church purposes will be presented to the church trustees and formally dedicated at a service to be held Sunday evening, November 5.

COMING HOME

Word was received Monday that J. Franklin Barritt S1/c, is on his way home from Guadalcanal, after 15 months service in the Pacific area. He is the son of Mr. and Mrs. Frank Barritt.

Barn Is Destroyed In Blaze Here Sunday

Fire of undetermined origin completely destroyed a large barn at the home of Mr. and Mrs. Clarence Cole on North Oneida street Sunday afternoon. The blaze was discovered by a neighbor George Cooper and seemed to have started in the upper floor or roof of the building. The barn was of heavy construction with double walls and the blaze which spread rapidly, was out of control when the fire department arrived.

The loss included a truck, bicycle, threshing equipment and a large supply of tools on the main floor; a quantity of furniture, awnings, porch furniture, screens and other articles stored on the second floor. Two cars, a lawnmower, a canvas and a few tools were saved. The loss not yet estimated, is partly covered by insurance.

League's Drive Moving Slowly

LESS THAN ONE-HALF OF TECUMSEH'S QUOTA OF $5,300 HAS BEEN SUBSCRIBED

Less than one-half of Tecumseh's quota of $5,300 in the Lenawee County Patriotic League's drive locally had been subscribed last night, Lester Rogers, chairman, announced. Thus far, Mr. Rogers said, total receipts amount to $2,169.

Mr. Rogers said that the work of soliciting had been practically completed in five of Tecumseh's plants and he said that it would be finished in most other plants within the next week. The solicitation of the business district will be accomplished next week, he said.

"I hope that we can reach our quota in Tecumseh without making a house to house canvass," the chairman said, "but unless there is a more generous response this may be necessary. Of course, the total will be swelled when we hear from some of the other factories, but we still have a long way to go to reach our goal."

Last year, Tecumseh subscribed more than $8,000 to a combined League and local Community Chest fund. This year, however, the local Chest fund campaign is not being run simultaneously with the League's drive.

The Patriotic League is seeking more than $48,000 in a county-wide drive, and purpose of which is to furnish funds for all needy wartime agencies in a single campaign. The drive will continue until November 8.

Persons here who desire to give to the fund and who have not been contacted by solicitors may leave their contributions at the United Savings Bank or at the office of Wade L. Jones, both offices having been named as depositors.

Mrs. Elizabeth Palmer Buried At Ridgeway

Mrs. Elizabeth J. Palmer, widow of the late Irvin Palmer, died last Wednesday afternoon at the home of her daughter Mrs. Lillian Buttolph in Britton where she had made her home since the death of her husband in March 1943. Mrs. Palmer who was formerly Elizabeth McCarbery, had spent nearly all her life in Britton and vicinity and was a member of the Christian church and Dorcas class. She was 68 years of age.

Besides the daughter, Mrs. Buttolph, she leaves two sons Leland of Dundee and Elwood of Ridgeway; two brothers Robert McCarbery of Britton and Charles McCarbery of Macon; also three grandchildren and nine nieces and nephews.

Funeral services were held Saturday afternoon at the Niblack Funeral Home in Britton. Rev. C. B. Gould officiated and burial was in Ridgeway cemetery.

ALTAR SOCIETY MEETS

The Altar Society of St. Elizabeth church met last Wednesday night at the home of Mrs. Harry Weakley with 20 in attendance, including Rev. Fr. Herbert Weier. Plans were made for a Hallowe'en party to be held October 30 in the church basement and also for a series of Thursday afternoon benefit parties. In conclusion refreshments were served by Mrs. Weakley and Mrs. Clarence Walter.

The November 8 meeting will be held at the home of Mrs. Thomas McCann.

Sunday morning mass at St. Elizabeth's will be held at 9 o'clock during the winter months.

Clinton Downs T.H.S. Indians

RAIZKMEN SUFFER FIRST DEFEAT AT HANDS OF REDSKINS IN SEVEN YEARS

True, it was Friday the thirteenth, but the jinx worked in reverse for Coach "Rip" Van Winkle's Clinton Redskins and for the first time in seven years the high school eleven from the Woolen Mill Town defeated the Tecumseh High School Indians, by the score of 26 to 0. The game was played under the lights at Recreation Center here, last Friday evening. A crowd, estimated at more than 2,500 saw the game, one of the largest crowds ever to jam the Center.

The Indians started out good in the first quarter and held the Redskins for several minutes of play, in fact they reached Clinton's five yard stripe when a bad pass from center on fourth down cast them the ball. The Redskins immediately started a hard-hitting attack that carried through without weakening during the remaining quarters. John Gilman took the ball on an off tackle play and ran 50 yards along the sidelines for the first score. Van Tuyle kicked for the extra point, thus ending the first stanza.

In the second period, Clinton having recovered a fumble on Tecumseh's 15-yard line, scored twice again, Van Tuyle carried the ball over the goal line on both occasions. The kick for extra points was wide. Bob Baker, Tecumseh halfback, was hurt during the second quarter and sat on the bench most of the game along with Poley, the Indian's fullback, who was hurt previous to the contest. The fact that these two players were out of the game undoubtedly aided Clinton's chance to win.

It was in the second half of the ball game that Tecumseh buckled down and held Clinton scoreless until the last quarter when Van Tuyle again plunged for a touchdown and passed for the extra point. Osburn showed fine style for the Braves but, possibly because it was the 13th., failed to make the needed yardage.

Tecumseh is idle this week but travels next Friday to Manchester for a game with the Dutchmen. Manchester has a strong team this year and is expected to give Coach Fred Ralzk's Tribe no small amount of trouble.

Enthusiasm ran high both in Tecumseh and in Clinton previous to last week's game and, according to the man on the street, bets were numerous on both teams. Indian supporters held a snake dance and pow wow here last Thursday evening, climaxed by a huge bonfire in the high school park. After the dance, about 200 youngsters went to Clinton to stage a pep meeting there. Enroute, a car driven by Don Baker and in which three other students were passengers, overturned at the Grange Road and M-52, when they attempted to avoid a car that was making a turn off the highway. No one was hurt.

Clinton, following Tecumseh's pep meeting there, returned the compliment and visited Tecumseh, hanging from them a skunk that had been killed on the highway, north of here. The smelly animal's carcas was parked in the downtown area here, only to be removed later by police.

Barry Freckelton, son of Mr. and Mrs. James Freckelton, lost one front tooth and loosened several others during the pep meeting held at athletic field Thursday evening. During the snake dance he was on the whip end and when the whip cracked he was thrown to the ground striking on his face.

Charles E. Gray, 75, Buried In Brookside

Charles Edgar Gray, aged 75, retired printer and a Spanish War veteran, died Thursday at the home of his brother Bert E. Gray on N. Van Buren street, where he had spent the past year, coming here from Lafayette, Ind. Mr. Gray was born in Tecumseh, October 7, 1869, and was the eldest son of Charles L. and Elizabeth Gray. He spent his early life in Tecumseh and was employed as a printer at the Herald office. He served five enlistments as bugler with the Michigan State Troops and in the 31st Infantry Band in Cuban service during the Spanish-American War. He was a member of the Masonic Lodge and Order of the Eastern Star in Transitville, Ind. On July 21, 1923 he was married to Emma Lerch who died in March 1940. Mr. Gray had been ill for several years.

Survivors are two brothers, Bert E. Gray of Tecumseh and Leon C. Gray of Angola, Ind, and several nieces and nephews.

Funeral services were held Saturday afternoon at Collins Funeral Home, Rev. Edward Escolme officiating, with burial in Brookside cemetery.

ASK THE NEWSBOY

The success of any enterprise in a free country is in direct proportion to the service rendered. Anyone who has done a day's work should realize this basic truth. Ask the newsboy how he gets and keeps his customers. If he is a successful newsboy, his answer will be the same as that of the president of the largest corporation. He tries to do a good job. It is just that simple.

New industries are the result of someone figuring out a way to supply something the public wants. A hundred years ago a train conductor saw the need of speedy transportation of certain types of perishable or valuable commodities. Out of his idea, the Railway Express Agency developed. While it carries the name of railroads, it does not confine its activities to moving goods by rail. As in the beginning, its primary objective is to render a special fast shipping service to the public, regardless of the means of conveyance.

When the potentialities of air transport were recognized, air express and combined rail-air express were established. Packages can now be shipped by air from thousands of off-airline points. Every railway express office is an air express office. Parcels marked for air express travel by rail to the nearest airline and are transshipped.

Without stopping to consider the newness of air transport, some so-called "experts" occasionally point to the volume of air express shipments as compared to rail express, and infer that the railroads are being favored. Thus, they show their ignorance. Air express will expand as rapidly as demand and facilities permit, because express, like the airlines, the railroads, or the corner grocery, must give the public the service it wants, if it is to survive. It lives by the same rules as the newsboy.

School Clothes Require Extra Cleaning Care

Yes, in these war times, when clothing is scarce and difficult to buy, children's school clothes require care and attention.

And that is where our shop plays an important part because we know how to clean and reshape clothing so that it will give the maximum wear that it is possible to obtain from all materials.

Send school clothing to us regularly for cleaning and pressing. You'll find our service is prompt and we know that you'll like the quality of our work.

INSULATION
IS THE ANSWER TO
Your Heating Problems

These cool October mornings are just a reminder of what is before us this winter—a winter when our nation is at war; a winter when we must conserve fuel because "fuel has gone to war."

That is why we are and have been urging our customers to insulate their homes. We know that coal is scarce, that government regulations permit the delivery of only 90 per cent of the amount of coal to a customer this year that was delivered a year ago. Conservation, therefore, is absolutely necessary.

INSULATION IS INEXPENSIVE AND LASTING

Contrary to some opinions, insulation is not expensive. It can be installed by most anyone. You can do it yourself, evenings.

The cost of insulating the average attic is between $50 and $60 and the savings are tremendous. And aside from cash savings, there's the added comfort, both in summer and in winter.

Storm sash and storm doors are other vitally important fuel savers. See us at once for quantities sufficient to protect your home this winter.

BOTTLENECKING VITAL WAR CALLS!

If you have party-line service, you can prevent a jam-up of already overloaded telephone lines by showing more consideration and thoughtfulness of other subscribers who might be waiting to call, or to receive a call. So,

- Be brief. You might delay war calls.
- Allow reasonable intervals between calls.
- Give party time to answer.
- Ask the children to co-operate.

Don't bottleneck the war effort... think of the other party.

Presbyterian Church Notes

Morning worship at 10:30. Rev. John Marvin of Adrian will deliver the sermon. Sunday school at 11:30. Miss Ethel Johnston, superintendent.

The regular meeting of the Ladies Aid Society which is usually held the third Thursday of each month has been postponed until Thursday, October 26. This meeting will be held with Mrs. Edwin Ridge.

Mrs. Hardy Leathers returned to her home in Perrysburg, Ohio, Saturday after spending a week with her daughter and husband Mr. and Mrs. Alvin LaPointe and sons. Miss Lois LaPointe of Detroit was a weekend guest of her parents.

In honor of the birthday anniversary of Mrs. Emma Fluhrer, her daughter, Mrs. Harvey Lewis, entertained at a family dinner in her home Saturday evening. The table was attractively centered with a birthday cake and places were laid for Mr. and Mrs. Clarence Hunt, Mr. and Mrs. Eldene Clement, Mr. and Mrs. Gail Austin and daughter.

A family dinner was enjoyed Sunday in the home of Mrs. C. L. Brosamer in honor of her son Robert Brosamer, Petty Officer G.M./3 who has been home on a furlough from New Orleans, La., and will leave Tuesday for further duty. Those present were Mr. and Mrs. James Schaeffer and son Jimmy of Toledo, Mr. and Mrs. Louis Hintz and children and Miss Anna Marie Brosamer and Miss Ruth Mattis of Adrian. Other afternoon guests in the same home were Mrs. Lena Clauda, son Leo and his daughter of Adrian.

The monthly meeting of the Holloway Mother's Club was held Tuesday evening in the home of Mrs. Lorenz Ehlert with Mrs. Allen Blouch as assistant hostesses. During the business meeting which was in charge of the president, Mrs. Marie Kahle it was decided to hold a Hallowe'en party on Saturday evening the 28th. Four new members were taken into the club, Mrs. Clara Smith, Mrs. Maxine Wilt, Mrs. Esther Fraker, and Mrs. Nila Buehrer. Mrs. Marjorie Lunn showed paper products and there was a clothes auction. Later refreshments were served by the hostesses. The next meeting will be held with Mrs. Gordon Dillon with Mrs. Marjorie Lunn as assistant hostess, and the leader will be Mrs. Ethel Wellnitz.

Mr. and Mrs. Robert Mitchell and family and Mr. and Mrs. Harold Johnston attended a surprise birthday supper honoring Fred Myers Sunday evening which was held in the home of Mr. and Mrs. Fred Myers in Adrian. Other guests were Henry Cavill of Detroit, Mr. and Mrs. Andrew Lawson, Mr. and Mrs. Frank Morey, Mr. and Mrs. Edward Myers, Mrs. Portia Kimball and daughters, Fred Myers and children, and Miss Virginia Albro. The honored guest was presented with gifts.

Mrs. Laura Stradling is visiting relatives in Muncie, Ind.

Sunday guests of Mr. and Mrs. Raymond Kahle and daughter Connie were Mr. and Mrs. F. W. Callender and daughter of Detroit and Mr. and Mrs. Walter Roshong and daughter of Toledo.

State Regent Guest Of Tecumseh D. A. R.

Miss Laura Clark Cook, State Regent of the Daughters of the American Revolution, was a guest of Abi Evans chapter on Friday afternoon at a luncheon in the Methodist church and later at the regular meeting held at the home of the vice regent, Mrs. Arthur H. Brown.

The regent, Mrs. Joseph Smith, introduced Miss Cook, who gave an instructive talk on the "Objects of the D.A.R." stressing especially the historical and educational phases of the work. The music this year, which is in charge of Mrs. R. S. Moore, is to be a progressive study of American music and Mrs. Moore in Indian costume gave a talk on the beginning of American music and sang "From the Land of the Sky Blue Waters" and "Invocation to the Sun God." Mrs. R. H. Moore sang "Waters of Minnetonka." Mrs. Kenton Hunt accompanied the vocal numbers and played a piano solo, "Habenera" by Victor Herbert.

Pioneer Day will be observed by the chapter at the next meeting on November 10 at the home of Mrs. Charles Williamson. Mrs. Irene Kendrick, author of the column "Now and Then in Lenawee" in the Adrian Daily Telegram, will be the speaker and residents of the community over 80 years of age will be the guests.

EVERY DAY IS A LUCKY DAY

For the feeder who has learned the secret of balancing his own grain with Hayden's Hog Balancer.

THIS IS THE TIME OF YEAR WHEN

most hogs receive a sudden change in their feeding routine. A lot of hogs are suddenly taken off from a balanced ration and put on a soft corn diet only. They are turned into the corn or the corn is brohght to them.

Your hogs will keep on the gain if you incorporate HAYDEN'S HOG BALANCER into their feeding ration.

-: This Story Packs a Punch :-

We've Opened a Brand New Auto Parts Store

After many, many months of careful study, we have opened an automobile parts store in connection with our general garage business. We have taken this step because **WE KNOW FROM EXPERIENCE** that hundreds and hundreds of days of car use are lost because motorists have to wait for repair parts.

We decided, first of all, to carry a complete line of parts and accessories for **ALL CHRYSLER PRODUCTS**—Plymouth, Dodge, DeSoto and Chrysler cars and trucks. We made this decision because we are the representatives of Chrysler in this area.

However, we went a step farther. We included in our parts store a stock of parts for most other makes of cars and trucks. In short, regardless of the make of car or truck you are operating, we can supply the parts that you need for repair.

Store Opened to the Public

This new store is **OPEN TO THE PUBLIC**. Whether you do your own work, have our shop do it, or have it done in someone's else shop, feel free to buy your repair parts from us. We opened this store as a service to all of Lenawee county.

No More Waiting For Parts

We believe that the public will appreciate our new service store because it will remove the need for **WAITING FOR PARTS** for your car.

We have installed a daily inventory system to check on our complete stock, and if parts are available at the factory, they should be available in our store.

And to assure you of better service, we have retained Mr. Neil Jones, a former service man, to head our parts department. He recently returned from a factory school, where he was trained in management. It will be his job to serve you, courteously and efficiently. He invites you to pay him a call.

We Service All Makes Cars

Some weeks ago, you remember, we announced that we were opening a new service garage. It has been wonderfully well received—we have been as busy as bees at work. In our own shop we service all makes of cars and trucks—and do the work promptly. Mr. Andrew Bessey is our superintendent. He is an old General Motors employee, and he really knows how to find and remedy trouble.

We will be happy to install any of our equipment in our own shop but of course, you are under no obligation to have us do the work simply because you make your purchase from our store.

We are operating our garage—which includes the finest motor repair equipment to be found in any shop in the county, as a public service, too. You are always welcome to use it.

Garagemen are Welcome To Use This Service

Garage owners and service station operators in Lenawee county are welcome to take advantage of the service our new auto parts store offers to the public.

Any time you, as a garageman or service station operator, need any repair parts which you do not have in stock, call on us for service. That's just another part of our **SERVICE TO THE COMMUNITY**.

All Kinds of Accessories

In addition to automobile and truck repair parts, our store stocks a complete line of accessories. We are the representatives, here, of Willard Batteries and can furnish Willards in any size. We also have a complete line of spark plugs, seat covers, automobile horns, fog and spot lights, lubricating oils, anti-freeze and the hundred and one other things so vital to the pleasant operation of an automobile or truck.

Feel free to visit us at any time for anything that you may need to keep your car or truck running. We have but one idea in mind, to be of service to the motorists in this area. We're determined to please you.

HAVE YOU A POULTRY PROGRAM?
OR ARE YOU
JUST KEEPING CHICKENS!

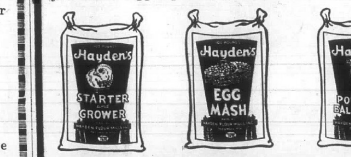
If you are on the right poultry program the chickens will KEEP YOU. If not you'll just KEEP CHICKENS, and not have much to show for your time and effort either.

ASK YOURSELF THESE SIMPLE QUESTIONS!

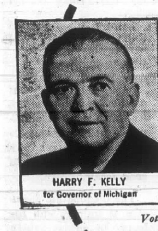
1—Are your pullets properly housed?
2—Are your pullets sanitized against disease?
3—Are you satisfied with the general tone of your flock, their body weight, egg production?

EMBARK ON THE HAYDEN FEEDING PROGRAM NOW

We have three programs from which to choose. You can pick the program best suited to your own individual needs. But we invite you to come in and talk it over, without any obligation to buy. We can help you make bigger poultry profits!



Let's Face the Facts



HARRY F. KELLY
for Governor of Michigan

Good government requires practical men with executive ability and a strong sense of public responsibility. Michigan has found the right combination in the group of men who, under the leadership of Governor Kelly, will administer our State government during the next two years.

Your Republican administration has increased Government efficiency, brought the State through precarious war years in good shape, and has carefully planned for post-war employment, veteran re-employment, care of the dependent aged and children and a multitude of other immediate problems.

Good government has always been hard to get. Now that we, in Michigan, have it, let's keep it!

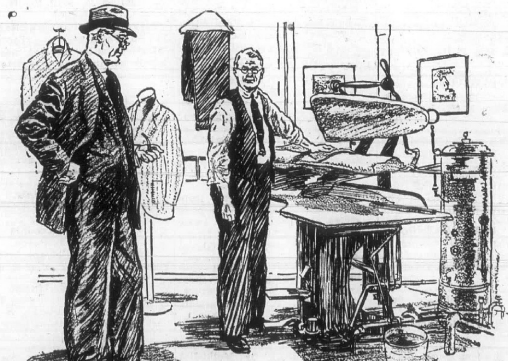
THE OLD JUDGE SAYS...



"The war stories I like best, Judge, are the ones by the special writers overseas who live right with our troops. They give us a better idea of how our men react to things going on over there and back here at home."

"I agree with you, Sam. I never miss one of those stories in the papers or magazines. And there's one thing those writers seem to agree on no matter where they are stationed with our men...and that is that the men who have left their homes and families to go away and fight this war don't want to come back and find that prohibition has been put over on them while they were away...*either nationally or locally.* They have heard about the attempts being made and they resent it bitterly."

"I agree with them, Judge, even though I don't happen to drink myself. Furthermore, I don't think it's fair for us at home to be making any major changes while 10,000,000 of our fighting men are away and have no chance to express their opinions."

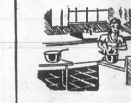
"Planning our meals ahead Saves me Time and Money"

★ and it helps the War Effort too . . . Mrs. Housewife

YOU WILL SAVE MONEY AND TIME . . . if you will read food advertising carefully and plan your shopping. Select, whenever possible, foods that can carry over into a meal for tomorrow. Utilize outer stalks and leaves from vegetables. Take advantage of canned goods, special sales and lower point values. A little time spent before shopping will enable you to buy what is plentiful and lower in price.



THE WHOLE FAMILY WILL ENJOY BETTER HEALTH AND LIKE YOUR COOKING MORE . . . if you plan nutrition meals. Plan your meals for the whole day so that your family will eat the eight essential foods recommended by government health experts. Nutrition is not just a wartime emergency—it is a matter of getting enough of the proper foods for good health and fitness. Foods properly cooked save vitamins.

THESE EASY-TO-FOLLOW TIPS ON COOKING WILL SAVE VITAMINS: 1. Use little water in cooking. **2.** Cook vegetables for the shortest time possible. **3.** Cover utensils to keep air out. **4.** Avoid unnecessary stirring of vegetables. **5.** Don't put in baking soda to brighten food colors. **6.** Start vegetables in boiling water. **7.** Don't throw away vegetable liquids—use them in soups or cream sauces. **8.** Keep foods as fresh as possible—use dependable automatic refrigeration. **9.** Serve plenty of green vegetables. **10.** Serve foods soon after cooking. **11.** Broiling is preferable to frying to retain vitamins. **12.** Low-temperature roasting saves vitamins, minerals.

OBITUARY

Mrs. Emma Wonder

Mrs. Emma Amelia Wonder, widow of the late Andrew J. Wonder, of Tecumseh, passed away in her home at 606 W. Kilbuck St., Tecumseh, at 8:13 Wednesday evening, October 4, after an illness of sixteen weeks at the age of 79 years, 2 months, Mrs. Wonder had been in poor health for several years but only since this last illness, caused by a stroke, had she been unable to be about.

Emma Amelia Brownell was the only daughter of Arthur and Mary Brownell of Rollin Township, Mich., was born Aug. 4, 1865 in Rollin. Her girlhood was spent in Hanover, Mich. She was preceded in death by two brothers. On Dec. 21, 1881 she was married to Andrew J. Wonder of Hanover, Jackson County, Mich., who passed away Jan. 8, 1924. To this union were born six children, two of whom passed away in childhood. She is survived by four children, Adrian, Mrs. Minnie Snellenberger Mrs. Reuben R. VanWinkle of Tecumseh, Arthur (Rex) Wonder and La Vern H. Wonder of Adrian; ten grandchildren, and ten great grandchildren, several relatives and hosts of friends who will mourn her loss.

Mrs. Wonder had been a member of the Friends church of Tecumseh for forty-four years, she was also an elder of the church and had always been very active in the church circles until ill health prevented. She was a kind, loving mother and her interests were entirely in her children and her church.

Funeral services were held in the Friends church on Saturday, October 7. Rev. Edward Escolme officiated and burial was in Brookside cemetery.

A loved one from us is gone
A voice, we loved, is stilled,
There is a vacancy in our home
Which never can be filled.

We all were at her bedside
When from us, she did depart.
Tears were shed, and prayers were said
What sadness fills our hearts.

She is not dead but just away,
Fond memories will remain,
And what a happy day 'twill be
When we all meet again.

We will miss you, mother dear,
When dawns the morning sun,
But God is good, and will be near us,
When the day is done.

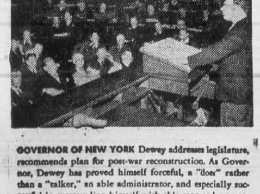
GET TO KNOW DEWEY

DOWN ON THE FARM Dewey inspects one of his cows at his Pawling, New York home. Although he does not claim to be a farmer, Governor Dewey understands farm problems and speaks the farmer's language.

FOE OF RACKETEERS Thomas E. Dewey is sworn in as Special Prosecutor, begins his brilliant career "busting" gangs and racketeers. As New York's District Attorney, he won fame by convicting men like "Legs" Diamond, Jimmy Hines, George Scalise, Fritz Kuhn.

FAMILY MAN Governor and Mrs. Thomas E. Dewey pose for the cameraman at the Albany Executive Mansion. They have two husky sons. Mrs. Dewey leaves politics to her husband, centers her attention on her home and family.

CHURCH WORKER Thomas Dewey is a vestryman of St. Peter's Protestant Episcopal Church in Albany, N. Y. The Deweys attend church regularly, give Sunday School picnics at their farm at Pawling, N. Y., say Grace at meals. Mrs. Dewey sometimes plays organ in the little church near their farm.



GOVERNOR OF NEW YORK Dewey addresses legislature, recommends plan for post-war reconstruction. As Governor, Dewey has proved himself forceful, a "doer" rather than a "talker," an able administrator, and especially successful in surrounding himself with able men and women.

MEETING WITH LABOR Dewey chats informally to a group of Labor Leaders during visit to Pittsburgh. In a recent speech he accused New Deal of disrupting and making a political football of labor. Dewey says we must have an able Secretary of Labor from the ranks of Labor.

It's time to change....

Village Makes Post War Plans

WATER, SEWER EXTENSIONS AND SEWAGE TREATMENT PLANT TO COST $1,200,000

That the village is making its post-war plans, looking toward a sharp increase in Tecumseh's population and the building of several hundred new homes here after the end of the war was explained in detail on Tuesday evening to members of the Rotary club and some 90 guests in the fifth of the club's after-Victory planning conferences, held at the high school. Carlton Finkbeiner of Toledo, a member of the firm of Finkbeiner, Pettit and Strout, engineers, was the speaker. The firm has been retained by the village to draft its post-war expansion plans, many of which already have been made.

The cost of extending water mains, storm and sanitary sewers and the installation of a new sewage treatment plant, sufficient in size to care for the doubling of Tecumseh's population will cost approximately $1,200,000, the Toledo engineer told his audience. Plans and specifications already have been drafted for such work, he said, and the village is prepared to act quickly when the need arises for such improvements.

Mr. Finkbeiner was careful to point out that the council had no idea of making the improvements until there was a need for them and he explained that they would be made gradually, over a period of years, to relieve the tax load. The plans and specifications, he said, have been so drafted that any area in the village may be started first, depending, of course, upon where the new building is started. The engineer pointed out that Tecumseh now faces an order from the State Health Department for the building of a sewage treatment plant not later than 1945. He said that it is likely the order can be stayed until the end of the war but he held that in all probability the state would enforce the ruling as quickly as materials became available. The cost of such a plant, he said, would amount to something more than $100,000. This cost, he said, was included in the $1,200,000 figure, and the site for the building has been chosen on Ford property, which has been made available.

Tecumseh's present water source is sufficient for a population of 8,000 people, he said, and there would be no need for the drilling of additional wells, except for stand-by reasons. Some water mains, now in existence, might need to be enlarged, but for the most part all money spent on water improvements would be for extensions.

Mr. Finkbeiner explained that one of the reasons for the early drafting of plans by the village was to place Tecumseh in a position for a federal grant for civic improvements, if such grants were made by the government during the reconversion period. He also explained that the village has received approximately $1,800 from a state fund which provides aid to municipalities drafting early post-war plans.

The Rotary-sponsored meetings are for the purpose of acquainting business and professional men with the problems that lie ahead of Tecumseh after the war if the village is to keep pace with the rapid growth of its industries, especially the Tecumseh Products Co., which firm now has some $35,000,000 in post-war orders on its books and anticipates a payroll of 2,500. Other firms, likewise, expect expansion.

Next Tuesday evening, Geo. H. Adamson, Al Meyers and Perry Hayden will be the speakers. Mr. Adamson manufactures time instruments, Mr. Meyers is an airplane builder and Mr. Hayden operates the Hayden flour mills. These men will give the group a glimpse of their post-war plans.

LLOYD HANFORD DIES

Lloyd W. Hanford, aged 73 years, life long resident of this vicinity, died Thursday at Tecumseh hospital after several months illness. He was born in Tecumseh; graduated from Adrian College and taught in Detroit, Clayton, Onsted, Britton and Ridgeway until his retirement. He was married March 8, 1932 to Miss Sarah Waldron who survives.

Besides the widow he leaves one brother Robert P. Hanford of Detroit.

Funeral services were held Monday afternoon at the Belding Funeral Home. Rev. Edward Escolme officiated and burial was in Brookside cemetery.

Eastern Star Elects Officers For New Year

At the annual meeting of Tecumseh Chapter, Order of the Eastern Star, held here recently, Mrs. George Wilson was elected worthy matron. Others elected were Lawrence Hoagland, worthy patron; Mrs. Dwight Hodges, associate matron; Dwight Hodges, associate patron; Mrs. John H. Smith, conductress; Mrs. Hoyt Raymond, associate conductress; Mrs. Lynn Harris, secretary and Mrs. Louis Schneider, treasurer.

The program consisted of songs by the T.P. Broadcasters, piano selections by Jack Puffer and clarinet solos by Jeanette Goodacre. Refreshments were served by Mrs. Robert Gillespie and committee.

These officers will be installed at a special meeting this evening.

Indians Ready For Manchester

GAME TO BE PLAYED TOMORROW AFTERNOON, THERE; NEXT HOME GAME NOV. 3

The Tecumseh high school football eleven will travel to Manchester tomorrow afternoon for their third game of the season with the Dutchmen. While Manchester has a strong team, having won two of the three games it has played, Coach Fred Raizk is confident that his Redmen can come home with a victory.

"Of course," Raizk said today, "we're going to have to play ball all of the time, but I am hopeful that none will be out because of injury and our chance at winning should be good."

Thus far, Manchester has played three games. They won from Vandercook Lake, 7-6 and from Dexter, 21-7. They were defeated by Morenci, 13-7. Tecumseh has played two games, thus far, winning from Hudson, 12-0 and were defeated by Clinton here, 26 to 0.

Tecumseh has two more games after tomorrow's on its schedule. The Indians will meet Morenci here on November 3 and Blissfield here, November 10. Both games will be played under the lights at Recreation Center.

Clinton is now leading the county league with Morenci second and Tecumseh third. Blissfield is fourth, Hudson, fifth and Manchester is in the cellar.

Both the Morenci and Blissfield games here are expected to attract big crowds, especially the game with the Sugar Boys. This contest, two years ago, set a record for attendance at the Center.

MRS. HARRIETT KNIGHT OBSERVES BIRTHDAY

Mrs. Harriett Knight celebrated her 82nd birthday anniversary October 16 and in her honor Mr. and Mrs. Floyd Bryan entertained at a family dinner which featured a birthday cake. Besides the cake Mrs. Knight was presented with flowers and other gifts.

The guests included Mr. and Mrs. Fred Packard and Mrs. Cecil Blaine of Detroit; Mr. and Mrs. Doyle Chrysler and children of Brighton; Mrs. Charles Knight, Mr. and Mrs. Franklin Knight and family, Mr. and Mrs. Russell Knight and daughter, Mr. and Mrs. Norman Orr and children of Northville; Bert Bartholomew and Mr. and Mrs. Frederick Bryan and children.

WESTMINSTER CLUB

The Westminster Men's Club will meet this evening at the Presbyterian church for dinner at 6:30 followed by an address on "The Post-War Christian World" by Dr. Fred'k H. Olert of Detroit.

The club has planned some interesting programs for the winter which will include an address by Dr. John H. Muyskens of the University of Michigan on December 7 and a talk by William A. Rogell, Detroit councilman and former shortstop of the Detroit Tigers.

Quartet Show Here Saturday

LOCAL CHAPTER, SPEBSQSA, SPONSORS SECOND ANNUAL HARMONY PARADE

A complete sell-out was forecast today for the Tecumseh Chapter, SPEBSQSA, second annual Harmony Parade of Quartettes, to be staged at the high school auditorium here, Saturday evening at 8 p. m. A dozen or 15 quartets, from all parts of Michigan and Canada, some of them high ranking organizations in the national society, will be heard on the program, as well as three quartets from Tecumseh, the TP Broadcasters, the K. of P. Four and the Chieftains.

The local Parade is brought to Tecumseh by the members of the Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America. The chapter here was organized about two years ago and quartets from this village have sang in parades in many parts of the United States and Canada. Dressed in Indian costume, the TP Broadcasters are a decided hit at out-of-town shows.

"Persons interested in music, close harmony, etc., will get a thrill out of attending the Parade here Saturday evening," a member of the local chapter, said today. "There will be nearly three hours of entertainment, including the appearance of the 15 quartets, and songs by the Glee Club, composed of 24 voices under the direction of Carlton Scott. Also, there will be the Charmerettes, a girls' quartet from Jackson, which organization has 'stolen' the show wherever it has traveled."

The TP Broadcasters Quartet is made up of Wiley McCann, Wesley Costigan, Herbert Gilmore and C. O. Butler. The K. P. Four is composed of Garth Hall, Duncan Oliphant, Carl Thomas and Al Williams. The personnel of the third quartet will be announced later, as may be a girls' quartet.

Included in the quartettes to appear at the entertainment are the Charmerettes, a girls' quartet from Jackson, the Ambassadors from Detroit, the Vets' Four from Kalamazoo, the Travellers from Grand Rapids, the Food Chiefs Four from Battle Creek, the Four Flushers from Pontiac, the A & P Four from Jackson, the Balladaires from Detroit, the Maple Leaf Four from Windsor, Ontario, and the Nightie Four from Jackson.

Harris New Master Of Tecumseh Grange

Tecumseh Grange will hold a regular meeting tonight (Thursday) when the first and second degrees will be conferred on a large class of candidates. A potluck supper will precede the meeting.

Mr. and Mrs. Charles Patterson, Mr. and Mrs. Leland Bush, Mr. and Mr. Mills Swick and Mr. and Mrs. Paul Bailey will be in charge of refreshments.

The degree team from Tecumseh Grange will go to Palmyra Friday evening to confer the third and fourth degrees.

Ernest Harris was chosen master of Tecumseh Grange at the annual meeting held October 12. Mr. Harris succeeds Pearl Ash and other officers elected are Charles Patterson, overseer; Phyllis Patterson, lecturer; Clay Croll, steward; Lawrence Ash, assistant steward; Jessie Matthews, chaplain; N. C. McConnell, treasurer; Edith Hunt, secretary; Martin Keasel, gate keeper; Stella Wagner, Ceres; Marjorie Rohrbach, Pomona; Clau Dyne Swick, Flora; Earl Pennington, member of executive committee.

Tecumseh Grange is now the largest of 22 granges in Lenawee county with a membership of 229. A large increase in membership was reported for the past year and a very good financial report was also given. During the business session it was voted to buy a new stove for the kitchen.

COMPLETES MISSIONS

Mr. and Mrs. Ernest Palmer of Britton have received word from their son Lt. Paul Palmer, a tail gunner on a B-17 Fortress, that he has completed his missions over Germany and expects to return soon to the United States.

HOME FROM FRISCO

Mrs. Carole Hammack has returned from spending two months in San Francisco, Calif., where she was joined by her husband Ernest Hammack, GM2/c, for a leave from duty in the Pacific after 14 months absence. Mr. Hammack who was recently made gunner's captain, participated in the first naval bombardment of Jap Homelands and also took part in three major battles in the Pacific, Asiatic and European war areas.

MISSION GUILD

The Florence Weld Mission Guild will meet Monday evening at the home of Miss Jennie Gillespie.

Russian Teacher To Talk To Monday Club

Mrs. Lila Pargement, instructor in Russia at the University of Michigan, will be the speaker at the meeting of Tecumseh Monday Club on October 30. Mrs. Pargement was born and reared in Russia where she received her diploma from the College Ralev at Leningrad. She later married and after a few years in France came to the United States with her husband Michael S. Pargment. For 15 years she has taught at the U. of M. and since 1927 she has made four trips to the USSR, once as a leader for a group of Americans. In 1936 she spent several months in Moscow, where she devoted her time to the study of Soviet Literature, the new theatre and the educational system.

Miss Gertrude Spaulding is leader of Monday's meeting and Mrs. Rickard Jackson and Mrs. Grace Coffey are the hostesses.

$200,000 Loss In Farm Fires

DRIGGS DAIRY BARNS BURN AT PALMYRA; HOUSE NEAR BIRDSALL DESTROYED

Farm fire losses in this area during the past week amounted to well over $200,000, according to fire department estimates, and the cause of the two blazes, one at the Briggs Dairy Farm, Palmyra, is still undetermined.

The Driggs fire broke out at 2 a. m., one week ago today and caused damage that amounted to approximately $200,000. Three large barns were destroyed, some 25 trucks, a tractor and between 50 and 60 head of cattle. The blaze was fought by departments from Blissfield and Adrian and firemen succeeded in saving the two Driggs homes nearby as well as several tenant houses.

The fire is being investigated by the state but as yet no origin has been determined. The Driggs Dairy supplies milk to hundreds of customers in Michigan and Ohio, and all routes were operated on schedule despite the blaze.

The second fire occurred Saturday evening about 9:30 when a five-room frame house occupied by the Lester Howell family and owned by Norman Arnold, about half a mile north to Birdsall on M-52 burned to the ground while occupants were away.

The fire was first noticed by Waldo Johnson who lives just south of the Arnold farm on M-52. The rural truck of the Adrian fire department was called but the fire had gained too much headway by the time firemen arrived and efforts to control the blaze with water were futile. The cause of the fire was not known.

The loss on the house was not estimated but is covered by insurance. The content loss which is not covered by insurance is estimated at $1,000.

MISS MARY BRAINARD WEDS DALE B. MARTIN

Miss Mary Heath Brainard, daughter of Mr. and Mrs. A. E. Brainard of Springville and Dale B. Martin, electrician first class, son of Mrs. Edith Martin of Fennville, were married Tuesday evening, October 17, at the home of the bride's grandmother Mrs. C. H. Bramble in Lansing. Dr. Julius Fishbach, pastor of the First Baptist church of Lansing, read the double ring service in the presence of only the immediate families.

The bride is a graduate of Tecumseh high school and Western State Teachers College at Kalamazoo. The groom who recently returned to the United States after action in the Normandy and Southern France invasions, will return to his ship in New York City, after a 10 days leave. Mrs. Martin will accompany him to New York.

ENTERTAINED AT MONROE

The B. Y. P. U. of the Tecumseh Baptist church were entertained by the young people of the Monroe Baptist church on Friday, October 13. At that time Don Everhart, president of the local B. Y. was elected vice president of the Lenawee association.

The regular weekly meeting was held Sunday evening at 6:00 p. m., the time being changed from 7:30 p. m. Don Everhart presided over the meeting, with Rev. Bashore following with a special talk. After the meeting was adjourned cocoa and cookies were served in the church parlors.

MUSIC CLUB MEETS

Mrs. W. G. Waldron, Mrs. FloreneGallant and Miss Ruby Preston were hostesses for the meeting of Tecumseh Music Club held Tuesday evening at the Waldron home. Wagner was the composer for discussion and a program of Wagnerian music was presented.

Half Of League Quota Pledged

TECUMSEH STILL ... WAY TO GO BEFORE REACHING WAR CHEST GOAL

With approximately one-half of its quota to the Lenawee County Patriotic League subscribed, and with but little more than two weeks remaining before the campaign ends, Lester Rogers, chairman of the drive in Tecumseh township, was speeding up his committees today in an effort to raise this area's allotment of $5,300.

"We still have a long way to go before Tecumseh reaches its quota," Mr. Rogers commented today. "As of last night, we had subscribed about one-half our quota or a little more than $2,700. We need just about that much more to make the campaign a success and I believe the money can be raised if our committees make enough contacts.

"Tecumseh has never failed to meet its quota in any patriotic money-raising campaign since the war started," Mr. Rogers said, "and I feel confident that we will come through this time. We still have many solicitations to make, and not all of the industrial quota has yet been reported."

The chairman said that committees are at work this week in the business district of Tecumseh as well as in the industrial areas. He expressed a hope that the work of solicitation might be finished within a week.

The Patriotic League drive combines under one head all of the money-raising campaigns for patriotic organizations, grouping some 22 worth-while enterprises under a single head for the purpose of soliciting funds for the war effort. Last year, Tecumseh subscribed more than $8,000 to the campaign, which was run simultaneously with that of the local Community Chest. This year, the local Chest drive is not being operated concurrently with the League's campaign.

C. J. LEWIS DIES AT HOME IN TIPTON

C. J. Lewis, aged 85 years, life long resident of Franklin township, died Monday afternoon at his home in Tipton, after three years of failing health. Mr. Lewis, who was a son of the late Halsey and Mary Shurtz Lewis, was born June 17, 1849 in Franklin township, where he remained as a farmer and operator of a general store for many years.

Survivors are the widow Laura and a son Charles J. Lewis, Jr., of Tipton, four daughters Miss Irene Lewis of Detroit, Mrs. Leora McIlrath of Dowagiac, Mrs. Lucille Shea of Tipton and Mrs. Lottie Bailey of Long Beach, Calif.; one brother William of Tipton; two sisters Mrs. Eva Handgen of Goshen, Ind., and Mrs. Carrie Pawson of Onsted; also five grandsons.

Funeral services will be held this afternoon at 2:30 at the Lewis residence in Tipton. Rev. L. Starbuck will officiate and burial will be in Tipton cemetery.

LOCAL FOLK TO TAKE PART IN BROADCAST

The voices of three local folk will be heard over Station WTAM, Cleveland, next week Monday, Wednesday and Friday mornings at 7:15, it was announced today. On Monday morning, Perry Hayden will speak, Wednesday, Frances Stone of Macon, and Friday, George Parsons, local high school agricultural instructor. The time is alloted to the station's farm program hour and is under the direction of WTAM's farm program. The local folk will discuss methods used in connection with farm operations in this area.

AT I. O. O. F. MEET

Mrs. Opal Brady, Mrs. E. C. Topps, Mrs. Cora Boyd, Mrs. M. W. Mathews, Mrs. Harold Miller and George Kopka, with Mrs. Ida Miller of Britton returned Wednesday night from Flint where they attended the state assembly meeting and centennial celebration of the Odd Fellows and Rebekahs. Mrs. Brady and Mr. Kopka were delegates from the local lodges and Mrs. Ida Miller was delegate from the Britton lodge. Mrs. Brady was presented with the decoration of chivalry.

Next year's assembly will be held in Grand Rapids.

HALLOWE'EN PARTY

The Band Parents Club and members of the school band enjoyed a Hallowe'en party Friday evening at the Tecumseh Grange hall, which was obtained for their use through the kindness of Mr. and Mrs. Leroy Matthews. Potluck supper was served to 60 persons and later dancing was the diversion with music furnished by Mrs. Luther Wood and son Robert, Clare Camburn, Jeonnette Goodacre, Mrs. Leroy Matthews and Rex Knisel of Blissfield.

New Officers Chosen By The Garden Club

Tecumseh Garden Club met Friday afternoon at St. Peter's parish house for their annual meeting and election of officers. Mrs. C. C. Ruppel, Mrs. George Parsons, Mrs. Jack Smith and Mrs. Mertie Waring were hostesses for the meeting.

Mrs. Lewis Lent was elected president and appointed as the program committee for the year, Mrs. Charles Kempf, Mrs. C. C. Ruppel, Mrs. Mertie Waring, Mrs. George Green and Mrs. Thos. O'Hara. Other officers elected were Mrs. L. W. Larsen, vice president; Mrs. A. Helzerman, secretary; Mrs. George Parsons, treasurer and Miss Agnes McWilliams, corresponding secretary.

Movies in color of Colorado, Nevada and California were shown by Mrs. Vernon Rupp and in conclusion tea was served from a table centered with yellow mums and lighted candles.

This was the final meeting of the year and regular sessions will be resumed in February.

Spook's Night Show Is Early

CHILDREN WILL BE GUESTS OF VILLAGE AT HALLOWE'EN ENTERTAINMENT

A theatre party, with full length features, comedies and news shorts, is scheduled at the Strand theatre for next week Tuesday evening—Hallowe'en—as Tecumseh's gift to its youngsters. The party is being sponsored by the village and will be paid for out of funds from the Community Chest. All school children, both public and Ford schools, are welcome, from kindergarten through the senior high school.

"We expect to entertain some 500 youngsters and we've planned an interesting show," Wade Jones, village clerk, said today. "The Hallowe'en party has grown to be an institution here, but this year, because of the war, we cannot hold our customary cider and donuts affair with a parade and prizes. This, of course, will be resumed after Victory. However, every school child is welcome to attend the show, and all that they need do is go to the box office, ask for a ticket, and they will be admitted. The show will start at 7:15."

The reason for the party, Mr. Jones said, is to express the village's gratitude to the youngsters for their cooperation in eliminating the destruction of property on Hallowe'en. For several years similar parties have been held here and there has been no destruction, no soaping of windows.

"In these war times," Jones said, "we just can't afford to destroy property or to soap windows. Materials for repairs are difficult to obtain at this time and labor is extremely scarce. I feel certain that the children understand this and that they will refrain from any damage here."

Heavy Vote Is Forecast Here

TOWNSHIP REGISTRATION IS WELL OVER 2,300; 140 ABSENT VOTERS BALLOTS

One of the heaviest votes ever cast in Tecumseh township was forecast today as H. H. Hanna, clerk, announced that well over 2,300 persons had registered and indicated that they would vote in the national election on Tuesday, November 7.

Wednesday, October 18, was the last day of registration and the only way that electors may cast their ballot, November 7, if not registered, is to make affidavit on election day that they were absent from the township or ill on the last day of registration, making it impossible for them to register. The law requires that a voter must have been a resident of the precinct for 20 days and of the state six months, prior to election day.

"Tecumseh is taking a keen interest in the election this year, in fact, I think there is more enthusiasm than in any other election in 12 years," was Mr. Hanna's comment. "We already have issued some 140 absent voter ballots, and I wouldn't be surprised if that number exceeds 300 before election day."

Of the total number of absent voter ballots thus far issued, the clerk said that about 125 were sent to men and women in the service.

MRS. BLESING HOSTESS

Mrs. D. M. Blesing entertained a group of 18 Thursday evening in honor of Mrs. Ted Golat and Mrs. Harry Weakley who were presented with gifts. Games were the diversion and in conclusion refreshments were served.

Hospital Tag Day Is Planned

MONEY RAISED ON SATURDAY WILL BE USED TO EQUIP NEW LABORATORY

Tecumseh Hospital Auxiliary is sponsoring a Tag Day on Saturday, October 28, to raise funds for the Hospital Laboratory project which was begun by the Auxiliary in February of this year and is now nearing its quota.

Plans of the Auxiliary were for one activity each month to raise money for the fund. Only one month has been missed and these activities so far have netted $426.69. Other contributions have brought the amount to $1065.69 and it is hoped that Tag Day sales will complete the quota of $1500, the estimated cost of the laboratory equipment, for which a room at the hospital is ready.

Mrs. C. M. Brown is in charge of the Tag Day sale and will be assisted by Auxiliary members and Girl Scouts.

An itemized statement of contributions to the Tecumseh Hospital Laboratory fund to date in the order received, follows:

Miss Bessie Van Antwerp $25.00; Mrs. Henry McLain $10.00; Mrs. Polly Mattis $5.00; Anonymous $100.00; Mrs. J. M. Mulvaney $5.00; Mrs. George Gabler $10.00; Mr. and Mrs. Wm. Spreeman (Britton) $5.00; Mr. Wade Jones $5.00; Mrs. Edith Cotton Smith $3.00; Belding Funeral Home $5.00; Mrs. Rose Harper $2.00; Mrs. Arthur Wright $10.00; Mr. and Mrs. Geo. B. Smith $5.00; Anonymous $2.00; Collected from boxes in stores $23.53; Presbyterian Church, L. A. S., Mrs. E. E. Davis, Treas. $10.00; Annual Hospital Ball $161.10; Garden Club $69.40; American Legion Auxiliary $20.00; Mrs. L. R. Mix $5.00; Anonymous $50.00; Mr. and Mrs. Guy Grieves $10.00; Anonymous $1.00; Mrs. Marie Sheurer and Mr. and Mrs. Luther Klager, in mous $1.00; Mrs. Marie Sheurer $100.00; Mr. and Mrs. R. S. Bumpus $1.00; Mr. and Mrs. Don Wright $5.00; Anonymous $100.00; Mrs. Henry Kempf and family, in memory of Henry Kempf $75.00; Sales of Lapel Dolls $14.50; Rummage and White Elephant sale $227.73; Total $1065.69.

The Girl Scouts under the sponsorship of the Tecumseh Hospital Auxiliary are now arranging flowers for Sunday trays at the hospital, a former project of the Garden Club. Miss Elizabeth Dickinson and Mrs. Julie Johnston are in charge of the project.

MUD-SLINGING

The term, "mud-slinging" is with us again and is being mouthed daily in criticism of candidates for office. Too often if a speech doesn't please—or maybe strikes home—it is classed as "just mud-slinging."

What is "mud-slinging?" Webster fails to define it. Literally, it is the hurling of mud, dirt, and filth that bespatters the recipient. Politically, it is the hurling of charges that are untrue, misleading, or unfair, and which besmirch an opposing candidate.

Before crying "mud-slinging," one should weigh what has been said. Is it true? Is it taking unfair advantage? If the answers are "yes" and "no," then it can hardly be called "mud-slinging."

Think before using this overworked term. Try to distinguish it from honest and needed statements of fact. The word is too often used as is much profanity—either thoughtlessly or for lack of an adequate vocabulary.

ATTENTION—VOTERS!

Intelligent voters desire to be informed. The following, compiled by several organizations, some national in scope give the record of your Congressman (Michener) as follows:

Fifty-two times he voted wrong out of fifty-eight major public issues, among which he voted against Lend-lease, Selective Service, Revising the Neutrality Act, Fortifying Guam, against building military planes, against building war-ships. Less than four months before Pearl Harbor Michener voted to disband our conscripted army.

Michener is quoted by subversive publications, among them, Wm. Dudley Pelly now on trial with others for sedition against our nation and people. REDMOND M. BURR, the Democratic candidate for Congress has an excellent record, of him it is said he did more in his two years service in the Legislature than has Michener in 24 years in Washington. Look for BURR'S name, Democratic Ticket, between the State and County candidates. Pol. Adv.

Are You Prepared To Conserve Your Fuel?

Yes, winter is just around the corner, and the corner isn't very far away, if we are to judge by the cooler weather we've been having lately.

Are you prepared to reduce your fuel consumption by ten per cent? Do you know that you can get by with 90 per cent of the fuel you used last winter? That's a government regulation. Coal dealers' stocks have been cut 10 per cent.

The one answer to this problem is insulation, storm doors and storm windows for your home. And, despite all rumors to the contrary, such winter protection is not expensive. The average house can have attic insulation installed for from $50 to $75. You can do the work yourself.

Insulation, you know, works for you the year-round. Why not decide today to install it and free your mind of worry about cold weather?

WHY

Thoughtful Voters of Michigan Who are Interested in Good Government and Responsible Home Rule Will Vote "NO" on Proposal No. 4 on Nov. 7.

BECAUSE

1. This Amendment DOES concern the whole state, not Wayne alone, as its sponsors contend. It is aimed at BREAKING DOWN local government. Attempts to pass a similar amendment applying to all counties were heavily defeated in 1934 and 1936. Then, two years ago the effort to take one county at a time began. Again they failed, but the defenders of local government must now rally to decisively reject this proposal for all time.

2. Proposal No. 4 would destroy the two-party system of government, as American as the Liberty Bell, by substituting "nonpartisan" candidates for county offices, all of whom would be elected AT LARGE and responsible to no group!

3. Detroit's present city and legislative officials, now elected AT LARGE, have been notoriously inefficient and corrupt. In grand jury actions one-third of the city council, the MAYOR and a host of police officers were indicted and convicted! The majority of Detroit state legislators in 1944 were indicted and convicted of graft!

4. By giving two-thirds control to Detroit, Proposal No. 4 would destroy home rule for 11 cities and 18 townships in Wayne county. Detroit's debt has soared over 1,000 per cent since 1919; Wayne county's debt, due to thrifty government, has decreased 13 per cent!

That's why the Michigan Institute for Local Government and the Committee for Representative Government join in urging you to

THANK YOU

For Your Fine Reception!

OUR NEW AUTO PARTS STORE

IS MAKING A HIT—COUNTY-WIDE

We're mighty happy—happy because of the fine reception accorded our new AUTO PARTS STORE when we opened it last week to the general public. "Your store fills a long-felt need in this community and in the county generally," customers tell us. And, frankly, that's exactly the reason we opened the store, to be of added service to the motoring public.

FEEL FREE TO USE ANY OF OUR SERVICE

You are always welcome to use any of the services offered by the COLLINS AUTO SALES, whether it be found in our new AUTO PARTS STORE or in our modern service garage, staffed by factory-trained mechanics.

Garagemen and service station operators are finding our new Auto Parts Store of unusual value because they can always find in our stock the parts that they need for repair work. Our stock, of course, is most complete on Chrysler Products, but it also is very complete in repair parts for almost every other make of car or truck.

This service means that you no longer need wait for parts for your car or truck when it breaks down. Simply call upon us for the needed repairs, we'll furnish them to you out of our stock.

COMPLETE STOCK OF ACCESSORIES, TOO

In addition to the large stock of repair parts that we carry for all makes of cars and trucks we also have an excellent stock of accessories, including Willard Batteries, motor oil, anti-freeze, fog and stop lights, polishes, radiator repairs and cleaners, and the hundred-and-one other things that are to be found in automobile accessory stores.

Come in and pay us a visit. You'll find just the things that you need to keep your car running smoothly until Victory has been won.

Capitalist
...AMERICAN STYLE

He's in business for himself, this kid.

He invests his own money in his newspapers because he has confidence in his own ability to sell them at a profit.

He has learned by experience that business grows through hard work, salesmanship and thrift.

He gets plenty of hard knocks — but profits by them.

He knows what competition means — and has learned to meet it.

He uses his wits.

He gets ahead.

He is capitalist, laborer and consumer combined.

He is typically American.

Multiply this boy by millions—and you'll see what makes America tick.

* * *

We're all capitalists in America. We don't wear cut-away coats and plug hats. We wear overalls — work in our shirt sleeves.

We carry life insurance, or have savings accounts, or hold war bonds, or own farms, garages, fruit stands, drug stores, or other businesses — large and small. And as capitalists we are all interested in a *fair return on our money.*

All of us *labor for a living.* And as laborers we are all interested in making as much money as possible by producing *more* goods and services for *more* people.

At the same time we are all *consumers.* We buy food, clothing, shelter, luxuries. And as consumers we are interested in fair prices, honest values, good service.

Like the newsboy, *each one of us* is a combination of capitalist, laborer and consumer.

Each of us is free to take his own future in his own hands — and pull himself up by his bootstraps. That is the grand American privilege. It makes newsboys into business men — shop workers into industrial leaders and successful farmers out of chore boys.

* * *

There are no restrictions on ability in America — and there must be none.

For as business, industry and agriculture grow in this country, *more* jobs are created. *More* people benefit. *More* men, starting at the bottom, reach the top. New products are made. Production goes up. Prosperity follows. Higher standards of living are provided for *more* people. A desire *for still better things* is created.

That's progress. That's free enterprise. That's AMERICA.

The Army-Navy E flag waves over seven Republic plants and the Maritime M floats over the Cleveland District plant.

In this cause it appearing from affidavit on file that the residence of each and all of the above known defendants and their unknown heirs, devisees, legatees and assigns, if living, is unknown to the affiant subscribing to the affidavit of non-residence now on file in this cause, and that it cannot be ascertained in what State or Country said defendants and each of them reside, if living, and it appearing to the satisfaction of this Court that the above named defendants or their unknown heirs, devisees, legatees and assigns are proper parties to this suit;

On motion of John R. Zeigler, attorney for Plaintiffs, it is ordered that the appearance of said above named known defendants be entered herein on or before three months from the date of this order; that the said unknown heirs, devisees, legatees and assigns of said known defendants be made parties defendant hereto and that the appearance of said unknown heirs, devisees, legatees and assigns of the aforesaid known defendants be entered herein on or before three months from the date of this order, all in accordance with the statutes of the State of Michigan in such case made and provided; and that in the case of the appearance of such defendants that they cause their answer to the Bill of Complaint to be filed and served according to law, and in default thereof said Bill of Complaint will be taken as confessed by said known defendants and by said unknown heirs, devisees, legatees and assigns;

And it is further ordered that said plaintiffs cause a notice of this suit to be published or served according to law and the statutes of the State of Michigan in such case made and provided.

G. ARTHUR RATHBUN.
Countersigned:
ALICE M. WELCH,
Dep. Clerk.

THE OLD JUDGE SAYS...

"We can't argue with the Judge on that point, can we Mabel? It's not fair to penalize the many for the actions of the few."

"That, folks, is exactly what we would be doing in this country if we ever voted for prohibition again. Authorities who have made a careful study of the problem, report that only about 5% of those who drink abuse the privilege occasionally... 95% drink sensibly. Probably doesn't compare with the number of folks who overeat and do other things to excess. Prohibition certainly isn't the answer. It's not that simple. We had nearly 14 years proof of that, didn't we?

"The real answer is education and better control. In fact, the responsible members of the distilling industry are working constantly toward that end. They don't want anybody to abuse the use of their product any more than the three of us do."

"If everybody would take that sensible attitude, Judge, and cooperate as more and more are now doing, we'd be a lot better off a lot quicker."

"AT THE VERY OUTSET I want to make one thing clear. This is not merely a campaign against an individual or a political party. It is not merely a campaign to displace a tired, exhausted, quarreling and bickering administration with a fresh and vigorous administration. It is a campaign against an administration which was conceived in defeatism, which failed for eight straight years to restore our domestic economy, which has been the most wasteful, extravagant and incompetent administration in the history of the nation and worst of all, one which has lost faith in itself and in the American people."

Grain Alone is Not Enough

We have three distinct and different feeding programs, all of which will help you to get the most from your own grains.

It might be well right now for you to sit down with a pencil and answer these three questions frankly and honestly! !

1st—Is your flock abounding in hen health?
Are they as healthy as the pheasants that we are having so much fun shooting these days If not, something is wrong.

2nd—Are your birds holding up body weight?
Especially with colder months coming on there must be that weight to sustain the birds during the laying months ahead.

3rd—Are you getting the eggs you should?

2,300 Register For Nov. 7 Vote

HEAVIEST BALLOTING IN TECUMSEH'S HISTORY $S FORECAST FOR TUESDAY

With approximately 2,300 voters registered to cast their ballots in next Tuesday's national election, Tecumseh today prepared for the heaviest voting in its history. As usual, election booths will be set up in the council building and the polls will be open from 7 o'clock in the morning until 8 o'clock in the evening, Eastern War Time.

Voters this year will receive four separate ballots, the presidential, non-partisan, national state and county, and referendum. On the presidential ballot appears the names of candidates for six parties, and voters will register their choice for both president and vice-president.

The non-partisan ballot lists only the name of the candidate for probate judge, Maurice E. Tripp, whose re-election to office is unopposed. On the same ballot is space to write in the names of two circuit court commissioners.

On the national, state and county ballot, seven parties are indicated, six of the number offering the names of candidates for all state offices.

The referendum ballot lists four proposals for amendment to the state constitution, which are printed elsewhere in this newspaper in their legal form.

While interest in the election locally centers around the race between President Franklin D. Roosevelt and Governor Thomas E. Dewey for the presidency, there is considerable interest too, in the race between Earl C. Michener, Republican, member of Congress, who is opposed for re-election by R. M. Burr, Democrat.

Observers say that Tecumseh will again vote overwhelmingly Republican, as will Lenawee county.

Harry H. Fox Dies; Funeral This Afternoon

Harry H. Fox, aged 70 years, died early Monday morning at the home of his daughter Mrs. Wilbur Mason on West Patterson street. He had been ill about two weeks although he had been failing since suffering injuries in a automobile accident a year ago.

Mr. Fox was born October 5, 1874 in Huron County, Ohio, and was the youngest son and the last of a family of 17 children of Mr. and Mrs. William Fox. He had lived in this vicinity for some time and had been engaged in farmer until he moved into Tecumseh ten years ago.

Survivors are four daughters, Mrs. Florence Davis of Muskegon, Mrs. Ina Rudolph of Morenci, Mrs. Mabel Nichols and Mrs. Glendora Mason, and two sons Francis and Clarence Fox, all of Tecumseh; also 14 grandchildren and three great grandchildren. His wife, Dora May Fox, preceded him in death on August 14 of this year.

Funeral services will be held this (Thursday) afternoon at 2:30 at the Collins Funeral Home. Rev. Edward Escolme will officiate and burial will be in Onsted cemetery.

PANCAKE SUPPER, FRIDAY

Friday night, November 3, the senior class of the Tecumseh high school will serve a pancake supper in the high school gym from 5:30 to 7:30, preceding the football game in the athletic field, with Morenci.

The committee in charge, with Mary Jane Hayden as chairman, and Winona Watkins, Jack Tomsberger, Barbara Kerby and Jim Osborne, as members, promise "all the cakes you can eat" (with sausage and coffee).

Yale Kerby will be in charge of mixing the batter, and the mothers of the seniors will assist in "flipping" and serving the finished products.

HURT IN ACCIDENT

William Collins, seven year old son of Mr. and Mrs. Jack Collins was taken to Tecumseh hospital Saturday for treatment of bruises received when his bicycle and a car driven by Joe Gruber collided at the corner of Pottawatamie and Ottawa streets. The bicycle was smashed and a headlight on the car broken. The boy returned home Sunday.

LEAGUE TO MEET

The Presbyterian League will meet Tuesday evening, November 7 at the home of Mrs. E. C. Brandt, with Mrs. Percy Bowen and Mrs. Earl Lindsley as assisting hostesses. The program will be a "Travelogue" in charge of Mrs. John R. Lott.

SPECIAL L. A. S. MEETING

A special meeting of the Presbyterian Ladies Aid Society will be held Monday afternoon, November 6, at 2:30 in the church parlors.

Sgt. Max Umbarger Tells of Raid on the Japanese on Ceram Island

SGT. ALBERT HOCH RECOVERING FROM WOUNDS AFTER BATTLE OF NORMANDY

HEADQUARTERS, 13TH AAF, SOUTHWEST PACIFIC — Staff Sergeant Max E. Umbarger, son of Mr. and Mrs. Howard Mathews of 302 West Logan Street, Tecumseh, Michigan, an armorer and aerial gunner on a 13th AAF medium (B-25) bomber has recently completed his twenty-fifth combat mission. This mission was a medium altitude bombing of the Kaitoe Airfield on Ceram Islan in the Netherland East Indies. As the sergeant describes the raid, "We knocked out the airfield and then went down on the deck to search for enemy shipping. Within twenty minutes we found a sixty foot lugger which the incendiaries from our twelve fifty caliber machine guns soon turned into a blazing wreck. Our next target was a schooner which was tied up at a dock. We made a good strafing run, but received an unpleasant surprise as a concealed six gun anti-aircraft battery opened fire from a nearby knoll which dominated the harbor. The fire was very accurate and at point blank range. Only our pilot's prompt action in turning into the guns, strafing them, and retiring right over the knoll saved us. We were close enough to see the Japanese gunners clearly as they frantically tried to take cover when their surprise attack back-fired. A good many of them will never have the opportunity to try a stunt like that again."

When Sergeant Umbarger first came overseas, his missions were directed against the enemy positions in the Northern Solomons. This was followed by participation in that bloody phase of the Bismark Archipelago Campaign which witnessed the destruction of the key Japanese naval and air base of Rabaul. He was then transferred to the Southwest Pacific and to service in the Netherland East Indies. Besides the three battle stars to his Asiatic Pacific Theater Ribbon, he has earned the Air Medal and two Oak Leaf Clusters to the Air Medal.

Sergeant Umbarger graduated from Tecumseh High School in 1940. He was employed by the Douglas Aircraft Corporation at Long Beach, California, prior to entering the Army Air Forces on October 30, 1942. He received his training at the Tyndall Field (Florida) Aerial Gunnery school. He has now been overseas nine months.

Recovering From Battle Injuries

A U. S. ARMY STATION HOSPITAL, ENGLAND—Staff Sergeant Albert Hoch, of 207 W. Shawnee Street, Tecumseh, Michigan, after suffering wounds of his arms during fighting across the Normandy peninsula, now is recovering in this United States Army general hospital in England.

Sergeant Hoch's ward surgeon, Captain Herbert B. McLauthlin, of Denver, Colorado, said that the Tecumseh soldier is "recovering satisfactorily and soon will return to duty."

"We had driven all the way to La Haye and were attacking a machine gun position that was offering resistance," Sgt. Hoch related. "I was hit just as I threw a grenade. They got me but I got them." He has been awarded the Purple Heart.

Hoch's wife, Mary Ann, resides at the Shawnee Street address in Tecumseh. Before entering the Army the sergeant was a machinist helper at the New York Central Railroad shops in Jackson, Michigan. His father, Frank Hoch, lives at 737 South Pleasant Street, Jackson.

Pioneer Day Will Be Observed By D.A.R.

Abi Evans chapter, Daughters of the American Revolution, will meet Friday afternoon, November 10, at 2:30 in the home of Mrs. Charles H. Williamson. This will be "Pioneer Day" with Mrs. Irene Kendrick, writer of the column "Now and Then in Lenawee" as the guest speaker.

All ladies of the community, aged 80 years or over, are invited to be guests of the chapter at this meeting and all members and guests are requested to come in old-time costumes.

Those desiring to accept this invitation are asked to notify Mrs. Williamson, Mrs. Hoyt Whelan of Mrs. Joseph H. Smith, and transportation will be provided if necessary.

QUIET HALLOWE'EN IS OBSERVED HERE

Tecumseh observed a quiet Hallowe'en last evening, several hundred school children being the guests of the village at a theatre party at the Strand. The party is an annual affair, since the war, and all public school children are admitted to the show without charge.

"The village is grateful to the youngsters for a prankless Spooks' Night," Wade L. Jones, clerk, said today. "We know that the children understand that with our nation at war, pranks must be out. And, when the war has been won, Tecumseh will 'throw' a Hallowe'en party for its youngsters that will far surpass anything previously done."

HOUSE DESTROYED

The fire department was called Thursday evening to the home of Virginia Hall on Muscoday street where a blaze had started from an overheated stove and destroyed the furniture and clothing. They were called to the same house again at 2:30 where the fire had again broken out. The blaze was beyond control and the house was destroyed.

HALLOWE'EN MASQUERADE

A Hallowe'en party was held Monday evening at St. Elizabeth church with all members not attending in masquerade costume, being fined. Games and contests furnished amusement and in conclusion cider and doughnuts were served. The cider was a gift from E. Goodenough and Tony Badalucco.

TO MEET NOV. 9

The Methodist W. S. C. S. will meet Thursday afternoon, November 9 at 2:30, at the home of Mrs. Ed Leighton on East Pottawatamie street.

CLUB TO MEET

The Wit and Wisdom Club will meet Monday evening, November 6 at the home of Mr. and Mrs. O. W. Laidlaw. "Post-War Plans" will be the topic for discussion with W. L. Berkhof as leader.

NOTICE

As I see it now, on account of illness, it will be about 3 weeks before I am at my office. Refills are available for those who desire the service.

Barn, Garage Razed

Fire of unknown origin destroyed a barn, garage and tool shed and their contents, at the home of Grover Swartz in Tipton Saturday evening. The blaze was discovered by Roy Luce and the Tecumseh and Adrian fire departments were called. Flames were beyond control before their arrival and nothing was saved. Mr. and Mrs. Swartz were away from home at the time.

The loss which included the buildings, an automobile, 10 tons of hay and a large amount of waste paper stored in the barns by the Boy Scouts and school children, is partly covered by insurance.

Tecumseh Near War Fund Goal

CHAIRMAN ROGERS SAYS HE IS CONFIDENT COMMUNITY WILL GO OVER TOP

"While we are still more than $1,500 from our goal in the Lenawee County Patriotic League, I am confident that Tecumseh will come through, as she always has done in every patriotic money-raising event since the war started," was the way Lester Rogers, chairman of the War Fund drive here, summed up the local situation today when he announced that this community thus far had subscribed $3,700 to the League.

Tecumseh's quota in the drive is $5,300 and Mr. Rogers said that the solicitation locally has not been completed.

"We still must hear from many who reside in the township and not all reports have been turned in from the industrial area," he continued. "I am confident that when all reports have been made we will be able to go over the top."

The Patriotic League drive combined in one campaign the solicitation to some 22 worth-while war funds. The money raised in the campaign is then allocated to the several organizations by a board composed of representatives from all sections of the county.

Last year, Tecumseh subscribed more than $3,000 to the fund including a drive for a local Community Chest. This year the Chest fund drive is not being run simultaneously with the League campaign.

APPROACHING MARRIAGE OF DAUGHTER ANNOUNCED

Mr. and Mrs. Richard Drouillard entertained at dinner Sunday honoring their daughter Katherine Mae and announced her approaching marriage to Pvt. Ramon B. Damon of Adrian, to be performed Monday morning, November 6, at 9 o'clock in St. Elizabeth Catholic Church. Pvt. Damon is stationed at Harlingen, Texas.

The guests included his parents Mr. and Mrs. Peter Damon and daughter Helen, Mr. and Mrs. Robert Winter and Miss Doris Drouillard of Adrian, and Mrs. Thomas McCann of Tecumseh.

Fred W. Meyers, 65, Buried at Ridgeway

Fred W. Meyers, aged 65, a life long resident of Britton and vicinity, died suddenly Friday morning at his home four and a half miles southeast of the village where he had lived for 19 years. He was a trustee of the Britton Congregational church and a member of the Goodfellow class.

Survivors are the widow Lottie, a daughter Majel and a son Harlan at home, a son Sgt. Sgt. Pershing Meyers of Camp Atterbury, Ind., three brothers Henry Meyers of Britton, William of Monroe and Charles of Tecumseh, a sister Mrs. Augusta Caswell of Britton and two grandsons Pvt. Beverly Meyers in Italy and Jack at home. A son and three sisters preceded him in death.

Funeral services were held Sunday afternoon at the Nibleck Funeral Home in Britton. Rev. C. B. Gould officiated and burial was in Ridgeway cemetery.

WED IN CLEVELAND

Mr. and Mrs. Perry Hayden and daughter Mary Jane and Mr. and Mrs. Ralph Comfort were in Cleveland Thursday for the wedding of their nephew Ned Comfort and Miss Erma Andrews at the Friends church. Mary Jane was soloist at the wedding.

HIP BROKEN

Mrs. John Hamilton fell in her home on West Pottawatamie street Thursday and broke her right hip. She had just completed waxing the floor and fell as she was leaving the room. She is a patient at Tecumseh hospital.

R. N. A. MEET

The Royal Neighbors will meet Tuesday evening, November 7 at the home of Mrs. Harry Tuckey.

Maker of One-Handed Watch Phones Talk to Rotary Meet

GEO. H. ADAMSON SPEAKS FROM CHICAGO; MEYERS, HAYDEN ALSO TALK

Using one of the "future gadgets" as a means of communication, Geo. H. Adamson, navigational time instrument maker, spoke to some 125 Rotarians and guests at another of Rotary's post-war planning meetings, Tuesday evening at the high school, from Chicago. Also on the "broadcast" from Chicago with Mr. Adamson was William Ruthhart, vice-president and general manager of the Ball Watch Company.

Mr. Adamson, whose company is now making time instruments for both the army and navy, plans, after the war, to turn his production to a new one-handed watch which will retail at around $1 and will be guaranteed for a year or more. The new timekeeper, expected to revolutionize the watch business as did Ingersoll a few years ago, will be cased in plastic of many colors. Instead of having two hands, as does the present watch, there will be only one hand.

"Two hands on a watch," Mr. Adamson holds, "are not at all necessary unless one desires very accurate time. The more hands a watch has the more intricate the mechanism, and the more likely it is to go wrong."

Mr. Adamson told his audience that already his company has spent several thousands of dollars preparing dies, etc., for the watch and he estimates that the new enterprise will employ from 100 to 300 people with a total payroll of from $150,000 to half a million dollars annually.

"We also have this thought in mind," the manufacturer said. "If some of the boys come back without a leg or without both legs we hope to be able to make watch makers out of them and make them self-supporting."

Mr. Adamson is associated in the new venture with J. H. Rohweder and he said that they also have additional plans for their factory, including the manufacture of desk clocks, semi-electric alarm clocks and wrist watches. The one-handed watch, however, will be the basic item.

Mr. Adamson expressed unlimited faith in the future of Tecumseh and pointed out to merchants that all roads lead into the smaller town as well as out of them.

Mr. Ruthhart of the Ball company, spoke briefly, expressing confidence in Mr. Adamson's new invention and declaring that his company intends to "go along" to complete cooperation.

Mr. Adamson was scheduled to speak personally at the meeting but was called to Chicago unexpectedly on Monday. That he might keep the engagement, special telephone communication was established and his telephone voice was amplified by loud speaker to the audience. The mechanics of this part of the feature were worked out by Mr. Rohweder cooperating with a radio engineer.

Al Meyers of the Meyers Aircraft Company, airplane builders here, also spoke of his factory's post-war plans. Mr. Meyers declared that already plans have been drafted for a custom built plane which will be made here after the war and for which there will be a lively market.

"We are head over heels in work right now, helping to build the necessary plane parts needed by the government in winning this war. In fact we are so busy that we haven't had time to complete our experimental post war plane. However, we have it on paper, and we have the necessary materials to build it."

Mr. Meyers believes that the future of the airplane business is very bright and he forecast busy years ahead for his plant after Victory has been won.

Perry Hayden, head of the Hayden Flour Mills, Inc., also spoke. Mr. Hayden said that his company, too, has extensive post-war plans and expects some plant enlargement after Germany and Japan have been defeated. He reviewed briefly the pre-war and war-time business at his mill and said that production has been stepped up materially since Pearl Harbor.

Next week, the Rotary's post-war planning meeting will be held on Monday evening instead of Tuesday, because of the election. Herbert Olsen, president of the Michigan Municipal League, will be the speaker. Mr. Olsen is expected to tell of some of the "growing pains" experienced by other Michigan cities where a material increase in population was experienced.

Tuesday's meeting was presided over by President Ralph Comfort and E. M. Campbell, a member of the club's program committee, introduced the speakers.

Legion, Auxiliary Meet

At the Second District meeting of the American Legion and Auxiliary held Sunday in Hudson, Mrs. Florence Howe of Tecumseh was installed as president; Mrs. Dorothy Roe of Ypsilanti, vice president; Mrs. Dora Warren of Tecumseh, secretary and Mrs. Lenna Meehn of Saline, treasurer for the coming year. Mrs. Alice Schneider as sergeant at arms assisted Mrs. Mary P. Kopka of Ann Arbor in the installation. Mrs. Howe was presented with a leather brief case with her name engraved in gold.

During the business meeting it was reported that three new posts have been organized in the Second district this year with veterans of World War II as members.

Those attending from Tecumseh were Mr. and Mrs. Louis Schneider, Mr. and Mrs. Marvin Watkins, Mrs. Bert Warren, Mrs. C. W. Howe, A. B. Hammond, Wesley Costigan and members of the K. of P. quartet who took part in the program.

QUARTETTES PARADE DRAWS LARGE CROWD

The Parade of Quartettes, sponsored by Tecumseh Chapter No. 18 of the Society for the Preservation and Encouragement of Barber Shop Quartette Singing in America, attracted a capacity crowd at the high school auditorium, Saturday evening.

Following the entertainment at the school an "After-Glo" program was presented at the K. of P. Hall which also attracted a big crowd. It was here that visiting quartette members and their wives were entertained and a light lunch was served.

BROWNIE SCOUTS

A meeting of the Brownie Scouts will be held every Tuesday afternoon at 3:30 in the library basement. Mrs. Lewis Lent is the new leader with Mrs. Leo Alderdyce assistant and interesting activities are planned. All girls from 7 to 10 years are eligible to join.

No Reason To Fear Russia

SPEAKER SAYS COUNTRY IS READY AND WILLING TO CO-OPERATE WITH U. S.

"Russia" was the topic of an interesting program presented at this week's meeting of Tecumseh Monday Club, with Miss Gertrude Spaulding as leader.

Mrs. Lila Pargement, instructor in Russian at the University of Michigan, and a native of Russia, was the speaker. Since coming to the United States she has visited Russia four times. She stated that their courage is more prominent than ever because of the invading armies who are crueler than ever before. Every citizen has an interest in his country and all national and racial discrimination has disappeared. Women are on an equality with men and 75 percent of their doctors are now women. More than one-third of their production is the result of women labor. Under the Czar's ruling there was very little education—now there is practically no illiteracy. She said most Americans were suspicious of Russia because they were ignorant concerning the country; that Russia can be completely trusted and is ready and willing to do business with the United States. At the conclusion of her talk Mrs. Pargement answered questions concerning the religion and the farming in Russia.

Mrs. R. S. Moore announced the program which consisted of piano solos "The Russian National Anthem" and "Waltz of the Flowers" by Mrs. Kenton Hunt; vocal solos "Legend" by Mrs. Moore and "None But the Lonely Heart' by Mrs. Edward Beal. All were compositions of Tschiakowsky.

"Spain" will be the topic of the next meeting on November 13, with Jennie Temple as leader and Miss Mary Whitelock and Mrs. Al Helzerman, the hostesses.

Braves To Meet Morenci, Friday

INDIANS TO PLAY LEAGUE LEADING ELEVEN AT REGREATION TOMORROW EVE

By Jim Sisson

One of the most interesting football contests to be played on Recreation Center gridiron this season is scheduled for 8 o'clock tomorrow evening when Coach Fred Raizk's Indians meet the league leading Morenci high school eleven in a game that may completely upset the standings for Lenawee county.

Morenci is now in top position, having won both of the games it has played, the last one a week ago with Clinton which school now holds second place in standings. If Tecumseh wins tomorrow's game and Clinton loses its game this week, the Indians would be tied with Morenci for top position. The final game of the season will be played next week Friday at Recreation here, with Blissfield, the cellar-position team in the league.

The Indians ended their third game of the season with a 13-13 deadlock against Manchester on the Dutchmen's own field, last Friday afternoon.

While the Braves did not get off too well at the beginning of the first stanza, near the end of the quarter they drove the Dutchmen back over the white markers and scored a touchdown. The running attempt at extra point was short.

In the second period, with Tecumseh still leading, the two teams exchanged the ball several times. Then, in the last minute of play, in the first half, Poley, Tecumseh's fullback, attempted to punt, the punt was blocked, the ball rolled back to the Indians 5 yard line and there Manchester recovered the ball. On the first play, a pass was thrown and the Dutchmen had their 6 points. The extra point failed and the half ended 6 to 6.

In the second half Tecumseh came out refreshed and seemed to push the Dutchmen all over the field. But they failed to score. Then after the Indians' attack wore off, the Manchester gridders caught the Braves napping, and made use of their opportunity to slip around their own left end to score again. After this 40-yard run, they also completed another pass for their 13th point.

The Teepee Town boys seemed to be down then, but staged a comeback when L. Brown intercepted a Manchester pass and advanced the ball 45 yards before he was brought down. On a few more plays Baker carried the ball over again for his and Tecumseh's second touchdown. He then ran off tackle for the extra point. In the last minute of this exciting contest, Tecumseh had again started a threatening drive and had the game lasted longer the final score might have been different.

Manchester rang up most of it's important gains through Tecumseh's weak pass defense, making 66 yards to Tecumseh's 0. But on the ground it was a different story, as Tecumseh piled up 321 yards to the Dutchmen's 78. Tecumseh also scored 12 first downs to the Dutchmen's 4.

HALLOWE'EN PARTY

The B.Y.P.U. of the Tecumseh Baptist church attended a Hallowe'en party at Pences Hall in Ogden Center, Monday night. They were the guests of the C. B. group of the Friends church. A good time was enjoyed by all who attended.

Their weekly meeting was held Sunday at 6:00 p. m. John Price was in charge of the program. His topic was "God—Who and Why." The meeting was adjourned and refreshments were served in the church parlor, after which they were entertained at the home of Dalton VanKelenburg. Dalton is to report to the navy Wednesday.

VOTE NEXT TUESDAY

One of the first duties of citizens is the responsibility of voting. The fulfillment of that obligation is the only assurance of representative government.

Down through the history of America the friendly communities have stood four square for the principles of independence around which the structure of our great commonwealth has been erected. Let us do our part to make the great American decisions the decision of all the people. Let us not only vote but be sure that all our neighbors vote next Tuesday, November 7.

WHAT NEXT?

Mechanized manure removal is the latest wrinkle now being developed for dairy farms. Agricultural engineers are experimenting with a slow moving, endless belt conveyor placed in the droppings trough. It is designed to deliver its load direct to the manure spreader outside the barn. This is not all that has come to light of late in the line of farm invention. A New York farmer, tired of pitching in hay by hand, cut off the blower end of his threshing machine, put the discharge shoot in the loft, and did as much work with two men as five would normally do.

People wonder why the American farmer has managed to get along during the war, in the face of labor shortage. He has done it through determination and ingenuity. If it had not been for these assets plus the effective help of his marketing organizations, the farmer would have been out of business long ago.

IN NAVAL BAND

The Sanford Naval Air Station Band of Sanford, Fla., of which Calvin Damon, AMM2/c is one of the organizers, made its initial appearance at Municipal Pier in Sanford, October 7, and is the third band organized by Damon since going to Florida two years ago after his enlistment. The band recently took top honors in the Battle of Bands in Orlando, Fla. All three bands have now taken high honors. Damon is a drummer in the band and has worked faithfully organizing new groups when the others are called to sea duty.

Cal is the son of Mr. and Mrs. William Damon and a graduate of Tecumseh high school.

Budget Your Income with a Checking Account

* * *

How often have you said: "I can't understand where my money went. I can't remember."

You need never make such a statement; you need never wonder where or for what you spent your money if you spend it the checking account way.

A checking account, you know, furnishes you with an accurate record of your expenses. It also furnishes you with a valid receipt—your cancelled check—for all bills paid.

Open a checking account this week. Budget your expenses.

Plan and Save for Your Post-war Home NOW!

Of one thing we can be certain today, thanks to the gallantry and daring of our fighting men. Victory can come sooner, with continued all-out support from the home front. Then the new home you have dreamed of, can be built exactly as you dreamed of it . . . if you are ready with the financing that you are going to need. That takes planning, too.

Whether you plan to build anew, to modernize the home in which you now live, the key to all of your post-war planning will be found in the War Bonds you buy today and the savings you accumulate for spending during the peaceful future.

Why not start NOW to buy Bonds and to Save for your post-war home. Come in and consult us about it.

LEAVE FOR SERVICE

One hundred and twelve draftees from Lenawee County will go to Detroit Monday, November 6 for pre-induction examination. They will report at the Adrian Armory at 7 a. m., and leave by bus for Detroit.

ATTENTION—VOTERS!

Intelligent voters desire to be informed. The following, compiled by several organizations, some national in scope give the record of your Congressman (Michener) as follows:

Fifty-two times he voted wrong out of fifty-eight major public issues, among which he voted against Lend-lease, Selective Service, Revising the Neutrality Act, Fortifying Guam, against building military planes, against building war-ships. Less than four months before Pearl Harbor Michener voted to disband our conscripted army.

Michener is quoted by subversive publications, among them, Wm. Dudley Pelly now on trial with others for sedition against our nation and people. REDMOND M. BURR, the Democratic candidate for Congress has an excellent record, of him it is said he did more in his two years service in the Legislature than has Michener in 24 years in Washington. Look for BURR'S name, Democratic Ticket, between the State and County candidates.

NOW AT QUANTICO

Marine Private Jeanne C. Allen, daughter of Mr. and Mrs. Charles W. Allen of Tecumseh, has graduated from the Motor Transport School at Camp Lejeune, N. C., and has been assigned to the Marine Barracks, Quantico, Va.

The recently completed course included lectures on the theory of motor mechanics followed by practical instruction in convoy driving, emergency repairs, routine motor check ups and field problems in map reading. Students are taught to operate Marine Corps vehicles ranging from the jeep to the three ton truck. Women graduates are trained to take over motor transport jobs which will release men for duty in combat zones.

REPORTS FOR DUTY

Miss Ruth Vest formerly of Tecumseh graduated recently from naval training school for Yeomen at Stillwater, Okla., and has reported for duty at the naval supply depot in Oakland, Calif. Miss Vest, who is the daughter of Mr. and Mrs. Walter Vest of Adrian, is now eligible for petty officer rating of Yeoman third class.

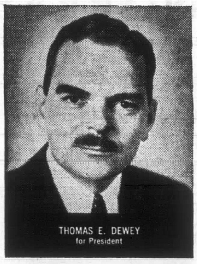
A SERIOUS MESSAGE
To Every Michigan Voter!



THOMAS E. DEWEY
for President

HARRY F. KELLY
for Governor of Michigan

Through New-Deal-controlled depression, for 10 years we have seen our liberties disappear. Year after year, millions have been forced to live on New Deal doles. Even Churchill, in 1937, accused the New Deal, through its persecution of capital, of forcing the world back into another depression! To restore our liberties, protect our freedom of speech, our vote and our opportunities to progress, vote for Dewey's program. To preserve good government in Michigan, re-elect Governor Harry F. Kelly!

DEWEY'S PROGRAM:

An administration devoted to public service instead of bureaucratic bickering.
An administration working in harmony with Congress.
An administration in which the Cabinet is restored as a responsible instrument of Government.
An administration in which you will not have to support three men to do one man's job.
An administration which will root out waste and bring order out of chaos.
An administration which will give the people of this country value received for the taxes they pay.
An administration made up of the ablest men and women in America who will receive full authority to do their jobs and will be let alone to do them.
An administration free from the influence of Communists and the domination of corrupt big city machines.
An administration in which the Constitution is respected so that the liberties of our people shall again be secure.
An administration which will devote itself to the single-minded purpose of jobs and opportunity for all.

KELLY'S RECORD:

Distribution of blood plasma to civilians, a program which the medical profession says is saving 1,000 lives a year.
Statewide tuberculosis diagnosis program.
Pioneering in postwar adult education and preparing for return of veterans to civilian life.
More adequate aid for dependent children.
Increased assistance to aged.
More liberal assistance to injured workmen.
Correlation of tourist and resort agencies.
Providing recreation facilities for "starved" metropolitan areas.
Youth guidance program designed to prevent delinquency.
Orderly future planning under State Planning Commission.
A farm program administered and approved by practical farmers.

Should the incompetent, radical-supported New Deal continue, we may end with dictatorship. THIS may be your last chance to vote for the preservation of your freedoms.

Grain Alone is Not Enough!

We have three distinct and different feeding programs, all of which will help you to get the most from your own grains.

It might be well right now for you to sit down with a pencil and answer these three questions frankly and honestly! !

1st—Is your flock abounding in hen health?
Are they as healthy as the pheasants that we are having so much fun shooting these days If not, something is wrong.

2nd—Are your birds holding up body weight?
Especially with colder months coming on there must be that weight to sustain the birds during the laying months ahead.

3rd—Are you getting the eggs you should?
You just can't fool the egg basket and the feed bill. There must be enough difference to make it really "fun" to feed our feathered friends.

If there is some doubt in your mind as to the progress you are making, wont you please drop in and let us help you. Without any obligation on our part we would like to help you. This applies not only to feeding, but to housing and sanitation as well. You'll find it will pay you to

The SUN MASTER Motor Tester
Takes the Guess-Work Out of Repairing

When we check your car for trouble with the SUN Master Motor Tester we can tell you in a jiffy whether the ignition, compression and carbueration are functioning properly. It enables us to put our finger on the trouble with your motor without long hours of hunting.

In these days of high labor costs and shortage of manpower, you can appreciate what such a Tester means when you bring your car to us for repairing. You can understand, easily, how, with this "master mind" we are able to reduce your repair costs. Why? Because it takes less time to find your trouble, and remedy it.

Here's What THE MASTER TESTER Will Do

IN TESTING COMPRESSION: The Master Tester shows whether or not the piston rings have "blown by" or are loose and need replacing. Also, whether or not the valves are seating properly.

IN TESTING IGNITION: the Master Tester shows whether your coil has the right capacity from starting to full speed. Whether your condenser is operating properly; the condition and spacing of the points, and the degrees of timing advance in the full speed range.

IN TESTING CARBUERATION: the Master Tester shows whether or not you have correct cylinder vacuum, and determines whether or not you are getting the correct fuel mixture from idle to top speed. This is very, very important in these times of gasoline rationing. Such a test may add many, many miles to every gallon of gas you burn.

If you are interested in increasing your gasoline mileage, if you want to make your car run smoother, eliminate wear and tear to a minimum, we invite you to bring it to us for service.

Our factory-trained mechanics are thoroughly familiar with all makes of cars and trucks, and our garage is open from 8 a. m. to 6 p. m., daily, for your convenience.

May we suggest that you use "the appointment system" for the repair of your car. Bring it to Mr. Andrew Bessey, our superintendent, for inspection. He'll tell you what is wrong and give you an appointment for the work to be done. This will save delay and keep you from being without a car for a minimum of time.

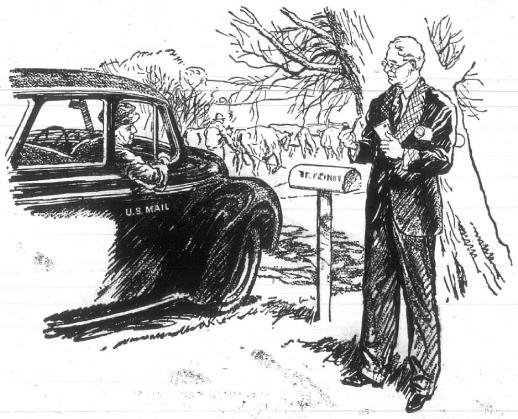
THE OLD JUDGE SAYS...



"Quite a stack of newspapers I left you yesterday, Judge. Aren't goin' in the newspaper business, are you?"

"No, I just enjoy reading different papers so my nephew George sends them to me whenever he takes a business trip. I got a big kick out of some he sent me from several counties *where they still have prohibition.* Particularly from some headlines that read 'Drunk Driving Arrests Rise', 'Bootleggers must post Ceiling Prices', 'Federal Agents seize 'Trick' Liquor Truck'. Doesn't that go to prove, Joe, that *prohibition does not prohibit?*

"I watched conditions pretty carefully during our 13 years of prohibition in this country. The only thing I could see we got out of it was *bootleg* liquor instead of *legal* liquor... plus the worst crime and corruption this country has ever known."

This advertisement sponsored by Conference of Alcoholic Beverage Industries, Inc.

Nothing can surpass the joy and relief from the yoke of war that final victory will bring. But when the time comes to enjoy living again there will be many new home comforts to look forward to. Gone will be the worry of ration stamps and the thought that ELECTRICITY is a war fuel to be used only when absolutely necessary. No longer will the great electric ovens in our war plants be turned full "on" to cook implements of war and those in our kitchens turned "off" to conserve this labor-saving fuel. Instead of tougher armor plate and shells it will be more tender steaks, roasts, pies and cakes. Yes, there's a great day coming when ELECTRICITY that clean, fast, wonder-FUEL will again cook our meals, cool our homes, preserve our foods and provide plenty of hot water.

Buy more War Bonds today and enjoy better, happier living tomorrow.

No one knows when this war will end, but until it does, it is everyone's patriotic duty to conserve all vital material of war. ELECTRICITY is a most vital material of war, it must continue to be used wisely.

Reddy Says... SAVE AND CONSERVE FOR VICTORY AND HAPPINESS TOMORROW

HAYDEN
PORK MAKER

Hayden Flour Mills Tecumseh, Mich. Nov. 2, 1944

THERE IS A DANGER IN THIS NEW SOFT CORN!

Often hogs are thrown back in their gains when fed new soft corn. One way to offset this danger is to feed them

HAYDEN'S HOG BALANCER

along with the new corn. It will help in the digestion, keep up their appetite, and hold the rate of gain you need. In other words it will help to produce more pork, just as it has for hundreds upon hundreds of satisfied users during the past several years.

Ask for feeding directions that will fit your own supply of grain!

HASTEN TO HAYDENS!

DEWEY

BRING BOYS HOME SOON!

"THIS BASIC ISSUE was clearly revealed in the recent announcement by the Director of Selective Service in Washington. He said that when Germany and Japan have been defeated it will still be necessary to demobilize the armed forces very gradually. And why? Because, he said, 'We can keep people in the Army about as cheaply as we could create an agency for them when they are out.

"For six months we have been hearing statements from the New Deal underlings in Washington that this was the plan. Now it is out in the open. They have been working up to it. Because they are afraid of peace. They are afraid of a continuance of their own failures to get this country going again. They are afraid of America.

"I do not share that fear. I believe that our members of the armed forces should be transported home and released at the earliest practical moment after victory. I believe that the occupation of Germany and Japan should very soon be confined to those who voluntarily choose to remain in the Army when peace comes. I am not afraid of the future of America—either immediate or distant. I am sure of our future, if we get a national administration which believes in our country."

FACTS about Proposal No. 4

★ ★ ★

1. Elected officials of local governments in 83 Michigan counties are vigorously opposed to Proposal No. 4 which imposes Detroit rule on 11 cities and 18 townships in Wayne county. It constitutes the entering wedge for destruction of responsible government in every county of Michigan.

2. It vitally concerns all of Michigan. The so-called county home rule plan FIRST applied to ALL counties. It was beaten by Michigan voters in 1934 and 1936. The Wayne county scheme was rejected in 1942. Let's bury this threat for all time! Defeat Proposal No. 4!

3. Let Detroit clean house first in Detroit! Here is the record of Detroit city officials and Detroit state legislators, now elected AT LARGE:

CONVICTED! One-third of Detroit city council, mayor and many police officials.

CONVICTED! A majority of Detroit state legislators in 1944.

Proposal No. 4 would impose AT LARGE elections with non-partisan ballots upon Wayne county, despite Detroit's record of corruption under that system.

4. Proposal No. 4 would destroy responsible county government. Wayne county has the lowest tax rate and bonded debt of any county of its size in the nation. Contrasted to the county's 18 per cent debt DECREASE since 1919, Detroit's debt has soared more than 11 times—$30,627,253 to $332,125,738. Detroit city taxes have doubled, while the county tax rate goes downward—dropping another 14 cents on Dec. 1, 1944.

NINETY-FIFTH YEAR—NUMBER SIX | TECUMSEH, MICHIGAN, THURSDAY, NOVEMBER 9, 1944 | FIVE CENTS PER COPY

Roosevelt Wins Over Tom Dewey

PRESIDENT EASY VICTOR FOR FOURTH TERM; DEMOCRATIC CONGRESS EXPECTED

President Franklin D. Roosevelt won a comparatively easy victory over his Republican opponent, Gov. Thos. E. Dewey of New York in Tuesday's national election, returning him to the White House for a fourth term. Incomplete returns showed that Mr. Roosevelt was leading in 34 states with nearly 400 electoral votes while Dewey's strength in 14 states furnished him only 136 college votes. Complete returns undoubtedly will give the President a landslide vote in the electoral college, but the popular vote may be comparatively close.

It also appeared quite certain that Congress would be controlled by the Democrats as the result of some unexpected upsets and that many G.O.P. governors were unseated as the result of the sweeping New Deal victory.

In Michigan, all Republican candidates were victorious with Gov. Harry Kelly leading the ticket. Congressman Earl C. Michener in this district was an easy victor for the 13th time, winning over his Democratic opponent by more than 3 to 1. Elmer Porter was elected to the state senate and Rollo G. Conlin to the house of representatives.

In Lenawee county, all Republican office holders were returned to office by a three to one victory. Lenawee county polled about 32,000 votes and stayed soldly in the Republican column for all offices from President down, as did the state of Michigan.

In Tecumseh, 1,772 votes were cast in both precincts, about 600 less than registered strength. In the west side precinct, 1,090 votes were cast, 682 in the east.

Tecumseh township, like the county, voted overwhelmingly Republican, failing to give a majority to a single Democrat.

Election boards worked until about 3 a. m., Wednesday counting the vote.

Gov. Dewey Is Victor In School Vote Here

Gov. Dewey won a easy victory over President Roosevelt in the voting at Tecumseh high school, yesterday. Dewey's vote was 130, Roosevelt's 95. In the governor's race, Harry Kelly got 142 votes to Fry's 54. The only county office voted on was sheriff and here Bringman got 143 votes to Seeley's 60.

The senior high students conducted a spirited campaign through the week before election. There was a parade on Monday and speeches for the President by Lavonne Perin and Robert Wilson and for Dewey by Dorothy Shumm and Marilyn Weslow. Issues of the campaign were brought out by Louise Wilson and Dorothy Cook and Roosevelt's background was reviewed by Robert Dinse, Dewey's by Jane Hoekstra.

The junior civics class prepared campaign speeches, and the American history class the list of qualified voters. Sophomores had charge of background speeches and the freshmen the ballots. Winona Waldron was chairman of the Democrat committee, Joyce Zeigler the Republican.

TO MAKE TEST CASE OF NEW ZONING CODE

The first test case under Tecumseh's new zoning ordinance was authorized on Monday evening when the village council instructed its engineer to sign a formal complaint against Leon P. Williamson for an alleged violation of the zoning act. The alleged infraction involves the keeping of chickens within a restricted area, it was said.

The council also authorized certain improvements to be made at Tecumseh Hospital, as recommended by the state fire marshal's office. The cost of the work is something less than $500. Current bills were audited and ordered paid and reports of committees and department heads were read and placed on file.

Schools Change Time on Monday

BRANCH BUILDINGS TO START AT 9:15 IN MORNING; CENTRAL SCHOOL AT 9

Effective Monday morning, November 13, the Tecumseh Public Schools will again operate on the winter time schedule according to an announcement from the office of the superintendent. On the basis of this schedule the school day for the children enrolled in the branch buildings will extend from 9:15 a. m. to 3:45 p. m. with the period from 11:45 to 1:15 p. m. for the noon recess.

The morning session for all pupils attending the Central building will begin at 9:00 a. m. The elementary grades will be dismissed at 11:45 for the noon recess and the junior and senior high school classes will be dismissed at 12:00 noon. The afternoon sessions for the same groups will begin at 1:00 o'clock and the dismissal times will be 4:00 for the grades and 4:30 for the junior and senior high school classes.

The change in the time schedule, as outlined above, has been deemed advisable by the local school authorities because of the continuance of Eastern War Time in our area.

BERKHOF SPEAKS TO WIT, WISDOM CLUB

The Wit and Wisdom Club met Monday evening at the home of Mr. and Mrs. O. W. Laidlaw. A. C. Brasee presided and at the business meeting Mrs. Hoyt Whelan was appointed to represent the club and show their willingness in helping to develop the County Veteran Center in Adrian.

W. L. Berkhof was leader and gave an instructive and interesting talk. By reviewing some of the country's history he showed how it had changed from isolationism to inter-nationalism, and also from individualistic to socialistic trends. An informal discussion by members followed and in conclusion refreshments were served.

BIBLE CLASS MEETS

The Men's Bible Class of the Friends church held their regular Monday meeting at the home of Mac Powell. The meeting was both business and social. Tecumseh Tops League's Quota

$4,858.50 SUBSCRIBED IN PATRIOTIC CAMPAIGN; REALLOCATION CUTS QUOTA

Tecumseh is again far over the top in its quota to the Lenawee County Patriotic League, Lester Rogers, chairman, announced this morning. Tecumseh's subscription to date, Mr. Rogers said, amounts to $4,858.50.

"Our quota locally was $5,300 but the League has allocated to Tecumseh $2,043.49 of its surplus account, raised in previous campaigns and unspent. This reduces our quota locally to about $3,300 and with present subscriptions we are about $1,500 over our goal. I understand," Mr. Rogers said, "that proportionate allocations will be made to other sections of the county."

The drive for funds does not end until the end of this week, and Mr. Rogers said he expected Tecumseh's subscription might be shoved up two or three more hundred dollars, probably passing the $5,000 mark.

"I am very proud and happy of the record that Tecumseh has made in this campaign," Mr. Rogers said. "I felt confident at the outset that this community would go over the top. Not once, in any patiotic enterprise since the war started, has Tecumseh failed. I am sure that our boys in service will again be proud of their home community."

Mr. Rogers continued by saying that he desired to express his thanks and the thanks of the community to those who assisted in the campaign, especially to the women who acted as solicitors at the factories. Also, he expressed his appreciation to Wade L. Jones, former drive chairman, who aided him in this campaign.

All-County Grid Game To Raise Emergency Fund For U.S.S. Lenawee Crew

An emergency fund, to be given to the crew of the U.S.S. Lenawee, the newest member of the United States Navy to be launched somewhere on the West coast soon, will be derived from a football game to be played at Island Park, Adrian, Wednesday evening at 8 p.m., November 15. Admission will be $1 and tickets may be obtained at the high school here.

The game is being sponsored by the Adrian Chamber of Commerce and according to anonuncement if Tecumseh, Clinton and Morenci tie for the Lenawee grid championship all three teams will participate in the game. If only two of the teams tie, they will play the game. In the event there is an out-and-out winner in the leage, that team will play Adrian high school.

The raising of such an emergency fund is customary for any city or county for whom a ship is named. It is understood that a Lenawee county boy is a member of the crew of the ship but as yet his name has not been announced by the Navy.

BISHOP CREIGHTON HERE SUNDAY

The Rt. Rev. Frank W. Creighton, Bishop of the Episcopal Diocese of Michigan, will make his annual visitation to St. Peter's church on Sunday, November 12. He will confirm a class prepared by the Rev. John R. Scarlett and will preach at the 11:15 a. m. service.

Members of the confirmation class are Mrs. William Winder of Clinton, Lillian Tripp, Jo Ann Johnston, Marilyn Lindsley and James Sisson of Tecumseh, and John and Frank Keeney of Tipton.

OFFICERS ELECTED

At a metting of the B.P.C.P.S.C. held last Wednesday evening at the home of Mrs. Alta Lidke, the following officers were elected: Mrs. Luther Wood, president; Mrs. Ray Waters, vice president; Mrs. Frank Beal, secretary and treasurer. A social hour with refreshments followed the business session.

Mrs. Wood will be hostess for the next meeting on Wednesday evening, November 15, when husbands of members will be guests at a potluck supper and social evening.

HONOR GRANDSONS

Mr. and Mrs. Fred Sheldon entertained at a family gathering Sunday honoring their grandsons St. Sgt. Harold R. Skinner who recently returned after completing his missions over Germany, France and Italy; and his brother Richard S. Skinner A/S of Great Lakes, Ill. Other guests included their mother Mrs. Harold Skinner of Toledo, Mr. and Mrs. Vaughn Curtis and children of Adrian, Mr. and Mrs. Dale Hoag and sons of Saginaw, Mrs. Chris Anderson and daughter of Pontiac and Mr. and Mrs. Paul Sheldon and sons.

Mrs. F. E. Smallege Dies At Her Home Here

Mrs. F. E. Smallege, 72, died suddenly at 1 o'clock Tuesday afternoon at her home, 415 West Logan street. She had been in failing health for about three years.

Mrs. (Nina) Smallege was born October 1, 1872 in Raisin township, the daughter of Mr. and Mrs. Hanford. She was a member of the Presbyterian church.

She is survived by the husband, and two cousins, Robert Hanford of Detroit, and Harry Chittenden of Los Angeles, Calif.

Funeral services will be held at 2:30 Friday afternoon from the Collins Funeral Home, Rev. J. C. Murdoch officiating. Burial will be in Brookside.

Tecumseh Eyes League Pennant

TO PLAY FINAL GAME HERE FRIDAY WITH BLISSFIELD; MORENCI DOWNED 6-0

By Jim Sisson

A mathematical problem that may puzzle even the professors of the several schools involved is likely to result if Coach Fred Raizk's Tecumseh high school Indians defeat the Blissfield Sugar Boys at Recreation Center here at 8 p. m., tomorrow, and the teams from Morenci and Clinton win, lose or tie their opposing grid teams. On paper, it works out something like this:

If the Indian footballers defeat Blissfield and Clinton ties Manchester and Morenci wins from Hudson, then Tecumseh, Clinton and Morenci will be tied for first honors. If Clinton loses and Morenci and Tecumseh win, there will be a two way tie. If Tecumseh loses and Morenci loses, Clinton will be the undisputed champion. If both Clinton and Morenci lose, then the Indians will take the championship.

In any event, Coach Raizk is figuring on one of the best grid games of the season tomorrow evening, and, weather permitting, it is expected to attract a crowd not much smaller than the record-breaking Clinton game, earlier in the season. While the Sugar Boys are not a pushover, Tecumseh is favored to win the game.

The Indians played one of the best grid games of the season at Recreation here last Friday evening when they defeated Morenci by a score of 6 to 0. The game tied Morenci for second place league honors.

In Friday's game Tecumseh received the opening kick-off but afiled to advance in any threatening drive against the tough Bulldog line. This was also the case with Morenci and so the pigskin was relinquished from team to team. It was not until the final minutes of the half that the Braves opened their crucial attack. Ben Hammack, Tecumseh linebacker, intercepted a Morenci pass and advanced the ball to the Bulldog's 35 yard marker. There on several passes by quarterback, Johnny Murdock, and excellent catches by Don Purkey and Lillard Brown, Tecumseh advanced, with the help of a few runs, to Morenci's 8 yard line. There, co-captain Jim Osburn slipped through the line and plowed his way over for the score. Murdoch's pass for the extra point was incomplete.

In the second half, it was much the same as the first for some time. Tecumseh had driven to the Bulldog's 9 yard stripe, but lost the ball on downs. Then they opened their drive, and on successive runs, spearheaded all the way to the Tepee Town 1 yard line. Here, the Tecumseh eleven expressed their ability and held back the attack. On Tecumseh's first play from this position, Osburn sped with the ball 35 yards before he could be brought down. But Tecumseh was unable to go much farther.

About the beginning of the fourth period, the sprinkling rain turned into a pouring shower, drenching the players and spectators, who dared to remain at this exciting contest. As the minutes ticked away, Morenci again attacked furiously. This time it came in the air. As the Bulldogs neared the goal, the passes grew more furious by the minute. It appeared that they would surely score until L. Brown intercepted a pass, thus later the final gun was shot and ending the drive. A few seconds Tecumseh had their second victory of the season. Tom Judd appeared back in the starting lineup, giving a good account of himself, and Dermont Poley got going again after Baker was taken out because of injury.

TO GIVE RECITAL

Dr. James Spencer of Adrian College will present an organ recital Sunday evening, November 12, at the Tecumseh Presbyterian church. He will be assisted by Mrs. Spencer as soloist and by Miss Greenship as celloist.

Dale Aebersold Wins U. S. Honor

HIS FIGHTER GROUP AWARDED PRESIDENTIAL CITATION FOR DISTINCTION

An Eighth Air Force Fighter Station, England.—Staff Sgt. Dale H. Aebersold, 25-year-old duty sergeant, son of Mrs. Clarence Aebersold, of 316 S. Evans St., Tecumseh, Mich., is among those honored by a Presidential Citation of the 4th Fighter Group of the Eighth Air Force, "as public evidence of deserved honor and distinction."

The fighter group commanded by Col. Don Blakeslee, of Fairport Harbor, O., was praised by the citation for "its extraordinary heroism, gallantry, determination and esprit de corps" during the period from March 5 to April 24, 1944, when its P-51 Mustang pilots destroyed 323 German planes, 189 in aerial combat and 134 by strafing attacks.

One of the veteran air combat organizations of the European Theatre of Operations, the 4th Fighter Group is a unit of the 2nd Bombardment Division, commanded by Maj.-Gen. William E. Kepner, and has a long record of bomber escort, ground strafing and dive bombing.

The group commanded by Col. Don Blakeslee celebrated its second anniversary recently by destroying 24 enemy planes in two days.

The group was formed Sept. 12, 1942, when the three Eagle Squadrons of the Royal Air Force transferred to the USAAF and became the first fighter group in the Eighth Air Force.

In the two-year period the ex-Eagles, complemented by U. S. trained pilots, have flown Spitfires, Thunderbolts and Mustangs. They have destroyed 687 enemy aircraft, 222 while on hazardous ground strafing operations.

The group's list of famous firsts include: First Allied fighters to penetrate Germany from Britain; first Allied single-engine fighters over Berlin; providing the fighter escort for the first Britain-to-Russia shuttle raid; and the first fighter group in the European Theatre of Operations to pass the 400, 500, and 600 marks in enemy planes destroyed.

Members of the group, both pilots and non-flying personnel, are entitled by the citation to wear a gold-bordered blue ribbon as evidence of their contribution to the achievements of the Blakeslee group.

SPECIAL SERVICE

At Grace Ev. Lutheran Church, a special service will be held at 8 o'clock Sunday evening, November 12, to inaugurate the Debt Retirement Drive. Rev. R. W. Scheele of Ann Arbor, former pastor of the church, will deliver the sermon.

Holy Communion will be celebrated at the morning service at 11 o'clock.

TO TALK TO CLUB

Miss Ruth Harding will be the speaker at next week's meeting of Tecumseh Monday Club. "Spain" will be the topic and Mrs. Herbert Temple will be leader. Spanish songs will be sung by a group in Senorita costumes. The hostesses are Miss Mary Whitelock and Mrs. A. Helzerman.

GETS WINGS

Pfc. Richard W. Graf, son of Mr. and Mrs. Lavern E. Graf, graduated recently from the AAF flexible gunnery school at Kingman, Arizona, and has received his gunnery wings. Pfc. Graf, who attended Macon Ford school, entered the army February 18, 1944.

TO INSTALL OFFICERS

The newly elected officers of Tecumseh Grange will be installed at the regular meeting tonight (Thursday). Potluck supper will precede the meeting. The refreshment committee is composed of Mr. and Mrs. Fred Sheldon, Mr. and Mrs. Wm. Fletcher, Mr. and Mrs. R. J. Stewart and Mrs. Mary Cleveland.

AUXILIARY TO MEET

Palmer Gray Auxiliary, S.W.V., will meet Friday evening at the home of Mr. and Mrs. Bert Gray when an inspection will be made by a state officer. A co-operative supper at 6:30 will precede the meeting.

AREA CONFERENCE

An area conference of the Baptist church on Christian Education will be held Friday, November 10 at the Tecumseh Baptist church. Rev. Richard Hoyland of Philadelphia, Pa., general director of the board of Christian Education, will be the principal speaker.

Sessions will open at 11 a. m. and continue through the afternoon and evening. Luncheon will be served at noon and dinner in the evening at the church.

Pfc. Earl Fritz Home; In Percy Jones Hospital

Pfc. Earl Fritz, who was injured in action in France, has returned to the United States and is a patient at Percy Jones General Hospital in Battle Creek. Pfc. Fritz injured his right arm August 27 while acting as assistant gunner on a jeep which overturned and the member was amputated above the elbow August 30. He has been awarded the Purple Heart. His father William Fritz and his sister and husband Mr. and Mrs. Elwood Westgate visited him Thursday at Battle Creek where he arrived October 31.

114-YEAR-OLD LETTER STILL IN GOOD CONDITION

Guy E. Belding, while sorting some old papers last week, discovered a letter written to his grandmother before her marriage to his grandfather Belding. The letter was dated Oct. 23, 1830, and for its 114 years of existence was in excellent condition. The paper of very good quality, was only slightly yellowed and the ink was as clear as when written. The sheet when folded formed the envelope and the postage from Alexandria, La., to Franklin, was 25 cents, which was marked in ink on the envelope instead of a stamp.

WILLIAM VAN DUSEN FUNERAL ON FRIDAY

Funeral services will be held at 2 o'clock Friday afternoon from the Belding Funeral Home here for William Van Dusen who passed away at his home west of Tecumseh, Tuesday evening. The Rev. Edward Escolme will officiate and burial will be in Brookside.

Mr. Van Dusen is survived by his widow, Emma, a daughter, Miss Lillian Fleming, four sisters, Mrs. Mead Callan, Mrs. Mabel Mitchell, Miss Alice and Miss Mandy Van-Dusen, and a brother, Samuel, all of Detroit.

ARMISTICE DAY AT ST. PETERS

St. Peter's church will observe Armistice Day as the Churchwide Day of Prayer with an all-day vigil in the church. The church will be open from 7 a. m. to 9 p. m. to enable all to stop for prayer and meditation. A printed form of intercessory prayer on behalf of our fighting men and women, peace, and renewed courage and determination in time of war will be in the pews for the guidance of all who stop by.

SAYS THANK YOU

Pvt. Henry Walden who wrote The Herald last August, requesting the paper to be sent him in France, has written again thanking us for the paper, the first issue of which arrived there October 2. This was only the second paper from the United States he had seen in over a year and was very much appreciated. Pvt. Walden is a member of one of the oldest outfits in France.

HURT IN EXPLOSION

Harvey Bowers, seven year old son of Mr. and Mrs. Roy Bowers, who live north of Tecumseh on the Newburg road, was brought to Tecumseh hospital Friday evening, after a dynamite cap, which he found, had blown three fingers from his left hand, and also injured his leg. The cap was found in a gravel pit near his home.

Favors Change To City Gov't.

MANY ADVANTAGES OFFERED OVER VILLAGE FORM BY POST-WAR MEET SPEAKER

There are many advantages to city form of government over village form, and these advantages should be considered if Tecumseh grows to become a town of 7,000 to 8,000 people after the war, Herbert A. Olsen, director of the Michigan Municipal League, told his audience Monday evening when he addressed another of the Rotary club's post-war planning meetings at the high school. The dinner was attended by more than 100 business and professional men and women, including members of the village council.

Mr. Olsen, who for 12 years has served as director of the League, with offices at Ann Arbor, pointed out that city government is far less bunglesome than the village form, that there is no duplication of office or effort, as with the present set-up, and he declared that of the 33 villages of the state that have changed to city government during the past few years, none of them would return to the old form.

The speaker pointed out that with careful planning there need be no serious growing pains in Tecumseh's expansion. He complimented the council in the steps it already has taken looking toward post-war, and also commended the Rotary club for its foresight in sponsoring the study meetings.

William A. Simonds, who will speak before the eighth post-war planning meeting sponsored by the Rotary club at the high school November 14, has been associated with the Ford Motor Company for over 20 years, mostly in Public Relations. Before the present war he was in charge of Greenfield Village and editor of the company's publication. Since the war he has been at Willow Run.

Mr. Simonds is best known for his biographies of Mr. Henry Ford, his latest having been published one year ago. He is also considered the leading authority on Mrs. Alva Edison. One of his books on Edison's life served as background for the two famous motion picture films "Young Tom Edison" and "Edison, The Man." Mr. Simonds was technical advisor at the studio during the making of those pictures.

At home Mr. Simonds served for eight years as chairman of the Dearborn Civil Service Commission. He was also head of the Dearborn Community Forum for several years. He has three sons in the service and a fourth son, an Army Flier, was killed one year ago.

New Officers In Charge In First O.E.S. Meeting

PROGRESS, AMERICAN STYLE

Hospital facilities are as much a part of the medical system as the doctors themselves. Thus, while the doctors are developing various devices to broaden and improve medical service, the way is being prepared for more and better hospitals.

The men who run America's 6,600 hospitals have ambitious ideas about the things they want to put into new buildings or fit into existing ones when peace returns. These include modern, artistic furniture; bright colored wallpaper; "radiant heating;" complete air conditioning, and communication system that permit a patient to talk to the floor nurse from his bed, in much the same way as inter-office communications work.

Along with air conditioning, hospitals will adopt equipment for controlling dust, and ultra-violet lamps that help kill air-borne bacteria and germs.

The hospitals have already planned expenditures totaling over a billion dollars.

PROLONG THE LIFE
of Your Tires?
Let Us Do It The Factory-Approved Way With a New Tire Preservative

Are your tires getting old? Do the sidewalls show wear and check marks? If they do, that is an indication that the "life" is leaving the rubber—that you must take some steps if you are to expect too much more service from them.

That is where our factory-approved tire preservative enters this war-time picture. That is why tire manufacturers have placed it on the market—have made it possible for us to render you this new service.

We can refinish your tires with this new preservative and fill these checks giving sidewalls new elasticity. This preservative seals the sidewall rubber, preventing unnecessary further checks.

Stop in. Let us tell you more about this NEW service. The cost of having a tire treated with this new preservative is only 50c. It takes only a few minutes.

Your Car Must Last

Until Victory is Won

* * *

Yes, the car that you are driving today must last until Victory has been won—at least until Hitler is liquidated and quite probably until the South Pacific has been cleared forever of our Japanese enemies.

You must, therefore, take better care of your car than ever before. Right now, be sure that it is ready for winter driving. Is your radiator ready for winter? Is the motor and chassis properly lubricated?

Bring your car to us for this service. We'll help you to keep it going for the duration.

GOOD CHEER CLASS

About twenty-five members and friends of the Good Cheer Class of the Baptist church met in the home of Mr. and Mrs. Ira Ashley. The Christmas Box Committee reported that they had mailed 28 boxes to our overseas service men, 14 boxes in the states, with 7 boxes yet to be mailed.

After the business meeting, a humorous skit, "Sometimes You Find Them Dumber," was given by Mrs. Wm. Grigg and Mrs. Hunt.

ENJOY BOX SOCIAL

The Culbertson P.T.A. met Friday evening at the school house for their regular meeting and program which was announced by Mrs. Dena Wallace and consisted of a song "Army Air Corps Song" and a choral reading by the school; the 23rd Psalm by Barbara House; a Chinese Fable by Kenneth Sloan; recitation in unison by the first graders; cornet solo by Francis Stone, accompanied by Mrs. Stone.

A box social was then held with I. W. Boltz as auctioneer. Guesses were given on the contents of a cake baked by Mrs. Herbert Long were sold and as no one guessed correctly the cake was also sold to the highest bidder. About $18 was realized and will be used to purchase play equipment for the school.

The next meeting will be held at the home of Mr. and Mrs. I. W. Boltz with Mrs. Mary Cleveland and Mr. and Mrs. Clark Goodacre in charge of the program.

Katherine Drouillard Weds Corp. Ramon Damon

St. Elizabeth Catholic church was the scene of a lovely wedding Monday morning, at 9 o'clock when Miss Katherine Drouillard, daughter of Mr. and Mrs. Richard Drouillard of Tecumseh, became the bride of Corporal Ramon Damon, son of Mr. and Mrs. Peter Damon of Adrian. The double ring ceremony was performed by the Rev. Fr. Herbert Weler, pastor of the church, before the altar banked with chrysanthemums and palms. Pews were marked with pink and white bows.

Mrs. Anna Blesing accompanied by Mrs. N. Geehan, sang "Ave Maria" and "On This Day Oh Beautiful Mother," during the mass. Mrs. Geehan also played the wedding march for the entrance of the bridal party and also the recessional. The bride who was given in marriage by her father was lovely in a gown of white satin fashioned with long waistline and sweetheart neckline trimmed with seed pearls. The sleeves tapered over the hands and the full skirt ended in a long train. The veil of tulle and Irish lace hung from a crown of seed pearls. The bride carried a white prayer book and white carnations and pom poms with white satin ribbon streamers.

Miss Doris Drouillard was her sister's only attendant and wore pink net over satin, with shoulder length veil and arm bouquet of pink and white carnations and pom poms. Ted Golat, brother-in-law of the bride, attended the groom as best man. Mrs. Drouillard, mother of the bride, wore blue with navy and white accessories, and Mrs. Damon, mother of the groom, was also in navy blue with matching accessories. Both wore corsages sweetpeas and roses.

Following the ceremony a wedding breakfast was served to the bridal party and Fr. Weier. At noon a wedding dinner was served to 40 relatives and friends at the home of the bride's parents. The table was centered with a tiered wedding cake topped with a miniature bride and groom, the gift of the bride's sister, Mrs. Ted Golat.

Before her marriage Mrs. Damon was employed in Adrian. Corp. Damon attended Adrian high school before enlisting in the Army Air Force. After attending Rockhurst College in Kansas City, he graduated from armament school at Denver, Colo., and from gunnery school in Harlingen, Texas, where he received his wings.

Corp. and Mrs. Damon will leave Sunday for Fresno, Calif., where he will be stationed.

Fight Poultry House Germs The New Way

MIX ONE OUNCE PER GALLON WATER
Kill pullorum, typhoid, and other deadly germs that may be in your poultry house by using Chek-R-Fect, the new, popular, soap type disinfectant! First clean, scrape and scour the floors, walls, nests, and roosts. Then spray or paint with a solution made of 1 oz. Chek-R-Fect with 1 gal. water. Chek-R-Fect mixes quickly with water, stays in solution, covers evenly, and does a thorough job of disinfecting.

IS A POWERFUL GERM KILLER
Chek-R-Fect is 7½ times as powerful as carbolic acid. It packs a real germ-killing punch!

HAS A PLEASANT ODOR
One whiff of Chek-R-Fect and you'll never want to use a "smelly" type disinfectant again! Chek-R-Fect has a clean—fresh—mild, soapy odor that helps keep down unpleasant poultry house smells. You'll like it.

IS NON-IRRITATING
Chek-R-Fect is as gentle as it is powerful. It will not irritate normal skin. This means less danger from spray burns and blisters. Chek-R-Fect is harmless to birds, too, when used as directed.

WILL NOT STAIN
Chek-R-Fect spray solution will not stain overalls, paint, or woodwork. It doesn't leave dark brown spots that are hard to wash out or wipe off. Chek-R-Fect itself forms a clear, bluish-green spray solution.

COSTS ONLY 2⅛ CENTS TO MAKE ONE GALLON
Ask us for full details as to this new disinfectant. We believe its use will make you money.

THE OLD JUDGE SAYS...

"That's really a great editorial you just read to us, Judge. Where did you say it appeared?"

"In 'The Stars and Stripes'... the newspaper of the U.S. Armed Forces in Europe. Kind of gives us folks back home something to think about, doesn't it, Bill?"

"It certainly does, Judge. Particularly the last paragraph. Would you mind reading that again?"

"Glad to, Bill. It says, 'We can remember the days of prohibition, when moonshine whiskey made quick fortunes for bootleggers, crooked politicians and dishonest police officials. As a result, we claim we know what we want in the way of liquor legislation and *feel those at home should wait until we return before initiating further legislation on liquor control*'."

"Out of fairness to our boys over there fighting, Judge, how could we disobey such a wish?"

Armistice Day

BUY WAR BONDS

The sands of time have run their course between 1918 and today. November 11th that earlier year marked the Armistice which terminated World War I. Would that this November 11th could terminate the present conflict! At least it can mark a day nearer final Victory—if everyone dedicates an extra War Bond purchase to all this date symbolizes. . . .

Ford Plant To Make Car Parts After War Ends

LOCAL FACTORY TO TAKE ON NEW ROLE AFTER VICTORY, SPEAKER DECLARES

The Ford Motor Company's plant here, known locally as The Ford-Hayden Mill, now entirely on war production, will assume a new role in industry after the war ends when its machines and employees will be busy in the manufacture of parts for automobiles, tractors and allied products, William A. Simonds of the personnel division of the company declared when he addressed 125 Rotarians and guests at the eighth of a series of post-war planning meetings, sponsored by the club Tuesday evening. The meeting was held in the gymnasium of the high school.

"My company desires that I extend to Tecumseh its appreciation for your fine spirit of cooperation," Mr. Simonds said. "We are at the present time beautifying the site surrounding the Ford plant here and we know that when we are through with the work you will be proud of our factory, not only from the standpoint of beauty but in the part that it will play in post-war, industrially."

Mr. Simonds said that his company anticipates that there will be 10 million more automobiles on the highways after the war ends than there were when it began. These figures were obtained, he said, from a survey recently completed. The Ford company plans to make a brand new car, a low priced car, a car that will meet post-war demands.

"And the new Ford will be more than the old one with its face lifted," he said. He did not, however, indicate what it would look like or what changes would be made mechanically.

Mr. Simonds indicated that Mr. Henry Ford has a keen interest in Tecumseh and its post-war future. He said that this was evidenced by the frequent visits that he made to his local property.

The speaker reviewed briefly the post-war planning that is being done by his company and pointed out that Mr. Ford at the present time is vitally interested in the welfare of returning veterans, especially those who are disabled. To furnish them with a post-war future the company has established a rehabilitation center on a 500-acre site near Dearborn. Here the men are trained in whatever vocation is preferred and at the same time paid $3 a day for spending money. As quickly as the men are qualified they are taken into the Ford plant and furnished a regular job or, if they prefer, they may seek employment elsewhere. There are no strings attached to them as a result of their free training. He also said that the company is making it possible for those who desire dealerships with the Ford company to obtain needed training and that the company is urging other industry to do likewise.

Mr. Simonds, author of the book, "Henry Ford," is also a recognized authority on Thomas A. Edison. He has written several books on Edison and one of them served as the background for the movies, "Young Tom Edison" and "Edison the Man." Mr. Simonds was called to Hollywood during the filming of the pictures as a technical advisor, and spent six months there.

At the conclusion of his talk, Mr. Simonds told some intimate stories regarding Mr. Ford and he also gave his listeners a word picture of how the Edison movies were made at Hollywood.

Next week, Otis Cook of Lansing, secretary of the Michigan Retailers Association, will be the speaker.

The post-war planning meetings are sponsored by the club in an effort to acquaint business and professional men with some of the problems that this community faces when the war ends. Talks by previous speakers, particularly Ray W. Herrick, president of the Tecumseh Products Company, indicate that Tecumseh must double its population if it is to keep pace with its industry. Mr. Herrick said that his company has some $40,000,000 in post-war orders on its books, that it must double its number of employees, with an annual payroll, within five years after Victory, of from $7,000,000 to $8,000,000 annually. Other plants, too, have indicated busy after-Victory months which undoubtedly will make it necessary for the building of several hundred new homes here when peace comes.

GETS AIR MEDAL

Roy P. Fish of Onsted has been presented with the Air Medal and three Oak Leaf Clusters, awarded to his son T/Sgt. Edsel Fish, who is a prisoner of war in Germany. The presentation was made at Selfridge Field on Saturday.

Clothing Is Needed For War-Weary Londoners

The Tecumseh Rotary Club is answering an appeal made by the Rotary Club of London, England, for men's used clothing, to be distributed to war needy residents. Men's suits, overcoats, jackets, sweaters, etc., are urgently needed, the appeal says.

Guy Belding and Lester Rogers are acting as a committee to handle the project here, and persons having clothing to donate are asked to leave it at the Toggery Shop, where it will be properly boxed and shipped to London.

Holloway Boy Dies in Saipan

PFC. GERALD SAWYER, 19, KILLED IN ACTION NOV. 5, REPORT SAYS

Mr. and Mrs. Wilson Sawyer of Holloway were notified Friday by the War Department that their son Pfc. Gerald Sawyer, 19, was killed in action November 5 at Saipan.

Pfc. Sawyer enlisted in the Marine Corps in September 1943 and after training at Oceanside, Calif., left in December 1943 for overseas duty.

He is survived by his parents, a sister Dolores and his grandfather Clarence Sawyer, all of Holloway.

Benefit Organ Recital At St. Peter's, Sunday

Yetchen Bronson, organist, and Marian Pahl, violinist will feature a recital in St. Peter's Episcopal church Sunday evening at eight o'clock.

Proceeds of an offering to be taken during the recital will be used by the sponsors, St. Peter's Army-Navy Commission, to enlarge their services to the sixty-five men and women on St. Peter's Honor Roll serving in the armed forces.

Mrs. Bronson is the very accomplished organist of St. Paul's, Jackson. She has studied under masters of the grand organ at Boston and most recently at Evanston. She has been chosen as organist for this year's presentation of the famous annual Jackson city-wide performance of Handel's "Messiah."

Mrs. Pahl is a leader in musical circles in and about Jackson and an able violinist. She is violin soloist with a group of musicians performing in Hudson this week.

The public is invited to attend the program.

FREDERICK W. QUIGLEY DIES OF HEART ATTACK

Frederick W. Quigley, aged 61 years, died suddenly of a heart attack Tuesday morning at his home northeast of town. Mr. Quigley was in town Monday and in his usual health. He was born in Blissfield and recently had lived on the Wm. Gibson farm near here.

He leaves the widow Mary, a son John of Tecumseh, his mother Mrs. Mary Quigley of Blissfield, a brother Samuel of Adrian, two sisters Mrs. Alice Miller of Petersburg and Mrs. Jennie Haas of Adrian and one grandson.

WED 32 YEARS

Mr. and Mrs. Louis Vincze celebrated their 32nd wedding anniversary Sunday with a family dinner. The guests included Mrs. Helen Schnabl and son Jerry, Mrs. Margaret Vincze and daughter Helen of Detroit, Mr. and Mrs. Steve Vincze and daughters Joyce and Judy, Mrs. Julius Vincze and daughter Sally of Adrian, Mrs. Ted Vincze of Tecumseh and Miss Rose Vincze of Britton. The group later visited Robert Vincze in Coldwater.

ON WRECKED TRAIN

Mr. and Mrs. Luther Kemp received word from their son A/C Norman B. Kemp, that he was a passenger on the Challenger, which was wrecked enroute to San Francisco, last week. Norman had been home on leave and was returning to Marys, Calif. He suffered minor bruises, but could send no message home until his arrival at pre-flight school.

YOUR SUBSCRIPTION, IS IT DUE?

Many subscriptions to The Herald are coming due at this season of the year, especially in the Tecumseh area. Please note the expiration date, printed beside your name and address. It will tell you when your subscription expires.

The expiration date is your signal to renew so that your name will not be removed from the list in these critical war days because of the scarcity of paper.

Indians Lose League Title

BLISSFIELD CONQUERED 41 TO 0 BUT CLINTON ELEVEN CINCHES CHAMPIONSHIP OF COUNTY

By Jim Sisson

Tecumseh lost its first football championship in three years this season. The Clinton Redskins came out on top this year with four wins and a loss in league play. The Tecumseh eleven wound up tied for second place with Morenci, having won three, lost one, and tied one. By winning the Lenawee league championship, Clinton merited the opportunity to play Adrian high school in an exhibition contest.

Tecumseh started the season with a victory over Hudson, 12-0. Then in the following game, the Braves were handed a 26-0 defeat by the Clinton boys; following this, again another downfall as the Manchester Dutchmen, a comparatively weak team, tied them in a 13-13 deadlock. The Indians then pulled out of the dumps and edged out Morenci 6-0, then Blissfield fell and was trampled over 41-0.

In this last game, Tecumseh started out with a "bang," in the first quarter Co-capt. Jim Osburn plowed over for the first touchdown. This was followed by five others and five extra points. Osburn, playing his last football game for T.H.S., went over from the 35-yard marker for his other score. Baker, Poley, and L. Brown also crossed the goal line for scores; a pass from John Murdoch to Dean Hamilton accounted for the other score. The Sugar Boys failed to even threaten the Teepee town goal.

Playing their last game for T.H.S. along with Osburn were, co-capt. Don Furkey, Harold Meade, and Bob Wood. These gridders will undoubtedly be missed in next year's lineup. The co-captains for the next season have not yet been chosen, but the following will return again and promise the competition plenty of trouble: ends: Barber and Sisson; tackles: Dinse and Williams; guards: Judd, B. Brown, Corkery and Russell; centers: Hammack and McVay; backs: Poley, Baker, Murdoch, Baldwin, Hayden, Anderson and O'Hara.

Charles J. Harper, 76, Buried In Brookside

Charles Joseph Harper, aged 76 years, died Thursday at his home here following a month's illness. Mr. Harper was born October 25, 1868 in Nelsonville, Ohio. He was married in March 1892 to Carrie Campbell who died in Tecumseh in May 1941.

Survivors are five sons, Edward of Tecumseh, Walter of Chelsea, Elmer and Kenneth of Holloway and Earl of Adrian; three daughters Mrs. Dow Jaqua of Dearborn, Mrs. Otto Sipe and Mrs. Wm. House of Tecumseh; also 19 grandchildren.

Funeral services were held Sunday afternoon at Collins Funeral Home. Rev. N. MacNaughton officiated and burial was in Brookside cemetery.

JEAN HERRICK IN HARCUM GLEE CLUB

Jean Marie Herrick, daughter of Mr. and Mrs. Ray W. Herrick of 706 W. Chicago Blvd., has been made a member of the Harcum Junior College Glee Club, at Bryn Mawr, Pennsylvania.

Miss Herrick who is taking an Academic Course, will participate in joint concerts with the V-12 Chorus of the University of Pennsylvania on November 18, and with the Haverford College Glee Club in January.

MISSING IN ACTION

Mrs. Edna Stoneburner of Tipton has received word that her son Pvt. Jacob R. Stoneburner is missing in action in Italy since October 12. Pvt. Stoneburner was inducted into army service in October 1943 and was sent overseas in June. Before his induction he made his home with Mr. and Mrs. Ivan Hunt near Tipton.

UNDERGOES OPERATION

Captain R. F. Helzerman who suffered an injury to his back while in the states, has sustained further injury since being shipped overseas and on November 2 underwent a spinal operation at a base hospital somewhere in the Pacific.

THANKSGIVING PROGRAM

Miss Jennie Gillespie and Mrs. C. A. Slayton are hostesses for the meeting of the Wit and Wisdom Club on Monday evening in their home on North Pearl street. Dr. H. H. Loveland will be leader of the Thanksgiving program.

Former Products Worker Is Armorer On Mustang

AN EIGHTH AIR FORCE FIGHTER STATION, England—Corporal William H. Osburn of Tecumseh, Mich., grins because of four twin-engined planes shot down by the Eighth Air Force P-51 Mustang on which he is armorer.

Cpl. Osburn, who has been overseas more than a year, is the son of Mr. and Mrs. Garland Osburn, Route 1, Tecumseh, Mich. He is a graduate of Tecumseh High School. Before entering the AAF in October of 1942 he was a tool grinder for the Tecumseh Products company.

Now the corporal is an armorer in the 55th Fighter Group headed by Colonel George T. Crowell of Chicago, Ill., and is responsible for the six caliber .50 machine guns on the Mustang "Pretty Patty II." Cpl. Osburn checks guns and ammunition on the plane before each flight, making sure they will be ready to fire whenever needed in combat. He also checks the gun mounts to assure positive locking of the guns in position so they won't work loose by vibration when they're firing. After they do fire he cleans and oils them so they'll be ready for another meeting with the Luftwaffe.

Pioneer Day Observed By Tecumseh D.A.R.

Pioneer Day was observed by Abi Evans chapter, Daughters of the American Revolution, on Friday afternoon at the home of Mrs. Charles Williamson. Mrs. Irene Kendrick of Blissfield gave a talk on her early memories of Lenawee county and a number of the guests who were over 80 years of age gave short talks. Several of the chapter members wore pioneer costumes.

The regent, Mrs. J. H. Smith presided during the business session and the chapter voted to purchase a flag for the Brownies of which one of the members, Mrs. Lewis Lent, is leader and to send a box of clothing to the Kate Duncan Smith school.

The study of American music was continued and two numbers by Frances Hopkinson, the first American composer were sung: "My Days Were So Wondrous Free" by Mrs. James Stevens, accompanied by Mrs. Williamson and "Beneath the Weeping Willow Shade" by Mrs. Edward Beal, accompanied by Mrs. Kenton Hunt. Mrs. Hunt also played the music for some old folk song and Mrs. R. S. Moore, who is music director for the chapter, read the words.

Tea was served and a social hour was enjoyed. The guests of the chapter were Mrs. G. S. Mann of Oak Park, Ill., Mrs. Mae Keyser, Mrs. William Powell, Mrs. Nellie Adamson, Mrs. Esther Goheen, Mrs. Alma Tate, Mrs. Elmer Lockwood, Mrs. Cora Shaffer, Mrs. L. S. Butler and Mrs. Edna Parker.

The next meeting will be a Christmas party held on the evening of December 8 at the home of Miss Jennie Gillespie.

TO WED IN WASHINGTON

Mr. and Mrs. Walter Abbott will leave today for Washington, D. C., to attend the wedding of their daughter, Corp. Vivian Abbott, to Paul J. Ziegler of Bowling Green, Va., which will be held Friday evening at 8 o'clock at the Mt. Vernon Place Methodist church in that city. Mr. Ziegler is a former linotype operator at The Herald office and both are well known here.

Army Chaplain Says Soldiers Hate Folks Who "Beat Their Gums"

REPLIES TO INQUIRY ADDRESSED BY THE BARACA MEN'S CLASS OF BAPTISTS

The post-war church must stand or fall on its credentials, not on the racial or national background of its membership, Capt. Wm. J. Dorney, army chaplain, declares in a letter to Norman McConnell of the Men's Baraca Class of the First Baptist church, Tecumseh. Capt. Dorney's letter was written in response to an inquiry from the class regarding his ideas of the post-war church, and the soldier's attitude toward the church in post-war. The Baraca Class is now studying this subject.

Capt. Dorney is stationed at the Army Air Forces Flexible Gunnery School, Tyndall Field, Panama City, Fla. His letter follows:

"This is a very tardy answer to your letter of May 1st asking my opinion on what religious developments you at home may expect from service men as they return to civilian life.

"Soldiers are men like other men. Lots of the tinsel and trappings have been scraped off. He for them and so they are more likely to see essentials in military service then when busy 'turning a dollar.' Basically they are the same. One of the few things their experience has taught them is that deep convictions do not necessarily mean intolerance of other people. They will waste no time in a church that will stoop to picking out the foibles in the personnel of other faiths.

"They know that there are good Catholics, good Protestants, good Jews. They're lived with them.

"The Church must stand or fall on its credentials, not on the racial or national background of its members. I feel, too, that they will want a church that is for all people, because they have lived with these people. Of course, every religion is universal in its desire.

"They will want to be taught. They are bewildered. No negative program will suffice, much less will any that has a policy or expediency. They are willing to make sacrifices. They even want to make them. They do not like to be told off but want to be when they're wrong. They hate people who 'beat their gums.'

"May I in closing apologize for the paucity of help I afford you.

"In fairness let me say that I am a Catholic priest, Deo Gratias.

Yours in the service of our Lord,
William J. Dorney,
Captain, Chaplain."

Clarence Fisher Dies In U. of M. Hospital

W. Clarence Fisher, aged 67 years, died Wednesday morning at University hospital, where he had been a patient since October 19, following a long illness. Mr. Fisher was born in Franklin township May 14, 1877 and was the son of W. H. and Mary Armstrong Fisher. He had lived his whole life in the community and was a member of the Tipton Community church and Grange, although he attended the Tecumseh Baptist church as long as health permitted.

He is survived by the widow formerly Helen Norcross, two sons Eugene of Tipton and Herbert of Harvard University and a grandson Robert Eugene Fisher, also a nephew Glenn Fisher of Tipton.

Funeral arrangements are not yet completed.

Yule Gifts Are Needed For Wounded Veterans

The local post of the American Legion is taking part in a nation-wide campaign to collect suitable gifts for wounded, sick and disabled service men and women for Christmas distribution. Don Goddard is chairman of the committee, assisted by Al Bagshaw and F. C. Hanna.

Some 3,500 such gifts are needed to supply veterans in Michigan, it was said, and all gifts received from this area will be distributed as near to home as possible. Suggestions on wanted and needed items are toilet articles, stationery, home-made hard candies, cookies, playing cards, books for both men and women. Games also are suggested, also pipes, tobacco, lighters, tobacco pouches, pocket knives, sun glasses, wash cloths, etc. In wearing apparel, sweaters, tee shirts, sox, bedroom slippers and nice handkerchiefs are suggested.

Persons desiring to contribute locally may leave their gifts at the Gamble Store, the United Savings Bank, Bancroft Cleaners, Mix Jewelry Store, Baldwin Hardware or Hanna's Insurance Agency.

All gifts must be in by December 10 that they may be dispatched for Christmas delivery.

Miss Eileen Vershum Weds Alfred Schwede

Miss Eileen Vershum, daughter of Mr. and Mrs. James Vershum, and Alfred Schwede, son of Rev. and Mrs. F. W. Schwede, all of Britton, were married last Wednesday evening, November 8, at the Immanuel Lutheran church on the Ridge. The Rev. Schwede performed the double ring ceremony in the presence of 70 guests. The bride was attended by Miss Katherine Olds of Britton as maid of honor; her sister Mrs. Forrest Abner of Tecumseh, and Miss Gertrude Floetke of Detroit as bridesmaids. Edgar Schwede of Britton attended his brother as best man. The ushers were Douglas Hintz of Britton and Forrest Abner of Tecumseh.

Following the ceremony a reception was held in the church.

Mr. and Mrs. Schwede left later on a short trip and on their return will make their home in Tecumseh where he is employed.

6th Bond Drive Begins Monday

TECUMSEH'S QUOTA IS $341,700 AGAINST LENAWEE'S QUOTA OF $3,206,000

The Sixth War Loan Drive will be launched nation-wide on Monday, November 20, asking Americans everywhere to over-subscribe a $14,000,000,000 quota "backing the attack" both in Europe and the South Pacific. Nationally, the quota in the Sixth Loan is two billion dollars less than the Fifth Loan.

Lenawee county's quota in the new drive amounts to $3,206,000 of which amount Tecumseh is asked to subscribe $341,700. Of this amount, $71,700 is in "E" bonds, the balance in other securities.

Quotas elsewhere in this section of the county are: Ridgeway, $1,050; Onsted, $26,300; Macon, $4,250; Britton, $9,700; Clinton, $101,500; City of Adrian, $2,014,250.

"We will handle the campaign in Tecumseh in much the same manner as we have handled previous loans," W. L. Berkhof, war finance chairman here, said today. "The same committee that has handled all previous loans will serve again, and we will have a meeting in the very near future to check over all details.

"I am confident," Mr. Berkhof continued, "that Tecumseh will again over-subscribe its quota. Never, since the war began, has Tecumseh failed to 'back the attack' in any worth-while war enterprise. We have over-subscribed every war loan drive and we do not intend, at this stage of the war, to let our boys down financially."

Mr. Berkhof said that the payroll deduction plan would again be carried out throughout all industrial plants, as was the practice in former campaigns. "Of course," he said, "$341,000 is no small amount of cash to be raised in a community the size of Tecumseh, but I'm certain that if all of us buy an extra bond or two, we'll soon see over the top."

The chairman appealed for individual bond purchases in the $18.75 class. "It's these small bonds that our government is urging. Let me suggest that every family give bonds for Christmas presents. They are the finest gifts I know, an investment in the security of the United States of America."

New Auxiliary Officers Are Entertained Here

Seventy-five members of the Second District American Legion Auxiliary, were entertained by the local Auxiliary unit, at a special meeting Thursday evening in the Legion hall. Mrs. C. W. Howe, new president of the Second District, presided and Mrs. Marvin Watkins, president of the local unit, welcomed the guests. Mrs. Edna Alber of Ann Arbor, department president, responded and outlined the program as planned for the coming year. She also introduced Miss Bertha Proestel of Detroit, department secretary, Mrs. Dorothy Pearl, national rehabilitation chairman, Mrs. Mary Kopka of Ann Arbor, second zone membership chairman, and Mrs. Louis Schneider of Tecumseh, department chairman of constitution and by-laws, who were presented with corsages. Representatives from 12 units of Washtenaw, Jackson, Monroe and Lenawee counties responded to roll call.

Preceding the meeting dessert course was served by Mrs. L. R. Mix, Mrs. L. E. Brown, Mrs. Bert Warren, Mrs. J. W. Smith and Mrs. L. A. Curtiss.

The Legion and Auxiliary held a joint Armistice Day party in their hall Saturday evening.

Twelve members of the American Legion and Auxiliary attended Armistice Day services at the Baptist church Sunday morning. Rev. B. O. Bashore preached the sermon on "Is Democracy Safe in America?"

Dr. Spencer Presents Organ Recital Here

Dr. James Spencer of Adrian College presented an organ recital Sunday evening on the new organ at the Presbyterian church. He was assisted by Mrs. Spencer as soloist and Miss Catherine Greenslit as celloist. The program included organ solos; prelude and fugue in G major; "Jesus, Joy of Man's Desiring;" Tocatta and fugue in D minor; soprano solo "How Beautiful Upon the Mountain;" cello "Sicilienne," and "Playera;" soprano solo "The Time for Making Songs Has Come," "Songs My Mother Taught Me" and "A Baby's Hair is Built of Sun;" cello, "Apres Un Reve" and "Serenade Espagnole;" organ "Minuet," "Norwegian Dance and Cradle Song," "Andante Cantabile" and "Finlandia."

ARE WE IN FOR TROUBLE?

A leading banking institution observes that the test of our ability to recover from the war will be our capacity to produce and distribute goods. And in doing that the essential thing is to find the equilibrium in costs and prices which will promote trade, and not block readjustment of arbitrary intervention."

During the war, production has been maintained with little thought of cost. As industry moves into competitive peacetime activity subject to the normal laws of supply and demand, cost will become a ruling factor. It will take ingenuity to make the readjustment, and since distribution is a critical phase of the problem, the retail merchants will play a leading role.

Already retailers have been consulting with manufacturers on steps to be taken to help insure price levels that will move things sorely needed by millions of consumers, though regular distributive channels in an ever-growing flood. The fear of some of the Washington regulators that producers and distributors may have a tendency to resort to the anachronism of charging all the traffic will bear after the war, is not logical. On the whole, industry of today must maintain reasonable prices or it cannot operate successfully.

If the regulators intend to set up a permanent price control system on the obsolete theory that industry is going to look for excuses to boost prices after the war, the country is in for trouble. The very thing we are warned against will happen. A return to a normal equilibrium in costs and prices that will promote trade will be blocked by arbitrary intervention.

DOUBLE YOUR MONEY BACK GUARANTEED

It's Quality that Counts

When Food is Rationed

True, in these days of rationing, it's quality of the food you buy that really spells economy.

That is why our store handles only quality merchandise—foodstuffs that we can guarantee for quality unconditionally.

We established this practice many, many years ago. We found that our customers were interested in quality first; that satisfied customers always came back.

If you are interested in quality foodstuffs, we invite you to join our list of satisfied customers.

Those of you on our waiting list for new telephones probably had your hopes raised considerably by the recent news item shown above. Unfortunately, the quantity of telephones released was small compared with the total number needed throughout the country.

The tremendous quantities of communications material required by our armed forces has drastically reduced reserves of telephone equipment for farm and city. If your name is on our waiting list for telephone installations, you can be sure your needs will be handled as soon as new equipment is released to us.

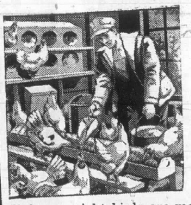
HAYDEN HEN HUMPER

Hayden Flour Mills Tecumseh, Mich. Nov. 16, 1944

WATCH EGG PRODUCTION INCREASE BY INCREASING HOPPER SPACE!



Lack of hopper space cuts down production! Too many poultrymen do not realize the importance of sufficient mash hopper space. As a result, ONLY THE STRONGER, MORE ACTIVE BIRDS GET ALL THEY WANT to eat when they want to. The less mature and lighter weight birds are more timid and do not get a chance to eat all the mash they need to sustain body weight and produce eggs.

SOME OF THE NON-PRODUCERS IN YOUR FLOCK ARE PROBABLY IN THIS CLASS.

Check your hopper space. Allow about 6 inches per hen. If you are lacking in hopper space, provide extra hoppers at once and watch your production go up. While you are at it, check your waterers and be sure you have at least a 5 gallon waterer, or equivalent, for every 50 birds. Keep your mash hopper full of HAYDEN'S EGG MASH for increased production.

"Hasten to Hayden's"

(Hayden Hen Hint: Lice powder and roost paint go together to fight lice and mites).

WE HAVE A GOOD STOCK OF MASH FEEDERS

KEEP ROBES LOOKING THEIR BEST

He received his preliminary flight instruction at the Ottumwa, Ia., naval air base.

MEN IN SERVICE TO GET PLAYING CARDS

More than a thousand decks of playing cards have come from a single radio announcement of the Kroger Grocery and Baking Company, its officials report, for shipment to service men overseas and in camps throughout the United States.

Paper shortage has hit the card industry, as elsewhere, it is explained, with the result that boys in service can buy few new cards. On the popular radio program, "Linda's First Love," Linda suggested that people having old playing cards, still complete and in good condition, would perform a patriotic service appreciated by the armed forces, if they would mail these cards to the Kroger Company. The cards are turned over to the Red Cross for distribution.

Anybody having playing cards they wish to give to service men may still send these to the Kroger Grocery and Baking Company at Cincinnati.

PREPARE YOUR CAR For Winter Driving

* * *

Have you taken any steps toward preparing your car for winter driving?

Have you flushed the radiator, filled it with anti-freeze, changed the oil in the crankcase and properly lubricated chassis and motor?

If you haven't, don't complain if winter's chill catches up with you and you find that you've waited too long.

NOW, before it's too late, bring your car to us for winterizing. The cost is very small, the satisfaction is great.

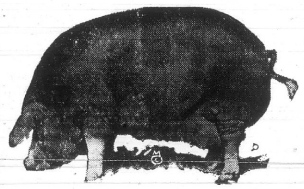
Hayden Pork Maker

Perhaps You Can't Control The Hog Market

BUT

You Can Control Your Hog Profits

just the sameeee!



At the present time the hog market is not too encouraging, and you are not able to do anything about it! But you can regulate your production costs by feeding a properly balanced ration of your own grain and Hayden's Hog Balancer. Hogs put to market on Hayden's Hog Balancer and your grain will always make more money than straight grain fed hogs. Hayden's Hog Balancer added to your grain gives it added proteins, vitamins, and minerals. This in turn means quicker Pork Production at less cost per cwt. of gain. Ask for feeding formulas at the mill. By the way, we have a few large 10 Hold Jamesway Hog Feeders left!

HASTEN TO HAYDEN'S!

Is Your Car Ready For Winter Driving?

Don't Let Your Radiator Freeze!

Snow, cold and sub-zero weather is just around the corner and your car, you know, can suffer untold damage unless it is protected against this change.

YOUR RADIATOR. Is it ready for freezing weather? Don't let your radiator freeze. It's next to impossible and very expensive to purchase new radiators and sometimes repairs are difficult too, You can't drive a car without a radiator.

PROTECT WITH ANTI-FREEZE. We have several types of anti-freeze with which to protect your radiator. Bring your car to us for service.

COOK; CORNELIUS HAYES, and the unknown heirs of JOHN MURPHY, deceased, or the unknown heirs, devisees, legatees, creditors or assigns of any of the above named parties,
Defendants.

At a session of said Court held at the Courthouse in the City of Adrian, County of Lenawee, State of Michigan, on the 25th. day of October, A. D. 1944.

PRESENT: HON. G. ARTHUR RATHBUN, Circuit Judge.

On reading and filing the Bill of Complaint in said cause, and the Affidavit of Henry R. Jewett attached thereto, from which it satisfactorily appears to the Court that the defendants above named, or their unknown heirs, devisees, legatees and assigns are proper and necessary parties defendant in the above entitled cause, and it further appearing that after diligent search and inquiry, it cannot be ascertained, and it is not known whether said defendants are living or dead, or where any of them may reside if living, and if dead, whether they have personal representatives or heirs living or where they or some of them may reside and further that the present whereabouts of said defendants are unknown, and that the names of the persons who are included therein under the title of unknown heirs, devisees, legatees and assigns, cannot be ascertained after diligent search and inquiry,

On motion of Henry R. Jewett, Plaintiff, IT IS ORDERED that said defendants and their unknown heirs, devisees, legatees and assigns, cause their appearance to be entered in this cause within three months from the date of this Order, and in default thereof that said Bill of Complaint be taken as confessed by the said Defendants, their unknown heirs, devisees, legatees and assigns,

AND IT IS FURTHER ORDERED that said Plaintiff cause a notice of this suit to be published or served according to law and the Statutes of the State of Michigan in such case made and provided.

G. ARTHUR RATHBUN,
Circuit Judge.
(COUNTERSIGNED) ALICE M. WELCH,
Dep. Clerk of the Court.

Take Notice that this suit, in which the foregoing Order was duly made, involves and is brought to quiet title to the following described piece or parcel of land, situate and being in the City of Adrian, County of Lenawee and State of Michigan, to-wit:

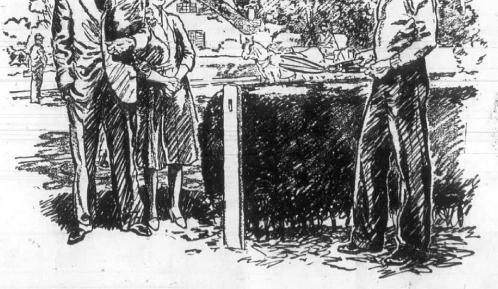
THE OLD JUDGE SAYS...



"Mary and I were just saying, Judge, how lucky we are here in America that we have so many natural resources to help win the war."

"That's right, Jim. When war broke out we had oil, we had steel, we had food, lumber, aluminum...practically everything we needed. There's one thing we didn't have... *rubber*. The enemy had that."

"But that didn't bother us for long. Soon American brains and industry had synthetic rubber by the tons rolling out of plants. That filled a critical need... you can't win a war without rubber."

"I was very much interested the other day in reading a statement made by a high government official on synthetic rubber. In it he said 'It is fair to regard the rubber manufactured to date as being almost solely the product of the beverage distilling industry.'"

"He also said that, in his estimation, the tremendous contribution of distillers' industrial alcohol to the synthetic rubber program had not received the recognition which it deserves."

"We certainly learned something today, didn't we Mary?"

NINETY-FIFTH YEAR—NUMBER EIGHT | TECUMSEH, MICHIGAN, TUESDAY, NOVEMBER 21, 1944 | FIVE CENTS PER COPY

Union Thanks Service Here

FOUR LOCAL CHURCHES PARTICIPATE IN PROGRAM AT ST. PETER'S CHURCH

The ministers of four Tecumseh churches will participate in a traditional union Thanksgiving service in Tecumseh on Thanksgiving morning, Thursday, November 23, at 10 a. m., in St. Peter's Episcopal church, it was announced today. Churches participating are the Baptist, Presbyterian, Friends and Episcopal and the ministers, the Revs. Blair O. Bashore, James Cameron Murdoch, Edward Escolme and John R. Scarlett, respectively.

The Rev. Mr. Scarlett as host will be in charge of the service and the Rev. Mr. Murdoch will be the preacher. The public is invited to attend the service.

In addition to the community service, the congregation of St. Peter's church will celebrate the Holy Communion at 9 a. m., Thanksgiving morning, in the church.

A special Thanksgiving service will be held on Thanksgiving eve, Wednesday, November 22, at the Christian Science church on North Union street.

Following the usual order of service there will be a brief period in which members of the congregation may express their gratitude for healings and other help which they have received during the past year.

The Golden Text from II Corinthians (2:14), will be very appropriate for the occasion and reads: "Thanks be unto God, which always causeth us to triumph in Christ, and maketh manifest the savour of his knowledge by us in every place."

Except for the union service, there is no other community celebration of Thanksgiving planned in Tecumseh. For the most part, it appears that residents plan to spend the day quietly in family reunion.

Stores, offices and many of the industrial plants will be closed for the holiday. The public schools will recess on Wednesday afternoon for Thanksgiving, and classes will be resumed in all grades on Monday morning, November 27.

KROGER COMPANY WILL BUY $3,000,000 BONDS

TOLEDO—Kroger Grocery and Baking Company will subscribe in the Sixth War Loan $3,000,000 in war bonds for allocation on the basis of $1,000 a store, Carl S. Fuller, branch manager here, announced today.

"Our company's policy in buying war bonds is being continued in the Sixth War Loan on the basis of local community participation. In 18 midwest and southern states the company has approximately 3,000 stores for each of which Kroger will subscribe $1,000, a total of $3,000,000. In the Toledo Branch, there are 111 stores, and the total subscription will be $111,000," according to Mr. Fuller.

A CORRECTION

Pvt. Myrtle I. Derr, who was recently transferred from Des Moines, Iowa, to Coffeyville Army Air Field, Kansas, is a sister of Harry L. Derr of Tecumseh, instead of the daughter as was stated in error last week. She is also a sister of Earl Derr of Tecumseh. The notice was sent direct from Coffeyville and was printed as received.

NOW IN PARIS

Lt. Ruth Bowen is now a member of the Transportation Corps WAC Detachment, recently transferred from London to Paris. Lt. Bowen formerly of Tecumseh, is a sister of Mrs. C. M. Brown and was employed by Tecumseh Products Co. previous to her enlistment.

DOG HAD RABIES

An Irish setter owned by Vic Humble died suddenly last week. A report from the Pasteur Institute at the U. of M., in Ann Arbor, stated that the dog had apparently died of rabies.

YOUR SUBSCRIPTION, IS IT DUE?

Many subscriptions to The Herald are coming due at this season of the year, especially in the Tecumseh area. Please note the expiration date, printed beside your name and address. It will tell you when your subscription expires.

The expiration date is your signal to renew so that your name will not be removed from the list in these critical war days because of the scarcity of paper.

Hunter Loses His Eye In Peculiar Accident

Lavern Pennington of Route 2, Tecumseh, who with a group of Macon friends left last week on a hunting trip in Northern Michigan, lost an eye soon after his arrival in a peculiar accident.

While making camp Mr. Pennington was splitting a board and a rusty nail flew and pierced his eyeball. He was taken into Munising hospital and then rushed to University hospital in Ann Arbor where 17 hours later the eyeball was removed because of infection.

Other members of the party were his brother-in-law Lester Naugle, Claude and Clyde Burleson, Robert Smith, Robert Hall and Loren Nichols.

Cook To Speak At Rotary Meet

NINTH IN SERIES OF POST-WAR PLANNING SESSIONS AT SCHOOL TONIGHT

Otis F. Cook, secretary of the Michigan Retailers of Michigan, will be the guest speaker at the ninth of a series of post-war planning meetings, sponsored by the Tecumseh Rotary Club, this evening at the high school. Three more meetings are scheduled in the series. Next week Tuesday, H. H. Koelbel of Jackson, division manager of the Consumers Power Company, will speak, as will a representative of the Michigan Associated Telephone Co.

The eleventh meeting, December 5, will be in charge of Robert H. Moore, local lumber dealer and builder, and it is understood that he plans to bring to Tecumseh an authority on post-war building. Mr. Moore also will tell something of the pre-war building program that was halted here at the time of Pearl Harbor, and also of the post-war plans that are being made for Tecumseh.

At the final meeting in the series, December 12, C. W. Otto, secretary of the Chamber of Commerce at Lansing, will speak. Mr. Otto, known as one of the best speakers in the state, will be remembered for an address that he gave before the Chamber of Commerce here, about five years ago.

The post-war series of meetings are sponsored by the Rotary club for the purpose of better acquainting Tecumseh merchants and professional men with the program that lies ahead of the village after the Axis powers have been defeated. Speakers have indicated that Tecumseh must grow if it is to keep pace with its industries, particularly Tecumseh Products. Ray W. Herrick, president of that company, has declared that his company will more than double its present payroll within five years after the war to take care of some $40,000,000 worth of post-war orders now on its books. His plan calls for the building of at least 500 new homes here, and a growth of the village, within five to eight years after the war, to a city of 8,000.

CUT BACK BOULEVARD TO BREAK BOTTLE NECK

The traffic "bottle neck" on west Chicago Boulevard at Adrian St., is being eliminated this week with the approval of the State Highway Department. The center strip of the boulevard is being cut back, east, for several feet, permitting a greater angle in the turn necessary for east bound traffic on M-50-52. The plan also calls for increased lighting at this point. This intersection has been the scene of several accidents in the past and the village, about two weeks ago, requested that the state attempt to eliminate the hazard.

MISS INGERSOLL SPEAKS

Miss Edith Ingersoll was speaker at the regular meeting of the Presbyterian Ladies' Aid Society held last Wednesday at the home of Mrs. E. C. Brandt, and told of her trip to Europe before the outbreak of the war.

Mrs. John H. Smith conducted the business meeting and it was reported that an electric coffee urn and a gas range had been purchased for the church kitchen. A shower of dish towels was requested and family night suppers were discussed. In conclusion tea was served by the hostess assisted by Mrs. Lee Purkey, Misses Ruby Preton and Mary McWilliams, Mrs. Smith and Mrs. Frank Beal.

TUESDAY'S PAPER

To assure complete distribution before the Thanksgiving Day Holiday, The Herald this week is published on Tuesday instead of Thursday. The Herald office, as will most other offices and stores in Tecumseh, will be closed all day, Thursday.

Publication of The Herald on Thursday will be resumed next week, as usual.

6th War Loan Drive Started

BERKHOF SAYS THAT HE IS CONFIDENT TECUMSEH WILL MEET ITS QUOTA

The Sixth War Loan Drive for $14,000,000,000 in the nation was launched on Monday and federal officials expressed complete confidence that it would be over-subscribed before January 1, the date set for the closing of the campaign.

Locally, Tecumseh's quota is $341,700, slightly less than in the fifth campaign, and W. L. Berkhof, chairman of the War Finance Committee, declared that Tecumseh would go over the top as it has in every other drive since the war started. The Lenawee quota in the Sixth Loan is $3,206,000, of which amount the City of Adrian must subscribe $2,014,250. Britton's quota is $9,700, Clinton, $101,500, Macon, $4,250, Onsted, $25,300, Ridgeway, $1,050.

"Tecumseh has never failed to reach its quota in any loan drive since the war started" Mr. Berkhof said today. "I am certain that we will reach our goal in this drive and likely surpass it."

Mr. Berkhof said that the payroll deduction plan would again be in effect in most of the industrial plants locally and he urged that every employee purchase an extra bond during the period to assure the drive's success.

Funeral Services Held For Miss Middlebrook

Funeral services were held Sunday at Hause Funeral Home in Clinton for Miss Frances E. Middlebrook, who died Thursday at University hospital in Ann Arbor where she had been a patient for several days. Miss Middlebrook who was 72 years of age, had been ill nearly a year. She was a daughter of the late Augustus and Sarah Middlebrook and had lived in Clinton for many years. She was a member of the Tecumseh Baptist church.

Survivors are three sisters Mrs. Jennie Gray and Mrs. Claud Hubbard of Clinton, and Mrs. Robert Daley of Detroit; and two brothers Augustus and Orin Middlebrook, both of Clinton.

Rev. C. E. Foltz officiated at the funeral service and burial was in Riverside cemetery, Clinton.

PLAN XMAS PARTY

Mrs. Luther Wood and Mrs. Ray Waters were hostesses for the regular meeting of the B.P.C.P.S.C. held last Wednesday evening in the Wood home when husbands of members were guests. A pot-luck supper was followed by a business meeting when plans were made to entertain all Pythian Sisters and their husbands at a box social and Christmas party, in their hall on Wednesday evening, December 20. Each couple is to bring a box lunch and each person is to furnish a 25 cent gift for exchange.

Later tables were arranged for cards and prizes at games were awarded to Mrs. Carl Thompson, Mrs. Jack Staulter, Alfred Beckman and Ray Waters.

Members of the group held a work meeting Friday afternoon at the Wood home to sew for the coming Pythian Fair.

The next regular meeting will be held December 6 at the home of Mrs. Sidney Wilson with Mrs. Beckman as assistant hostess.

PYTHIAN FAIR

The annual Pythian Fair will be held Friday, December 1 in their hall in the Witherell building where booths will be arranged for baked goods, canned goods, fancy work, candy, fishpond, fortune telling, lunch and games. The chairmen of the various booths are Mrs. Frank Beal, Mrs. Luther Woodfi Mrs. Dora Aten, Mrs. Garth Hall, Mrs. Opal Brady and Mrs. Ed Swift. The fair will be open afternoon and evening.

"WE'RE NOT FORGETTING"

Our boys in the armed forces are all asking for playing cards, so why not send them some? Your Fleet Wing Service Station will send two packs for 98c, to any service man, either in the U. S. or overseas. Let's show them "We're Not Forgetting." No overseas request needed. See adv. in this issue.—adv.

PLAN TO COME HOME

Mr. and Mrs. Neil DePuy have received a letter from their son, William, who is still in Brisbane, Australia, but expects to be transferred soon. He stated that his wife hoped to leave for the States in January and he hoped to be with her or ahead of her. This was the first letter received from him in two months.

Britton Couple Wed 62 Years, Wednesday

Mr. and Mrs. William Jasper will hold open house Wednesday at their home east of Britton honoring their 62nd wedding anniversary and his 86th birthday anniversary. They have resided on the same farm since 1883.

Their daughter Mrs. Ada Spohr and their son John Jasper are in charge of the celebration.

Shortage Of Paper Grows

CONSUMERS TO CARRY UNWRAPPED PACKAGES TO HELP RELIEVE CONDITION

Faced with increasing shortages of paper, an intensive, state-wide campaign to conserve bags and wrappings is to be launched as a cooperative program of retail trade associations, Chambers of Commerce, the Periodical Publishers' Association, War Production Board, county OCD salvage committees, associated Michigan paper mills and merchants it is announced by the State Salvage Committee of the Michigan Office of Civilian Defense.

More than 25,000 druggists, grocers, dry goods merchants, hardware dealers and other groups are to participate in the program in an effort to re-emphasize to consumers that paper is one of the most critical shortages facing the war effort and that only through conservation of available paper stocks and salvage of waste paper can the problem be overcome.

Under the program, a "paper holiday" will be declared during which wrapping paper will be used by retail stores only for articles that require wrapping for sanitary and protective purposes. Shoppers will be urged to carry bags or containers and to salvage all available waste paper.

The campaign will stress the need for eliminating Christmas gift wrappings as much as possible. Packaged articles that can be safely delivered or carried will not be wrapped unless asked.

Posters are being distributed through the Michigan Retail Institute, the Michigan Retail Hardware Dealers Association, the Michigan State Pharmaceutical Association, the Michigan Retail Clothiers and Furnishers Association, the Retail Merchants bureaus, the Michigan Chain Store Bureau, and the Independent Retail Grocers and Meat Dealers Association.

In addition, local Chambers of Commerce will issue posters for independent merchants not reached through their trade organizations. These posters will be displayed prominently in all retail outlets, to obtain public cooperation in the program.

Educational efforts will see salvage volunteers explaining the need for the "paper holiday" to various organized groups. Motion picture theaters, newspapers and radio stations are joining in the campaign and industrial plant house organs will carry the message to factory workers.

For the last three months retailers have been unable to obtain sufficient paper for wrappings. Supplies available equal 40 per cent of amounts a year ago, and on corrugated cartons mills can provide only 20-week delivery, it is reported.

MOVED TO TEXAS

BROWNSVILLE, TEXAS — Lt. Leonard J. Wiessner, son of Mr. and Mrs. L. J. Wiessner, recently of 412 W. Chicago Blvd., Tecumseh, Michigan, has arrived at the 4th Operational Training Unit, Ferrying Division of the Air Transport Command, at Brownsville, Texas for additional training as an air forces engineering officer. Lt. Wiessner recently graduated from Aviation Cadet School at Yale University as an engineering officer.

Prior to entering the service as a private in January, 1944, he was a draftsman at Tecumseh Products Co. He received a degree in architecture from Chicago Technical College in 1943.

He has two brothers in the service also. Kenneth is a seaman first class serving in the South Pacific at present, and Clifford is an aviation cadet in California.

AN AERIAL GUNNER

A U. S. NAVY AIR BASE IN ENGLAND, Oct. 20 (Delayed)—Richard Louis Kelly, aviation machinist's mate, third class, USNR., of 113 West Chicago Blvd., Tecumseh, Mich., is an air gunner on a Liberator bomber of the United States Atlantic Fleet Air Force operating from this base.

Under the Commander, U. S. Naval Forces in Europe, his squadron combined operations with the R.A.F. Coastal Command in the invasion of the European continent and reinforcement of Allied armies in France.

Students Enter Speech Contest

THREE FROM TECUMSEH HIGH COMPETE IN STATE-WIDE RADIO COMPETITION

Students of the English classes in Tecumseh high school have mailed in their winning manuscripts this week in the third annual Radio Speech Contest on tuberculosis. This state-wide project is sponsored by the Woman's Auxiliary to the Michigan State Medical Society and the Michigan Tuberculosis Association.

The Tecumseh students whose manuscripts were selected are Geraldine Daniels, Martha Hewlett, and Viola Retter, and their speeches are now entered in competition with those of other schools for judging in Lansing. The project was directed locally by Mrs. Hazel Dickinson.

The general theme for this project is "The Fight Against Tuberculosis." Four state winners, one on each of three subjects for senior high schools and one subject for junior high schools, will receive a trip to Lansing for a broadcast over WKAR at Michigan State College about the middle of December.

English and speech classes in forty-eight schools in Michigan have entered this year's contest. Their students have thus actively joined in the fight against tuberculosis, which already shows a slight increase in death rates in Michigan since the beginning of the war and against which knowledge is a most important weapon.

State judges for the contest will be Mrs. H. L. French, State President of the Woman's Auxiliary to the Michigan State Medical Society, Miss Elaine Abbott, Field Representative of the Michigan Tuberculosis Association, and Paul D. Bagwell, Head of the Written and Spoken English Department at Michigan State College.

Miss Joan Hanna Is Bride of J. F. Barritt

At a pretty church wording held Friday evening at the Presbyterian church Miss Joan Hanna, daughter of Mrs. J. M. Hanna, became the bride of J. Franklin Barritt, SK1/c, son of Mr. and Mrs. Frank C. Barritt. The Rev. James Cameron Murdoch read the marriage service before the altar which was filled with baskets of chrysanthemums and lighted candleabra as a background. Before and during the service Mrs. Hazel VanAntwerp of Adrian played organ selections and the wedding march.

The bride who was given in marriage by her brother Robert H. Hanna, was attended by her cousin, Martha Jane Hanna as bridesmaid. Mr. Barritt was his son's best man. Mr. and Mrs. C. William Hanna were master and mistress of ceremonies and Roger Linger and Kenneth Johnson were the ushers.

The bride was lovely in a gown of white chiffon with long veil, and carried a bouquet of white bebe mums and gardenias. Martha Jane was in skyblue with a bouquet and hair dress of yellow bebe mums and white gardenias.

Following the ceremony a reception for 65 guests was held at the Hanna home on West Logan street where refreshments were served by Mrs. Ethel McClelland, Misses Mary Hewlett and Barbara Dannelh.

Mr. and Mrs. Barritt left later on a trip to New York.

Both are graduates of Tecumseh high school. Recently the bride has been employed in the office of the Bruce Manufacturing Company. The groom is home on 30-days leave after 18 months service with the Navy in the Pacific area.

Out of town guests at the wedding and reception were Mr. and Mrs. Seymour Orr and daughter and Mr. and Mrs. Roy LaForge of Detroit; Mrs. Ethel McClelland of Coldwater; Mrs. Ora Allen of Grand Rapids; Mr. and Mrs. Kurt de Cousser of Lansing; Mrs. Mary Deery and Mrs. Richard Hanna of Adrian.

On Thursday evening Mr. and Mrs. H. H. Hanna entertained the bridal party for the wedding rehearsal and on Friday evening Mr. and Mrs. C. F. Hanna entertained at a family dinner preceding the wedding.

NEW CLUB FORMED

A group of young married women of the Baptist church have formed an organization and met last Wednesday evening at the home of Mrs. Lyle Grigg when the following officers were elected: Mrs. Herbert Hoag, president; Mrs. Raynor VanValkenburg, vice president; Mrs. Fred'k. Bryan, secretary and Mrs. Paul Sheldon, treasurer. The group will meet monthly and the December meeting will be held with Mrs. Hoag. They will meet Wednesday at the home of Mrs. Robert Grigg and pack a goodwill Thanksgiving basket.

Miss Mary Martiny Buried At Clinton

Miss Mary C. Martiny, aged 77, died early Friday at Tecumseh hospital where she had been brought November 13 after suffering a paralytic stroke at her home in Clinton where she had spent her entire life. Miss Martiny was a member of the Clinton Congregational church and of Clinton Chapter, Order of the Eastern Star.

She leaves a sister Miss Louise Martiny of Clinton, and four brothers John of Marysville, William of Adrian, Carl at home and Arthur of Detroit.

Funeral services were held Monday afternoon in the home with burial in Riverside cemetery.

SERGENAT IS AWARDED GOOD CONDUCT MEDAL

15TH AAF IN ITALY—Sergeant Gustav J. Wittenberg, Jr., Cement City, Michigan, recently completed his second year of overseas duty with this 15th AAF P-38 Lightning fighter-bomber group, now stationed in Italy. This group was among the first long range fighter units in the Mediterranean Theatre of Operations. Since its first mission flown from African soil on Christmas Day 1942, the group has achieved an outstanding combat record rolling up the top score of any fighter unit in the Mediterranean Theatre of over 550 enemy aircraft shot down in aerial combat, and has been awarded three citations.

Sgt. Wittenberg has been awarded the Good Conduct Medal, wears three campign strs on his European-African-Middle Eastern ribbon, and the Distinguished Unit bar with two oak leaf clusters.

GETS NEW COMMAND

Major Edwin M. Williamson has been assigned to a recently activated AAF Convalescent Hospital at Miami Beach, Fla. Major Williamson is the son of Mrs. C. H. Williamson and his wife is the former Mary Eleanor Anderson.

His new assignment is a part of the newly formed Personnel Distribution Command of the Army Air Forces. There are nine such Hospitals in the United States. They assume care of the AAF battle casualties, who have progressed to the "not seriously ill" stage. As soon as the army doctor says the patient is ready, the rehabilitation begins. At the hospital here there will be classes in wood working, automobile repair, watch repair, photography, business procedure, dramatics, newspaper reporting, arts and craft welding and furniture repair. Attention is paid to the convalescent's physical program and there are opportunities every day to fish either channel or deep sea, to swim, play golf, volley ball, tennis, ping pong, hand ball, baseball, basketball and touch football.

MICHIGAN LEADS

Michigan led the entire Sixth Service Command in WAC recruiting for the month of October, Army Headquarters in Detroit has announced through the Michigan Office of Civilian Defense.

Ending up with 87.3 per cent of quota for the month, the number of women in Michigan to enlist in the WAC gave the state a full one per cent lead over Illinois, which was second with 86.3. Figures on actual number of recruits were not released for security reasons.

ON ALBION SQUAD

Stuart James Costigan, "Stu" to Tecumseh high school rooters, son of Mr. and Mrs. Wesley Costigan of 510 West Chicago, is a member of the Albion College basketball squad. Holding his letter in high school basketball and baseball and former captain of the Tecumseh high school basketball team, Stu will be remembered as one of the outstanding players in the C League, an All-Lenawee County ball player. Athletic Director Dale Sprankle of Albion College characterizes him as very promising material and a very clever ball handler.

State Warns Of Diphtheria

IMMUNIZATION AGAINST DISEASE URGED BY STATE AND LOCAL DOCTORS

The Tecumseh Health Education Committee today called parents' attention to the prevalence of diphtheria in the state and county and urged complete cooperation with the health department in the prevention of the disease.

This is the season of the year, the state warns, that diphtheria is most prevalent and because there already have been a number of cases in the county, including two deaths, immunization against the disease is urged by local physicians.

Nearly all children under the age of 15 are susceptible to diphtheria, that is, they will develop the disease if exposed to it. The organism that causes diphtheria finds a lodging in the nose and throat. In the throat it multiplies and produces an inflamation which in the beginning is an "ordinary sore throat."

The state considers diphtheria prevention of such vital importance that it furnishes toxoid and Schick test material to any physician without charge, through the Michigan Department of Health.

Toxoid is given in the form of simple injections at the age of six months and a booster dose before entering school unless a Schick test is done and found to be negative. During epidemics it is recommended by the Michigan Health Department that children be given toxoid every five years unless a Schick test is negative. (A Schick test is a simple skin test that determines whether or not the person is immune to diphtheria.)

MISS ALICE McWILLIAMS WEDS C. DALE CARPENTER

Miss Alice McWilliams, daughter of Mr. and Mrs. W. J. McWilliams of Britton and Carroll Dale Carpenter, fire controlman third class, son of Mrs. Alfred Beckman of Tecumseh, were united in marriage Sunday afternoon at three o'clock in the home of Mr. and Mrs. Beckman on Mill street. The Rev. Alvin C. Brazee read the single ring service in the presence of the families and close friends. The bridal party standing before a background of chrysnathemums and palms.

The bride in white wool with accessories to match and a shoulder bouquet of red roses and sweet peas, was attended by Miss Beverly Martinson of Adrian, in lavender wool with a similar bouquet of yellow roses and sweet peas. Mr. Beckman was the groom's best man. Mrs. McWilliams and Mrs. Beckman both wore corsages of gardenias.

Following the ceremony a reception was held for 40 relatives and friends from Jackson, Detroit, Adrian, Britton and Tecumseh, and refreshments featured a three-tier wedding cake.

After a short trip the couple will return here for the balance of his 30 day leave, leaving December 4 for San Diego, Calif., where he will attend fleet service school at the U. S. Naval base, taking a course in advanced fire control.

"WE OWE IT TO OURSELVES!"

A few years ago people joked about the Federal debt. Those who viewed the growing cost of government and chronic deficits with trepidation, were hooted down with glib arguments about "owing the debt to ourselves." Where are these easy going exponents of debt now?

Dr. Roy Blough, director of the division of tax research of the Treasury Department, says the problem of post-war taxation will be far more difficult to solve than the wartime tax problem. Predicting that the postwar tax problem will be "the most difficult tax problem in American hisory," he declared that the tax load promises to be so high that "any system will inevitably have restrictive effects on consumption and investment. The most we can hope for is that taxes will be designed to produce the minimum interference with factors and forces leading to full employment."

Previous statements by other Treasury officials have stressed the importance of the postwar debt problem. Only two days before Dr. Blough's statement, the House of Representatives' special committee on Postwar Economic Policy and Planning, predicting a postwar budget approaching $20 billion, pointed out that this would amount to a charge, direct and indirect, of more than $550 on the average family of four. State taxes would be another $350, making a total annual tax (if all expenses were to be met currently and deficit financing avoided) of $900 on each average family.

No wonder the philosophy of "we owe it to ourselves" has gone into hiding!

WOMEN UNDESTAND BUDGETING FOR A HOME

Tonight, when you go home, ask your wife what she thinks about building a new home—after Victory has been won. You'll find that she has had the same thought for months, waiting, perhaps, for you to make the suggestion.

Wives are vitally interested in post-war planning, especially if that planning involves the building of a new "dream home."

And wives, too, get a terrific thrill out of budgeting for a home.

Don't take our word for it—ask her tonight. You'll find the answer and find it quickly.

First Grade Tires

We also can RECAP and VULCANIZE Your old Tires

True, tires are short—they are going across to help our sons in Europe speed Hitler's defeat. But for those who have OPA approval for new tires we can supply them. We have all the popular sizes in first line, first grade tires.

There are hundreds of motorists, however, who do not have the necessary priority to buy first line, first grade tires and for these motorists we suggest that they see us about vulcanizing and recapping.

We believe that our recapping process is second to none. We also have been told that our expert vulcanizing is greatly appreciated.

To assure yourself of the best, all-round tire service in this section of the county, we suggest that you bring your car to us. We'll give you an honest analysis and guarantee our products and workmanship.

CHAS. ANSPACH DIES; FUNERAL ON FRIDAY

Charles Anspach, 62, died suddenly at his home in Ridgeway, Monday afternoon about 3:30. He had been in poor health for a few weeks.

Funeral services will be held Friday afternoon at the Niblack Funeral Home in Britton, the Rev. James Fortress of Jackson, assisted by Rev. Paul McDonnell of Petersburg, officiating. Burial will be in Ridgeway cemetery.

Mr. Anspach is survived by the widow and seven children, Charles of Britton, Grace of Chicago, and Allen, Laura, David, Norman and Ruth, at home.

FALLS FROM BICYCLE

Delbert Reiniche, 25, was taken to Tecumseh hospital about 2 o'clock Saturday morning in an unconscious condition after being found on the pavement near the Baldwin Hardware by nightwatch E. W. Wilson.

Mr. Reiniche had been at the home of his niece and was on the way to his room at the L. E. Derby home. He was riding a bicycle and was taken with a severe cramp in his leg which had been operated on recently. He remembered nothing after the cramp and evidently fell from his bicycle striking his head on the pavement. He was unconscious for several hours and remained at the hospital until Sunday evening when he was taken to the home of his sister Mrs. Raymond Pask.

Mr. Reiniche is employed in the Bert Folk machine shop.

DIES IN WYANDOTTE

Mrs. Mary Stewart, a former resident of Tecumseh, died Sunday, November 19, at her home in Wyandotte. Only nieces and nephews survive.

Funeral services will be held Wednesday at the Nixon Funeral Home in Lincoln Park, with burial in Detroit.

$1,800 DAMAGE IN RAISIN CENTER FIRE

Fire in a combination chicken coop, woodshed and garage on the Wooster farm at Raisin Center Sunday evening caused damage estimated at $1,800. The blaze was discovered by a passing motorist, the Wooster family being away from home.

When firemen from Adrian arrived the fire in the shed was beyond control and flames had spread to the frame house, about five feet distant. The firemen succeeded in saving the dwelling, with but little damage.

PROTECT YOUR CAR Against Winter

* * *

You probably have a good supply of coal in the bin and have taken other precautions against winter at your home, but how about your car?

Have you had the radiator drained and filled with anti-freeze? Have you had the motor oil changed to free-flowing lubricant? Have you had the differential, transmission and battery checked?

These are only a few of the things you should do to keep your car in condition. Bring it to us for service.

Cleaning Adds Wear to Children's School Clothes

It has been proved, time and again, that careful cleaning and pressing will add many, many months of wear to any garment. This is especially true when it comes to children's school clothes.

Why don't you join with the hundreds of our other customers and send your children's clothing to us regular for cleaning, pressing and reshaping? The cost of having this work done is only a trifle and the added wear, to say nothing about the satisfaction obtained from their new-like appearance, will more than repay you.

all get the same electric service!

WAR has moved many American families into new living quarters. But, whatever the *size* of their homes, *they all get exactly the same dependable electric service.*

Oh, sure, some folks may light more rooms and use more appliances than you do. But the *service* and the *quality* of the electricity you receive remain the same. You can't buy an "exclusive" grade.

Electricity is also the *one* service whose cost has remained *low* – while the cost of living in general has been going *up*. Whoa, you say? Your bill's been more over the years? Well, that's because you're now using electricity to keep food, wash clothes, clean rugs, tell time and make music – where once you used it only for light.

The truth is, the average American family today gets about *twice* as much electricity for its money as it did 15 years ago! And we, your friends and neighbors, are proud to be one of the many electric companies under *business* management, bringing you this bargain.

CONSUMERS POWER COMPANY

DON'T WASTE ELECTRICITY JUST BECAUSE IT'S CHEAP AND ISN'T RATIONED!

Thanksgiving

Most thankful indeed will be the mothers and fathers of the sons who will be able to join them in the intimacy of the family circle on Thanksgiving Day this year. But there will be many homes in which service flags hang, where vacant chairs will be mute evidence of the fact that sacrifices must continue—sacrifices that are making it possible for us to give thanks now that our cities have not been bombed, that our children are safe. Yes, there is much for which we can give thanks, this year, and especially to those who have given their lives that we may continue free.

ARE YOUR LAYERS COMFORTABLE?

Nobody can expect the laying flock to produce profitable eggs under adverse conditions. If the birds have to use all or the greater part of their food to keep themselves warm and to maintain body weight they will not be in position to produce eggs profitably.

You can do your part by seeing that you have the proper ventilation in your hen house.

Plenty of fresh air without drafts.

Plenty of good clean deep litter. Wet litter is the indication of improper ventilation. Be sure the roof does not leak.

"SURROUND WITH THY PROTECTING CARE THOSE IN THE FAR PLACES OF THE EARTH"

Thursday is Thanksgiving Day, 'round the World!

Whether you're in Tecumseh, Saipan, Germany or on the high seas of the South Pacific; on land or in the air, it's still Thanksgiving Day for 11,000,000 American men and women in the armed services. For 120,000,000 others of us who are members of the home-front army, it's Thanksgiving Day, too.

But how different.

This year as we gather 'round the tables of our homes to give thanks to the Almighty for the blessings He has bestowed upon us, there will be many vacant chairs. Sons, daughtesr and fathers, in many instances, will not be seated there as in former years.

That is because we are fighting an all-out war; a war that, we pray, will soon end; a conflict such as, we hope, will never again visit the earth.

But we, as Americans, are truly thankful.

We are thankful because our's is a free nation.

We are thankful because we are able to worship God according to the dictates of our own conscience.

We are thankful because the Almighty has given us stength and courage to triumph over our enemies that right might prevail.

We are thankful, as manufacturers, to our employees for the outstanding job that they have done. We believe that we can hear the voices of nearly 500 of our former shop-mates now in the armed services say, "Thank You," too. (Nine of this number already have made the Supreme Sacrifice).

We are thankful that we can again renew this pledge to our former employees who are fighting for Victory:

There'll be a job waiting for you at Products when you return from battle. Regardless of your physical condition, we'll find suitable employment for you. We've made this pledge to you because we appreciate more than words can express, the part you've played in keeping America free. Under God, we intend to fulfill it.

We know that every man and woman in the military service of this nation will offer a prayer of thanksgiving, Thursday. Men and women in service have learned how to pray.

For the 120,000,000 others of us on the home-front, our prayers might read something like this:

Almighty God, who has given us this good land for our heritage; we humbly beseech Thee that we may always prove ourselves a people mindful of Thy favor and glad to do Thy will. Bless our nation with sincerity of soul, honorable industry, sound learning and pure manners. Save us from violence, discord and confusion; from pride and arrogancy and from every evil way. Do, Thou, defend our liberties and fashion into one united people the multitudes brought here out of many kindreds and tongues. Sustain with Thy presence and surround with Thy protecting care those of our flesh and blood whose loyalty and devotion to the nation has taken them into far places of the earth. Endow with the spirit of wisdom those to whom in Thy name we entrust the authority of government, that there may be justice and peace at home, and, that through obedience to Thy law, we may show forth Thy praise among the nations of the earth. In the time of prosperity, fill our hearts with thankfulness, and, in the day of trouble, suffer not our trust in Thee to fail.

O, Thou King eternal, immortal, invisible, Thou only wise God our Saviour; hasten, we beseech Thee, the coming of Thy Kingdom upon earth, and draw the whole world of mankind into willing obedience to Thy blessed reign. Overcome all the enemies of Christ and bring low every power that is exalted against Him. Cast out all evil things which cause wars and fightings among us and let Thy saving health be known in all the nations of the earth.

We offer this prayer on this Thanksgiving Day and seek the forgiveness of our sins in the ever blessed name of our Divine Redeemer, Jesus Christ. Amen.

A Prayer of Thanksgiving God of our fathers

. . . at this Thanksgiving time our hearts are filled to overflowing . . . our eyes, once wet with tears, are drier now . . . and broken hearts are surely mending because of Thy blessings unto us. A mighty fortress is our God! . . . And that Divine guidance which has always been our priceless heritage is showing us the way! For this we offer thanks. Thou hast stood beside our leaders . . . our loved ones, departed . . . and those who have remained at home. Thou hast given us courage and led us victoriously into battle . . . to build those things which Thou hast taught us to be righteous! For this we offer thanks. May we in turn bring to Thee, as proof of our devotion, the day when righteousness shall cover the earth . . . as the waters cover the sea.

MACON FARM FIRE

Fire at the Charles Bigelow farm home, about three miles east of Macon, did several hundred dollars worth of damage Sunday afternoon. Firemen from Saline, Macon and Tecumseh answered the alarm and the blaze was confined to a section of the roof and one side of the dwelling. Neighbors and passers-by removed all of the furniture from the house. The fire was discovered by Ellsworth Collins who was driving to his home here from Saline, about 3:30. The Bigelows reside on the first floor of the house, the second floor apartment being occupied by a Ford school teacher.

NINETY-FIFTH YEAR—NUMBER NINE | TECUMSEH, MICHIGAN, THURSDAY, NOVEMBER 30, 1944 | FIVE CENTS PER COPY

Natural Gas for Tecumseh After the War

IS PART OF CONSUMERS POWER EXPANSION PROGRAM FOR TECUMSEH IN POST-WAR

Tecumseh is to have natural gas for cooking and heating—after the war.

This announcement was made Tuesday evening by Herman H. Koelbel, division manager of Consumers Power Co., with offices at Jackson, when he addressed the tenth in a series of post-war planning meetings, sponsored by the Rotary Club. The meeting was held at the Presbyterian church and was attended by more than 100 persons.

"Don't ever fear that Consumers will not go along with any growth that Tecumseh may make in the future," Mr. Koelbel declared. "We plan far ahead and right now we are in the process of enlarging our sub-station to care for a Tecumseh twice its present size, insofar as electrical energy is concerned."

Mr. Koelbel said that he would meet with the village council at its next regular session in December to present plans for the natural gas project. He indicated that his company hopes to begin the actual work of bringing gas to this village next spring and summer, government regulation permitting.

The Consumers executive told how Tecumseh's electrical demands had increased in the past 10 years and complimented Rotary for its farsightedness in sponsoring the post-war series of meetings.

Mr. Koelbel also announced the award of a 40-year emerald-studded service pin to S. Henry Smith, local manager. Mr. Smith has been with the company for 42 years. He was unable to be present at the meeting because of illness in his family.

Roy Putnam, state commercial superintendent of the Michigan Associated Telephone Co., with offices in Muskegon, also spoke, Tuesday evening. Mr. Putnam said that the post-war plans of his company did not show that any unusual improvement were to be made in Tecumseh, but he said that the town would feel the effects of a $1,500,000 improvements program over the entire Associated system. He said that Tecumseh's demand for phone service has materially increased over the past 10 years but declared that thus far Associated has been able to care for the needs of local residents.

Retail merchants, the nation over, must be prepared to do twice as much business as was considered normal before the war if industry is to do its job of averting a post-war depression, Otis F. Cook, managing director of the Michigan Retailers Association, declared here last week Tuesday evening when he addressed the ninth in a post-war series of peace time planning meetings, sponsored by the Rotary Club.

Mr. Cook pointed out that today one man is doing three men's jobs in retailing. The public, in a sense, is excusing the merchant for poor service because of a shortage of help, a lack of merchandise. However, he warned that some stores are becoming a bit too independent with their customers and he suggested that perhaps some of these memories will linger in the buying public's mind after the war ends.

"But wait until the war ends and industry turns to the manufacture of everything that all of us have been waiting to buy for three or four years. Then's when the test will come, then is when merchants will have to sell their wares, then's when the acid test will come.

"It will be after the war, not before or during the war, that it will be a survival of the fittest so far as the merchant is concerned. And if the merchants of the nation fail to sell the merchandise that is produced by the manufacturer, then is when industry will fall and unemployment and depression will result," the speaker said.

The speaker warned that the merchant in post-war must turn his thinking to volume sales if he is to survive the shock. He will be in a highly competitive market, he said, and every store will have merchandise. "It will be the reverse of today's retailing picture," he said.

Next week's program will be in charge of R. H. Moore and housing will be the topic under discussion by a speaker, probably from Minneapolis, Minn. Mr. Moore also will tell of plans that are being made locally to care for an expected village growth of 4,000 persons within five years after the war.

Captain Glenn Staup Is Killed In Action

Word has been received that Captain Glenn Staup, a former employee of Tecumseh Products Co., was killed over France October 29. Capt. Staup, 27, was the son of Mr. and Mrs. Milo Staup of Blissfield and had been overseas since December 1943. He was inducted in January 1942 while employed at the Products Company. He was with a photo reconnaissance group in both England and France.

League Quota Far Exceeded

TECUMSEH'S CONTRIBUTION TO PATRIOTIC ORGANIZATION WAS $5,865

Tecumseh's contribution to the Lenawee County Patriotic League this year was $5,865.99, according to a report just made public by the League's headquarters at Adrian. The quota locally was $5,343.49.

Subscriptions reported in the local campaign amounted to $4,873.50 but after this figure had been corrected for allocations from factories where workers resided in other sections, the amount was reduced to $3,822.50. To this was added $2,043.49, allocated from over-subscription to the League a year ago, bringing Tecumseh's total to nearly $500 over the quota.

Most every community in the county reached its quota. County-wide, the quota was $67,777.33 and total subscriptions, including the allocation by the League, amounted to $85,142.32.

In this area, Clinton raised $2,004.41 against a quota of $1,765.-86; Franklin, $1,097.32 against a quota of $670.37; Macon, $817.37 against $670.37; Raisin, $948.76 against $597.50; Ridgeway, $1,399.-87 against $670.37.

Officials of the League expressed appreciation to the workers in the campaign, and to the public for its generous response to a very worthwhile patriotic enterprise.

TO SPEAK AT FRIENDS

Rev. J. C. Thiessen, superintendent of the Hebrew Christian Mission, Detroit, will be the speaker at the 7:30 evening service at the Tecumseh Friends church, Sunday. Mr. Thiessen is a graduate of the Moody Bible Institute and Northern Baptist Theological Seminary as well as Knox College. He has served as pastor of several churches, and is known to many as the writer of Sunday School and Christian Endeavor notes for the Union Gospel Press.

YOUR SUBSCRIPTION, IS IT DUE?

Many subscriptions to The Herald are coming due at this season of the year, especially in the Tecumseh area. Please note the expiration date, printed beside your name and address. It will tell you when your subscription expires.

The expiration date is your signal to renew so that your name will not be removed from the list in these critical war days because of the scarcity of paper.

Strand Displays War Pictures

The photo above is one of 25 still pictures, comprising the fourth edition of the already famous "Graflex Sees the War" compilation of combat photographs, taken by lensmen in all branches of the armed services. The pictures are on display in the lobby of the Strand Theatre.

The Strand is one of 80 theatres in the nation to display the photographs which cover all theatres of the global war with special emphasis on Japan. They were produced by the Graflex corporation of New York, cooperating with the U. S. Treasury department, as a living, day-by-day, visual record of the American war against aggression.

Walter Nichols, manager of the Strand, has announced that he plans to move the exhibit to the Central school building some time next week, that it may be viewed by all the students. He then plans to announce the gift of one of the photographs to the school class that purchases the most stamps and bonds during the Sixth War Bond drive.

The exhibit will remain on display at the theatre through December 16.

Diphtheria War

HEALTH COMMITTEE, STUDY CLUB ACTS TO PREVENT DISEASE HERE

The Tecumseh Health Committee and the Child Study Club, acting in cooperation with doctors and nurses, announced that next week Thursday afternoon was the time chosen for the immunization of public school children here against diphtheria. The action bears the approval of the Michigan Department of Health.

Doctors and nurses, assisted by laymen, will be at the school next Thursday afternoon to administer the toxoid to all children who have received the written permission of their parents. A second dose of the toxoid will be given in January, if necessary. No charge is made for the service.

It was said today that the Schick test to determine whether or not a child is susceptible to the disease will not be given at the school. Parents desiring their children to have this test should contact their physician.

Those in charge of the work stressed the fact that the toxoid would not be administered to any child who did not have the written permission of parent or guardian.

SCHOOL LUNCH DEPARTMENT HOST TO SCHOOL GROUPS

The Tecumseh school lunch department, under the direction of Mrs. Ayesha Laidlaw, is inviting all grade school children to a complimentary hot lunch during the course of this week as an introduction to the hot lunch program which starts next week. This project is an outgrowth of the special stress which is being placed upon nutrition as a phase of the total school health program and is one of the many contributions to the health program which is being made by the homemaking department. Special emphasis is also being placed upon the educational and social values of the experience. Children and their teachers are attending the luncheon in grade groups following a preliminary discussion by the groups regarding conduct and the regular hot lunch program procedures.

MUSIC CLUB

The Tecumseh Music Club met Tuesday evening at the home of Mrs. Kennard Wise. Mrs. Maynard Mulvany and Miss Elizabeth Seager were the assisting hostesses and Mrs. Perry Hayden leader of the program on the life and works of Tschaikowsky.

The program consisted of piano numbers by Misses Winona Waldron, Mary Jane Hayden and Mrs. Dorothy McConnell.

P. T. A. TO MEET

The Culbertson P. T. A. will meet Friday evening at the home of Mr. and Mrs. I. W. Boltz with a potluck supper preceding the meeting.

To Dedicate Roll

CEREMONY HERE THIS EVENING AT 8:15 IN ADAMS PARK ANNOUNCED

Tecumseh township's honor roll, bearing the names of men and women in the service of their country, will be dedicated at 8:15 this evening in Adams park. The service is in charge of Louis S. Schneider and the 40 & 8 Voiture No. 997, Lenawee county.

Legionaires will assemble at the Legion Hall at 8 p. m., and a parade, headed by a band, will move immediately to the park for the service.

The Honor Roll, recently constructed, bears the names of more than 500 men and women from the township now in service. More names are being added each week.

The public is invited to the service, especially parents and relatives of those who are being honored.

Miss Hope Hand Is Bride of Chas. Mensing

Miss Hope Hand, daughter of Seth L. Hand, and Charles H. Mensing, both of Tecumseh, were married Saturday afternoon at the Martha-Mary Chapel in Macon, the Rev. Alvin Brazee reading the double ring service.

Preceding the ceremony Jack Tonneberger presented a half-hour organ recital and Mrs. Bert Howe of Detroit sang "O Promise Me" and "I Love You Truly." The bride who was given in marriage by her father, was attended by her sister Mrs. Allan Ambacher of Adrian as matron of honor. Paul Keyser attended Mr. Mensing as best man. Charles Hand, nephew of the bride was ring bearer and Clarence Wagner and Gerald Baker were ushers.

Following the ceremony a reception for 100 guests was held in the Hand home on West Pottawatamie street, Mrs. O. W. Laidlaw, a cousin of the bride, receiving the guests, and Misses Clara Gillespie and Fern McCarbery serving refreshments. Guests attended from Detroit, Adrian, Onsted, Jasper, Clinton and Tecumseh.

Mr. and Mrs. Mensing are spending the week in New York and Pittsburgh and on their return will make their home at 33 West Chippewa street.

Mrs. Mensing is a graduate of Tecumseh high school and Cleary College in Ypsilanti. Mr. Mensing is a graduate of Clinton high school and Albion College. Both have been employed for some time in the office of Tecumseh Products Company.

GOODING—KILGORE

Lt. John A. Gooding of Maxwell Field, Ala., son of Mrs. H. B. Lewis of Tecumseh, and Miss Mary Nell Kilgore, daughter of Mr. and Mrs. T. Kilgore of Montgomery, Alabama, were married Thanksgiving Day in Prattville, Alabama. They were attended by Miss Helen Paige of Montgomery and Lt. Curtis Johnson of Maxwell Field. Several other officers also attended the ceremony. Lt. and Mrs. Gooding have taken an apartment in Montgomery for the present.

OBSERVES BIRTHDAY

J. N. Satterthwaite celebrated 89th birthday Wednesday, November 22, and spent the day as usual at his office in the Strand Theater Bldg. Mr. Satterthwaite comes to his office each day and spends much of his time with his records of early Lenawee county. He has the most complete collection of newspaper clippings and historical records in the county.

A CORRECTION

In the A. & P. advertisement on page three, the price of Sonnybrook eggs should read 59 cents a dozen, Spanish onions, 10 pounds, 40 cents, and eight pound mesh bag of oranges, 57 cents.

89TH BIRTHDAY

John J. Orr will celebrate his 89th birthday Monday, December 4.

23 Report For Cage Practice

INDIANS PLAY FIRST GAME, NON-LEAGUE, NEXT TUESDAY AGAINST DUNDEE

By Jim Sisson

Twenty-three Tecumseh high school lads have reported for the basketball practices in the last weeks, but only three have gained varsity letters in former years. This makes the new Indian team pretty green, according to Coach Fred Raizk, and he also confessed that he hasn't, as yet, decided upon the first five cagers, or even the first ten. Also, the new squad is handicapped for heighth, but expects to overcome this with speed, brain work, and accuracy.

Coach Raizk is expected to make his choices for his team very soon for the Dundee cage team will travel to the Tecumseh school for a non-league game next Tuesday. The Dundee Vikings, although not in the Lenawee league, seem to almost always meet the Indians in the tournaments following the regular season. So this game might have some bearing on the events that are yet to come. Last year Tecumseh lost to Dundee in mid-season but later, in the tournaments, came back and defeated them for the district champion title.

Raizk announced that there is all kinds of competition for berths on the starting lineup. The most probable bids for positions on the varsity come from: the three lettermen, Capt. Jim Charters, John Bancroft, John Murdoch; and from Bob Baker, Ben Hammack, Bob Randall, Don Purkey, Dermont Poley, Marvin Barber, Jim Sisson, La Mar Cheever, Dean Hamilton, Bill Brown, Earl Baldwin, Lee Clark, and Bill Hayden.

The Indians will be missing from last year's championship team, six players who were seniors last season: Stuart Costigan, Jack Brown, Doug Murdoch, Bill Sisson, Cliff Jackson, and Max Brandt. These cagers, of course will be missed quite badly, but the young lads mentioned above promise a winning season.

Current season basketball games for the Indians are: Dundee at Tecumseh, Dec. 5; Manchester at Tecumseh, Dec. 8; Addison at Addison, Dec. 12; Hudson at Tecumseh, Dec. 15; Morenci at Morenci, Dec. 19; Adrian at Tecumseh, Jan. 5; Clinton at Tecumseh, Jan. 12; Blissfield at Blissfield, Jan. 16; Manchester at Manchester, Jan. 19; Addison at Tecumseh, Jan. 26; Hudson at Hudson, Feb. 2; Morenci at Tecumseh, Feb. 9; Clinton at Clinton, Feb. 16; Blissfield at Tecumseh, Feb. 23.

Lois Mary Anderson Weds Sgt. Geo. Nicholls

Mr. and Mrs. Frederick Anderson of Tecumseh are announcing the marriage of their daughter Lois Mary to Staff Sergeant George A. Nicholls, son of Mrs. Theresa Nicholls and the late Mr. Nicholls of Jackson. The Rev. King Beach read the impressive ring service at the First Methodist church, West Michigan street, in Jackson, on Saturday afternoon, November 25, at 4 o'clock. The bride becomingly gowned in a floor length dress of rose crepe with a bouquet of gardenias, was attended by her sister Miss Helen Anderson of Detroit, as bridesmaid, in a dress of gray crepe with gardenias. Joseph Severy of Jackson attended the groom as best man.

Following the ceremony a wedding dinner was served the bridal party and families of the couple, at the Otsego Hotel, where the long table was centered with a huge wedding cake, topped with a miniature soldier and bride, and was lighted by white tapers in crystal candelabrum.

In the evening open house was held in the Nicholls home at 902 West Franklin street, Jackson, and later Sgt. and Mrs. Nicholls left for New York City where they will spend a week. Sgt. Nicholls will then return to Mitchel Field, Long Island, N. Y., and Mrs. Nicholls will return to Jackson and resume her work for the present.

The bride is a graduate of the Macon branch of the Edison Institute and of the Clara Ford School of Home Arts in Detroit. She also attended Ann Lee Academy for two years, then taking a position in the payroll office of Sparks-Withington Corporation in Jackson where she has been employed the past two years. Sgt. Nicholls is a graduate of Jackson high school and of Ferris Institute. He has served three years in the Army Air Corps, 13 months overseas.

WIT-WISDOM CLUB

Mr. and Mrs. E. A. Collins and Mr. and Mrs. Fred Rebtor will be hosts and hostesses for the regular meeting of the Wit and Wisdom Club to be held Monday evening, December 4. Mrs. George Parsons will be leader and the program topic is "Let There Be Music."

T.H.S. Host to Area Curriculum Conference

Representatives of numerous schools in the Jackson, Monroe, Ann Arbor area are meeting at the local high school building today to discuss problems of curriculum development in this region. The conference is being held under the joint sponsorship of the Department of Public Instruction, the Michigan Secondary Study, the Community Health Service Project, and the Michigan High School Athletic Association. Michigan State Normal College and the University of Michigan are also represented by members of their field service staff.

The conference, which is one of a series being held throughout the state, is planned to assist administrators and staff members in analyzing their local problems in curriculum development and in taking constructive steps which will lead to desirable changes. Special emphasis is being placed in the discussion upon the areas of health, home and family living, intercultural education, conservation, consumer education, and citizenship. Some consideration is also being given to democratic procedures and guidance as desirable techniques in the realization of educational objectives.

Half Of Bond Quota In Sight

SALES UP TO YESTERDAY AMOUNTED TO $150,211.25, BANK REPORTS

Tecumseh is nearing the half-way mark in its Sixth War Loan Quota of $341,700, John R. Thompson, co-chairman of the War Finance Committee here, said last night. At that time, he said, Sixth Loan Bonds amounting to $150,-211.25 had been sold, and he predicted that this township would exceed the $171,000 needed to reach the half-way mark by the end of the week.

"It appears that the public is recognizing the fact that it takes money to fight and win the double war with Japan and Germany, and is putting its shoulder to the wheel financially," was W. L. Berkhof's comment. Mr. Berkhof is chairman of the War Finance Committee.

"We predicted before the campaign started that Tecumseh would exceed its quota in the Sixth Loan and I am proud of the showing that is being made thus far," Mr. Berkhof continued. "I feel positive that we will reach our goal by mid-December, and I am happy to have this news reach our boys in camps and overseas through the columns of The Herald. We have never failed financially to support and over-subscribe any worth-while war enterprise in Tecumseh. Certainly, we will not fall this time."

Reports from industrial plants show that the payroll deduction plan for buying bonds is in force and in receiving the support of all employees.

Mrs. Andrew Wilson, 91, Buried In Brookside

Mrs. Andrew Wilson, aged nearly 91 years, died Sunday afternoon at her home on North Evans street after several days illness.

Mrs. Wilson was formerly Harriett Kimball, daughter of James and Sarah Graytracks Kimball, pioneers of Franklin township, and was born in Franklin December 6, 1853. She was married April 20, 1876, to Andrew Wilson whose death occurred in October 1916. Mrs. Wilson was a member of the Presbyterian church, and Abi Evans Chapter, D. A. R., and was a life member of Tecumseh Chapter, Order of the Eastern Star.

Survivors are four daughters, Mrs. Anna Camburn of Saline, Mrs. Helen Hill of Sandusky, Ohio, Mrs. Winifred Bates and Miss Vesta Wilson of Tecumseh, three sons Sidney of Tecumseh, Orton of Trenton and Howard of Ridgeway, also 14 grandchildren and six grandchildren. A son Thurman died in 1904.

Funeral services were held Wednesday afternoon at the Collins Funeral Home. Rev. James C. Murdoch officiated and burial was in Brookside cemetery.

FOOTBALL BANQUET

The annual Football Banquet will be held Friday evening, December 1 in the high school gym, and is being sponsored by the football mothers. Proceeds from the banquet will be used toward the purchase of a score board for the Recreation Field. The fund already totals $100.

The committee in charge includes Mrs. L. E. Brown, Mrs. J. C. Murdoch, Mrs. Lee Purkey, Mrs. Harold Sisson, Mrs. C. M. Brown, Mrs. Fred Raizk and Mrs. C. W. Howe.

V-E Day Service Announced Here

INDUSTRY AND BUSINESS WILL HALT FOR PRAYER WHEN GERMANY FALLS

A V-E Day union thanksgiving and prayer service in which Tecumseh will participate has been announced by local pastors, the service to be held after the complete surrender of the German nation to the Allies, in the event that news of the surrender reaches here during the morning hours, the service will be held in the afternoon. However, if the news arrives during the afternoon or night, the service will be held the following day. The hour of the service has been set for 2 to 3:30 p. m.

Three downtown churches will be used for the service, the Methodist, Presbyterian and Baptist, and the pastors of these churches, assisted by the Rev. Edward Holcombe of the Friends church and the Rev. John Scarlett of the Episcopal church, will be in charge. All local industrial plants have already agreed to close their shops at 2:45 in the afternoon of the day of the service and, as was done on D-Day last summer, the employees will march to the churches in group. The schools also will participate and all students will go to the Baptist church, which will be reserved for them. Offices and stores also will close to permit everyone to join in the prayer service.

Ministers stressed the fact that everyone would come to the service directly from their work. The fact that shop men are wearing soiled work clothing makes no difference. The service will start promptly at 3 o'clock and will close promptly 45 minutes later, permitting those who must return to their jobs to do so by 4 o'clock.

Similar services were carried out here on D-Day last summer and the three churches were packed to overflowing. All factories closed their doors and the employees marched to the churches in a body.

Corp. M. Vivian Abbott Bride of Paul Zeigler

Corp. M. Vivian Abbott M.C.W.R. of Arlington, Va., and Paul J. Zeigler of Bowling Green, Va., were united in marriage Friday evening, November 17, by the Rev. Lloyd H. Snyder, Jr., at the M. Vernon Place Methodist church in Washington, D. C. The impressive candlelight service followed a fifteen minute recital of organ music. The couple were attended by Corp. Frances Donovan, M.C.W.R. and John Hill of Bowling Green.

The bride wore a melon colored wool suit with black and white accessories and carried gardenias, also a gold necklace, a gift from the groom. Corp. Donovan wore aqua with brown accessories and a corsage of roses.

Mrs. Zeigler is the daughter of Mr. and Mrs. W. L. Abbott of Tecumseh. She is a graduate of Tecumseh high school and Cleary's Business College in Ypsilanti. She joined the Marines November 1, 1943, and after training at Camp Le Jeune, N. C., has since been stationed at Arlington, Va. Before entering service she was employed in the law office of Richard F. Roe. Mr. Ziegler who is the son of Fred Ziegler of Hebron, N. Dakota, is a graduate from the School for the Deaf at Devils Lake, North Dakota. He was formerly employed as linotype operator for the Tecumseh Herald, and since leaving here in May has been employed in a publishing house in Bowling Green, Va.

AUGUST FELDKAMP, 70, DIES IN HOSPITAL HERE

August Feldkamp, aged 70 years, a resident of Clinton, died Sunday night at Tecumseh hospital where he had been a patient since Friday morning.

He leaves the widow Hattie, two sons, Junior J. Feldkamp S1/c and Donald Feldkamp p. o. 3/c, with the U. S. Navy, a stepdaughter Mrs. Robert Bellmore of Clinton, five sisters, three brothers and four grandchildren.

SCOUTS SEND GIFTS TO HOSPITAL PATIENTS

The Clinton Girl Scouts under the direction of Mrs. John Hoelzer and Mrs. Helen Way made 30 Thanksgiving favors in the shape of small baskets filled with treats, which were presented to Tecumseh hospital last Wednesday and placed on the patient's trays on Thanksgiving Day. Mrs. Way, Shirley Ogden and Mary Van de Mark brought them to the hospital.

XMAS GREETING

The Herald received its first Christmas Greeting, a card from St. Sgt. Eddie Solarski, who is somewhere overseas, presumably in France.

WE MUST NOT FAIL

Someday the war is going to end. Someday millions of American men will come home from across the seas, and again the dangerous will be faced that the people of a war weary United States will wash their hands of international problems. If they succumb to that danger, they will probably never have another grace period in which to muddle through a "preparedness program" such as they have had in the last two wars.

Now, before the war is over, before the danger of a weary reaction sets in, is the time to help create an effective peace organization and to help lay the groundwork for dissolving archaic trade barriers.

The late Wendell Willkie spoke from the heart when he said: "I was a soldier in the last war, and after that war was over I saw our bright dreams disappear, our stirring slogans become the jests of the cynical, and all because the fighting peoples did not arrive at any common purposes while they fought. It must be our resolve to see that this does not happen again.

"While they fight, the people of the world must come to a common understanding of what they fight for and what they hope for. Millions have already died in this war and many thousands more will go before it is over. Unless Britons and Canadians, and Russians and Chinese and Americans and all our fighting Allies, in the common cooperation of war, find the instrumentalities and the methods of cooperative effort after the war, we, the people, have failed our time and our generation."

How Much of Your Salary Do You Save Regularly?

* * *

We don't mean to be personal, but it's mighty important that everyone save a part of what they earn—and do it regularly.

The reason that it is necessary that we save is to assure us that at some future time—usually when we least expect it—that we have ready cash for emergencies; sickness, taxes, accidents.

It's mighty comforting to know that you have funds in the bank—instantly available at the stroke of the pen—when you need it.

Why not open an account this week and add to it regularly each pay-day?

THE FAMILY IS INTERESTED in Post War Building

It's not at all difficult in interesting the family in post-war building. The very fact that you intend to build a new home when Victory has been won thrills the entire household.

Being right today in laying your plans for a new post-war home. Discuss it with your family—the children will be interested, too.

It will not be too long, we hope, before our Axis enemies have been defeated. Then will come an era of peace, when dreams of home building can be realized.

Budget your spending NOW for the FUTURE. Buy Bonds, save every dollar you can for "after-the-war" investment in a home of your own.

Does Your Car Cough?
Perhaps it's the Cold

* * *

Yes, cars do cough and act otherwise ill at this season of the year unless they have been properly cared for and protected against the chill of winter.

Right now, your car should be completely checked for winter driving. The radiator should be drained and filled with anti-freeze. It also should be properly lubricated throughout and the battery and ignition checked to assure proper starting and firing.

Don't neglect this routine work. Bring your car to us this week for a winter inspection. It will serve you better, last you longer.

USE Vitamins TO HELP PROTECT Your HEALTH

YES! EVEN CHICKENS NEED VITAMINS!

From now on through the winter and early spring are your layers going to receive enough vitamins in their ration to maintain body weight, health and vigor. If not they cannot go right on producing plenty of profitable eggs for you.

YOU MUST GIVE VITAMIN RICH FEED.

Your layers are now housed for the winter. Therefore they can only eat what you give them. They must have rations that are rich in minerals and necessary vitamins, just like humans.

If there is any doubt about the ration your hens are now getting, it will pay you to change to HAYDEN'S EGG MASH.

A Prayer

Across the world the sound of shells has ceased . . .
And quiet shrouds the battle-rubbled West . . .
The enemy has laid away his arms, and Death and Pain
are done in France.
But I go on . . . for I must fight and kill . . .
And work and sweat . . . and hide and run . . .
For *here* the enemy is very much alive . . .

His bullets still are made of lead . . .
Their angry whispers still foretell of sudden death
For me and others crouched in slime and mud . . .
The end for *us* is yet to come . . .
And so we pray to God to give us strength
To fight and win . . . without the waste of Time .
And with His Will . . . to see our homes again.

At a session of said Court, held at the Court House in the City of Adrian, County of Lenawee and State of Michigan, on the 20th day of November, A. D. 1944.

Present: HONORABLE G. ARTHUR RATHBUN, Circuit Judge.

In this cause it appearing from affidavit on file that the residence of each and all of the above known defendants and their unknown heirs, devisees, legatees and assigns, if living, is unknown to the affiant subscribing to the affidavit of non-residence now on file in this cause; and that it cannot be ascertained in what State or Country said defendants and each of them reside, if living, and it appearing to the satisfaction of this Court that the above named defendants or their unknown heirs, devisees, legatees and assigns are proper parties to this suit;

On motion of John R. Zeigler, Attorney for Plaintiffs, it is ordered that the appearance of said above named known defendants be entered herein on or before three months from the date of this order; that the said unknown heirs, devisees, legatees and assigns of said known defendants be made parties defendant hereto and that the appearance of said unknown heirs, devisees, legatees and assigns of the aforesaid known defendants be entered herein on or before three months from the date of this order, all in accordance with the statutes of the State of Michigan in such case made and provided; and that in the case of the appearance of such defendants that they cause their answer to the Bill of Complaint to be filed and served according to law, and in default thereof said Bill of Complaint will be taken as confessed by said known defendants and by said unknown heirs, devisees, legatees and assigns;

And it is further ordered that said plaintiffs cause a notice of this suit to be published or served according to law and the statutes of the State of Michigan in such case made and provided.

G. ARTHUR RATHBUN,
Countersigned:
ALICE M. WELCH.
Deputy Clerk.
UNDERWRITING

A personal decree is sought against the defendants to quiet title to that certain piece or parcel of land situated and being in the Township of Tecumseh, County of Lenawee and State of Michigan, and described as follows, to-wit:

The East half (½) of the South West quarter (¼) of Section Twenty-eight (28) in Town Five (5) South of Range Four (4) East; containing Eighty (80) acres of land more or less. Also all that part of the East half (½) of the North West quarter (¼) of Section thirty-three (33) in said Town and Range described as commencing at the North East corner of the East half (½) of the North West quarter (¼) of Section (33) aforesaid; Thence South to the North line of land now or formerly owned by Mary McNeil; Thence West along the North line of said McNeil land to the North West corner thereof; Thence South to the center of the LaPlaisance Bay Turnpike; Thence Westerly along the center of said Turnpike to the East line of land now or formerly owned by J. JOIN OUR CAR CARE CLUB Now!

We read an advertisement the other day which said that cars can talk—that you can understand what your car is saying if you learn to speak car language.

We've mastered "car language" and we do know exactly what cars are saying when they speak. In other words, we know what makes your car "click" and we know what to do when it doesn't.

That's why we've organized a new CAR CARE CLUB and we are asking you to join it. We want to do these things for you in these critical times:

1. A weekly inspection of all of your tires.
2. A weekly inflation of all of your tires.
3. Application of tire preservative for longer wear.
4. Inspection of your tires for recapping.
5. Inspection of your tires for repairs.
6. Helping you to obtain new tires when necessary.
7. Loan tires to customers while tires are serviced.
8. Check wheels for alignment when necessary.

We are definitely "sold" on the value of tire preservative. We can apply it to all five of your tires for only $2. You'll like the charges that we make for vulcanizing and recapping, too.

Come in and ask us about this CAR CARE CLUB. You'll benefit in many ways—that we are sure.

But ELECTRICITY SET THEM *Free!*

August 26, 1920 was a great day for women. The 19th Amendment gave them the right to vote. It broke the bonds that held them from taking an active part in the development and progress of our nation.

There was no amendment to the Constitution, no act on the statute books that set women free of household drudgery. "Man works from sun to sun, woman's work is never done" was a timeless tradition that needed a power beyond legislation to change.

That power was — is — electricity.

Shackled to old fashioned methods and equipment for performing household duties, the American woman would have found it impossible to devote the time and energy she has contributed to our war programs on the homefront. We cannot review the hundreds of successfully conducted civic and war activity such as Bond Drives and Red Cross work, without giving much of the credit to the patriotic women of this country.

Reddy Kilowatt, that ready, willing electric servant has saved them hours of drudgery and toil each day. He has helped them to meet the many demands that this war has placed upon them. For greater freedom from work and worry, switch to Reddy Kilowatt.

Moore is Ready to Build Homes

TELLS PLANNING MEETING HIS FIRM "HAS FAITH IN THE FUTURE"

Robert H. Moore of the firm of R. S. Moore & Son Co., builders and lumber dealers, told the Rotary Club's post-war planning meeting here, Tuesday evening, that his organization "has faith in the future of Tecumseh" and that already it had acquired sufficient subdivision property within the village limits to permit the building of several hundred new homes as soon as Victory will permit. Mr. Moore was one of the leaders in the building program here prior to the war which resulted in the construction of approximately 80 new houses, including Indian Acres Subdivision.

Mr. Moore and Max Wright of Chicago, a building engineer, were the speakers at the eleventh of the Rotary Club's planning meetings, held at the Presbyterian church. More than 100 persons attended. Next week, C. W. Otto, secretary of the Lansing Chamber of Commerce will address the meeting, the final one in the series.

If Tecumseh is to grow with its industrial expansion, which is expected to exceed $750,000 after the war and the employment of an additional 1,00 to 1,500 persons, Mr. Moore pointed out that the village must prepare homes for the new residents to live in. This, he said, is necessary if Tecumseh is to get its full share of the pay-rolls that will be distributed. He declared that already he has submitted his program to the planning commission and the council and he expressed his appreciation to those groups for their cooperation.

Mr. Moore said that there are approximately 150 building lots inside the corporation on streets already dedicated. Other building must come in new areas. He pointed out that his firm is "ready to go" with its building program as quickly as war priorities will permit. It has been estimated that 500 to 800 new homes will be built here within five years after the end of the war.

Mr. Wright discussed the progress that has been made in home building in the past two decades and pointed out the need for careful planning in construction if the maximum comforts are to be enjoyed. He said that ofttimes home owners condemn builders for faulty construction when, in reality, the blame is their own. Follow the advise of your builder and engineer, was his warning.

Gas Given Approval

At the conclusion of the meeting, Mayor J. Floyd Elliott submitted to the group the proposal of the Consumers Power Co., for the bringing of natural gas to Tecumseh and inquired whether those at the meeting felt that a franchise should be given to Consumers or whether the village should enter the field and operate the project as a municipal utility. After considerable discussion a showing of hands clearly indicated that the group favored the operation of the gas business by Consumers.

Herman H. Koelbel, division manager of Consumers, Jackson, was at the meeting and answered many questions. He said that in event Consumers was awarded the franchise the work of bringing gas to the village would be done entirely at the expense of Consumers. He said that service connections for consumers would be paid for by the company, that the only expense to consumers would be their monthly bill for whatever amount of gas they used. He forecast a monthly bill of about $2.50 for the average home here where gas was used for cooking purposes only.

$1400 IN LAB. FUND

The December meeting of Tecumseh Hospital Auxiliary has been cancelled but regular meetings will be resumed in January when officers will be elected.

The Auxiliary now reports $1400.66 in the laboratory fund, toward the $1900 goal. The original goal of $1000 is over-subscribed but the addition of necessary articles and materials has increased the goal to $1900.

MISSING IN ACTION

Mr. and Mrs. Eugene Rebottaro of Rt. 1, Tecumseh, have received word from the War Department that their son Sgt. Louis A. Rebottaro, 19, is missing in action over Germany since November 16. Corp. Rebottaro, an upper gunner on a Liberator Bomber, has been overseas since September. He is a graduate of Macon high school.

PAT MURPHY HURT

Mrs. Norma Murphy received word from her husband Pvt. Melvin (Pat) Murphy that he had been injured in action in November and was in a hospital in France. He has been awarded the Purple Heart.

Over 100 At Football Banquet On Friday

More than 100 persons attended the annual football banquet, sponsored by the Athletic Club Mothers, Friday evening in the high school gymnasium. Tecumseh tied for second honors in the Lenawee league.

W. L. Berkhof acted as master of ceremonies at the banquet, the Rev. John Scarlett asked the invocation and C. R. Dustin introduced Chas. O. Butler as toastmaster. Speakers were the Rev. J. C. Murdoch and C. M. Brown, president of the Recreation Center.

Fred Raizk, coach, presented the awards to the players. Jim Osburn and Bob Wood were named to the all-county first team and Bill Brown and Bob Baker to the all-county second team. Don Purkey received honorable mention.

The Athletic Club Mothers is in charge of Mrs. Lee Purkey as president, Mrs. Harold Sisson as vice-president, Mrs. Lillard Brown, secretary, and Mrs. Lee Randall, treasurer.

OPA Head Fired

LASSEY, CHAIRMAN OF COUNTY BOARD, OUSTED AS RESULT OF HUNTING TRIP

Tracy R. Lassey, chairman of the Lenawee County War Price & Rationing Board, has resigned from his office at the request of W. E. Fitzgerald, OPA district director, Detroit, because he "used poor judgment" in going on a deer hunting trip to Roscommon in November. The vacancy caused by the resignation has not been filled.

Mr. Fitzgerald wrote to Mr. Lassey and requested that he quit to avoid any criticism of OPA. He said that he did not believe Mr. Lassey's hunting trip was in keeping with OPA's thinking.

Mr. Lassey tendered his resignation but countered that he made the trip to Roscommon on his "A" book, which he understood he could do with OPA's approval. It was estimated that a quarter million other Michigan hunters did likewise. Lassey also declared that he combined business with his hunting trip.

TELEPHONE RENTAL CHARGES "FORGOTTEN"

Michigan Associated Telephone Company patrons received a surprise this week when they opened the envelopes containing their phone bills and found that no rental charge had been billed for the month. Only toll charges were listed.

Mrs. Lillian Owen, local manager, said that she did not know why the company had not billed the rental charge to customers this month. She said that she had received no instructions from the home office.

"I just hope that everyone is prompt in making the payment of the toll charges," she said. "Then I'll really have a merry Christmas."

YOUR SUBSCRIPTION, IS IT DUE?

Many subscriptions to The Herald are coming due at this season of the year, especially in the Tecumseh area. Please note the expiration date, printed beside your name and address. It will tell you when your subscription expires.

The expiration date is your signal to renew so that your name will not be removed from the list in these critical war days because of the scarcity of paper.

Edward Brazee Reported Dead

WAS KILLED IN PLANE CRASH IN INDIA, JUNE 14, WAR DEPARTMENT SAYS

Mr. and Mrs. Alvin Brazee were notified Monday by the War Department of the death of their son Edward who was reported missing since June 14. The message was as follows. "With deepest regret the Secretary of War wishes to inform you that your son Sgt. Edward Brazee was killed June 14 in an airplane crash in India. Letter will follow."

The Brazees were notified June 23 that their son, who was with a hospital unit in India, was missing. Later through correspondence with relatives of other service men in India, it was learned that the missing ship was found with 13 bodies. Two of the 15 passengers were missing. The customary notice was then received by The Herald from the Postoffice Department to discontinue mailing of the paper to Sgt. Brazee.

On October 17 a V-mail letter bearing the name of Sgt. Edward Brazee was received by The Herald asking that "no more mail be sent to me at the address given. I will advise you promptly when mail should be resumed and will give you my proper address, which I cannot do now for military reasons." The name, correct serial number and army address were signed on the card but the message was not censored. In the meantime hopes were raised that he was alive and might be a prisoner of war.

Since Mr. Brazee has been in communication with the war department through all possible channels, hoping for more news, but none was received until the telegram Monday.

Gifts For Yanks Boxes Are Now In Stores

The December meeting of the American Legion Auxiliary was held Monday evening in Legion hall when plans were made for their annual Christmas party to be held December 18. Mrs. Marvin Watkins, Mrs. Otto Baaske, Mrs. Louis Schneider, Mrs. Vincent Haight, Mrs. L. E. Brown and Mrs. Ray Shuyter were appointed as the committee in charge.

It was voted to donate $50 to the Legion Post toward the cost of the erection of the Honor Roll; also to renew subscriptions to The Herald for service men from Tecumseh. Nearly 250 subscriptions will be renewed during the three month period from October 1 to January 1.

Mrs. Albert Bagshaw gave a report of a recent visit to the three Veterans hospitals in Battle Creek and announcement was made of the annual officers conference to be held in Lansing December 8-9-10 which Mrs. Louis Schneider and Mrs. C. W. Howe will attend.

Cartons for the "Christmas Gifts for Yanks Who Crave" fund have been placed in various stores for cash donations which will be used to purchase gifts to be sent to service men in designated hospitals. Gifts are also acceptable those suggested are handkerchiefs, socks, ties, scarfs, tooth brushes and paste or powder, shaving kits, razors and blades, hair tonic, hair brushes, jackknives, cigarettes, pens and pencils, checkers, cribbage, poker chips, stationery, belts and buckles, lighters and cases, pipes, zipper bags, shoe shining kits, and billfolds. Each package must have a list of contents on the outside. Personal cards may be enclosed. Packages may be left at any store so designated by a card in the window.

At the close of the meeting refreshments were served by Mrs. Bagshaw, assisted by Mrs. Jack Smith and Mrs. Ned Baldwin.

The next meeting will be held January 8, because of New Year.

PLAN PAGEANT

T/5 Gaza Kish Home From South Pacific

T/5 Gaza Kish arrived home last week from the Southwest Pacific for a 21-day furlough with his parents Mr. and Mrs. Frank Kish. He served three and one half years in the Pacific area, most of that time in New Guinea, the rest in Australia. During that period he met only two fellows he knew, Harold Gaertner of Petersburg and Eddie Marine of Britton, both former fellow employees of Tecumseh Products Co. and his meeting with Marine was only two days before sailing for the States. Mr. Kish is in good health, was never ill or wounded while in service. At the end of his furlough he has been assigned to Miami Beach, Fla., for further orders.

Youth Club on New Schedule

OPEN TUESDAY, FRIDAY AND SATURDAY NIGHTS; OTHERS ON WEDNESDAY

A new schedule of hours has been announced for the Opekasit Youth Club in Tecumseh, and a financial report of the operations of the club since last January were announced today.

In the future, it was said that the club would be open on Tuesday, Friday and Saturday evenings for Tecumseh youngsters, the closing hour on Tuesday being 10 p. m., and on Friday and Saturday, 11:30 p. m.

On Wednesday evenings, hereafter, the club will be open at 8 p. m., for the pleasure of nurses, office girls, business and professional women and service men's wives. No dues will be charged but there will be a fee of $2. Reservations must be made with Lee Randall, of the club's board of directors.

The financial report of the club shows that between January 1 and October 1 of this year a total of $1,682.37 was received from all sources. Of this amount, $188 came from dues, $1,200 from the Community Fund, $80.65 from the club's music box, $86.91 from a waste paper campaign and $126.81 from sales and raffle.

There remains in the fund in cash $120.73.

T. E. SPAULDING DIES; FUNERAL ON FRIDAY

T. E. Spaulding, aged 78 years, a life long resident of Franklin township, died Tuesday afternoon at Tecumseh hospital where he had been a patient since Saturday. Mr. Spaulding had been ill for some time. He was born in Franklin township and was engaged in farming until he moved into Tipton 26 years ago. He served 11 years as Franklin township supervisor, seven years as clerk and two terms as treasurer. Mr. and Mrs. Spaulding celebrated their 54th wedding anniversary September 12.

Survivors are the widow, Mary L., a daughter Mrs. Dean Van Valkenburg of Tecumseh, a son William McKinley Spaulding of Tipton; two sisters Mrs. Willis Smith and Mrs. Ida Spencer of Tecumseh; two grandsons Ronald E. Van Valkenburg, a.m.m. 3/c, U. S. Navy in California and Russell A Spaulding of Tipton and a great granddaughter Marjorie Lois Van Valkenburg of California.

The body was taken to the Belding Funeral Home and will remain there until this afternoon when it will be moved to the home in Tipton. Funeral services will be held Friday afternoon at 2 o'clock at the Community church in Tipton, with Rev. Edward Escolme and Harry Starbuck officiating. Burial will be in Tipton cemetery.

TWO FIRE ALARMS

The Tecumseh fire department was called Friday morning to the Carl Clark farm north of town where an overheated stovepipe had set fire to a partition. Only slight damage resulted.

A short time later the department was called to the Bruce Foundry but this proved to be a false alarm.

The fire department was called out Monday afternoon to extinguish a grass fire near the Grace Austin home on North Maumee street which had gotten out of bounds. No damage resulted.

INFANT DIES

Martha Jane Coffer, six months old daughter of Mr. and Mrs. Sanford Coffer, who live on the John Seil farm on the Occidental road, died Saturday morning in her home. Her parents and several brothers and sisters survive.

Gas Proposal Laid on Table

COUNCIL TO STUDY PROPOSAL OF CONSUMERS TO BRING GAS TO TECUMSEH

The Village Council, in regular session Monday evening, tabled an ordinance proposing to give the Consumers Power Company a 20-year franchise to supply natural gas to consumers in Tecumseh. The matter will be given further consideration after the ordinance committee of the council has studied the proposal, probably at the council's first meeting in January or at a special session before that date.

That Tecumseh was in line for natural gas was announced a week ago at the post-war planning meeting of the Rotary club by H. H. Koelbel, division manager of Consumers with offices at Jackson. At that time Mr. Koelbel expressed the hope that the company might begin some of its work this winter or early in the spring and make the gas service available to consumers during the summer or fall of 1945. It is understood that the natural gas line, a few miles east of the village limits, would be tapped and piped to Tecumseh.

It was explained that after the council gives its approval of the proposed franchise ordinance it must be submitted to a vote of the people. Any registered voter may cast his ballot and it is necessary that the proposed grant be carried by a three-fifths majority.

The council heard a report of the planning commission, headed by Ray W. Herrick, regarding proposed village expansion and the cost of constructing streets, sidewalks, water and sewer mains, and the report was referred to the street committee for further consideration.

The village clerk was instructed to write to the state highway department asking its approval of a proposal to remove the center boulevard from both East and West Chicago boulevard, making it a wide thoroughfare. The matter has been under consideration of both the village and state for some time and it is believed that the removal of the center strip would permit an easier flow of traffic.

The state also was contacted regarding the installation of a traffic light on the bridge over the River on North Evans street (M-52). The bridge is narrow, especially for truck traffic, and the proposal is for a light at each end of the bridge, making it, in reality, one way traffic at any given time.

Laine Holden Studies For Landing Boat Duty

Laine R. Holden, a resident of Tecumseh, whose wife, formerly Majel Jones, and three-year old son reside at 208 South Union Street, has been chosen by the Navy to serve aboard an LSM (Landing Ship, Medium), the Speed Carrier of Attack that has been especially developed for Pacific duty.

Now stationed at the Amphibious Training Base in Little Creek, Virginia, Holden is going through the rigorous training program to prepare for duty as Motor Machinist's Mate on the swift new invasion vessel.

The amphibious ship on which the Tecumseh resident will serve has been designed with a shallow draft that enables it to negotiate the coral reefs of the Pacific islands. It crosses the ocean with its cargo of tanks and machines and discharges them directly onto enemy-held shores over its landing-ramp bow.

Holden was employed at the Tecumseh Products Company before he joined the Navy in February of this year. He graduated from Ypsilanti Central high school in 1934.

Jack E. Holden, his brother, is a Staff Sergeant in the U. S. Army. The two men are the sons of Mrs. Mary Lee Holden who resides at 684 Putnam Avenue in Detroit.

Honor Roll Dedicated For Twp. Of Tecumseh

The Honor Roll for service men recently erected in Adams Park by Underwood-Orr Post, American Legion, was dedicated Thursday evening with ceremonies conducted by Voiture 97, Lenawee County 40 and 8, and in charge of Louis A. Schneider.

The program opened with "The Star Spangled Banner" played by the local high school band, and was followed by a poem "My Flag and I" and a prayer by Frank Kessler, chaplain of the 40 and 8. The dedication address was given by Walter Kindchy, Second District Commander, and was followed by a salute to the dead by the firing squad, and taps by Clare Cambum.

The Honor Roll now contains over 400 names with eight gold stars.

December Rate Cut Ordered

CONSUMERS YIELDS TO COMMISSION FOR NEARLY 4 MILLION REDUCTION

The Consumers Power Company has announced that it will comply with the Michigan Public Service Commission's order to reduce December bills 75 per cent which, in dollars and cents, will mean a reduction of nearly $4,000,000 to the company's 650,000 electricity and gas users, incuding Tecumseh and Lenawee county.

S. Henry Smith, manager of the Tecumseh office, said today that he would be unable to estimate the "bonus" to users in Tecumseh but he said that it would amount to a 75 per cent reduction in the December bill for every customer. In other words, if the December bill of a customer amounted to $8, he would be required to pay only $2.

The "December bill" is the bill that is paid by consumers in early January.

Dan E. Karn, vice president and general manager, said that savings in federal excess profits taxes will not entirely compensate for the cut. Commission auditors had figured that the reduction would enable the company to avoid 80 per cent of its excess profits tax for 1944.

Fred J. Williams, 79, Is Buried At Onsted

Fred J. Williams, aged 79 years, died Sunday at his home in Onsted after a two months' illness. Mr. Williams had lived in Onsted and vicinity for 40 years, coming here from Addison.

He leaves two sons Carl of Tecumseh and Richard of Onsted, seven daughters Mrs. Ruby Smith, Mrs. Elwood Kilbury and Mrs. Doc Edwards of Tecumseh, Mrs. Stella Watson of Wayne, Mrs. Lorine McFadden of Pasadena, Calif., and Mrs. Ione Hammill and Mrs. Izetta Schultz of Onsted, three brothers, 22 grandchildren and four great grandchildren. Mrs. Williams, a daughter Ina May and a son Archie preceded him in death.

Funeral services were held Wednesday afternoon at the Dunn Funeral Home. Rev. F. D. Hague officiated and burial was in Onsted cemetery.

YOUTH CHOIR SERVICE AT BAPTIST CHURCH

The Youth Choir of the Baptist church will have charge of the music at the morning service Sunday, December 10. Vivian, Barbara and Phyllis Moats of Clinton will be the guest singers.

Church night was held at the Baptist church Wednesday evening with a potluck Fellowship supper at 6:30 followed by a song-fest and a business hour.

The Baptist Ladies Union will meet Thursday (today) for a potluck 12:30 luncheon with Mrs. Ray Herrick. Mrs. Jay Morse is in charge of devotions and Mrs. R. S. Moore of the music, and Mrs. B. O. Bashore will give a Christmas reading, "The Little Gray Lamb."

MONDAY CLUB TO MEET

The Tecumseh Monday Club will meet Monday afternoon in the Methodist church parlors with Mrs. Burtsel Claus in charge of the program. Musical numbers will include a trio, "Within the Stable," by Mrs. R. S. Moore, Mrs. Blair O. Bashore and Mrs. Charles Ruthruff; vocal solos, "O Holy Night," Mrs. Robert Dannells and "No Candle was There and No Fire" (Lisa Lehmann) by Mrs. Moore; and a musical reading, "The Twilight Bell," by Mrs. Bashore. Mrs. Claus will read a Christmas play, "A Sign Unto You" by Jean Lee Latham and carols will be sung by the club. The hostesses, Mrs. Cleveland R. Dustin and Mrs. Sam Sisson will serve tea.

6th War Loan Sales Lagging

TECUMSEH TOWNSHIP NEEDS ABOUT $126,000 TO FILL ITS QUOTA

Honoring the memory of Edward Brazee, killed in India June 14 according to a War Department release this week, students of the Junior and Senior high school, grades 7 to 12 inclusive, purchased War Savings Stamps on Wednesday. The [illegible] per cent sale, every [illegible] in the grades mentioned making a purchase.

Alvin Brazee, father of Edward, is a member of the school faculty.

Sixth War Loan bond sales are lagging in Tecumseh, less than $66,000 worth of bonds having been sold during the past week. John R. Thompson, co-chairman of the War Finance Committee, here, said today. As of Wednesday, Mr. Thompson said, total sales in Tecumseh amounted to $215,173.50. One week ago, sales amounted to $150,211.50.

"Our quota in Tecumseh is $341,000," Mr. Thompson said. "This means that we still need $126,000 in sales to go over the top."

While the Sixth Loan campaign ends, technically, on December 16, it was said today that all sales during the month of December will count against Tecumseh's quota.

"Tecumseh is making a better-than-average showing in the Sixth Loan when Lenawee county is considered," was W. L. Berkhof's comment. Mr. Berkhof is chairman of the War Finance Committee.

"Lenawee's quota is $3,206,000," Mr. Berkhof said, "and she has just about reached the half-way mark. We, in Tecumseh, are well beyond the half-way figure. I feel that Tecumseh will make its quota, as it has in every other war loan, and I know that there are many, many folk here who intend to buy bonds who have not yet done so. I, therefore, urge every buyer to make an effort this week to purchase an extra bond. The government is stressing the sale of "E" bonds and we, too, as interested in the $25 bond buyer as we are in the larger ones."

Mr. Berkhof said that payroll deduction sales in some of the plants had not been cleared through the bank as eyt and that he felt that when this report was made Tecumseh's showing would be considerably improved.

Past Matrons Club Names New Officers

The Past Matrons Club of Tecumseh chapter, O. E. S., met Friday evening at the home of Mrs. E. E. Hendershot for their annual meeting which was preceded by dinner at Brees House. During the business meeting Mrs. Edward Beal, new junior past matron, was initiated to membership in the club.

New officers elected are Mrs. Lynn Harris, president; Mrs. A. L. Van Winkle, vice president; Mrs. Forrest Welchner, secretary, and Mrs. Thomas Hamilton, treasurer.

The January 26 meeting will be held at the home of Mrs. Hamilton with Mrs. Glenn VanDenberg as assistant hostess.

GIRLS SCHOOL CHOIR TO SING AT FRIENDS

The choir of the Girls' Training School, Adrian, consisting of forty voices, will present a musical program at the Tecumseh Friends church, Sunday, Dec. 10, at 8 p. m., under the direction of Mr. Paul Rainier, of Adrian. The first part of the program will consist of a group of anthems, following which the choir will present a Christmas a number of the best known candlelight service, at which time Christmas carols will be sung. Mrs. Aneta B. Truman, the superintendent of the Girl's Training School will speak briefly concerning some of the activities of the school.

The offering at this service will go to the Tecumseh Hospital Laboratory Fund. Mrs. Helen Sisson, one of the directors of the Hospital Auxiliary and a Red Cross volunteer nurse aid, will speak briefly of the work of the Tecumseh hospital. The public is cordially invited to this service.

THE COAL SITUATION

Another wartime winter is here. As usual the air is filled with talk of civilian fuel shortages. Because more than 75 per cent of the nation's population is dependent upon coal for warmth, figures on coal are in order.

Since the start of the war, the bituminous coal industry has been mining three times the coal for war manufacturing, the railroads, the making of electricity and gas, steel and civilian industries, that it has for domestic users. At the same time, it has also increased the output of coal for home consumption by 25 per cent a year since Pearl Harbor, a pace currently being maintained.

During the present heating season, the coal mining industry is prepared to furnish upwards of 180,000,000 tons of coal solely for American homes, at an average price of less than $10 a ton. In other words, the entire coal-using population of the United States will be kept warm through the coming 200 days of cold and chilly weather, for an average cost of 10 cents a day per person.

HOW MUCH DOES IT COST YOU TO PRODUCE ONE DOZEN EGGS?

The average farm flock under average conditions will consume about 23 lbs. total feed per day for every 100 birds. If your mash and grain cost you around $3.25 cwt. and your flock is laying 50%, it will cost you about 18c per dozen to produce eggs. You will have to receive 30c per dozen to pay all expenses. Anything over 30c per dozen is profit, on this basis.

In order to receive this profit, be sure your layers are consuming the proper amount of HAYDEN'S EGG MASH with the proper amount of grain. If they are consuming the right amount of feed but not producing, check them for LICE and MITES. Also check for ventilation. Hayden's Egg Mash is made to fill the egg basket.

Are Your Clothes in Our Shop?

In these war-days when clothing is scarce, people by the score have flocked to our shop for quality cleaning and pressing.

And frankly, our hangers are filled to capacity with clothing that has been finished—waiting for the owners to call.

If you have garments that have been in our shop for longer than two weeks, please call for them. We'll appreciate it, and we know that you will, too, when you see how faultlessly we have done our work.

Thank You!

Santa Says---
REMEMBER HIS CAR
This War-time Christmas!

Certainly, his car is getting older and there are many accessories that he will appreciate this year for Christmas—accessories that he'll appreciate long after the holidays are over.

We've been stocking up for some time in preparation for the Christmas holiday and we are proud to be able to offer you quite a complete line of quality made accessories including spot and fog lights, tire pumps and jacks, tire repair kits, flash lights, tire chains, mirrors, defrosters, stop lights, guide lights, seat covers, anti-freeze, and many, many other items he'll be glad to find in his Christmas Stocking.

TIRE RECAPPING NOT RATIONED

Another gift he'll appreciate is one of our Certificates permitting him to have his tires re-capped. You do not need a Rationing Certificate for this service and we loan tires to "keep you on the road" while we are having your tires serviced.

HERE'S HOW YOUR BILL WILL BE CUT 75%

In accordance with an order of the Michigan Public Service Commission, all bills rendered to electric, gas and steam-heating customers of Consumers Power Company during December, 1944, will be reduced 75 per cent.

Thus, money which otherwise would go to the Federal Government in taxes will be refunded to our customers, together with additional money from Company funds.

Your bill will be figured as usual. Then the amount of the reduction will be written in as indicated on the sample bill shown below. The net amount of the reduced bill appears at the right hand side of the bill—only 25 per cent of what you normally would pay.

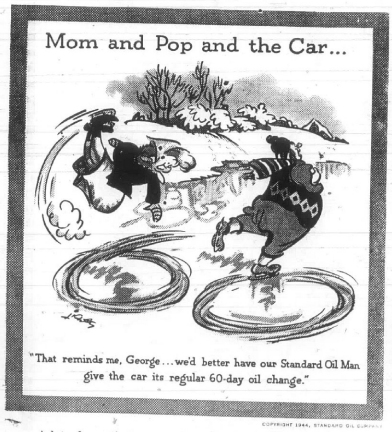
4TH WAR-WINTER TO BE TOUGH ON CARS!



A lot of cars that seem to be going strong today won't be able to "stand the gaff" of the 4th war-winter. Sticky sludge that can clog oil lines, unseen rust and corrosion inside the motor, will cut down many cars. The situation calls for proper preparation for winter driving.

Now, of all times, use top-quality motor oil. Use instant-flowing, full-bodied, sludge-resisting, low-in-carbon oil. Use Standard's famous Iso-Vis 10 W, the full-protecting, fastest-starting, easiest-on-the-battery 10 W motor oil. Get Iso-Vis 10 W today.

And while you're doing it, make sure your car has all-over protection. Arrange for a complete service "package" that covers the vital spots . . . get a 4th War-Winter 10 STAR TUNE-UP at your Standard Oil Dealer's.

At a session of said Court held at the Courthouse in the City of Adrian, County of Lenawee, State of Michigan, on the 25th. day of October, A. D. 1944.

PRESENT: HON. G. ARTHUR RATHBUN, Circuit Judge.

On reading and filing the Bill of Complaint in said cause, and the Affidavit of Henry R. Jewett attached thereto, from which it satisfactorily appears to the Court that the defendants above named, or their unknown heirs, devisees, legatees and assigns are proper and necessary parties defendant in the above entitled cause, and it further appearing that after diligent search and inquiry, it cannot be ascertained, and it is not known whether said defendants are living or dead, or where any of them may reside if living, and if dead, whether they have personal representatives or heirs living or where they or some or them may reside and further that the present whereabouts of said defendants are unknown, and that the names of the persons who are included therein under the title of unknown heirs, devisees, legatees and assigns, without being named, but who are embraced therein under the said title of unknown heirs, devisees, legatees and assigns, cannot be ascertained after diligent search and inquiry,

On motion of Henry R. Jewett, Plaintiff, IT IS ORDERED that said defendants and their unknown heirs, devisees, legatees and assigns, cause their appearance to be entered in this cause within three months from the date of this Order, and in default thereof that said Bill of Complaint be taken as confessed by the said Defendants, their unknown heirs, devisees, legatees and assigns,

AND IT IS FURTHER ORDERED that said Plaintiff cause a notice of this suit to be published or served according to law and the Statutes of the State of Michigan in such case made and provided.

G. ARTHUR RATHBUN,
Circuit Judge.

(COUNTERSIGNED)
ALICE M. WELCH,

EVERY advance we make regaining land overrun by the Japs, the more we find of atrocity to repulse civilized man; the more we find evidence of complete lack of regard for any human dignity or for any code of ethics even such as has been observed by other warring nations, since primitive tribe battled tribe.

Decidedly, this is a date to remember—remember Pearl Harbor and all the horror that came after it. Remember the decapitated American fliers and General Wainwright and women and children on whose innocent heads fell the bloody Japanese hand.

THE TECUMSEH HERALD

NINETY-FIFTH YEAR—NUMBER ELEVEN | TECUMSEH, MICHIGAN, THURSDAY, DECEMBER 14, 1944 | FIVE CENTS PER COPY

Bond Sale Here Nearing Quota

LESS THAN $6,000 NEEDED TO PUT TECUMSEH OVER TOP IN 6TH LOAN

Tecumseh is over the top in the Sixth Loan. J. R. Thompson, co-chairman, announced this morning that total sales now amounted to $386,368.75. He said that the community's "E" bond sale also was over the quota.

With less than $16,000 needed to put Tecumseh over the top in the Sixth War Loan, W. L. Berkhof, chairman, and John R. Thompson, co-chairman of the War Finance Committee here, were optimistic today when they announced a total subscription of $326,600 against a quota of $341,000. They said that they expected that the quota would be reached by Saturday, the day that the Sixth Loan campaign is due to end.

"I have been confident all along that Tecumseh would meet its quota," Mr. Berkhof said, "and I am happy to say that the goal is now in sight. Certainly we will sell more than $16,000 worth of bonds before the end of the week.

"I also would like to call the public's attention to the fact that all bonds purchased this month will apply against Tecumseh's quota. This means that we have another two weeks in which to buy bonds and apply the sales on the Sixth Loan. We should, as the result of the buying that will be done before the first of the year, above our total sales far over our quota."

Mr. Berkhof also recalled that never has Tecumseh failed to make and exceed its quota in any of the five previous loans called for by the government to support the war.

Emory A. Doke Dies; Was Former Resident

Word is received here of the death of Emory A. Doke, originally of Tecumseh which occurred December 4 on his 90th birthday at the Masonic home in Franklin, Ind., where he had made his home since April, 1941.

Mr. Doke was born in Tecumseh December 4, 1854, and was the son of William F. and Mary Ann Jones Doke. On September 20, 1876, he was married to Saday Taylor Medlock and they made there home here until the 90's when they moved to Chicago then to Chesterton, locating in Elkhart, Ind., 47 years ago. Mr. Doke was a locomotive fireman on the Western division of the New York Central for many years and later was employed in the company's carpenter department, retiring in 1920. He joined the Blue Lodge in Tecumseh in April 1875, later transferring to Elkhart. He was also a member of the Tecumseh Royal Arch Masons, the R.S.M. and the Elkhart Commandry, Knights Templar, and in 1939 was given a new degree for illustrious and past illustrious masters.

Survivors are two sons, George E. Doke of Yonkers, N. Y., and Ray H. Doke of Elkhart; a daughter, Mrs. Ella May Markel of Elkhart; seven grandchildren, and four great grandchildren. Mrs. Doke died in January 1929.

The funeral service and burial were held in Elkhart last Wednesday afternoon.

SCHOOL SINKING FUND PLAN MAY BE REVIVED

A group of interested citizens met with the board of education here Tuesday evening and a plan to resubmit a proposal to establish a sinking fund for the building of a new school here in post-war was discussed. Further consideration will be given to the proposal at a future date.

The board, in regular session, recommended the vaccination of all children in the district before entering kindergarten. A re-registration of card holders at the public library was ordered, January 1, and a rental plan for books to adult borrowers outside the district was approved for the new year.

TO WED

Mr. and Mrs. Rubert Arnold announce the engagement of their daughter Miss Edna Arnold of Boston, Mass., to First class gunner's mate Frances M. Omar of Chicago.

NOTICE

Beginning with the new year we wish to make a re-registration of patrons of the Library. When you call for books, beginning January 2, you will be asked to make out a new application card, and will be given a new book card. This action is being taken to bring our registration up to date. Your co-operation will be appreciated.

Tecumseh's Fate in Post-War is up to Tecumseh, Otto says . .

COMMUNITY WILL GROW IN ACCORDANCE WITH THE EFFORT EXPENDED

What place Tecumseh takes in post-war, whether the community grows and prospers, depends upon the amount of effort expended by the folk within this village, C. W. Otto, secretary of the Lansing Chamber of Commerce told the last of a series of 12 after-the-war planning meetings, sponsored by the Rotary Club. The meeting was attended by about 100 men and women and was held in the Presbyterian church parlors. Mr. Otto was accompanied to Tecumseh by Fred Woolard, president of the Lansing Chamber, and they were the guests of Paul Mayes.

"Communities are like men, they do not grow and prosper unless some careful thought is given to their program, Mr. Otto declared.

"And don't forget this," he warned. "One or two or three men can't do it all. It's up to the entire community to cooperate. There is no place in the program for greed, suspicion or indifference. In order to get something out of anything you must put something into it. You never get out of anything more than you give."

Mr. Otto, who has been in Chamber of Commerce work for nearly 30 years, told of incidents in other towns to support his plea for cooperation and planning. "Mine is a peculiar job," he said, "I am paid to see to it that men do the things that they know they should do but don't do them. It is my opinion that out of these meetings should come an active, cooperative Chamber of Commerce in Tecumseh."

Tuesday's meeting brought to a close the series of meetings at which some 75 non-Rotarians have been guests and speakers have explained Tecumseh's post-war possibilities. Next week the club will hold its regular Christmas meeting at Brees House with Harvey Lowry of Dearborn, district governor, as guest.

Lt. Owen Curtiss Tells of German Bombings

Lt. Owen Curtiss writes his parents Mr. and Mrs. Lyman Curtiss from England of having completed his fifth mission over Germany. During the last mission they ran out of gas and landed in Liege, 20 miles behind combat lines, and the to be "buzz-bomb alley," with 17 first airfield seen which turned out bombs passing over him in 21 minutes. He said he had good food and the best bed since joining the air force, but as yet had received no mail from home. He had received mail from Adrian but none from Tecumseh and his parents have written regularly. He has been in England a little over six weeks.

TO HOLD OPEN HOUSE FOR THE SERVICE MEN

Mr. and Mrs. Bernard Clark, formerly of Tecumseh, who now reside in California, will hold open house for service men from Tecumseh and vicinity, during the holiday season. Their address is 9042 Dicks street, West Hollywood, Calif., and those desiring directions to the address may phone Crestview 10926 in that city. The Clarks have entertained many service men during their stay in California and their home is always open weekends.

TO PRESENT PAGEANT

Hears From His Brother After 4 Years in Greece

Peter Melonakos has received word from his brother Nicholas Melonakos and wife in Molaus, Greece, near Sparta, where they have spent four years during the war. This is the first word he has heard for some time.

Mr. Melonakos is an American citizen and a former business man in Detroit. He and his wife went to Greece to visit and were unable to return because of the war. Mrs. Peter Melonakos and Louis Vageakos were also in Greece at the time but managed to escape and leave on the last boat out.

The message stated they were in dire circumstances, the Germans having taken everything. Peter plans to send them aid as soon as the government will allow it.

St. Peter's To Hold Yule Party, Monday

In a setting of evergreens and candlelight the children, young people, parents and friends of St. Peter's Parish will come together next Monday evening, December 18, at six o'clock in the Parish House for supper and an exciting Christmas program. After supper Santa Claus will make his appearance at the Christmas tree and will have a gift for each child and young person. Then "Jack Frost" and the travelogue "Journey thru Palestine," which will give a background for the feature picture from Hollywood's Cathedral Films Child of Bethlehem." Mrs. Jens Touborg heads the committee in charge.

Bert S. Bice, 73, Buried In Brookside

Bert S. Bice, aged 73 years, died Friday at his home on Mill street after only a few days illness. He recently moved here from Ridgeway where he had operated a general store for the past 15 years. Mr. Bice was born in Portland, Michigan, July 21, 1871, and was the son of Mr. and Mrs. Henry Bice who operated a bakery here for many years. After leaving Tecumseh he lived in Grand Ledge until his return to Ridgeway. Mr. Bice was a member of the Odd Fellows lodge of Grand Ledge.

Survivors are the widow, formerly Dora Mominee, two daughters Mrs. Oma Ward of Jackson and Mrs. Elberta Teskey at home; one son Fred H. Mrs. J. C. Murdoch is in charge of the junior choir and is assisted by Mrs. E. E. Davis; Mrs. Harley McConnell is directing the senior choir, and Mrs. Bertram Updyke is organist.

Heart Attack Fatal To G. H. Daisher

G. H. Daisher, aged 64 years, well known farmer and auctioneer, died suddenly Tuesday afternoon at 1:30 at his home in Macon township, following a heart attack. Mr. Daisher had been failing for some time. He was the son of Christian and Lena Daisher and was born in Tecumseh May 10, 1880, spending his entire life in this community.

Survivors are the widow, formerly Viola Pingley, one son Harold, three daughters, Mrs. Maxine McComb, Mrs. Nelda Keller and Miss Pauline Daisher, one grand child, all of Ypsilanti, a brother William Daisher of Tecumseh, two sisters Mrs. Edith Ferman of Britton and Mrs. Anna Schnelria of Clinton. One brother Andrew and two half brothers Ernest and Fred Daisher preceded him in death.

Funeral services will be held Friday afternoon at 2:30 at the Immanuel Lutheran church on the Ridge. Rev. F. W. Schwede will officiate and burial will be in Lake Ridge cemetery.

PLAN XMAS PARTY

A committee composed of Mrs. Carl Thompson, Mrs. Frenk Beal, Mrs. Duncan Oliphant and Mrs. Alfred Beckman, met Monday afternoon with Mrs. Luther Wood, to complete plans for the Christmas party to be sponsored by the B.P.C.P.S.C.

The party will be held Wednesday evening, December 20, at 7:30 in the K. of P. lodge rooms in Witherell hall and all Pythian Sisters and Knights of Pythias and their families will be entertained with a program, Christmas tree, gifts, a Santa Claus, and old fashioned box social and dancing. Members attending are each to bring a 25 cent gift for the exchange, also a box lunch for two to be auctioned off. Further information may be obtained from any member of the committee.

SONG FEST

A group of 65 members and friends of the Baptist church enjoyed a "favorite dish" supper and song fest at the church Wednesday evening. Rev. B. O. Bashore presided at a business session when it was voted to revise the church constitution to admit associate members. It was also voted to hold church night fellowship meetings on the first and third Wednesdays of each month with choir practice at 8:30 immediately following the meeting.

XMAS PROGRAM

The annual Christmas program will be presented at the Church of the Nazarene in Ridgeway on Wednesday evening, December 20 at 8 o'clock.

Indian Cagers Down Addison

WIN SECOND LEAGUE GAME OF SEASON; PLAY HUDSON HERE ON FRIDAY

The Tecumseh high school Indians won their second league game of the season by defeating Addison, there, Tuesday evening by a score of 48 to 34. The Indians found it difficult to play on the small Addison court, but their opponents gave them no worry.

Coach Raizk complimented the team for the excellent showing and held strong hope for defeating Hudson when they come here tomorrow evening for a game at 8:15 on the local court. In Tuesday's game, Osburn made 12 points, Bancroft, 11, and Murdoch, 10.

Last week Tuesday the Indians met with Dundee for their first basketball game of the season. Although not in the Lenawee league, Dundee is also a class C team, who usually meets up with Tecumseh in the tournaments.

In the game on their own floor, Tecumseh began without much trouble and by the end of the first period had the lead of 6-2.

In the third stanza, both teams slackened slightly and the scoring was not so great, but Tecumseh still held onto a safe lead, 25-11. The final period brought the largest scores from both contestants. Tecumseh piled up a total of 38 points to Dundee's 19 to end the game. The last period brought an antagonistic attitude of the Vikings, and their fouls mounted.

Charles Bancroft, a shifty Tecumseh senior, took top honors with a total of 17 points. Johnmaining scores. LaMar Cheever led Murdoch gathered 12, and Osborn and Purkey accounted for the re- the Tecumseh Reserves with 8 points, in a very close and exciting contest. The final Reserve score, Tecumseh 24, Dundee 22.

Last Friday, the Manchester Dutchmen, travelled to the Tecumseh court, also to end up on the short end of the scoring. But the Indians found that the Dutchmen were not quite as easy as the Vikings in their previous game, as was the first league game for either team.

At the end of the first period the score board was balanced 6-6; but the Dutchmen then gathered in 6 more points in the second quarter to lead at half time 12-11.

Then the Tepee Town lads pulled themselves together for the second half and held Manchester scoreless from then on. The third quarter brought only two points, and gave Tecumseh the edge 12-12. As the Dutchmen failed to put the ball through the rim, the Indians pushed up their scorings before the final whistle and won 18-12.

Christmas Party Is Enjoyed by D. A. R.

Thirty-six members and guests attended the Christmas party held by Abi Evans chapter, Daughters of the American Revolution on Friday evening at the home of Miss Jennie Gillespie. The regent, Mrs. J. H. Smith, presided at the business session and the members answered to roll call with humorous events about "The First Christmas I Remember."

A vocal trio composed of Mrs. R. S. Moore, Mrs. Blair O. Bashore and Mrs. Charles Ruthruff sang "Within the Stable," and Mrs. Bashore gave a reading "The Little Gray Lamb." Several clever stunts had been arranged by the program committee and prizes were awarded Mrs. Lewis Lent, Mrs. Charles Williamson and Mrs. Moore.

Refreshments were served by the hostess assisted by Mrs. C. R. Dustin, Miss Margaret Robert, Miss Isabelle Tripp, Mrs. Ralph Ruesink and Mrs. Charles Mensing.

The January meeting of the chapter will be held in the afternoon at 2:30 at the home of Mrs. Lewis Lent.

Snow and Cold Grip Mid-West

HIGHWAYS BLOCKED BY MONDAY'S STORM; SIX INCHES OF SNOW HERE

Lenawee county and the midwest felt its first touch of real winter weather Sunday night and Monday when a snowstorm that rode in on an easterly wind laid a six-inch blanket over this section of Michigan in a 24-hour period. Throughout the mid-west, about a score of persons were reported dead in the storm and in Lenawee county there were several minor accidents.

The efficiency of maintenance crews on state and county highways kept main arteries open to traffic throughout Sunday night and Monday but Tuesday, after a stiff wind on Monday night, several roads were blocked, principally US-112, between Clinton and Saline, which was not opened until Tuesday noon. Many sideroads in this section were reported impassable.

In Tecumseh, scores of motorists were forced to leave their cars in garages, Monday. Plows operating on Chicago Boulevard piled the snow high, making it impossible for residents on that street to use their driveways.

Officers Are Installed By Tecumseh F. & A. M.

Recently elected officers of Tecumseh Lodge, F. & A. M., were installed last evening at the Masonic Temple in Adrian, at a joint meeting with Adrian, Blissfield and Fairfield lodges. The new officers are L. W. Larsen, worshipful den; James Elliott, senior deacon; master; Kenton Hunt, senior warden; Richard Preston, junior warden; Lawrence Hoagland, junior deacon; F. C. Dickinson, secretary; E. D. Hall, treasurer; Hoyt Raymond, Winthrop Winfield, George McCombs and Robert Hanna, stewards; John H. Smith, tyler.

Members of the lodge attended services at the British Christian church Sunday morning as guests of Rev. C. B. Gould, chaplain of the lodge, who is leaving Britton to accept the pastorate of a church in New York.

The lodge enjoyed a turkey dinner Friday evening preceding a special communication when the Master Mason degree was conferred on three candidates and life memberships were presented to D. F. Wright, C. H. Kemp, B. A. Lawrence and Fred Aylesworth, who were in attendance. Life memberships were also awarded to John Ladd and J. M. Williams of Macon, Charles Waring of Beloit, Wis., and Floyd E. Slater of Sharon, Pa.

CIRCLE MEETS

Mrs. Sidney Wilson was hostess to the regular meeting of the B.P.C.P.S.C. last Wednesday evening. Following a brief business session cards were played and prizes were won by Mrs. Carl Thompson, Mrs. Clark Vincent, and Mrs. Elmer Witt. After the games refreshments were served by Mrs. Wilson assisted by Mrs. Alfred Beckman.

The next regular meeting will be held the evening of January 3, at the home of Mrs. Ed Swift on East Pottawatamie street.

CHRISTMAS SEALS NEEDED

Christmas Seal time is here again. This heartwarming practice of buying cheery little seals to help combat tuberculosis, began just forty years ago and has since become a worldwide tradition. The Christmas Seals are sold in 46 countries. This year, as usual, they make their appearance. In a war-torn world they are reassuring reminders that we live in a civilized world after all and humanity has a streak of goodness in it that will not be put down.

This year, as never before, the Christmas Seals are needed. Tuberculosis is on the increase. The steady progress of medical science in the treatment of the disease has not been sufficient to stem the debilitating inroads of war. Our crowded war production centers, overwork and nerovus exhaustion have been an open invitation to tuberculosis. The great tragedy is that too many persons don't realize it when the unwelcome guest has found its way into their homes.

Yes, the Christmas Seal has new significance this year. It is one means by which all of us can take part in the fight against the renewed threat of man's ancient enemy—the white plague.

PLAN A MERRY CHRISTMAS
in a HOME of YOUR OWN

A year from now, we all hope, will see the war over and a Victorious Peace in the United States.

It is for the postwar years that we should be planning now; for that period when the war is over, when restrictions will be lifted and new homes are available to everyone.

Our suggestion, therefore, is for you to SAVE NOW. Buy War Bonds, invest your money in Victory. Then when the fight is over, you can build a new home of your own.

Start saving NOW. Invest in Bonds, Speed Victory. And, if it's at all possible, we'll be happy to plan with you next year for that home you've dreamed of.

Soldier Says Thanks For Cake From Baptists; "It's Really Tecumseh"

The following letter was received by the Baptist church and proves how much a Christmas gift is appreciated by a man in service still in this United States. It certainly means as much or more to the ones overseas.

"Dear Friends:

I received your gift yesterday and want to thank you for it. I have become one of the most popular fellows in my squadron since they found out I had a fruit cake among my possessions. It sure gives a fellow a nice feeling to know he is remembered by the folks back home. I hope in the near future, maybe Christmas, I can visit all my friends if I get a furlough. It is still hot and sunny here in Arizona. It makes me very homesick when I hear of frosts, cool weather and cloudy days back in Michigan. We never realize what a blessing a cloudy day is until you have to spend month after month under a burning sun without a cloud in sight.

Out here on the desert it is so easy to dream of things that before meant nothing to a person but now represents the things that mean the most. Tecumseh remains the one place on earth that is the best. The streets lined with maple trees and flowers and people saying goodmorning to each other, the library, the churches with their high steeples and most of all, Main street. You thought you were sending me just a fruit cake but with it you sent me Tecumseh and I thank you with all my heart.

I must close this letter and return to my work. We all hope this war will soon be over so we can return to our families. Until I see you again I remain,

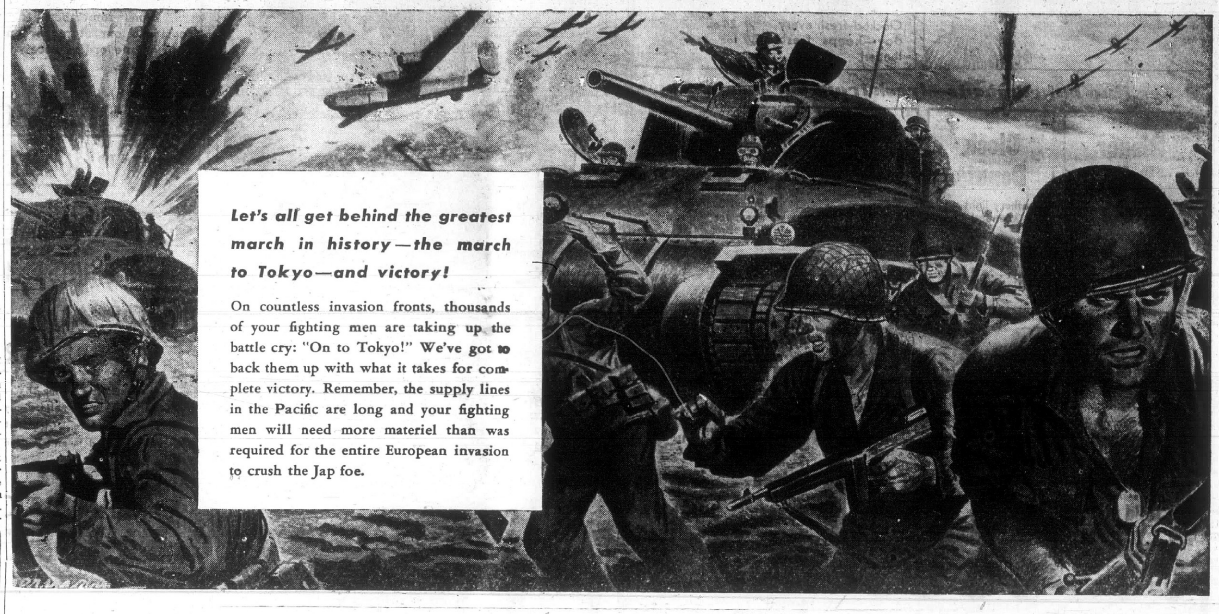
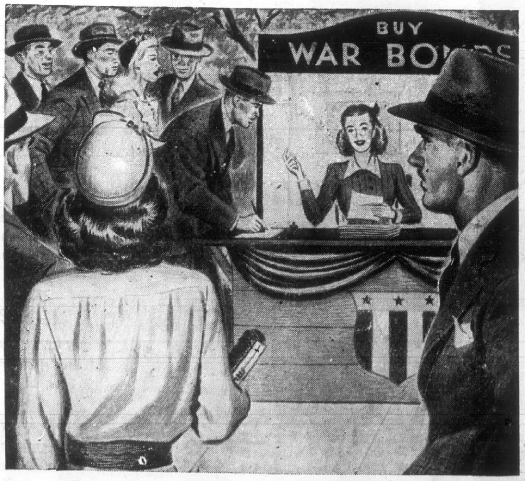
ON TO TOKYO!



Let's all get behind the greatest march in history—the march to Tokyo—and victory!

On countless invasion fronts, thousands of your fighting men are taking up the battle cry: "On to Tokyo!" We've got to back them up with what it takes for complete victory. Remember, the supply lines in the Pacific are long and your fighting men will need more materiel than was required for the entire European invasion to crush the Jap foe.

Let's Echo that cry with BONDS!



Our boys won't quit until they've reached their goal. Let's not stop buying Bonds until we've reached ours! In this 6th War Loan Drive, the Nation's goal is $14 billions... our individual job is to buy at least an extra $100 Bond... another and then another... let's keep on going... let's keep on buying... let's keep on saying it with Bonds... "On to Tokyo!"

60c Out of Each $1.00 Egg Cost Goes For Feed!!!

Feed is the most important and costly item in a poultry flock. And the main thing to keep in mind when buying feed is not "How many pounds of feed can I buy with my poultry dollar," but "How much health, vigor, vitality, and actual egg production can I buy with my poultry dollar?"

Since it is estimated that 60% of the cost of eggs is in the feed itself, why not buy only the very best egg producing mash possible, for instance

THE TECUMSEH HERALD

NINETY-FIFTH YEAR—NUMBER TWELVE | TECUMSEH, MICHIGAN, THURSDAY, DECEMBER 21, 1944 | FIVE CENTS PER COPY

Bond Sale Here Over $425,000

QUOTA EXCEEDED BY MORE THAN $80,000, ACCORDING TO BANK REPORT

Tecumseh has exceeded its Sixth War Loan quota by more than $84,000 according to an announcement today by John R. Thompson, co-chairman of the War Finance Committee. As of last night, Mr. Thompson said, sales in this township amounted to more than $425,000 against a quota of $341,000. "E" bond sales locally also were far over the top, it was said.

The reported $425,000 figure represented the sale of more than $39,000 worth of bonds during the past week, despite the fact that the Sixth loan drive ended, technically, last Saturday. There is a keen upturn in the buying, it was indicated, probably spurred by the stiff opposition that the American fighting men are meeting, both in Europe and the South Pacific. Leaders in the drive pointed out that all purchases made this month would be counted against Tecumseh's quota and some were optimistic enough to think that Tecumseh might possibly hit the half million mark before the first of the year.

"Tecumseh has done an excellent job in buying bonds during the Sixth Loan," was W. L. Berkhof's comment. He is chairman of the War Finance Committee. "We not only have met our quota but we have exceeded it by more than 20 per cent. That is an outstanding record, a record of which the community may be justly proud. In this loan, as in all other loans since the war began, we are far over the top."

Other communities in the area also are over the top in their quota. Macon, with a $4,250 quota subscribed $8,731.25. Britton was over the top with $11,436.25 against a quota of $9,700. Clinton is lagging behind its $101,500 quota with less than $100,000 sold.

County-wide, bond sales are about $300,000 over the quota assigned to Lenawee, which was $3,206,000.

District Governor of Rotary Is Guest Here

Harvey Lowry, district governor of Rotary International was the guest of the Tecumseh Rotary Club at Brees House, Tuesday evening. Governor Lowry was on official visit, the first he had made to the local club since assuming office.

Addressing the club following dinner, Gov. Lowry expressed the hope that Rotary might play an important part in shaping the peace of the world and declared that he believed the organization to be best able to meet the task.

Prior to the dinner he met directors and officers of the club at the offices of Wade L. Jones.

There will be no meeting of Rotary next Tuesday evening, but meetings will be resumed on Tuesday following New Year's.

Over Five Tons of Turkeys Gift To Products Employees

BOXES OF CANDY GO TO UNMARRIED FOLK; SOLDIERS REMEMBERED, TOO

Over five tons of dressed turkeys, ready for the oven, will be distributed to the heads of families who are employees of the Tecumseh Products Company on Saturday of this week, Ray W. Herrick, president, said today. He also announced that several hundred five-pound boxes of candy and candied fruits would go to the firm's unmarried employees at the same time. This is in addition to some 460 "Christmas boxes," mailed several weeks ago to former employees in service.

The Products company has for several years presented its employees who are heads of families with turkey for Christmas. This year, it was said, the turkeys will average about 15 pounds. The boxes to the unmarried folk contain both candied fruits and candy.

The boxes to the employees in service contained many of the useful items, including stationery, pencils, etc., besides nuts and candies. "They were an excellent gift," one person who had charge of the mailing, declared.

Boys Are Fined For Tire Theft

FOUR LADS, ALL 17, DRAW FINES OF $25 AND COSTS AND PROBATION

Four youths, all 17 years of age and from this vicinity, were fined $25 and costs of $6 each in Justice F. C. Hanna's court on Monday when they entered pleas of guilty to a charge of larceny from an automobile. They also were placed on probation to Chief of Police William Hanna.

The boys gave their names as Carl Dean Brighton, Tipton, Manuel Waldon, Clinton, R. D., Robert Snyder, Tecumseh, R. D., and Geo. Armstrong, Tecumseh, formerly of Canada. All paid their fines except Waldon, Justice Hanna said, and he was making arrangements to raise the money.

The boys were charged with stealing a tire and wheel from a car owned by Donald Rotheaux of Iron River, and parked in the lot at the rear of the Chieftain Hotel. The arrests were made by state police.

Chief of Police Hanna said that three of the boys, Brighton, Waldon and Snyder, had been on probation previously in connection with the destruction of some mail boxes a year ago last Hallowe'en.

Tire Chains Stolen

Chief Hanna also said that his office was investigating the theft of a set of tire chains, stolen from the car of Dr. M. R. Blanden on Saturday. The theft occurred, he said, while the car was parked on North Pearl street, opposite the Ford Garage.

Tire chains are very scarce this year and that was the reason given by police for the theft.

Wit and Wisdom Club Has Holiday Program

Mrs. H. E. Whelan and Mr. and Mrs. Alvin Brazee entertained the Wit and Wisdom club Monday evening at a chicken dinner and Christmas program in the Whelan home on West Chicago Blvd. Mrs. W. L. Tecumseh Churches Plan To Celebrate Christmas

TWO SERVICES ARE ANNOUNCED FOR CHRISTMAS EVE; OTHERS ON SUNDAY

Christmas will be observed in the various churches with appropriate services Sunday morning, Christmas Eve and Christmas Day, and with programs by the Sunday schools during the week end.

By the soft light of hundreds of candles, amidst the beauty and pleasant aroma of spruce trees and boughs the traditional Christmas Eve celebration of the Holy Communion will be held Sunday night in St. Peter's church. The congregation will join the choir in singing a program of Christmas hymns and carols beginning at 11:15 p.m. and continuing until the service hour at 11:30. The choir under the direction of Mr. Fred Dickinson and Mrs. H. B. Lewis at the organ is preparing a program of special Christmas music. Choristers of Christ Church, Adrian, will augment St. Peter's choir for this service.

Christmas is one of three holy seasons of the year when Episcopalians are specially urged to make their communions. For this reason there will be a celebration of the Holy Communion at 10:30 a.m. Christmas Day for those unable to attend the Christmas Eve service. After the Christmas Day service the Rector, the Rev. John R. Scarlett, will carry the Sacrament to communicants of the church who are shut in by age or illness.

The young people of St. Peter's church will gather at the parish house at eight o'clock Christmas Eve to collect their hymnals, lanterns and evergreen garlands before going forth to sing Christmas carols throughout the village. Lois Clark, Mary and Arvilla Covell, Lee Clark and Robert Randall are in charge of arrangements.

Nearly 150 children, young people and adults gathered in the parish house of St. Peter's for a chicken supper last Monday evening. Following supper the nursery and primary children sang three Christmas songs, and the junior class sang an arrangement of the "Nunc Dimittis." Mrs. Ruth Richardson played the piano for the little people, and Jack Tonneberger accompanied the juniors on the organ. While everyone was singing "Jingle Bells," in came Santa Claus to interrupt proceedings and take over the party. He had gifts for each of the younger children. The showing of an animated sound cartoon and the feature "Child of Bethlehem" completed a very full and enjoyable evening.

Following is the musical program as it will be used in the pageant, "The Shepherd Lad's Gift," to be presented in the Methodist church on Sunday, December 24, at 7 o'clock under the direction of Mrs. George Parsons:

Scene I—The Fields near Bethlehem.

"While Shepherds Watched Their Flocks," choir; "Why Should I Fear," Mary and Joseph duet, Mr. and Mrs. Edward Beal; "Angels from the Realms of Glory," choir, angels and school.

Scene II—Before the Stable at Bethlehem.

"O Little Town of Bethlehem," solo, Ray. Waters; "We Three Kings," choir; "Mary Watched Beside the Manger," Ray Waters and choir; "Away in a Manger," Beginner's and Primary Departments; "Hark, the Herald Angels Sing," choir, angels, and school; "Take My Life and Let It Be," solo, David Green.

Others taking part are David Van Winkle, Wilfred Waldron, Jr., Ronald Goodacre, Mary Jane Smith, Eleanor Bryan, Jack Barnes, Sam Lykken, Millard Snyder, Jerry Durrin, Clyde Smith, Larry Carnes, Barry Falk, Flora Nixon, Donna Nixon, Joyce Partridge, Diane Socks, Judy Van Winkle, Sally Hunt, Gary Cameron, Anna Campion, Jimmy Warren, Marion Warren, Wilma Bumpus, Ardyth Eaton, Ruth Ann Coates, Jimmy Dewey, Bruce Falk, Judith Fairbanks, Joyce Gray, Gary Lykken, Marlene Lykken, Mary Nixon, Betty Packard, Donald Partridge, Ronny Murphy, Gerald Manning, Edna Manning, Keith Spencer, Ronald Rupp, Mary Brown, Dorothy Dewey, Virginia Snyder, Marilyn Van Winkle, Doyle Bumpus, John Cameron, Donna Spencer, Marcia Bowlin, Natalie Bowlin, Ilene Beach, Carole Harper, Stephanie Davis, Beverly Hay, Janet Lykken, Patsy O'Brein and Sally Jo Rentschler.

The dramatic part of this pageant, as well as the music, is very effective, and all characters will appear in Biblical costumes. The staging and lighting effects will be produced by Wilfred Waldron and Edward Beal.

The Methodist church school held its annual Christmas party last evening at the church with a family potluck supper, followed by a program of movies and a

Robert Watkins Killed In Italy

FORMER ROTARY CLUB SPEAKER HERE LOSES LIFE WHILE ON 70th MISSION

Tech. Sgt. Robert J. Watkins, 21, son of Mr. and Mrs. Robert Watkins of Adrian, formerly of Tecumseh, who was reported missing in action in Italy, has now been declared dead by the War Department. A radio gunner on a Flying Fortress, he was killed July 18 in a crash landing in the Adriatic Sea off the coast of Italy, while on his 70th mission.

Sgt. Watkins, who is a nephew of Marvin and Herbert Watkins of Tecumseh, enlisted January 28, 1942. He went to England in June of that year and returned to the States in August 1943 after completing 50 missions as a tail gunner on a Fortress. He was sent to Tampa, Florida for further training and while home on furlough, spoke at a meeting of Tecumseh Rotary Club. He returned overseas and to Italy in March 1944.

His parents, a brother and a sister survive.

Bulldogs Lose To The Indians

TECUMSEH FINDS MORENCI CAGERS DIFFICULT BUT NOT IMPOSSIBLE

By Jim Sisson

The Morenci high school cagers went the way of all opponents of Coach Fred Raizk's Tecumseh high Indians, Tuesday evening, when on the court there, the Redmen defeated them by a score of 30 to 29. It was a hard fought battle, as the score would indicate. Morenci giving Tecumseh the most 'trouble" of any team thus far encountered in the league.

Morenci gave the Raizkmen no time to become acquainted with their court and took an early 8 to 2 lead. By the half the Braves had caught on and managed to move up to an even basis with the Bulldogs, 12-12. In the second half, Tecumseh slipped ahead and as the clock moved toward the final minute Morenci endeavored frantically to catch up. Then, quickly, it seemed, the Bulldogs had overcome the Indians and were leading by one point. However, after a long argument, the official deducted two of Morenci's points because the game should have been over before, for the timekeeper had forgotten to stop the clock.

As the spectators departed, many still did not realize that Tecumseh was victorious.

John Murdoch held high honors with King of Morenci, each collecting nine. The Tecumseh Reserves also turned back the Bulldogs, 37 to 15. Clark and Cheever each gathered eight points for the Indians.

SCHOOL TO PRESENT A CHRISTMAS PROGRAM

A Christmas program will be presented by the students of the Central school building at the high school auditorium at 8 o'clock this evening. Students of the fourth, fifth and sixth grades will give a play, "Why the Chimes Rang," and the high school choir and chorus will sing, as will the seventh grade chorus. Carols will be sung during the play by students of the elementary grades.

A & P EMPLOYES TO GET ADDED COMPENSATION

NEW YORK — Additional compensation totaling approximately $1,250,000 will be distributed to employes of The Great Atlantic and Pacific Tea Company before Christmas, it was announced today by John A. Hartford, president.

BIRTHDAY BANQUET

Henry Smith, Ernest Church and the latter's mother Mrs. George Church were in Jackson Friday evening for the annual Birthday Banquet given for employees of Consumers Power Company at the Otsego Hotel. Mr. Smith was honored as a 40-year employee and Mr. Church as a 30-year man.

BARACA CLASS

The Men's Baraca class of the Baptist church will meet tonight (Thursday) at 8 o'clock at the home of George Schumm, 508 West Chicago Blvd., instead of at Dean Van Valkenburg's as previously planned.

CHRISTMAS—1944

A war-torn world will pause next Monday to celebrate Christmas—the anniversary of Christ's birthday.

How different will be the celebration this year in Tecumseh and Lenawee county, in the State of Michigan than it was four years ago—before war-crazed Hitler had turned his bloodthirsty soldiers upon all Europe, before slant-eyed Japs had launched their attack upon Pearl Harbor.

Yes, this year, war has come to our Nation. There will be millions of vacant chairs at the Christmas tables—some of them never to be filled again by those we have known and loved. Kiddies, some of whom have never seen their daddies, will receive their first Christmas gift, others will hide a tear on that day as they think of a father or a son who is fighting at the battle front.

For all of us it will be a solemn Christmas; our hearts are too heavy with sorrow to permit it to be otherwise.

True, we will observe Christmas this year in the old American fashion—displaying a determination that war shall not cast its shadow upon another such anniversary.

And, while we may be separated by two oceans from many of those who are near and dear to us, we will be with them in spirit. Our prayers will be for their safety and early return, and a just peace for all the peoples of the earth.

It Is Our Prayer

That out of the present conflict—A new life, and a new understanding may come to the people of all the world.

And it is our sincere wish that no shadows, will dim the glow of happiness—in your home as we near the Holy day.

May peace—and contentment be with you, and your loved ones.

WITH THE COMING OF THE

Christmas Season

The season to which we have been looking forward has arrived and with it the happy experiences of renewing old acquaintances and the opportunity of expressing our feeling of friendship to those whom we serve.

It's not a normal season, to be sure. But it remains for those of us at home to maintain the true spirit of Christmas that those who are in distant points may eventually return to the normal American way of life.

We are proud of the heritage of Christmas and as the season approaches, we extend to you, and to those dear to you, wherever they may be, a Merry, Merry American Christmas.

Christmas Tidings

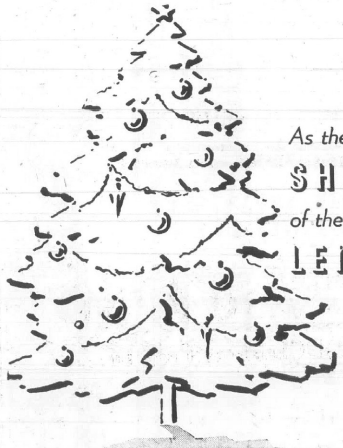
Christmas tidings and the best of good wishes to each of you who have favored us with your friendship and good will in the years past.

We are interested in each of you and we desire to share your disappointments as well as your happiness. If the past year has been one of trying times, we want you to know that you are foremost in our thoughts and we sincerely trust that the Yuletide Season will help you in some measure to find a greater joy than has ever been your experience.

Anderson Bros. Grocery

With full appreciation of the sacrifices you, and millions like you, have made and with thanks for your understanding of the problems which have confronted us in the past months, we sincerely greet you at this happy season of the year. We have the utmost faith in you, in our community, and in our country and we are grateful that Americans have the privilege of observing Christmas. May the blessings of peace give not only peace, but health and happiness and may the blessings be on every home in our nation.

Watkins Shop



As the SHADOWS *of the Year* LENGTHEN

The Christmas season brings to a close another twelve months during which time all of us have had experiences which we will remember for many days to come. Some of these incidents we will treasure in our hearts. Other experiences we may endeavor to forget but it is our sincere wish that from the past year we will receive untold benefits which will strengthen us in preparation for the coming year.

And so as the shadows fall on the close of another year, we desire to express our Christmas greetings to each of you with whom we have come in contact and to wish for you all the better things that life affords.

There are 4 Steps in Building a Good Egg

1. Breeding **3. Sanitation**

2. Management **4. Feeding**

You cannot at the present time change the breeding of your layers. But no doubt you can make some improvements in your management, sanitation and feeding program. These changes might cost you a little more time, perhaps a little more money. But in the long run your profit comes from a proper application of the above 4 factors.

HERE'S HOW YOUR BILL WILL BE CUT 75%

In accordance with an order of the Michigan Public Service Commission, all bills *rendered* to electric, gas and steam-heating customers of Consumers Power Company during December, 1944, will be reduced 75 per cent.

Thus, money which otherwise would go to the Federal Government in taxes will be refunded to our customers, together with additional money from Company funds.

Your bill will be figured as usual. Then the amount of the reduction will be written in as indicated on the sample bill shown below. The net amount of the reduced bill appears at the right hand side of the bill—only 25 per cent of what you normally would pay.

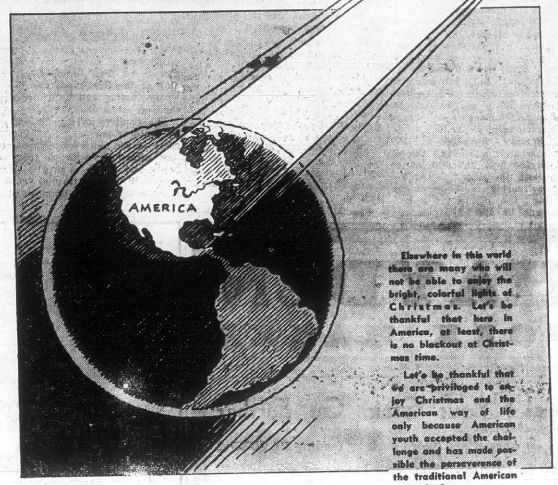
NO BLACKOUTS At Christmastime IN AMERICA



Elsewhere in this world there are many who will not be able to enjoy the bright, colorful lights of Christmas. Let's be thankful that here in America, at least, there is no blackout at Christmas time.

Let's be thankful that we are privileged to enjoy Christmas and the American way of life only because American youth accepted the challenge and has made possible the perseverance of the traditional American Yuletide Season.

It is in full appreciation of the things our fighting youth have done that we express to you our Christmas thoughts when we extend SEASON'S GREETINGS. Please bear in mind that we are also thinking of those men who have served their country so efficiently in the protection and perseverance of this glorious tradition.

Ben's Gulf Service

MERRY CHRISTMAS

For many years it has been our custom to extend season's greetings to those whom we have the privilege of serving. It has been a custom to which we have looked forward with great anticipation as it always gives us an opportunity to tell you of our appreciation for your loyalty and patronage. These Christmas sentiments have been extremely personal with us because of the many contacts which we have had with our friends in the past.

Our greeting this year takes on added importance. We are fully conscious of your problems, your disappointments, of dreams unrealized, and in some instances personal sacrifices. It is with full knowledge of your experiences during the past year that we attempt to convey our thoughts in this message. When we say "Merry Christmas," we want you to realize that the sentiment is deeper than the words imply. We want you to accept this as a personal message especially for you, so that you may understand our desire to share your disappointments as well as your happiness.

It is for that reason we prefer to reflect the true Christmas spirit in order that those with whom we are associated may obtain a degree of happiness and understanding. Let us endeavor to make this a joyous season, employing the traditions of Christmas to their fullest extent with the though in mind that in the not too far distant future, we will again enjoy an old-fashioned American Yuletide. Sincere Christmas wishes to you—our friends.

Make Your Grain Go Further

Cut the cost of producing pork by feeding HAYDEN'S HOG BALANCER along with your own grain. HAYDEN'S HOG BALANCER helps to supply the proteins, minerals, and vitamins that are present in your grain, BUT NOT IN SUFFICIENT AMOUNTS to do a profitable job of producing pork.

When you add HAYDEN'S HOG BALANCER to your grain, you will make your grain go further, and produce more pork for every bushel of feed.

IT'S THE **BIG DAY OF THE YEAR**

It's here! The BIG DAY! That one day of the year to which each of us look with eager anticipation. It is the day when all of us, at least for the moment, can relax and enjoy the fellowship of loved ones and friends.

We enjoy our friends all through the year, it's true, but there's something about Christmas that makes it stand out as the one day of the year when the cares of the morrow are forgotten in the spirit of cheerfulness that is evidenced at Christmastime.

And so, as we gather with our loved ones, our neighbors and friends, let's receive comfort and happiness from the thoughts of courtesies and friendly acts of kindness which we have enjoyed during the past year. And on this BIG DAY of the year, please accept our sincere good wishes for the days of next year.

THE TECUMSEH HERALD

NINETL-FIFTH YEAR—NUMBER THIRTEEN | TECUMSEH, MICHIGAN, THURSDAY, DECEMBER 28, 1944 | FIVE CENTS PER COPY

1945 Licenses On Sale Tuesday

ONLY ONE PLATE TO BE ISSUED; RULES REGARDING APPLICATION ARE THE SAME

The full year 1945 auto license will go on sale January 2, 1945, at the branch office of the Secretary of State in Adrian. The plate will be of steel and only one plate will be issued. It is to be attached to the rear of the vehicle. Full year plates are an aluminum background with black numerals. The old 1944 license plates must be turned in when purchasing 1945 plates until further notice.

There are no changes regarding the purchasing of plates. The necessary procedure is as follows:

1. All passenger car applications must be accompanied by the title only.

2. All commercial and farm applications must be accompanied by the title and weight slip or registration stub from previous year which has the weight listed.

3. All trailer applications must be accompanied by a weight slip or registration stub from previous year with the correct weight listed.

4. If commercial or farm commercial vehicle or trailer has been altered in any way to change its weight, a new weight slip with the correct weight is necessary.

5. If the old registration stub is lost, the vehicle must be reweighed and a new weight slip accompany the application.

6. All farmers wishing farm rate on commercial trucks or on trailers weighing over five hundred pounds must sign their name on the back of the application blank to certify that they are farmers and are entitled to the farm rate. This signature does not have to be notarized.

1945 license plates must be on all vehicles by March 1, 1945. Because of a shortage of help in the office and to avoid last minute confusion, everyone is urged to purchase their license as early as possible.

Half year plates will go on sale at a later date. A statement notifying all car owners will be published in the paper.

West Branch Children Give Holiday Program

The children of the second grade at the West Branch school gave the following program, Friday afternoon, December 22:

A Welcome to You, Shirley Watson; My Christmas Gift, Patricia Clauda; Santa's Problem, Betty Packard; The Kitten's Fight, Raymond Campbell, Harold Robinson, Robert Francouer, Mary Ellen Heistand and James Hoff; A Dog from Santa, Beth McKenzie and her dog Corky; My Gift this Year, Keith Spencer; Happy Bells Judith Tree, James Hoff; Song, Blessed Johnston; Song, Joseph and Mary choir; Old Santa Is A Busy Man, Doyle Bumpus; Trimming the Star, choir; What Can I Give Him? Billy Collins; A Christmas Adventure, Frances LeBaron, Jane Ellen Smith, Frederic Buchheimer and Edna Manning; Christmas Secrets, Marlene Lykken; The Christmas Rabbits Story, told by Charles O'Neill; Playette, Making Plans for a Christmas Dinner, Nancy Wolf, Anita Dickinson and Wanita Cleveland; songs, Good Night and Away in the Manger, choir.

The singers were James Covell, Darlene Deshler, Ruth Ann Coates, Jerry Barton, Roger Busche, Thomas Neitling, Dean Leonard, Thomas Reedy, Beverly Jackson, Bettie Wilson and Doris Ann Phillips.

GOING AWAY PARTY

Mrs. Arthur Sargeant who has been spending some time with her parents Mr. and Mrs. W. H. Wehr, and who plans to leave after the holidays for California, was given a party last Tuesday evening in the home of Mrs. June Green. The assisting hostesses were Mrs. Walter Lang, Mrs. Harold Hall and Mrs. Robert Robison. Contract was the diversion and the prize was presented to the guest of honor who also received the guest prize. Refreshments were served in conclusion.

BARACA CLASS

The Baraca Men's class of the Baptist church met Thursday evening at the home of George Schumm for their regular monthly business meeting and a social evening. Mrs. Schumm assisted by Mrs. B. O. Bashore and Mrs. Leslie Becker served Christmas cakes, coffee and sandwiches.

The next meeting will be held January 18, the place to be announced later.

GETS PURPLE HEART

Mrs. Emmett Brighton has received the Purple Heart awarded to her son Corp. Richard Brighton who is in a hospital in England recovering from wounds received in Germany, October 11.

LET'S all resolve to make this the year of Victory; the year of the final fall of Hitler and the flag of the "Rising Sun." Then, and only then, can we say, "Happy New Year," in the true American style.

TAXPAYERS MAY GET INCOME TAX AID HERE

A deputy collector of internal revenue will be at the lobby of the Hotel Chief, Wednesday, January 3, 1945, from 8 o'clock in the morning until 4:30 in the afternoon to give any assistance needed by taxpayers in preparing their income tax returns. No charge will be made for the service.

Any person whose total income in 1944 was $500 or more must file a tax return, it was said, not later than March 15. Most taxpayers already have made substantial payments on the 1944 tax through withholding from their wages or direct payments, but, nevertheless, all taxpayers must file the annual return.

Sgt. Raymond B. Auten Weds Rosemary Chapman

Mr. and Mrs. Carl H. Auten of Britton announce the marriage of their son, Sgt. Raymond B. Auten to Miss Rosemary Chapman of South Bend, Ind., daughter of Mrs. Catherine Chapman of Cassopolis, Michigan.

The ceremony was performed December 21 at the St. Paul's Memorial Methodist church in South Bend and the double ring ceremony was read by the Rev. Robert M. Selles.

Preceding the ceremony Mrs. Robert Selles and daughter sang, "O Promise Me." To the strains of the wedding march from Lohengrin, the bridal party took its place before an altar of candlebra. The bride was given in marriage by her mother.

Miss Betty Jo Boone was maid of honor and the groom was attended by Wyman Ferman of South Bend, formerly of Britton.

Immediately after the ceremony a three sourse dinner was held at the Indiana Cafe.

The bride is a graduate of Cassapolis high school and South Bend College of Commerce and is employed as stenographer at the South Bend Lathe Works. She is a member of the Tau Phi Lamba sorority of South Bend.

Sgt. Auten is a graduate of Britton high school. He was employed with the Quaker Oats Company of Tecumseh before entering the service. He has served three and one-half years with the U.S. Army, two years being spent overseas. He is now stationed as an instructor at Camp Blanding, Fla.

Sgt. and Mrs. Auten are spending a week at the home of his parents, and then Mrs. Auten will return to her present position in South Bend and Sgt. Auten will return to Camp Blanding.

AID SOCIETY MEETS

Mrs. J. W. Spafford and Mrs. M. G. Partridge were hostesses to the Presbyterian Ladies Aid Society Wednesday at the home of Mrs. Spafford on East Shawnee street. Devotions were in charge of Mrs. Wilbur Boyce and the Christmas program was announced by Mrs. Howard Truesdale and included a reading by Mrs. Hoyt Whelan, piano solo by Mrs. Spafford, and assembly singing of carols. Refreshments were served in conclusion.

GRANGE MEETS TONIGHT

Tecumseh Grange will meet tonight (Thursday) for a potluck supper at 7 o'clock followed by a Christmas party with Santa Claus to distribute gifts to everyone.

Holiday Storm Slows Traffic

SIX INCHES OF SNOW FELL HERE, SUNDAY, MONDAY; 10 BELOW ZERO

The second heavy snowfall of the season, Sunday and Monday, and a 10 below zero temperature recorded here Tuesday morning, gave Lenawee county one of its whitest Christmases in many years and slowed holiday traffic to a walk. On Sunday and Christmas, six inches of snow fell but unlike the storm on December 10 and 11, it was not accompanied by high winds.

Motorists said that traffic was difficult and dangerous and a number of minor accidents were reported but no one was seriously hurt. Many garagemen who planned to spend the Christmas day quietly in their homes were besieged with phone calls for help from stalled drivers and as one local operator put it, "I worked from 4 o'clock Christmas morning until long past our dinner time, towing cars."

Sunday and Christmas day the temperature remained in the 20's but it began to fall about 10 o'clock Monday night and Tuesday morning the lowest reading of the winter was taken, 10 below zero, at 9 a. m. Tuesday night's temperature was below the zero mark but it raised considerably on Wednesday.

OSCAR BRYAN NOW A FIRST SERGEANT

AN AIR SERVICE COMMAND DEPOT IN INDIA—Oscar D. Bryan was recently promoted to first sergeant at a large depot of the Air Service Command in India. Sgt. Bryan is the son of Mr. and Mrs. Wallace Bryan, Route 1.

Indians Meet Adrian Jan. 5

TOP-FLIGHT GAME OF THE SEASON COMES JAN. 12 AGAINST CLINTON

By Jim Sisson

Having been undefeated so far this season, the Tecumseh high school cage team is preparing for its winter campaign. Adrian high, a class A team, will be the Indians' first opponent after vacation on January 5. The only team that has played both the Indians and Maples is the Morenci five. The Maples downed Morenci 33-25, while the Warriors settled for a 30-29 decision. These figures give Adrian a seven point edge, but Tecumseh encountered Morenci on a foreign court while Adrian battled at home. But this contest will not affect the standings of Tecumseh in the Lenawee League for Adrian has not been admitted into the league because of its higher class.

Following the Adrian game, Clinton will travel to the Indians' court for one of the annual crucial battles on January 12. The Clinton five is the only other cage team in the league still undefeated in league play. So both teams, being ancient rivals, too, will clash with all available strength in both games.

Taking the two teams separately, the Clinton quintet relies mainly upon a little more offense than defense, judging by the greatness of both their and their opponents' scores. The Indians are noted best for their well balanced defenses which have kept down their opponents' points. Although this defense was partially broken by the wide floor at Morenci, it clicks almost perfectly on a narrow court, such as Tecumseh's and Clinton's. But the Braves' offense does not register quite as many points as Clinton's. The facts that Clinton has the tallest team in the league and Tecumseh probably the smallest but fastest five will undoubtably have some bearing on the future contests.

In figuring the statistic margins of both teams, one must take Manchester, Addison, and Hudson as the common denominators. The Manchester cagers were defeated by Tecumseh 18-12 and Clinton downed the Dutchmen 59-53. A six point margin apiece does not give either the edge here. However, Tecumseh pushed out Addison 48-34, while the Clinton Redskins dropped the Millers 44-31. These statistics award Tecumseh a one point margin. The Hudson contests also donated the Indians a one point edge as the Braves trounced the Tigers 43-14 and Clinton drubbed them 53-25.

Of course, this type of calculating is many times far from the actual scores, but all in all, the Tecumseh-Clinton clash guarantees the highlight of the L.C.A.A.'s winter contests.

DIES IN CHICAGO

Mrs. Kenneth Will was called to Chicago Friday by the death of her father Rev. Thos. A. Stubbins, who was 74 years of age.

He leaves the widow, two daughters Mrs. Will and Miss Irene Stubbins of Rice Lake, Wis., a son Thomas of Chicago; a granddaughter Sandra Kay Stubbins of Chicago; two grandsons Sgt. Kenneth Will in the South Pacific and Thomas Sherman Will of Tecumseh. Rev. Will had spent some time with his daughter here a few years ago.

Funeral services were held in Chicago Saturday.

XMAS PARTY

Members of the Knights of Pythias and Pythian Sisters and their families were entertained by the B.P.C.P.S. at a Christmas party in their hall last Wednesday evening. Games and music were enjoyed and included community singing and several numbers by the K. of P. quartet. Santa Claus arrived and distributed gifts to the children and after an exchange of gifts among the members, the boxes were auctioned off, with Duncan Oliphant as auctioneer. A total of $15.50 was cleared from the sale of boxes.

WOUNDED IN ACTION

Word has been received here that Pvt. Dale Parlette was wounded in action on Leyte, November 29. Pvt. Parlette who is 22 years of age went overseas in March. His wife, the former Joan Poucher, daughter of Mr. and Mrs. Bernard Poucher of Tecumseh, resides in Adrian.

Fire which started from a smoldering cigarette did $200 damage Tuesday evening to the interior of a studio apartment on West Shawnee street owned by R. J. McCoy and occupied by P. Ryan. No one was at home when the alarm was turned in about 9 o'clock. Most of the Ryan belongings were destroyed.

Greetings to You, The Sons and Daughters of Tecumseh in Service

Though you may be in India, the Philippines, the Mariannas, Australia, France, Africa, Italy, Iceland or England, wherever you are your American Legion and its Auxiliary wish you a New Year blessed with God's care, and a hope that next year we may hear you shouting, "Happy New Year," and answer with a "Same to You!" once more. We miss you.

Henry A. Strand, 52, Is Buried, Tuesday

Henry A. Strand, aged 52 years, died suddenly Thursday at 11 a. m. following a heart attack in his home on South Maumee street. Mr. Strand who was employed at the Ford Mill as a machinist, had worked the night before and seemed to be in his usual health. He was born June 3, 1892 in Trondhjem, Norway and came to Tecumseh 19 years ago. He is a veteran of World War I and a member of Underwood-Orr Post, American Legion, also of Tecumseh chapter, F. & A. M.

Survivors are the widow Rose, two sons Henry Jr., and Edwin of Tecumseh, two daughters Mrs. Rose Marie DeJonghe of Calumet and Nerissa of Tecumseh; three stepchildren, Mrs. Eva Ensign of Norwalk, O., Mrs. Agnes Moody of Addison and Wm. H. Cook of Jackson and seven grandchildren. He also leaves a sister, a niece and a nephew in Norway.

Funeral services were held Tuesday afternoon at Collins Funeral Home. Rev. A. C. Brazee officiated and members of the Legion conducted services at the grave in Brookside cemetery.

Bearers were Henry A. Strand, Jr., John Moody, William A. Matteson, Albert R. DeJonghe, William H. Cook and Kenneth Ensign. Relatives and friends attended from Jackson, Calumet, Addison, Britton, Milan, Adrian, Tipton and Norwalk, O.

Capt. Jas. Beardsley Gets Instructors Post

GALVESTON ARMY AIR FIELD, GALVESTON, TEXAS — Captain James C. Beardsley, of Tecumseh, Michigan, serves the Galveston Army Air Field as chief instructor of celestial navigation subjects for the Instructors Indoctrination Unit.

A veteran of fourteen months in the Aleutian Islands, navigating heavy bombardment units over a span of 91 missions, he was awarded the Distinguished Flying Cross and the Air Medal. Returning to the United States in September of 1943, he was assigned to Ardmore Army Air Field, Ardmore, Oklahoma, before assuming his duties in Galveston in May of this year.

While flying in the Aleutians, where he survived four crash landings in sub zero weather, Captain Beardsley spent two days with his crew on an uninhabited island existing on emergency rations. Rescued by a Navy PBY, which crashed when it attempted to take off from the scene, both crews were finally picked up by an American destroyer.

An attorney in civilian life, and one of the many excellent combat crewmen comprising, American's aerial might, Captain Beardsley resides with his wife, Mrs. Virginia M. Beardsley, and two months old daughter Virginia, at 4091 Avenue S.

NOW A CORPORAL

Byron H. Goodman, a former employee of Tecumseh Products Co., now a member of a famous engineering outfit along the Ledo Road, has been promoted to the rank of Corporal. He has been in the India-Burma theatre of Operations for 11 months and is authorized to wear the Asiatic-Pacific campaign ribbon with one bronze star, also the Good Conduct Medal.

GREETINGS FROM BURMA

The Herald has received a letter from Pvt. Chester Ray Marsh, who is in Burma, telling of receiving the Herald nearly two years, not always on time but as soon as can be expected and always welcome. Says he has learned more about his home town than he ever knew before. He sends greetings to his friends and to his mother Mrs. Nina Marsh of East Brown street.

PAST CHIEFS CLUB

The Pythian Past Chief's Club will meet Friday evening at the Brees House for their annual Christmas party, with dinner at 7 o'clock followed by the regular meeting and Christmas tree. Mrs. Dora Aten and Mrs. Opal Brady are hostesses.

Endeavor Meet Here Tuesday

YOUTH OF COUNTY TO HOLD ALL-DAY SESSION AT THE FRIENDS CHURCH

The Lenawee County Christian Endeavor meeting will be held in the Tecumseh Friends church, Tuesday, January 2, at 7:45 p. m. There will be two main features. First, colored motion pictures of Christian youth in action at Muskegon where the Michigan State CE convention was held; the birthplace of Christian Endeavor and the World Union headquarters building. Secondly, Ernest S. Marks, general secretary of the Michigan Christian Endeavor Union and field secretary of the International Society of Christian Endeavor will give a brief devotional message related to the problems

Ernest S. Marks

and work of the youth today.

The new program "Christian Endeavor Calls a Million Youth to Enlist for Christ" will be the major emphasis in this meeting, the slogan being, "Our country is calling for youth to enlist in the armed forces to help meet the need on foreign fronts. Likewise, Christ calls youth to enlist in His army to fight the evil principles that cause war."

Christian Endeavor is an interdenominational organization for this purpose and all young people in Tecumseh and vicinity are invited to attend the meetig. Mary Jane Hayden is president of the County Union.

GETS BRONZE STAR

WITH THE 3rd ARMORED DIVISION IN GERMANY—Corporal Richard P. Brighton of Route 1, Tecumseh, Michigan, was recently awarded the Bronze Star Medal for heroic achievement in action against the enemy in Germany.

During a heavy enemy shelling, when Cpl. Brighton heard a call for the medics, he left the comparative safety of his foxhole and ran to two wounded soldiers. After carrying one to safety, he returned and was administering first aid to the other when an artillery shell landed a few yards away wounding Cpl. Brighton. Such heroism reflects great credit upon the character of the soldier and the military service.

HOME FROM EUROPE

S/Sgt. Leo Olmstead has returned to the States after completing 50 missions over Italy and Germany. Sgt. Olmstead visited Mrs. Margaret Kidman, with whom he made his home while employed at Tecumseh Products Company before entering service. He has been assigned to Miami, Florida, awaiting further orders.

AT GRADUATION

P. C. Satterthwaite was at Ft. Des Moines, Iowa, last week for the graduation Tuesday of his daughter Pvt. Camilla Satterthwaite, who completed her basic training at the WAC training school. She has been transferred to clerk's school to continue her training.

Food Rationing Is Tightened

SOME SUGAR STAMPS CANCELLED, BUTTER POINTS JUMP, NEW ORDER SAYS

The Office of Price Administration at Washington has announced the tightening and broadening of food rationing throughout the United States, effective immediately.

High lights of the new program are as follows:

Butter is raised from 20 to 24 points a pound.

All red and blue stamps which became good before December 1 are cancelled.

Canned peas, corn, green and wax beans, asparagus and spinach require points.

All sugar stamps and home canning certificates except sugar stamp No. 34 are cancelled.

About 85 per cent of all meats will require ration points beginning Sunday.

The value of red tokens in the hands of consumers is not affected by the revision.

The OPA said in announcing the point revision that there is ample food in the nation for everybody but that it, was deemed advisable to increase point values because of declining meat supplies and low stocks of butter and canned fruits and vegetables.

Points now valid for spending are as follows:

Red Stamps—Effective 12:01 a. m. last Tuesday, only book four red stamps Q5, R5 and S5 are valid. Five more red stamps will be validated Dec. 31.

Processed Foods—Effective 12:01 a. m. last Tuesday only book four stamps X5, Y5, Z5, A2 and B2 are valid. Five more blue stamps will be validated Jan. 1.

Sugar—Effective 12:01 a. m. today, only sugar stamp 34 is valid. Another will be validated Feb. 1.

Gasoline—A-14 coupons good for four gallons each through March 21. B-4 and B-5 and C-4 and C-5 coupons good for five gallons.

Fuel Oil—Period 4 and 5 and new period 1 and 2 coupons valid.

Shoes—Airplane stamps 1, 2 and 3 in book 3 valid indefinitely.

Pfc. Bertha M. Kring Back to Duty at Ft. Dix

Pfc. Bertha M. Kring recently returned to Ft. Dix, N. J., after a short furlough with her parents, Mr. and Mrs. S. N. Kring. Pfc. Kring, a former employee of Tecumseh Products Co., is one of more than 80,000 American women serving as a member of the Women's Army Corps. She joined the Army September 27, 1943, and after completing her basic training at Ft. Des Moines, Iowa, attended administration school for a course in military correspondence, filing and office routine, at Eastern State Kentucky Teacher's College. In January 1944 she went to Ft. Dix as a replacement and began work in the processing section of the Reception Center, taking the place of one of the many men shipped overseas. She worked as chief clerk for about six months in the Records office, forwarding records of men joining the army.

Pfc. Kring, who had some experience as a nurse's aide, wanted to get in the Medical Section, preferably as an ambulance driver, so after qualifying for a GI license, was transferred to the Medics, where she has been ever since and is one of their most valuable WACs. She assists officers during WAC sick call and drives an ambulance between times. The medics give shots, do blood typing and office work. "Cy" is sort of chief cook and bottle washer and they say they couldn't get along without her.

REJOINS COMPANY

Pvt. Robert W. Harriott, formerly of Tecumseh and Britton, son of Mrs. Willard Harriott, who was reported missing in action in Italy since October 27, has rejoined his company, according to word received by his mother. Pvt. Harriott had become seperated from his outfit and joined another company until he found his own unit. A brother Pvt. Lynn Harriott is also serving in Italy.

MISSING IN ACTION

Sgt. Floyd R. Crosby, son of Mr. and Mrs. Ray Mangus of Manitou Beach, formerly of Tecumseh, is reported missing in action in Holland since October 29. Sgt. Crosby who is 24 years old attended school in Tecumseh. He enlisted in March 1941 and has been overseas since August.

WOUNDED AT LEYTE

Mrs. Doris Pawson was notified Saturday by the War Department that her husband Pfc. Willard L. Pawson was wounded in action at Leyte on November 19.

RESOLUTION FOR 1945

As we begin the year 1945, it is in order for all of us to make one resolution and to mean what they resolve.

With out nation another year along the road of war, with all of us more conscious than ever before of the sacrifices we have made and of the sacrifices that lie ahead; more determined than ever that men everywhere shall live, love, laugh and learn in peace, it is high time to appreciate the stern duty before us.

Practically every American hates war. No Nazi or Jap missionaries are needed to teach us the blessings of peace. For many months, as war engulfed Europe, we hoped and prayed to avoid the shambles of battle, finding it hard to believe, that other governments and other peoples intended to wage war against us.

The illusion toppled at Pearl Harbor and was buried when Germany and Italy declared war upon us. Our own Congressional declarations were merely the legislative acknowledgment that we had been attacked.

We would like to write a New Year's editorial advising all persons, old and young, to devote 1945 to their own development and culture and to their physical, mental and spiritual wellbeing.

Unfortunately, we must advise them to prepare to fight for their lives and civilization, to courageously uphold their faith in man and God and to make any sacrifice and endure any hardship that becomes necessary to preserve the freedoms, liberties and honors of mankind.

So here is our resolution for civilians at home and our fighting men everywhere:

"To so wage war as to win peace forever for all peoples of good-will and to organize just men to forever protect the world from aggressors, who seek to rob, slay and enslave their fellow-men."

GREETINGS

"One Nation indivisible with liberty and justice for all." It seems important to us that this pledge of allegiance to our flag is singularly appropriate at New Year's time. The observance of this pledge can only lead to a world of happiness with the brotherhood of man as a predominating factor.

The combination of these thoughts will mean a genuine happy New Year.

Enjoy A Happy New Year By Planning a New Home

One of the best New Year's resolutions that we know of is a firm determination to build a home of your own as soon as Victory will permit.

We're planning to aid in the building of 400 to 500 new homes in Tecumseh as soon as restrictions are removed from the industry. Tecumseh is going to need that many houses, we believe.

Plan NOW to include your new home in that number. Save your funds, buy War Bonds, be prepared when Peace come to break ground for your own home.

And, as the New Year dawns, our wish for all of our friends and customers is a prosperous 1945, with Victory and Peace for the United States.

COULD YOU PAY $10,000
AS A RESULT OF AN AUTO CRASH?

Suppose your car becomes involved in an automobile accident in which one or more persons are injured or killed?

Could you conveniently pay $5,000 or $10,000 —lay the cash on the line?

That's what the new Michigan Responsibility Law says you must do, and,

If you don't do it, you lose your right to drive until the claim is paid and until such time as you satisfy the state that you are responsible, should other accidents occur.

Why take a chance? See us for insurance that will give you complete protection.

Don't Throw This Away . .

We know that you are busy at this season of the year and we also know that many Holiday Sentiments find their way to the waste basket before they are even opened.

But before discarding ours, we want you to know that it is presented in all sincerity and with genuine appreciation for all the kindnesses you have shown toward us in the past. We are grateful for the good things that have come our way, many of them undeserved, perhaps.

Believe us when we say this greeting comes from the depth of our hearts. We do wish you and yours a Happy and Prosperous New Year.

A FRIENDLY WORD

The value of a friendly word at New Year's or at any other time carries a significance unsurpassed. It adds to the feeling of satisfaction that comes from the knowledge of having friends during times such as those we have experienced during the past months. A friendly word is something that is indelibly impressed in the minds of people who have endured sacrifices and difficult times.

It is with full knowledge of the real meaning of a friendly word that we express our Greetings to you. When we say, Happy New Year, we want you to accept it as a word of cheer and goodwill. May all the blessings of a glorious New Year be the good fortune of our many friends.

There's Work To Be Done!

A soldier's job is fighting—he's doing his job magnificently. But there's a job to done on the home front, too!

As the New Year dawns, let's make a resolution to work harder, to do our job a little better, determined that Peace and Victory shall be ours before the year 1946 rolls 'round.

And as we say thank you to our friends and customers who have been so loyal to us during the year just closed, we'd also like to express the wish that our sons may soon be home and that the New Year may bring happiness to all of us.

W. D. Hite Store

Our New Year's Thoughts Concern Our Fighting Men

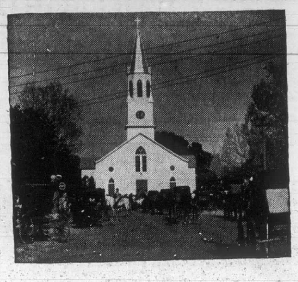
Our thoughts on this New Year's Day will concern principally our men on the fighting front . . . those gallant lads who are giving their all that our way of life may endure.

To the men and women in military service we express our sincere gratitude and pray that the struggle for Victory may soon end.

For all of us on the homefront we pray for Divine guidance and leadership . . . for wisdom to do our tasks better . . . to be able to work a little harder in the cause of Freedom.

To you who have been our customers we express our appreciation. There have been many times that we have been unable to serve you because of war-time stortages. Please be tolerant . . . ours is a war job, too.

ALLISON'S
R. W. PUFFER, Mgr.



Let Our Prayers Be For Peace

Let's make this New Year's Resolution together! . . . . to do everything we possibly can to help our gallant fighting men to final Victory in 1945!

With the staunch determination every American has in his heart these days, that resolution will certainly be kept.

Just keep in mind all the important things you can do to be of service . . . . in home defense . . . . in contributing blood . . . . in salvage work . . . . in buying bonds, as many as you can.

Then our New Year's wishes will come true sooner . . . . let our prayers on this Holiday be for Peace.

Wishing You

A MULTITUDE OF BLESSINGS

May peace be with you at this great season of the year. We are mindful of the friendships and associations that have been ours during the past year and the splendid volume of business resulting from it. You have been most generous and you have been extremely considerate in our efforts to supply your needs, and we are truly grateful.

It is with these thoughts in mind that we wish you a multitude of good things

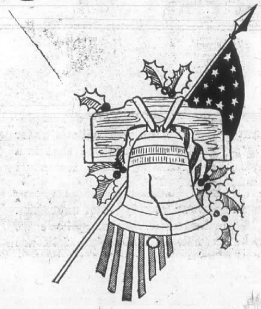
Old Glory



Old Glory waves over American Homes this Holiday Season. The Stars and Stripes are symbolic of the true meaning of a New Year. It represents a freedom of doing the things we want to do—of being happy with loved ones and friends.

Although the New Year is celebrated throughout the world there is no place where people are privileged to enjoy this occasion as happily as those within the boundaries of this Nation.

This is our heritage—to participate in the freedom made possible by our courageous forefathers who founded this nation on the basis of Liberty and Justice. It is our moral obligation to carry on the traditions of New Year as a definite part of the American way of Life.

This is what we mean when we extend to you the season's greetings and say, "Happy New Year."

AS WE ENTER THE YEAR 1945—which, by the way is just the 110th year of this institution in Tecumseh — we pledge anew our best efforts to make it the most useful year in our history.

We do thank every one of our customers who have patronized our firm in 1944, and assure each one that in the coming year we truly expect to merit, more than ever, their continued patronage.

We Have Shelved Our Post-war Planning . . . . .

There's Still a War to be Won!

We had a card the other day from one of our lads who is fighting in the South Pacific. We say one of our lads because he is one of some 460 of our employees who are "on leave of absence," fighting for freedom.

This card that we've spoken about was a run-of-mine greeting card. It looked like dozens of other cards that we have received at this holiday season. It wasn't the card that impressed us, so much, it was the message that was penned beside the signature. It read something like his:

"How's things at home? How's the old shop? I get the 'TP Broadcast' (our shop newspaper) regularly, and I'm happy to see that you are all in there pitching. Don't forget to keep up the fight. We're doing all right on our front. Don't let us down."

In this New Year's message we'd like to reply to GI Joe whose name we're not going to mention.

We're sincerely grateful to you, Joe, for your card. We're glad to know that a fellow who's sweating it out in a fox-hole south of the Equator still thinks of us. We're happy to know that you still can say, "Merry Christmas," to us folk back home.

If it were not for you, Joe, and millions of others like you, there wouldn't be any need for greeting cards like yours in America this year. Thanks to you, ours is the only land under the sun where such cards can have the meaning you wished to convey.

Joe, it isn't a merry holiday season in America this year. There's too much sadness. Too many hearts have been broken. But we're still keeping our chins up and maintaining the American tradition. We're doing this, Joe, because we know that one of these days you'll be coming home. We're preserving tradition on the home front; you're preserving tradition on the battle front.

And now, Joe, we'd like to reply to your inquiry regarding the shop. Fellow, we're proud of our folk on the homefront, too. We want you to know that the old shop is running every day, turning out implements that you need; implements that will make the war a little safer for you. We're endeavoring to put into your hands something that is a little better, a little finer, a little harder-hitting than the stuff that's being hurled at you by Nazi and Nips.

That's our job right now, to keep your supply line unbroken. We're proud to tell you that never in the history of our shop have we let you down for a single day. The teamwork that our shop folk are displaying is excellent. That's why the Navy has honored us with a four-star service flag—an award of Excellency.

And now, Joe, we'd like to tell you something about those days when you'll be home.

Sir, there'll be a job waiting for you in the old shop when you come back. We've made that pledge to every one of our employees in the service.

Our post-war planning is long past the blueprint stage. After Victory orders on our books are just waiting for you to come home to help turn them into production. The old town is going to grow, too, when Victory has been won, and we're expecting you to build a home of your own and raise a family, just as your Dad did.

That, Joe, is our answer to your questions. We look to the New Year with confidence. We hope that your task will soon be done, that Victory and Peace may again reign upon the Earth before another Holiday Season rolls around.

Until you are back with us, then, our message is one of faith and understanding. May God watch over you and protect you. May He give us courage and wisdom to perform our tasks so well that you will be as proud of us as we are of you, when our jobs are done.

OBITUARY

MARGARET BREES

Margaret Brees, daughter of Didymus and Violette Wilby was born in Fulton county October 7, 1873 and passed away December 20, 1944 at the Ypsilanti State Hospital where she had been a patient for the past two years. She received her education in the Fulton County schools.

On October 10, 1888 she was united in marriage to Edgar M. Brees who preceded her in death April 10, 1915. To this union was born two sons, Hubert J. Brooklyn, Mich., and Burlin E. of Tecumseh, who survive, also two grandchildren, Donald Edgar Brees of Brooklyn and Edna A. Ramsay of Tecumseh, and one great grandson, Richard E. Ramsay of Tecumseh. She leaves an aunt Mrs. Myrtle Meck of Swanton, Ohio, and an uncle Bird Viers of Wauseon, Ohio. She was a member of the Christian Spiritualist Church of Adrian and the Royal Neighbors and Pythian Sisters of Tecumseh.

Funeral services were held Friday afternoon, December 22, in the Collins Funeral Home with the Rev. Edward Escolme officiating. Burial was in Brookside cemetery. The bearers were George Brees, Fred Brees, Max Brees, Ernest Bowers, Clair Ramsay and Irvin Willey. Relatives and friends from Detroit, Jackson, Toledo, Swanton, Wauseon, Addison, Morenci, Fairfield, Macon, Brooklyn, Palmyra and vicinity attended the services.

CARD OF THANKS

We wish to express our sincere thanks to everyone who so kindly assisted in anyway during the sickness and death of our mother Margaret Brees, especially the Eagle Aerie 1563, the Ladies Activity Club, the Royal Neighbors, the Pythian Sisters, to Ellsworth Collins and also the Rev. NINETY-FIFTH YEAR—NUMBER FOURTEEN | TECUMSEH, MICHIGAN, THURSDAY, JANUARY 4, 1945 | FIVE CENTS PER COPY

Sub-Zero Cold Ushers in 1945

ROADS MADE HAZARDOUS BY SNOW, ICE; TRAFFIC PILE-UP ON M-52, SATURDAY

The same cold wave that carried out the old year of 1944 ushered in the New Year on Sunday at midnight, and temperatures as low as 12 and 14 below zero were recorded here on Monday night and early Tuesday morning. Saturday's heavy winds and fine mist, accompanied by fog, made driving extremely dangerous and Saturday night on M-52, between Tecumseh and Underwood's Hill, no less than 100 cars and trucks were involved in minor accidents.

The most serious tie-up was on Underwood's Hill at about 8 p. m., Saturday evening, when a Railway Express Company's truck, driven by Harry Rockwell of Adrian, skidded on the icy pavement and struck the bridge over Beaver Creek. The truck halted midway of the bridge, spun cross-wise and blocked the roadway completely.

Mr. Rockwell suffered an injured arm in the accident but he did his best to halt traffic on the icy hill but to no vaail. Within 30 minutes some 50 cars, Adrian bound, had skidded and crashed into one another or finally halted in snow-filled ditches. One motorist, Charles Cassell of Rt. 3, Adrian, who was following close behind the truck, crashed into it, head-on. The impact straightened the truck so that it could later be pushed off the bridge. Sheriff's deputies reported the tie-up as a "near panic" with motorists unable to control their cars because of the ice. In all, officers said, about 100 cars were involved. Even wreckers, called to the scene, were stranded because of the snow and slippery pavement.

On Waldron's Hill, just west of Tecumseh, a large freight truck was overturned the same evening. It was necessary to unload the cargo on Sunday before the vehicle could be moved. At least half a dozen cars were in the ditch between Tecumseh and Billington's Corners.

Perhaps a large number of the accidents could have been avoided if the trunk line pavement had been properly sanded by the state or county highway departments. There was no sand on the M-52 pavement Saturday night, although the storm started early Saturday afternoon, and there still was no sand on the road between Tecumseh and Adrian at noon, Sunday. At the sheriff's office, it was said that requests for sanding had been made by officers Saturday night. The highway department was warned of the icy condition of the roads by sheriff's deputies.

MRS. ANNA HOWE DIES IN DETROIT

Word has been received here of the death of Mrs. Anna Howe of 16125 Westbrook Ave., Detroit, which occurred Friday in Mt. Carmel hospital in that city where she had been a patient recently following a fall before Christmas in which she suffered a broken hip.

Mrs. Howe was the widow of the late Ace Howe and a sister of the late Mrs. Thos. Breen.

She leaves a daughter Mrs. Helen Icheldinger and a sister Mrs. Herman Baatz, both of Detroit.

Funeral services and burial were held Tuesday in Detriot.

SAYS THANKS FOR HERALD

Sgt. Carl Kempf writes from England thanking The Herald and the American Legion Auxiliary for The Herald. He had just received his first two copies which were much appreciated. Sgt. Kempf was stationed in N. Ireland before going to England and hopes to meet up with his cousin Henry F. Kempf, who is also in England. Says he has watched for Tecumseh men but has never seen any, although he had one boy in his ward in the general hospital from Adrian.

PAST CHIEFS CLUB

The Pythian Past Chiefs Club has elected the following officers for the coming year: Mrs. Harry Schuch, president; Mrs. Jessie Manwaring, vice president; Mrs. Irvie Raymond, secretary, and Mrs. Frank Gray, treasurer.

TO MEET SUNDAY

The young people of St. Peter's church will meet in the Parish House at 5 o'clock Sunday afternoon. A light supper will be served.

New Power Plant at the Products Co.

Photo above shows the new $60,000 boiler house and heating plant under construction at the Tecumseh Products Plant in Tecumseh, one of the largest of its kind in Southern Michigan. When completed, it will be sufficient in size to heat the entire factory. The building will house two large boilers, capable of delivering 175 H.P. each. Oil will be used for the heating element and will be supplied from a large tank, buried in the ground.

The chimney is 10 feet at the base and with a five-foot flue inside. Inside the flue, will be a steel ladder for repairing and cleaning.

To build the structure, about 90 tons or 45,000 brick are required.

Boiler heating plants now in use at the factory will be dismantled after the new one is completed, except for a unit in building "F" which will be retained for emergency.

WHAT'S YOUR FAVORITE TUNE?

Tonneberger Plays for Rotary

Saxophone, cornet, violin or French horn—any one of your favorite instruments with piano accompaniment, and all at the flick of a button—that was the type of program that Jack Tonneberger, Adrian College music student, presented to Rotarians here Tuesday evening when he appeared on the program at Brees House.

Tonneberger is a part-time student at Adrian College and as soon as he graduates from Tecumseh high school in June he intends to spend all of his time at a conservatory, majoring in organ, with a voice minor.

The youthful high school senior is an accomplished pianist and for the Rotarians on Tuesday evening he brought along his Solo-Vox instrument which, when attached to the piano, enables him to play not only the piano but most any other instrument of his choosing. The Solo-Vox is electrically operated and is played by the musician along with the piano.

Tonneberger played several numbers of his own choosing for the club members and then began to accept request numbers. "And tell me," he said, "what instrument you'd like to accompany the piano." He had requests for the violin, French horn, sax and others. He promptly accommodated.

The program was intended to end promptly at 7:30 but it was some 15 minutes later before the club members finally decided to halt their encores. And then, many Rotarians lingered on to request additional numbers and to have the musician explain just how the instrument was operated.

His Solo-Vox is one of two like instruments in the county. Tonneberger has been playing it for about two years.

DON'T CUSS ABOUT HIGH PRICES

Sweaters Cost $40 in Old Italy

Yes, ladies, you may think that your favorite shop here is "holding you up a bit" when the clerk says $7.95 for a part-wool cardigan but take it from Staff Sgt. Ivan Maynard, recently returned from Italy, you're really getting a bargain.

"Just before I left Italy I began shopping for a few souvenirs for the folk at home and I priced a couple of sweaters in a ladies shop. Just $85, I was told. I said, 'Thanks' to the clerk and then suggested perhaps a housecoat would be better. When I learned that the price of the garment was $165 in good American money I decided I'd buy my gifts in New York," Sgt. Maynard said.

Prices really are running away in Italy, Maynard declared when he spoke informally at Tuesday evening's meeting of the Rotary Club at Brees House. He was the guest of Yale Kerby.

"And don't let anybody fool you that the war is about over," the sergeant warned. "There's a lot of tough fighting to be done in Europe before we take over and I don't mean maybe."

Maynard should know what he's talking about. He's fought in the air over 11 enemy countries and wears the Presidential citation. On one mission, he said, the boys counted over 400 bullet and flack holes in the ship after they had landed.

"Good old Lenawee county looks good to me," Maynard said. "I wouldn't trade it for all of Italy. Over there I think everybody drinks wine, it's never water. I'll bet a gallon of water would last the average family a month; at least it would last the Italians that I saw that long."

Maynard is home on furlough. He is the son of Mr. and Mrs. Leon Maynard of North Ottawa street. He attended high school here.

NOW IN TUNISIA

The Herald has received a letter from Lt. Don Carlson from Tunisia, N. Africa, who states he has covered a lot of territory since leaving Tecumseh, with no mail for over 30 days. He misses his Herald and enclosed a 100 franc Algerian note, $2 in our money, to "pay his subscription" sent by the Legion Auxiliary.

WED 50 YEARS

Mr. and Mrs. George Cole will celebrate their 50th wedding anniversary Sunday, January 7, at their home at 305 North Maiden Lane, with open house from 4 till 7 o'clock.

YOUR SUBSCRIPTION, IS IT DUE?

Many subscriptions to The Herald are coming due at this season of the year, especially in the Tecumseh area. Please note the expiration date, printed beside your name and address. It will tell you when your subscription expires.

The expiration date is your signal to renew so that your name will not be removed from the list in these critical war days because of the scarcity of paper.

Mr. and Mrs. L. Schneider Observe Anniversary

Mr. and Mrs. Louis Schneider were surprised recently by a group of 80 friends in honor of their 25th wedding anniversary which occurred December 20. The evening was spent socially and several numbers were given by the Barber Shop Quartet. Lunch was served and on behalf of the group G. A. Rathbun presented Mr. and Mrs. Schneider with a Christmas stocking containing 80 silver dollars. They also received many cards and greetings and telegrams were received from Mrs. Joseph Russell of Colorado Springs and Mrs. Alma Walters of Independence, Iowa.

Guests were present from Adrian, Britton, Metamora and Tecumseh, also Mrs. Louis Schneider, Jr., of Annapolis, Md.

FRIENDS SPEAKER

B. B. Francis Glenn, Michigan Secretary of the Bible Meditation League of Lansing, will speak Sunday evening, January 7, at 7:30 at a meeting in the Friends church.

NOW IN TEXAS

A/C Andrew James Smith has been transferred from Naval Air Station at Norman, Okla., to the U. S. Naval Air Training Base at Corpus Christi, Texas.

MRS. M. HEIMERDINGER DIES AT CLINTON

Mrs. Minnie Heimerdinger, aged 79 years, a resident of Clinton for many years, died Saturday morning after a long illness. Mrs. Heimerdinger leaves one daughter Anna at home, a son Clarence also of Clinton, a brother and three sisters in Ypsilanti and eight grandchildren.

Funeral services were held in the home Tuesday afternoon. Rev. O. E. Priest officiated and burial was in Riverside cemetery in Clinton.

Charles Craig Dies; Buried In Brookside

Charles Craig, aged 75 years, a resident of Britton nearly all his life, died last Wednesday in Epworth Hospital in South Bend, Ind., where they were a few years ago to be near their daughter. While in Britton Mr. Craig operated the elevator, also was employed in the grocery and meat markets, and for 20 years was employed by the Wabash railroad. Mrs. Craig has been ill for some time and a patient at St. Joseph's hospital in South Bend since September 1.

Besides the widow he leaves the daughter Mrs. Julia Ridge and a granddaughter, Jo Ann Ridge of South Bend; one brother William J. Craig of Milan, and three sisters Mrs. Anna Hendershot of Tecumseh, Mrs. Ellen Hoagland and Mrs. Della Patterson of Britton. Three sisters and a brother preceded him in death.

The body was brought to the Niblack Funeral Home in Britton, where funeral services were held Friday afternoon, with burial in Brookside cemetery in Tecumseh.

WATCH-NIGHT PARTY

A watch-night party was held in the Baptist church parlors Sunday evening with Rev. B. O. Bashore leading the consecration service. A program was presented and consisted of a vocal duet by Priscilla Sisson and Jane Hoeksfra with Dorothy Schumm as accompanist; trumpet solo by Don Everhart, accompanied by his mother Mrs. Howard Everhart at the piano. Refreshments were served by the young married people of the Sunday school.

CHURCH MEETING

The annual meeting of St. Peter's parish will be held Wednesday, January 10, with a potluck supper in charge of Orville Farver to be served at 6:30. The business session will follow supper and annual reports of the rector, vestry and organizations, and election of the new vestry for 1945 will be the principal business.

MRS. POTTER DIES

Mrs. Mary O. Potter, widow of the late Charles Potter of Onsted, died Friday at Ypsilanti State Hospital after a few days serious illness. Mrs. Potter who was 89 years of age was born and spent nearly all her life in the vicinity of Onsted. Only nieces and nephews survive.

Funeral services were held Monday at the Dunn Funeral Home. Rev. F. D. Hague officiated and burial was in North Rome cemetery.

419 Children Are Immunized

SECOND DOSE OF TOXOID TO BE GIVEN JAN. 11; SMALLPOX TOXOID NEXT WEEK

The second and final dose of toxoid in the local diphtheria immunization program will be administered at the central school next week Thursday afternoon, January 11, to approximately 250 pupils who need the second dose to complete their protection. The first step in this program was taken on December 7, when local physicians administered the toxoid to 419 school children under 15 years of age. Of this number 161 pupils will not be given the second dose in view of the fact that they were given the protection earlier in life and the single first dose was given only to assure complete protection. A similar response next Thursday on the part of the children who need the second dose should assure our community of approximately an 88 per cent protection for all children under 15 years.

In an endeavor to keep the percentage of protection against small pox at a high level, the Tecumseh Health Education Committee, in cooperation with the local health authorities, is again sponsoring a vaccination program for all school children who are in need of this protection. This program will also be administered at the central school next week Thursday, January 11, at 1:30 p. m. Both the diphtheria and the smallpox immunization programs are sponsored by the Tecumseh Health Education Committee and are being carried out by the local physicians assisted by members of the hospital staff. The services of several interested women from the community have also been available to assist with the clerical work which is involved.

Mrs. Addie B. Whelan Buried on Wednesday

Mrs. Addie B. Whelan, wife of Hollis Whelan of 302 W. Cummins street, died Saturday morning at St. Joseph's hospital in Ann Arbor where she had been a patient three days. Mrs. Whelan was 62 years of age.

She leaves her husband, a daughter Bernice Glenadine at home, a son Corp. Dale Whelan of Ft. Jackson, South Carolina; her father George Ingraham and a sister Mrs. Myra Mangus both of Tecumseh, two brothers Myron Ingraham of Brooklyn and Clarence Ingraham of Clinton; also two grand children.

Funeral services were held Wednesday afternoon at Belding Funeral Home. Rev. Edward Escolme officiated and burial was in Brookside cemetery.

PUBLIC INSTALLATION

A public installation of the officers of the Pythian Sisters will be held Wednesday evening, January 10 at 8:30 in their hall in the Witherell Building. The regular meeting of the lodge will be held at 7 o'clock.

MISSED TRAIN WRECK

Jack Curtiss, aom 3/c, who left Friday for Alameda, Calif., wired his parents Mr. and Mrs. Lyman Curtiss of his safe arrival in California. He missed the Utah train which was wrecked by only 10 minutes and his train was delayed 10 hours by the wreck.

Week Of Prayer To Be Observed Here

At a meeting of local ministers held Tuesday at the home of Rev. Edward Escolme, plans were made for the coming Week of Prayer and the following schedule of meetings was arranged: Monday evening, Baptist church, Rev. MacNaughton in charge; Tuesday evening, January 9, St. Peter's church, Rev. Escolme; Wednesday evening, January 10, Methodist church, Rev. James Cameron Murdoch; Thursday evening, January 11, Presbyterian church, Rev. John R. Scarlett; Friday evening, January 12, Friends church, Rev. Blair O. Bashore.

Sherman Waring's Outfit Honored

GETS MERITORIOUS SERVICE PLAQUE FOR SERVICES IN SOUTH PACIFIC

WITH U. S. ARMY TROOPS AT A SOUTHWEST PACIFIC BASE—T/5 Sherman Waring, son of Mrs. Mertie Waring of 318 North Maiden Lane, Tecumseh, Mich., is a member of the Engineer Aviation Battalion which was recently honored with the presentation of the Meritorious Service Unit Plaque by Lt. General Walter Kreuger, commanding Sixth Army Troops.

The Plaque was presented for work accomplished in the construction of three airdromes vital to the Allied offensive in the Southwest Pacific. By extensive clearing of rain forests and dense cocoanut groves and skillful soil stabilization they surfaced runways with coral and prepared one strip for operational use within 23 days.

In the assault phases of another island they quickly cleared access roads and dispersal areas for supplies and equipment and expanded and improved one strip of the enemy's in record time for our air support units. They were forced at times to maintain their own perimeter defenses against the remnents of a harassing Jaapnese force.

In another instant, subjected to recurrent enemy air attacks, they wrested an airfield from virgin jungle and cocoanut plantations in 15 days. Despite material shortages of personnel, supplies, and equipment, and unrelieved work for a five month period under the most adverse tropical conditions, they maintained unsurpassed standards of discipline, efficiency, and devotion to duty. They were previously commended by Lt. General George C. Kenney and Major General Hugh Casey for their outstanding work.

Tec-5 Waring, a carpenter with the outfit, was inducted into the army in September 1942. Prior to that time he was employed by Quaker Oats Co. Since arriving overseas in August 1943 he has participated in several actions.

Mrs. Sophia Dunham Buried at Ridgeway

Mrs. Sophia Dunham, aged 78 years, passed away at the home of her daughter, Mrs. Daisy Bartell at Britton, Sunday morning. She had made her home with her daughter since the death of Mr. Dunham, 10 years ago, and had been confined to her bed for the past 16 months.

Mrs. Dunham, who was a member of the Church of the Nazarene at Ridgeway, is survived by the daughter and three sons, the Rev. George B. Dunham of Gaston, Ind., Rolla of Detroit, and Richard of Lima, O. Also five grand children, Richard and Lowell Van Etten and Ralph Dunham all in military service, Mrs. Violet Zeller of Ohio, and Donald Dunham of Warsaw, Ind. One daughter, Golda Van Etten, preceded her in death.

Funeral services were held Wednesday afternoon from the Church of the Nazarene, Ridgeway, the Rev. P. O. Hawley of Detroit officiating, assisted by the pastor, the Rev. E. E. Kimball. Burial was in the Ridgeway cemetery.

IN PEARL HARBOR

Mr. and Mrs. L. P. Williamson have received word that his sons Major Leon Williamson and Robert Williamson S 1/c met during Christmas week in Pearl Harbor. Major Williamson is stationed there and at Thanksgiving time met another brother Ensign Richard Williamson. Leon was also planning on visiting Capt. R. F. Gas Proposal Being Studied

COUNCIL IS EXPECTED TO TAKE SOME ACTION AT MEETING JANUARY 22

The proposal of the Consumers Power Company to bring natural gas to Tecumseh during the late winter or early spring is now being studied by the village council and it is expected that some action on the matter will be taken when the trustees meet in special session, January 22. The council held its regular meeting of January, Tuesday evening, adjourning to the later date.

The Consumers company also submitted a street lighting contract to the village, Tuesday evening, and this was referred to the lighting committee for action in two weeks. The new proposal increases the rate about $400 annually, but relieves the village of maintenance, as was specified in the old contract. Under the new contract, street lights in the downtown district would burn all night instead of midnight, as in the present contract.

The matter of renting a small tractor snowplow from Fay Whelan for the removal of snow from sidewalks was turned over to the street committee for action. Mr. Whelan, local implement dealer, has played "Santa Claus" to the village during the two heavy snowstorms of the past month and has removed snow from miles of walks without charge to the village. The council expressed its appreciation to Mr. Whelan for his work, realizing that with the shortage of help it would have been next to impossible for the village to have accomplished the mission. It is likely that the plow will be rented from Whelan and used by the village in future storms.

The only other business before the council was routine matters.

Night Schools Plans Are Made By Grange

Tecumseh Grange met Thursday evening for a potluck supper followed by the regular meeting and program, Ernest Harris presided and it was voted to contribute to the March of Dimes. Plans were made for a night school to begin in January with George Parsons in charge. A membership drive was also planned for January and Mr. and Mrs. Harris and Mr. and Mrs. Howard Matthews were named delegates to the Pomona Grange meeting in Tipton January 11.

Mrs. Charles Patterson was in charge of the program which included assembly carol singing, vocal solos by Mr. Harris and Joyce Ann Partridge, and readings by Mrs. William Grigg, Eleanor Cadmus, Mrs. Mills Swick and Mr. Harris.

Mr. and Mrs. E. J. Aebersold, Rev. and Mrs. B. O. Bashore, Mr. and Mrs. Owen Partridge and Mr. and Mrs. Maurice Papsworth were appointed supper committee for the next meeting.

FUNERAL IN TOLEDO

Miss Mary Hanlin, who had made her home with Mr. and Mrs. John Keeney since June, died Friday at the Parrett Nursing Home on East Pottawatamie street where she had been cared for since October 7. Miss Hanlin whose home was in Toledo had been in failing health for about a year.

Her only survivors are cousins. The body was taken to the Collins Funeral Home and later moved to the Garner Funeral Home in Toledo where funeral and burial were held.

MARRIAGE ANNOUNCED

Mr. and Mrs. Charles Spreeman of Ridgeway are announcing the marriage of their daughter Geraldine to Pvt. George A. Allard of Gross Pointe on December 18. Pvt. Allard is with the armed forces stationed at Ft. Ord, Calif. Mrs. Allard will remain with her parents for the duration.

SCHOOL IS RESUMED

The public schools reopened here on Tuesday morning after the holiday recess which started the Friday before Christmas. W. L. Berkhof, superintendent, said that all classes were met by teachers Tuesday and that there were few absences.

NEW YEAR MEDITATION

In this war, as in all ideological conflicts, each participant has talked much of its past. Each nation has boasted of its culture and of the high level of its civilization. Each group has bragged of the accomplishments of its forbearers. But no one seems to have remembered that the culture of each, the civilization of each, is no greater than that displayed by the generation coming up.

If we of the present generation do not reteach the lessons of the past, so that the next generation may profit by them; if we do not add to the culture we have received so that the coming generation can in turn build on it, then of what avail is the past?

No nation, no group is entitled to be judged on the brave deeds of its ancestors. It must be judged on the actions of the present and the promise of the future.

Of what good was the storied art of Italy, when a people weakened by dependence on the past, let in the Fascist ideology, that destroyer of the democratic ideal that had been the glory of Rome, and of which Virgil had sung?

Of what good was the world-loved music of Germany, when a people, too pride-bound to face the facts, drowned out that music with the screams of tortured thousands?

Of what good was the boasted sun-god lineage of the Japanese when their cohesive strength was used to lay waste peaceful lands and enslave millions of their fellow Asiatics

Of what good is the thrift and courage and steadfastness of the pioneers who founded America, to those who carp and cavil at every restriction, at every inroad upon their accustomed manner of living?

Of what good are the high sounding phrases of the Constitution to those who here in our free United States deny equality of opportunity to all Americans, who condemn groups en masse, who spread lies and prejudices which the Founding Fathers thought had been left behind in the old World from which they fled?

It isn't what we were. It is what we are, and what the next generation will be that really matters. And what they will be starts with us and the example and precept we give them.

Have We kept faith with the past? Will we keep faith with the future? That is the challenge! We are the link in the chain upon which the strain now rests. Will we hold, as did those before us? It is the present that counts.

NEWS OF OUR MEN AND WOMEN IN UNIFORM

U. S. ARMY FORCES IN NEW CALEDONIA—Warren F. Filter, RFD 2, Britton, Michigan, formerly a drill press operator at the Tecumseh Products Refrigeration Plant, has recently been promoted from Private First Class to Corporal while serving with the Ordnance Ammunition Company at this base in the South Pacific Area.

The son of Mr. and Mrs. Henry Filter, RFD 2, Britton, Michigan, Corporal Filter entered the Army in July 1942 and received his specialized training at Camp Wolters, Texas, before embarking for overseas duty in January 1943. Prior to coming to this semi-tropical island, he had been stationed on that now famous and battle-scarred island, Guadalcanal.

Corporal Filter attended Ford Macon high school where he played an active part on the school's baseball team.

At present Corporal Filter is a squad leader and his work includes the supervising of working parties handling ammunition, checking shipments, and the repairing of valuable material damaged in transit overseas, thereby directly helping the war in the Pacific to be stepped-up against the Japs, and bringing the final collapse of the Nips to a much quicker conclusion.

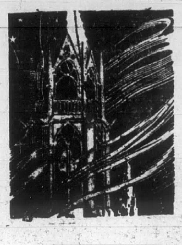
GOOD CONDUCT MEDAL

WITH U. S. SOUTH PACIFIC ARMY FORCES—Pfc. Daniel B. Bush, 23, whose schooling as an Army especialist was interrupted when his training unit at Ripon College, Ripon, Wis., was disbanded, has been awarded a Good Conduct medal for exemplary behavior and efficiency.

He's assigned to a petroleum laboratory at headquarters of Maj. Gen. Frederick Gilbreath, commanding general of the South Pacific Base Command, and is stationed on New Caledonia, U. S. island supply base 1,000 miles northeast of Australia. The soldier's parents live at 8 Water St., Tecumseh, Mich.

ELECTRICIAN'S MATE

GREAT LAKES, ILLINOIS—Among those graduating from an intensive course of electrician's mate training at recent Service Schools exercises here was Grenval Ward Spangler, 33, husband of Mrs. Gladys Spangler, 31 Mill Street, Tecumseh, Michigan.



As we enter the new year we wish to thank our friends for their patronage, and we pledge you a continuance of our honest effort to serve you to the best of our ability.

May peace with its blessings come to us soon!

Keep That Resolution!
Open a Savings Account

* * *

We know that many folk, at the beginning of the new year, resolved to open a savings account in this bank.

We hope that a goodly percentage of the folk who made the resolution will keep it because we know that they will be truly thankful when another holiday season rolls round and they have funds in the bank for any emergency—and at the stroke of the pen.

It is good business to save a part of your earnings, regularly. There is genuine security in knowing that you have funds available the instant you need them.

COULD YOU PAY $10,000

AS A RESULT OF AN AUTO CRASH?

Suppose your car becomes involved in an automobile accident in which one or more persons are injured or killed?

Could you conveniently pay $5,000 or $10,000 —lay the cash on the line?

That's what the new Michigan Responsibility Law says you must do, and,

If you don't do it, you lose your right to drive until the claim is paid and until such time as you satisfy the state that you are responsible, should other accidents occur.

Why take a chance? See us for insurance that will give you complete protection.

Schools Cooperate In Bible Reading Program

The Tecumseh public schools are giving their support to the nationwide Bible reading program which is being sponsored by the American Bible Society for the period from Thanksgiving to Christmas. Schedules of suggested passages for daily reading prepared by the Society following a nationwide canvass of pastors and chaplains have been distributed to the children. Churches and lay groups throughout the nation are uniting in this endeavor to bring to the attention of all citizens, including those in the armed forces, Bible passages which will prove most helpful in this period of National stress.

The local program is under the direction of Alvin Brazee, a member of the Tecumseh staff, who urges that parents cooperate with their children by using the schedule for family reading.

GLIDER PILOT

SOUTH PLAINS ARMY AIR FIELD, Texas—Everett L. Furgason of 207 W. Shawnee, Tecumseh, has received his wings as a glider pilot and appointment as a flight officer at the "Home of the Winged Commandos" at Lubbock, Texas.

These "Winged Commandos" have just completed their course of training in Uncle Sam's giant cargo and troop carrying gliders at SPAAF, which trained hundreds of glider pilots who landed airborne troops in France to help spearhead the invasion.

Flight Officer Furgason attended Jackson High School. His wife is a resident of Tecumseh, and his parents, Mr. and Mrs. Ernest D. Furgason, live at 1507 Francis streeet, Jackson.

RIVETED and WELDED! SMOKE and GAS TIGHT

The PREMIER Steel Furnace

This furnace can't leak. It's made like a high pressure steam boiler. Joints are secured with big, closely spaced rivets, then as an additional safeguard, they are electrically welded!

Take no chance on leakage of smoke or noxious gases. Replace that dangerous old heating plant with a modern PREMIER Steel Furnace.

Is your home hard to heat? Perhaps your furnace is suffering from "poor circulation." This simple PREMIER Unit has provided a quick cure for the "sluggish heating" troubles of hundreds of home owners.

CIRCULATES HEAT
Attached to your furnace the PREMIER blower greatly speeds up air circulation. Air in the rooms is literally pulled down the cold air registers, forced over the furnace surfaces, and up the warm air ducts.

FILTERS AIR
The air is likewise filtered—cleaned of winter dust and soot. The result—a clean home with a refreshing atmosphere free from that "stuffy" smell.

SAVES COAL
PREMIER forced circulation extracts more heat from the furnace. Your home stays warmer with a smaller fire. You burn less fuel—but are more comfortable. Fuel savings have been reported up to 23%.

Quality is Important
When Food is Rationed

Now, more than at any time since the war started, is it truly important that the food you buy is of top quality because, under rationing, it is necessary that you make it to "double duty."

We pride ourselves on handling and selling only quality foodstuff. That was our policy long before the war started. We have not changed it.

If you are interested in quality merchandise—the kind that has a minimum of waste—we invite your patronage—today and every day.

Predicts Increased Investment By American Farmers During Sixth War Bond Campaign

WASHINGTON, D. C.—A prediction that American farmers will invest more money in bonds during the Sixth War Loan than in any previous drive was made today by the War Finance Division of the U. S. Treasury.

Farmers bought $1,250,000,000 worth of War Bonds during 1943, according to the Bureau of Agricultural Economics. In 1944 it is believed they can and should purchase a total of $2,000,000,000, Ted R. Gamble, national director of the War Finance Division, said.

Income at Peak

The Sixth War Loan, starting November 20, comes at an ideal time for agriculture, he pointed out.

This is not only the time when farm income is at a seasonal peak, but 1944 marks three years of record breaking farm income, he said.

Based on information obtained from the Agricultural Section of the War Finance Division estimates the 1944 cash farm income at $20,600,000,000, compared with $20,000,000,000 in 1943.

Although net farm income, due to higher operating costs, may not be greater than in 1943, most farmers now have reduced their debts and consequently will have more money to put into War Bonds, the division reports.

In the twelve months ending January 1, 1944, farmers reduced real estate mortgages alone by $950,000,000.

Bank Deposits Gain

After paying all operating costs and necessary family expenses, farmers will have left this year for investment and debt reduction over $5,000,000,000, the Agricultural Section also estimates.

Because of the fact that new machinery is not obtainable, farm deposits are piling up in rural banks. Demand deposits held by farmers in these banks are estimated at $4,500,000,000 and time deposits at $2,000,000,000. Since the new method of redeeming Series E Savings Bonds makes them as liquid as a dollar bill, it is no longer necessary for the farmer to maintain a large bank account to meet possible emergencies, Mr. Gamble stated. Therefore, he believes, farmers will convert part of these deposits into War Bonds.

Ted R. Gamble

War Bond purchasers will provide a farm financial reserve to protect against damage by drought, flood and livestock disease, will assure cash to replace and repair buildings and machinery as well as to build back soil fertility depleted by wartime food production, and will provide funds for education, vacations and old age security.

The high farm income this year is the result of the huge increase in farm production to meet wartime food needs rather than a rise in prices, which have been held down by the OPA it was explained.

TRAINS AS GUNNER

Gulfport Army Air Field, Gulfport, Miss.—Pfc. Richard W. Graf, son of Mr. and Mrs. Lavern E. Graf, R.F.D. No. 2, Tecumseh, Michigan, has reported at this Third Air Force bomber base for an intensive training course at a tail gunner on a B-17 Flying Fortress.

Selected for this important assignment after stringent examinations, Pfc. Graf will be a member of a ten man crew who will live and work together under simulated battle conditions. Upon completion of training the crew will be ready for duty on the fighting fronts.

Private First Class Graf entered the service at Ft. Sheridan, Ill., in June, 1944. He attended Ford Macon high school, and was employed by the Ford Macon Farms, Macon, Michigan, prior to entering the military service.

Will Consider Student Health

SPECIAL EMPHASIS ON SUCH A PROGRAM HAS BEEN OUTLINED BY TEACHING STAFF

A special emphasis upon the health program of the schools is being planned by the Tecumseh staff for the current school year, W. L. Berkhof, superintendent, has announced. The problem of how the Tecumseh schools can achieve more fully the desirable objectives in the field of health education which current educational theory and practice dictate was made the special topic for discussion and planning of the pre-school conference which was held by local staff members during the opening week of school. The attention of the group was centered particularly upon the possibilities of improving the present health program which included: all health teaching by which the child acquires information and habits conductive to a well-developed, integrated self; all physical activities which are a part of the school [illegible] which contribute to the physical, mental, and social well being of children; and, all health services and relationships which are concerned primarily with protective and preventive activities.

The conference period, as planned by a special steering committee of staff members, was devoted first of all to the preparatory of a summary of what the schools have actually been doing on the various grade levels in the field of health and this was followed by the development of specific suggestions which might be used as a basis for improvement. These suggestions which are at present being reviewed by a special committee, include plans for (1) an increased role of the classroom teacher in the matter of health observation, (2) a more adequate program in nutrition, particularly on the grade school level, (3) special devices and projects which may be utilized to stimulate children in matters of healthy living, (4) fuller utilization of visual and other available aids in the field of health instruction, (5) more stringent regulations in excluding children from school when ill, (6) developing a greater awareness in the minds of the students of community health problems relating particularly to sanitation, (7) encouraging a wider student participation in immunization and testing programs for communicable diseases; and (8) conducting more extensive vision and hearing checks. A selection of the above suggestions as recommended by the review committee will be considered by the full staff at an early meeting and steps taken to implement the program during the current school year.

A first step toward a realization of the program was taken on the opening day of school when health records were completed for all children who enrolled in the kindergarten. This work was done through the assistance of a number of volunteers who served under Mrs. Dorothy Preston, chairman of the Tecumseh Health Committee. Further plans are also being considered for a closer cooperation between the schools and the Community Health Committee in carrying out worthwhile community health projects.

A Yank's Prayer

The following poem, said to have been found on the body of an unidentified soldier, in Italy, is furnished to The Herald by the Rev. Blair O. Bashore, pastor of the Baptist church here:

"Look God, I have never spoken to you but now I want to say, 'How do you do. You see God they told me you didn't exist. And like a fool I believe all this.

"Last night from a shell I saw your sky. I figured right then they had told me a lie. Had I taken time to see things you had made I'd have known they weren't calling a spade a spade.

"I wonder God if you would shake my hand, somehow I feel that you will understand. Funny I had to come to this Hellish place before I had time to see your face.

"Well I guess there isn't much more to say but I'm sure glad God I met you today. I guess the zero hour will soon be here, but I'm not afraid since I know you are near.

"The signal—well God I'll have to go, I like you lots, this I want you to know. Look now, this will be a horrible fight. Who knows I may come to your house tonight.

Though I wasn't friendly to you before I wonder God if you'd wait at the door? Look, I'm crying, I'm shedding tears. I wish I had known you these many years.

"Well, I have to go now, God. Goodbye—strange, since I met you I'm not afraid to die."

32 VETS GET JOBS

Manager Clifford J. Rice of the Adrian office of the United States Employment Service announced today that 32 veterans of World War II were placed in jobs by the USES here last month.

"We want all returning service men to know that the latch-string at the Employment Service here is always out to them. Finding them suitable jobs is one of our greatest ambitions and one that We are proud to perform," he declared.

The Employment Service office here is located at 118 W. Church St., Adrian, Michigan.

Scholarships Awarded To Michigan College

Richard Gallaway, Calvin Pawson, Robert Bush, and Lee Spohr were awarded short course scholarships by Michigan State College recently. These boys with their parents met with D. H. Shepard of M. S. C. at the Tecumseh high school on December 20 to complete the necessary arrangements prior to their enrollment on January 2, 1945.

These scholarships are not awarded entirely on past accomplishments but also take into consideration the persons ability to profit by further training, and then returning to make a worthwhile contribution in the home community.

The courses given include following: Livestock selection and adaption; farm crops; farm dairying; farm management and accounts; farm poultry; soils; farm practices; child development and family relations; rural church leadership; public health and community recreation.

TO MEET FRIDAY

The Joy-Bringers 4-H Club will meet Friday, January 5, at the home of Donna Adams. Mrs. Curtis Ashley is leader of the group and a demonstration on "Hemming Towels" will be given. Donna and Helen Adams are in charge of games.

Lighting Research is "MOVING the SUN"

This could be your living room of tomorrow, except for one thing — instead of moving your furniture *outdoors*, you can bring sunshine *indoors*.

Yes — you will be able to enjoy *all* the benefits of sunshine, day or night, winter or summer — thanks to the research which has re-created the beneficial rays of sunshine and made them available at the snap of an electric switch.

★ Softer, more abundant light for easy seeing.

★ Ultraviolet that produces essential Vitamin D.

★ Short-wave ultraviolet that kills germs.

★ Soothing, penetrating heat.

Why not plan *now* to enjoy all of the priceless benefits of sunshine in your home. Because *any* home, old or new, can have this modern kind of lighting when the war is over. Please feel free to ask us for advice.

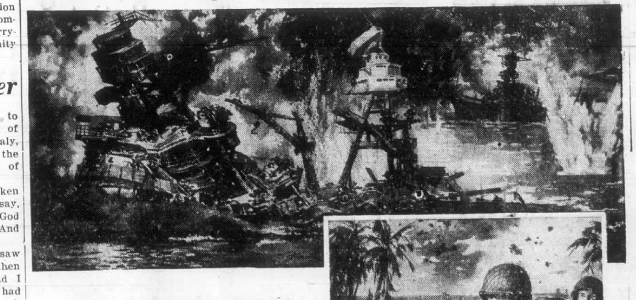
You can't wipe this out with your tears!



BUT BONDS WILL HELP YOUR BOYS *DO IT!*

Your fighting men are paying back the Japs for Pearl Harbor, that "deed that will live in infamy." But it's a long way yet to Tokyo—where the final installment will be collected.

We, at home, can't fight shoulder to shoulder with our boys. Yet we can help *today* by getting behind the 6th War Loan Drive with every dollar we can scrape together. This is every American's war. Buy an *extra* $100 Bond—and don't wait till you're asked. For we've a tough job ahead.

Your Bonds prove that you haven't forgotten Pearl Harbor, Bataan and the thousands of other crimes against humanity by the Jap hordes. Your Bond is an installment on what it's going to cost us to crush the Japs in the long sea lanes of the Pacific—it's going to take more superfortresses at $600,000 each, more P-47 Thunderbolts at $50,000 each—more of every type of materiel.

And remember, when you buy Bonds you are saving for your future and the future of your country. Don't put it off—buy that *extra* Bond today.

FARM HOUSE RAZED IN TUESDAY BLAZE

Fire, which started near the stove pipe, destroyed the home of Mr. and Mrs. Robert Miller at Raisin Center, about 6 o'clock, Tuesday evening. The loss to the building and contents is estimated at $4,000, partly covered by insurance.

The Adrian fire department answered the alarm and when the booster line on their truck froze a call was sent to the Tecumseh department. The line on the Tecumseh truck also froze. The temperature was well below the zero mark.

The local department was called to the Products restaurant at 11:35 Tuesday evening where a fire had started in the partition. It was extinguished before firemeh arrived. The blaze started from an overheated pipe that was being thawed out with a blow-torch. There was little damage.
